GANSON STREET FOR $28,000.00, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE THE DEED; FOR THE DEPUTY CITY MANAGER, OR HIS DESIGNEE, TO SIGN ANY REQUIRED DOCUMENTS AT CLOSING, AND FOR THE CITY ATTORNEY TO MAKE MINOR MODIFICATIONS TO THE CLOSING DOCUMENTS AND TO TAKE ALL OTHER ACTION NECESSARY TO EFFECTUATE THE CLOSING.

B. CONSIDERATION OF THE REQUEST TO ACCEPT THE PURCHASE AGREEMENT TO SELL THE PROPERTY AT 509 W. FRANKLIN STREET FOR $25,000.00, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE THE DEED; FOR THE DEPUTY CITY MANAGER, OR HIS DESIGNEE, TO SIGN ANY REQUIRED DOCUMENTS AT CLOSING, AND FOR THE CITY ATTORNEY TO MAKE MINOR MODIFICATIONS TO THE CLOSING DOCUMENTS AND TO TAKE ALL OTHER ACTION NECESSARY TO EFFECTUATE THE CLOSING.

Motion was made by Councilmember Dobies and seconded by Councilmember Greer to postpone consideration of Items A and B above until the March 13, 2012, City Council meeting. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Frounfelker and Dobies—6. Nays: 0. Abstain: Councilmember Schlecte—1. Absent: 0.

CITY COUNCILMEMBERS’ COMMENTS.

Councilmember Schlecte requested data on the Dangerous Building Report that will show foreclosures and out-of-the-area owners. She thanked City Engineer Dowling for allowing property owners to have their sidewalks and drive approaches repaired (at their cost) when their streets were reconstructed and hopes this can become a policy. She would like the City Affairs Committee to look at a policy on local preference and would like an update on the storm water fee litigation. She will be on JTV tomorrow to talk about tonight’s meeting.
Mayor Griffin discussed placing a resolution on the next Council meeting agenda asking The Michigan Flyer to reconsider pulling out of Jackson.

Councilmember Greer announced the Michigan Municipal League Capital Conference on March 20 and 21 and encouraged the Mayor and Councilmembers to attend, especially the Regional Round Tables on March 20.

Councilmember Jaquish asked the City Manager to send a copy of the procedure the City will try to incorporate for people who have been evicted due to a condemnation to Councilmember Schlecte. City Manager Shaffer explained that he has developed a draft policy, which is ready to be executed. He will share this information, which will help to connect people who have been evicted with alternative housing, with the entire Council. She also inquired about the rezoning matter for First Street that was postponed.

Councilmember Dobies attended the Daddy/Daughter Dance and thanked Kelli Hoover for the invitation. He would like to see the City spread the word about this event and other positive things the City is doing.

Mayor Griffin praised Kelli Hoover and Suzanne Whitehead for a job well done and announced the March 10 and 11 Mother/Son Rock and Bowl event.

**MANAGER’S COMMENTS.**

None.

**ADJOURNMENT.**

No further business being presented, Mayor Griffin adjourned the meeting at 9:47 p.m.

Lynn Fessel  
City Clerk
JACKSON CITY COUNCIL MEETING

MINUTES

MARCH 13, 2012

CALL TO ORDER.

The Jackson City Council met in regular session in City Hall and was called to order at 7:03 p.m. by Mayor Martin J. Griffin.

PLEDGE OF ALLEGIANCE – INVOCATION.

The Council joined in the pledge of allegiance. The invocation was given by Councilmember Jaquish.

ROLL CALL.

Also Present: City Manager Larry Shaffer, City Attorney Julius A. Giglio, City Engineer Jon Dowling, Assistant Fire Chief Dave Wooden, Police Chief Matt Heins, Deputy City Manager/Community Development Director Patrick Burch, Carmen Ryan from the City Clerk’s office, and Jason Yoakam from the City Assessor’s office.

AGENDA.

Motion was made by Councilmember Greer and seconded by Councilmember Jaquish to adopt the agenda. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte, and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

CITIZEN COMMENTS.

Jerry Bougher asked the Council to put the money for the solar project into the sewer system or streets. He also suggested setting the money aside to redo the Wastewater Treatment Plant.

John Wilson stated that property owners of the city now pay a millage for Jackson Transportation Authority. He said property owners would be subsidizing bus service owned and operated by a private entity. He stated that supply and demand should be allowed to determine the future of the Michigan Flyer.
Jeff Mazur wants to be able to modify the Rental Registry. He stated good landlords would be charged the same rate as the poor landlords that take more time to be inspected. He stated he would be willing to sit on a panel to look at the costs that are being charged, and suggested that the inspections to be conducted be charged hourly.

Anthony Kiszka spoke in support of the Solar Project at the Wastewater Treatment Plant.

Cindy Eby owns an organic fruit farm. She spoke in opposition of the change of an ordinance that allowed her to have egg chickens needed to produce manure for her fruit farm. She stated she has to spend much more to get her manure now that the ordinance was changed. She said that enforcement of the old ordinance would have been more effective than changing it.

PRESENTATIONS/PROCLAMATIONS.

None.

CONSENT CALENDAR.

Councilmember Schlecte requested Items A and D be removed for separate consideration. Councilmember Breeding requested items E and F be removed for separate consideration. Motion was made by Councilmember Dobies and seconded by Councilmember Greer to approve the following Consent Calendar, with Items A, D, E, and F removed for separate consideration. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

Consent Calendar

CONSENT CALENDAR ITEM A.

Approval of the minutes of the regular City Council meeting of February 21, 2012.
Motion was made by Councilmember Breeding and seconded by Councilmember Dobies to approve the minutes of the February 21, 2012 regular City Council meeting at the March 27, 2012 regular City Council meeting. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlectic and Dobies—6. Nays: 0. Absent: Councilmember Frounfelder—1.

CONSENT CALENDAR ITEM D.

Approval of the award of the 2012 City Private Lots Mowing Contract (entire season) to Noel Lawn Services, Monroe, in the amount of $30,125.00, and Greener Solutions, Jackson, (for half of properties in May and June) in the amount of $31,875.00, and authorization for the Mayor and City Clerk to execute the appropriate document(s), in accordance with the recommendation of the Purchasing Agent.

Motion was made by Councilmember Greer and seconded by Councilmember Schlectic to proceed with the contract as recommended. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlectic and Dobies—6. Nays: 0. Absent: Councilmember Frounfelder—1.

CONSENT CALENDAR ITEM E.

Approval of the award of the 2012 As Needed Surveying Consulting Services contract to Wade Trim, Taylor, Michigan in the amount of $62,880.00 and authorization for the Mayor and City Clerk to execute the appropriate document(s), in accordance with the recommendation of the Purchasing Agent.

Motion was made by Councilmember Breeding and seconded by Councilmember Greer to award the 2012 As Needed Surveying Consulting Services to Wade Trim. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlectic and Dobies—6. Nays: 0. Absent: Councilmember Frounfelder—1.

CONSENT CALENDAR ITEM F.

Approval of the purchase of replacement radios from Tait North America, Inc., in the amount of $38,684.50, in compliance with Federal Communication Commission mandate, and authorization for City Engineer/Director of Public Works to sign the purchase order.

Motion was made by Councilmember Breeding and seconded by Councilmember Greer to approve the purchase of replacement radios from Tait North America, Inc. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlectic and Dobies—6. Nays: 0. Absent: Councilmember Frounfelder—1.

COMMITTEE REPORTS.

Motion was made by Councilmember Breeding and seconded by Councilmember Dobies to receive the Finance/Tax Policy Committee report. The motion was adopted by the

APPOINTMENTS.

Motion was made by Councilmember Dobies and seconded by Councilmember Schlecte to approve the recommendation. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

Motion was made by Councilmember Dobies and seconded by Councilmember Greer to approve the recommendation. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

PUBLIC HEARINGS.

A. PUBLIC HEARING OF NECESSITY FOR STREET CONSTRUCTION ON DURAND STREET FROM THE SOUTH END TO MORRELL STREET.

Mayor Griffin opened the public hearing.

There were correspondences received from Virgil J. Hertzer, 1048 S. Durand Street, and Connie Mancini, 1051 S. Durand Street, to show their support for the project. There were also correspondences received from Veronica Desnoyer, 1030 S. Durand Street, and Rita A. McLaughlin, 1005 S. Durand Street, to speak in opposition of the project because of the damage incurred to the street by school buses.

John Downing, 1042 S. Durand Street, spoke in support of the project and thanked the Council and City Engineer. Jim Keersmaekers, 1116 S. Durand Street, spoke in opposition of the removal of all the curbs and narrowing the street. He opposed narrowing the street particularly because of the school bus traffic. John Wilson, 1045 S. Durand Street, spoke in support of the project and thanked Jon Dowling, Randy McMunn and Sandee Porter for presenting the proposal. Megan Keersmaekers, 1116 S. Durand Street, was concerned about narrowing the street and moving the curbs. She stated during the fireworks it would increase the congestion in that area. She wanted to know if we looked into grants to pay for the project. She felt parking should only be allowed on one side of the street if it is narrowed. The Mayor closed the public hearing.
1. RESOLUTION ORDERING THE CONSTRUCTION AND PREPARATION OF THE
SPECIAL ASSESSMENT ROLL.

Motion was made by Councilmember Schlecte and seconded by Councilmember
Greer to adopt the resolution by leaving the width of the street and also the curbs in place
and go forward with the construction.

A new motion was made by Councilmember Breeding and seconded by
Councilmember Jaquish to postpone the adoption of the resolution until the next regular
City Council meeting. The motion was adopted by the following vote. Yeas: Mayor
Griffin, Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0.
Absent: Councilmember Frounkelker—1.

B. PUBLIC HEARING ON THE REQUEST TO REZONE PROPERTY LOCATED AT
2005 FIRST STREET (PARCEL ID#3-320800000) FROM R-1 (ONE-FAMILY
RESIDENTIAL) TO I-1 (LIGHT INDUSTRIAL).

Mayor Griffin opened the public hearing. No one spoke. Mayor Griffin closed
the public hearing.

1. CONSIDERATION OF AN ORDINANCE AMENDING CHAPTER 28, SECTION
28-32, CITY CODE, TO REZONE PROPERTY LOCATED AT 2005 FIRST
STREET (PARCEL ID#3-320800000), FROM R-1 TO I-1. (CITY PLANNING
COMMISSION RECOMMENDS DENIAL)

Motion was made by Councilmember Greer and seconded by
Councilmember Schlecte to concur with the recommendation of the Planning
Commission to deny the applicant’s request to rezone the property. The motion
was adopted by the following vote. Yeas: Mayor Griffin, Councilmembers
Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent:
Councilmember Frounkelker—1.

RESOLUTIONS.

A. CONSIDERATION OF A RESOLUTION RECOGNIZING THE JACKSON
COMMUNITY FOUNDATION AS A NONPROFIT ORGANIZATION OPERATING
IN THE COMMUNITY.

Motion was made by Councilmember Breeding and seconded by Councilmember
Dobies to adopt the resolution. The motion was adopted by the following vote. Yeas:
Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6.
Nays: 0. Absent: Councilmember Frounkelker—1.

B. CONSIDERATION OF A RESOLUTION GRANTING AMY CANTU PERMISSION
TO OPERATE A MOBILE FOOD CART IN THE CITY’S CENTRAL BUSINESS
DISTRICT.
Motion was made by Councilmember Breeding and seconded by Councilmember Jaquish to adopt the resolution. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

C. CONSIDERATION OF A RESOLUTION APPROVING FUNDS IN THE AMOUNT OF $225,000.00 FOR THE PURPOSE OF DEMOLITION AND RELATED EXPENDITURES UNDER THE NEIGHBORHOOD ECONOMIC STABILIZATION INITIATIVE.

Motion was made by Councilmember Greer and seconded by Councilmember Dobies to adopt the resolution. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Greer, Schlecte and Dobies—4. Nays: Councilmembers Breeding and Jaquish—2. Absent: Councilmember Frounfelker—1.

D. CONSIDERATION OF A RESOLUTION ENDORSING AN APPLICATION BY THE JACKSON TRANSPORTATION AUTHORITY FOR FUNDING FROM THE FEDERAL TRANSIT ADMINISTRATION FOR REHABILITATION OF THE ADMINISTRATION/MAINTENANCE FACILITY.

Motion was made by Councilmember Greer and seconded by Councilmember Jaquish to adopt the resolution. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Jaquish, Greer, Schlecte and Dobies—5. Nays: Councilmember Breeding—1. Absent: Councilmember Frounfelker—1.

E. CONSIDERATION OF A RESOLUTION ENCOURAGING THE MICHIGAN FLYER TO REINSTATE FULL BUS SERVICE TO AND FROM THE CITY OF JACKSON, AND INSTRUCT THE CITY MANAGER, AND ENCOURAGES THE JACKSON TRANSPORTATION AUTHORITY TO COOPERATE AND NEGOTIATE THE CONDITIONS NEEDED TO ALLOW FOR FULL REINSTATEMENT OF THE MICHIGAN FLYER SERVICE IN JACKSON.

Motion was made by Councilmember Greer and seconded by Councilmember Dobies to adopt the resolution. Councilmember Greer withdrew his first motion and made a new motion to direct the City Manager to have discussion with the Michigan Flyer without the need for the resolution. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

ORDINANCES.

A. CONSIDERATION OF AN ORDINANCE ADDING SECTION 2-509.3, CHAPTER 2, ARTICLE VI, CITY CODE, TO CREATE A NEW DEFERRED RETIREMENT OPTION PROGRAM (DROP) COMMENCING JULY 1, 2012, AND EXPIRING JUNE 30, 2016.

Motion was made by Councilmember Greer to adopt the ordinance after further discussion he withdrew his motion. The motion was made by Councilmember Schlecte and seconded by Councilmember Jaquish to not approve the ordinance. The ordinance was not

B. CONSIDERATION OF AN ORDINANCE ADDING ARTICLE VI- FORECLOSED, VACANT AND ABANDONED RESIDENTIAL PROPERTY REGISTRY TO CHAPTER 14, CITY CODE, TO PROVIDE A REGISTRY OF FORECLOSED, VACANT, AND ABANDONED RESIDENTIAL PROPERTIES IN ORDER TO PROTECT THE HEALTH, SAFETY AND WELFARE OF THE CITIZENS OF THE CITY OF JACKSON BY PREVENTING BLIGHT, PROTECTING PROPERTY VALUES AND NEIGHBORHOOD INTEGRITY, AND ENSURING MAINTENANCE OF FORECLOSED, VACANT, AND ABANDONED RESIDENTIAL PROPERTIES.

Motion was made by Councilmember Dobies and seconded by Councilmember Greer to approve the ordinance contingent upon Deputy City Manager/Community Development Director Patrick Burch meeting with realtors specializing in foreclosures, and also by making himself available for fine-tuning the ordinance. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Jaquish, Greer, Schlecte and Dobies—5. Nays: Councilmember Breeding—1. Absent: Councilmember Frounfelker—1.

OTHER BUSINESS.

A. CONSIDERATION OF THE REQUEST TO ACCEPT THE PURCHASE AGREEMENT TO SELL THE PROPERTY AT 1707 E. GANSON STREET FOR $28,000.00, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE THE DEED; FOR THE DEPUTY CITY MANAGER, OR HIS DESIGNEE, TO SIGN ANY REQUIRED DOCUMENTS AT CLOSING, AND FOR THE CITY ATTORNEY TO MAKE MINOR MODIFICATIONS TO THE CLOSING DOCUMENTS AND TO TAKE ALL OTHER NECESSARY TO EFFECTUATE THE CLOSING. (POSTPONED AT THE FEBRUARY 21, 2012, CITY COUNCIL MEETING.)

Motion was made by Councilmember Greer and seconded by Councilmember Dobies to accept the purchase agreement. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer and Dobies—5. Nays: 0. Abstain: Councilmember Schlecte—1. Absent: Councilmember Frounfelker—1.

B. CONSIDERATION OF THE REQUEST TO ACCEPT THE PURCHASE AGREEMENT TO SELL THE PROPERTY AT 509 W. FRANKLIN STREET FOR $25,000.00, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE THE DEED; FOR THE DEPUTY CITY MANAGER, OR HIS DESIGNEE, TO SIGN ANY REQUIRED DOCUMENTS AT CLOSING, AND FOR THE CITY ATTORNEY TO MAKE MINOR MODIFICATIONS TO THE CLOSING DOCUMENTS AND TO TAKE ALL OTHER NECESSARY TO EFFECTUATE THE CLOSING. (POSTPONED AT THE FEBRUARY 21, 2012, CITY COUNCIL MEETING.)

Motion was made by Councilmember Greer and seconded by Councilmember Dobies to accept the purchase agreement. The motion was adopted by the following vote.
NEW BUSINESS.

A. CONSIDERATION OF THE REQUEST TO AUTHORIZE THE MAYOR, AND CITY CLERK IF NECESSARY, TO EXECUTE ANY AND ALL DOCUMENTS RELATED TO ACCEPTING INSPECTION AUTHORITY FOR THE DIOCESE OF LANSING, QUEEN OF THE MIRACULOUS MEDAL SCHOOL.

Motion was made by Councilmember Jaquish and seconded by Councilmember Greer to approve the request. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

B. CONSIDERATION OF THE REQUEST TO APPROVE AUTHORIZATION OF A CONTRACT BETWEEN THE CITY AND HARVEST ENERGY SOLUTIONS, JACKSON, TO DESIGN AND CONSTRUCT A 150 kW PHOTOVOLTAIC FIELD AT THE WASTEWATER TREATMENT PLANT AT A COST OF $500, 663.00, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE ALL APPROPRIATE CONTRACT DOCUMENT(S).

Motion was made by Councilmember Dobies and seconded by Councilmember Jaquish to postpone the request until the next regular City Council meeting. The motion was adopted by the following vote. Yeas: Mayor Griffin and Councilmembers Breeding, Jaquish, Greer, Schlecte and Dobies—6. Nays: 0. Absent: Councilmember Frounfelker—1.

CITY COUNCILMEMBERS’ COMMENTS.

Councilmember Jaquish wanted to thank Frank Weathers for all the work he has done getting the people who were evicted because of housing code violations a place to stay.

Councilmember Breeding wanted someone to look into the organic farm (chicken manure). He also said inspecting by the hour peaked his curiosity.

Councilmember Schlecte would like to see some surveys go out to property owners that have had work done by either city employees, or contracted workers of the city in order to determine if they need to improve or if they are doing a good job. She also stated that she would be proposing some amendments to the Housing ordinance.

Councilmember Dobies wanted to congratulate Wendy Clifton, a resident of the Sixth Ward, for her appointment to the Downtown Development Authority. He also wanted to congratulate Charles Reisdorf, also a Sixth Ward resident, for his appointment to the Zoning Board of Appeals/Sign Board of Appeals. He also wanted to thank Jeff and Lori Grantham of Douglas Street, for purchasing three digital cameras to be used by the Jackson Fire Department to document fire scenes and other disasters, as well as for public education.

MANAGER’S COMMENTS.
City Manager Shaffer wanted to thank the City Council for postponing action on the Harvest Energy Project. He stated that it would give him another opportunity to gather information so that he could present it in such a way that the Council could approve it.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Greer to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 8:25 p.m.

Carmen Ryan
City Clerk’s Office
MEMO TO: Honorable Mayor and City Council Members
FROM: Jonathan Greene, Executive Director
SUBJECT: Special Event Application: Orthopaedic Rehab Run

MOTION Approval of the request from Orthopaedic Rehab Specialists to conduct their Annual Orthopaedic Rehab Run on City streets on Saturday, April 21st, 2012 from 8:00 a.m. to 10:00 a.m. Recommended approval has been received from the Police, Fire, Parks and Recreation, Public Works, and Engineering Departments, and the Downtown Development Authority. Insurance approval has been granted by the City Attorney. The event is expected to have an economic impact of $600.00 on the mentioned City departments.

If yes, how many? 3 - 4
As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)
See Attached Letter & Map

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. An event sponsor must provide a valid certificate of insurance naming the City of Jackson and Downtown Development Authority as an additional insured party on the policy, for the specified event.

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy.
A $25 Special Event Application fee must be submitted along with this Special Event Application.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements, limitations, or fees, based on the City’s review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

Date
Signature of Sponsoring Organization’s Agent

If yes, what time? ________________ until ________________
ENTERTAINMENT: Are there any entertainment features related to this event? [YES] [NO]
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule.

ATTENDANCE: What is the expected (estimated) attendance for this event? 300 Runners & Walkers

AMUSEMENT: Do you plan to have any amusement or carnival rides? [YES] [NO]
If yes, you are required to obtain a permit through the City Clerk’s Office.

REST ROOMS: Are you planning to provide portable rest rooms at the event? [YES] [NO]
If yes, how many? 4
As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)
1. Police assistance with traffic control at High St. & Executive Dr. and at High St. & Elm St.
2. Traffic cones from City Engineering approx. 75-90
3. Portable band stand

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. An event sponsor must provide a valid certificate of insurance naming the City of Jackson and Downtown Development Authority as an additional insured party on the policy, for the specified event.

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy.
A $25 Special Event Application fee must be submitted along with this Special event Application.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements, limitations, or fees, based on the City’s review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

Hey Jen,
Something I just thought about. Depending on construction phasing some sidewalks may be out of service. I know that for sure the bridge on West Ave between Ganson and Wildwood will be demolished for reconstruction. I would think it best to advise organizers to do a last minute check of their assigned sections to be sure of safe passage. Bob

CITY OF JACKSON
SPECIAL EVENT APPLICATION, Page 2
Downtown Development Authority
161 W. Michigan ~ Jackson, MI 49201 ~ (517) 768-6410

ENTERTAINMENT: Are there any entertainment features related to this event?  
\[\text{YES} \quad \text{NO}\]
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule. 
Parade Entries – floats, bands, community organizations, non-profits, political entries, etc. Party in the Park – 
chicken BBQ, Planetarium programs, classic car showing of those in the parade. Fire truck pull (possible), and 
other activities not yet determined.

ATTENDANCE: What is the expected (estimated) attendance for this event?  
\[5,000\]

AMUSEMENT: Do you plan to have any amusement or carnival rides?  
\[\text{YES} \quad \text{NO}\]
If yes, you are required to obtain a permit through the City Clerk’s Office.

REST ROOMS: Are you planning to provide portable rest rooms at the event?  
\[\text{YES} \quad \text{NO}\]
If yes, how many? 
- Parade – 7 Reg. 2 HCP, PITP – 8 Reg. 2 HCP
As an event organizer, you must consider the availability of rest room facilities during this event. Consideration 
should be made regarding the type of event, the length of time it will be held, the number of people, etc. You 
must determine the rest room facilities in the immediate area of the event venue and then identify the potential 
need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)
Support at main cross streets (Morrell, High, Griswold, West Ave., Traffic Circle on Fourth) on parade route from 
city police. Would like to have the Forestry Dept. check parade route for low lying limbs prior to parade 
(maximum height of parade entries is 14') and ask the City Police & Fire Department be represented in the 
parade.

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. 
An event sponsor must provide a valid certificate of insurance naming the City of Jackson and Downtown 
Development Authority as an additional insured party on the policy, for the specified event.

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured 
party on the policy.
A $25 Special Event Application fee must be submitted along with this Special event Application.
All food vendors must be approved by the Jackson County Health Department, and each food or other 
vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an 
additional named insured party on the policy.
The approval of this special event may include additional requirements, limitations, or fees, based on the City’s 
review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such 
failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, 
affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the 
written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this 
Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

CITY COUNCIL MEETING
MARCH 27, 2012

MEMO TO: Honorable Mayor and City Council Members
FROM: Jonathan Greene, Executive Director
SUBJECT: Special Event Application: GREAT Annual Grand River Cleanup

MOTION Approval of the request from the Grand River Environmental Action Team (GREAT) to conduct their Annual Grand River Cleanup at the Consumers Energy Amphitheater on Saturday, September 8th, 2012 from 9:00 a.m. to 2:00 p.m. Recommended approval has been received from the Police, Fire, Parks and Recreation, Public Works, and Engineering Departments, and the Downtown Development Authority. This event is contingent upon receipt of proper insurance coverage, as insurance company requires purchase of non-refundable special event insurance. The event is expected to have an economic impact of $500.00 on the mentioned City departments.

(517) 766-6410

Date Received By DDA Office: 2/16/12 Time: 3:45 By: JF

Please complete this application in accordance with the City of Jackson Special Events Policy, and return it to the Office of the Downtown Development Authority at least 30 calendar days before the first day of the event.

Sponsoring Organization's Legal Name: Grand River Environmental Action Team
Organization Address: PO Box 223, Jackson, MI 49201 (GREAT)
Organization Agent: Jim Seitz
Title: Secretary
Phone: (work) 517 795-4916 Phone: (home) 517-797-1942 Phone: (during the event) 517-416-9234
Agent's Address: 3705 W. Primilia LN. Jackson, MI 49201
Agent's E-Mail Address: seitz.jim@ymail.com

Event Name: Annual Grand River Clean-up

Please give a brief description of the proposed special event: CMS Bandshell will be the starting area for volunteers to register/sign in. Volunteers will be given a shirt, a different color for each run. After the race, a lunch will be served to all volunteers of this event.

Event Day(s) & Date(s): Sat. September 8th; weather make-up: Sat. 9/15/12
Event Time(s): 9 AM - 2 PM
Set-Up Date & Time: 7 AM Tear-Down Date & Time: 5 PM
Event Location: CMS Energy Bandshell Parking Garage

ANNUAL EVENT: Is this event expected to occur next year? (circle one) YES NO
How many years has this event occurred? ________________

MAP: (a) If your event will use streets or sidewalks (for a parade, run, etc.) or will use multiple locations, please attach a complete map showing the assembly and dispersal locations and the route plan. (b) Show any streets or parking lots that you are requesting to be blocked off, and location of vendors, if any. A final map, if different, must be provided seven (7) days before the event. (c) Please show an emergency vehicle access lane.

STERVED Closures: Start Date/Time NA through Date/Time: NA

RESERVED PARKING: Are you requesting reserved parking? YES NO
If yes, list the number of street spaces, City lots or locations where parking is requested:

VENDORS: Food Concessions? YES NO Other Vendors? YES NO

DO YOU PLAN TO HAVE ALCOHOL SOLD/SERVED AT THIS EVENT? YES NO
If yes, please attach liquor license and liquor liability insurance.
If yes, what time? ___________________________ until ___________________________
ENTERTAINMENT: Are there any entertainment features related to this event?  YES  NO
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule.

ATTENDANCE: What is the expected (estimated) attendance for this event?  100 plus

AMUSEMENT: Do you plan to have any amusement or carnival rides?  YES  NO
If yes, you are required to obtain a permit through the City Clerk’s Office.

REST ROOMS: Are you planning to provide portable rest rooms at the event?  YES  NO
If yes, how many?  
As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)
If possible city dept of plants remove any fallen tree obstructions in city limits or blind trees as done in the past.

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. An event sponsor must provide a valid certificate of insurance naming the City of Jackson and Downtown Development Authority as an additional insured party on the policy, for the specified event.

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy.
A $25 Special Event Application fee must be submitted along with this Special event Application.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements, limitations, or fees, based on the City’s review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

Date  2/16/2022

Signature of Sponsoring Organization’s Agent

RETURN THIS APPLICATION at least thirty (30) days before the first day of the event to:

SUBJECT: Request to Approve Traffic Control Order 2106
Citizen Request for Installation of “Deaf Child Area” Sign

MOTION: APPROVAL OF TRAFFIC CONTROL ORDER (TCO) 2106, TO INSTALL A “DEAF CHILD AREA” SIGN ON ORANGE STREET BETWEEN MAGUIRE AND BLAKELY STREETS, PER CITIZEN REQUEST.

Department of Public Works - Engineering has been contacted by a citizen at 536 Orange Street requesting the installation of a “Deaf Child Area” sign on Orange Street between Maguire and Blakely Streets.

It is the Department of Public Works-Engineering’s recommendation that Traffic Control Order 2106 be approved. If you have any questions, please do not hesitate to contact me.

JHD: sms

c: Laurence R. Shaffer, City Manager
Bob Dietz, Parking Manager/Engineering Assistant
Matt Heins, Chief of Police
LOCATION: 500 block of Orange Street  
DATE: March 9, 2012

CITY COUNCIL MEETING  
MARCH 27, 2012

MEMO TO:  Honorable Mayor and City Councilmembers
FROM:  Jon H. Dowling, P.E., City Engineer/Director of Public Works
SUBJECT:  Request to Approve Traffic Control Orders 2107-2110
          Establishment of Marked Crosswalks on Michigan Avenue and Cortland Street

MOTION:  APPROVAL OF TRAFFIC CONTROL ORDERS (TCOs) 2107, 2108, 2109 AND 2110,
          TO ESTABLISH MARKED CROSSWALKS ON WEST MICHIGAN AVENUE AND WEST
          CORTLAND STREET.

At the request of the Walkable Communities Task Force, the Department of Public Works-Engineering
investigated establishing marked crosswalks at four downtown locations, one on West Michigan Avenue
and three on West Cortland Street (see map).  The crosswalks are to improve pedestrian safety by
providing central points of midblock crossings and to discourage jaywalking.  These will be signed and
marked the same as the existing crosswalk in the 100 block of West Michigan Avenue.  The Department
prepared the following Traffic Control Orders (TCO) Nos. 2107 through 2110 recommending the
establishment of such crosswalks, as listed below:

**West Michigan Avenue**

TCO 2107:  Vehicles traveling east- and westbound in the 200 block of West Michigan Avenue shall
be required to yield for pedestrians within the crosswalk located just east of Hayes Court.

**West Cortland Street**

TCO 2108:  Vehicles traveling east-and westbound in the 100 block of West Cortland Street shall be
required to yield for pedestrians within the crosswalk located next to 132 West Cortland Street.

TCO 2109:  Vehicles traveling east-and westbound in the 200 block of West Cortland Street shall be
required to yield for pedestrians within the crosswalk located at the rear of the Anesthesia Business
Consultants office building with a street address of 255 West Michigan Avenue.

TCO 2110:  Vehicles traveling east-and westbound in the 200 block of West Cortland Street shall be
required to yield for pedestrians within the crosswalk located in front of 270 West Cortland Street.

I request that Traffic Control Orders 2107-2110 be approved by the City Council.  If you have any
questions, please do not hesitate to contact me.

JHD:ms

**c:**  Laurence R. Shaffer, City Manager
       Bob Dietz, Parking Manager/Engineering Assistant
       Matt Heins, Chief of Police
LOCATION: Michigan Avenue, 200 block West  
DATE: March 16, 2012  
ASSIGNED TO:

**TCO DESCRIPTION**

To improve pedestrian safety by providing central points of midblock crossings and to discourage jaywalking, review the possibility of establishing a marked crosswalk in the midblock area. This crosswalk will be near the intersection of Hayes Court and Michigan Avenue.

BY JON H. DOWLING, P.E.

**RECOMMENDATION**

Vehicles traveling east and westbound in the 200 block of West Michigan Avenue shall be required to yield for pedestrians within the crosswalk located just east of Hayes Court.

Message from the Mayor & City Manager

It has been our great honor and privilege to be selected Mayor and City Manager of Jackson. Our community is a great place to live, work, and raise a family. Our history is deep and meaningful, and our people are of great character. We have every confidence that our future is bright because of the strength of our people, both citizens and employees.

In 2011, the City of Jackson has identified and articulated a program that establishes as its goal nothing less than the transformation of the community’s neighborhoods. Hundreds of vacant residential structures have been identified for removal with the goal of stabilizing the economic and social status of the City. Citizen input has been sought and received to provide direction and definition to the difficult task of positioning the city for future success. We have been overwhelmed by the tremendous support and encouragement received from the people of Jackson excited about positive change.

We would very much like to acknowledge the great contributions of all our city employees. Daily, we are reminded of their great expertise and dedication. Without their effort and determination, nothing we do as a city is possible.

Martin J. Griffin, Mayor

Laurence Shaffer, City Manager
COMMUNITY DEVELOPMENT

The Department of Community Development encompasses several programs for the City of Jackson including building and trades permits, dangerous building enforcement, building and housing inspections, planning and zoning administration, home owner rehabilitation, rental housing code enforcement, Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) administration, economic development, brownfield redevelopment, and blight ordinance enforcement. The department also provides staffing for various boards and commissions, including the Historic District Commission, the Jackson Brownfield Redevelopment Authority, the Administrative Hearings Bureau, the Planning Commission, Zoning and Sign Board of Appeals, and the Building Board Code of Examiners and Appeals.

The Building Inspection division is responsible for reviewing building and site plans, issuing construction and trade permits, and conducting inspections throughout the City. During fiscal year 2010-2011, the Department issued 502 building permits, 346 electrical permits, 241 plumbing, and 488 mechanical permits. Inspectors also investigate and prosecute instances of work being done without permits or improperly licensed persons performing work.

The Jackson Brownfield Redevelopment Authority has successfully utilized $338,366 of U.S. Environmental Protection Agency (EPA) Assessment Grant funds on twenty-three (23) Brownfield sites within the City, resulting in private investment for environmental work and redevelopment projects. This investment not only encourages new local business enterprise in the city, but also redevelopment of vacant and underused buildings. The City also has allocated $500,000 of its $1 million US EPA Revolving Loan funds to assist with environmental response activities at the former Consumers Energy Headquarters. $500,000 is still available to developers for the clean-up of environmentally contaminated properties.

In May, 2011, Patrick Burtch was hired as the City’s Deputy City Manager/Community Development Director. Mr. Burtch along with City Manager Larry Shaffer, has taken the lead in developing a model for an overall Economic Strategy to stabilize Jackson’s economy. This phased program will begin with actions to stabilize neighborhoods through demolition of vacant, abandoned and dilapidated housing, increased code and zoning enforcement, enhanced waste disposal, supporting homeownership opportunities, and managing public infrastructure assets.

PURCHASING

The Purchasing Department works closely with other departments and businesses to procure quality products and services efficiently, effectively and in a timely manner. This office processed sealed bids for services, requests for proposals, agreement extensions, professional services agreements and quotations during 2011. Other functions and responsibilities include administering the procurement card program, mail room operations and the maintenance of City Hall and Grounds. You will find current bid invitations, quotes, plan holders, bid tabulations, vendor and commodity code classification registrations, pre-qualification information and sale of surplus equipment on the City’s website. Bidders are encouraged to sign up for bid notification by entering their e-mail address on the Purchasing page of the website. All businesses are welcome to register on the City’s website or visit the Purchasing Department on the 10th floor of City Hall.
The Treasurer/Income Tax office is on the first floor of City Hall. Business hours are Monday through Friday between 8:00 and 5:00. You may pay property taxes, income taxes, water bills and special assessments in our office, through the mail or on our website.

Mr. Andrew (Randy) Wrozek is and has been our elected treasurer and income tax administrator for the past 29 years. He and his staff are dedicated to customer service and are cross-trained to accommodate citizens with all transactions and questions they may have about City government.

Our office sends out over 16,000 real and personal property tax bills twice a year in the summer and the winter. Summer taxes may be paid in-full before the 31st of July or in equal installments by the 20th of each month, July through November. Winter taxes are payable in-full from December 1st through February 14th.

Since 1970 the City of Jackson has had an Income Tax! All residents making over $600.00 must file and pay a 1% tax to the City. All non-residents working in the City must pay .005% tax on income earned. Businesses must pay a 1% tax.

Income tax forms are sent in the mail to people who have filed the previous year. You may download a form from our website or obtain a form from our office or the library.

The Parks & Recreation Department improves the city's 27 parks. We also strive to work with volunteers and organizations to add value to our community. We are actively involved in working with service groups on a variety of beautification efforts.

The Jackson Recreation Department and Jackson Public Schools provide activities for youth, adults and senior citizens in the Community. We provide a variety of athletic, enrichment and special event programs throughout the year. This past year we received over $50,000 in grants and donations from generous community supporters to help open Ella Sharp Park Pool.

Many of our participant numbers increased and we are looking forward to adding new programs. We believe in providing quality programs and facilities to the Community. Many of our programs are free and within walking distance of your home. For more information please check out our web page or find us on Facebook.

The Personnel Department, under new leadership and staff, resolved seven (7) union grievances; successfully defended the City in resolving and securing the dismissal of two cases before the Equal Employment Opportunity Commission and the Michigan Department of Civil Rights; began collective bargaining negotiations with two City unions; implemented a new more cost-effective health insurance plan for non-union staff for 2012; researched and communicated numerous key new state laws to City management, Union leaders and staff. The Personnel Department created and executed processes to provide quality day-to-day services to the City’s workforce.
POLICE DEPARTMENT

2011 presented unprecedented challenges to the Police Department that required ingenuity, commitment, and some difficult decision making on behalf of the employees. Organizational restructuring, driven by budget reductions, resulted in changes to the delivery of service. Even with these changes, a high level of professional service continued to be delivered by the dedicated members of the Department.

In 2011 we responded to 34,221 calls for service, handled 1,186 vehicle crashes, arrested 1,695 individuals and issued 6,022 tickets. In addition to these numbers, officers tended to numerous other calls ranging from barking dogs to civil complaints to assisting other agencies. Often, a majority of an officer’s time is spent on non-criminal issues and on situations in which they must act as a mediator or peacekeeper.

The Police Department derives its authority from the community. It’s imperative that we strive to build and maintain relationships with the community, including businesses and other governmental and non-profit organizations, so we are informed about their concerns. We can then prioritize and focus our limited resources on areas the public deems important. Only through collaboration can we address these issues, making Jackson a great place to live.

FIRE DEPARTMENT

2011 was a year with significant economic challenges across the State of Michigan. Jackson was not immune from those challenges and the Fire Department felt that impact very deeply. In February, two fire stations were closed and one engine company was eliminated. These changes challenged us with continuing to provide the best service possible with reduced staffing, as well as responding to all calls from one station.

In 2011 we responded to 4336 calls for service. Of those calls, 3317 were medical related, 165 were fire calls with 121 being inside a structure. In an effort to help reduce some of the workload on our equipment and staff, we revised our response protocols to medical calls and arcing power lines. The Jackson Fire Department responded to fires where property loss totaled $1.42 million; which is an increase from 2010 of $105,970, or 7.4%.

The fire department staff is a proud, professional group of men and women. We strive to provide the citizens and visitors to our fine community the best possible service we can through, fire, emergency medical, hazard material, public education, and fire prevention.

CITY ATTORNEY

The City Attorney’s Office is a full service law office, delivering a complete range of legal services to the City’s elected and appointed officials and departments.

The City’s legal department consists of the City Attorney, Deputy City Attorney, Assistant City Attorney, and two legal support professionals.

The Department’s duties include:

- Handling approximately 2,000 District Court criminal prosecutions annually;
- Prosecuting zoning, housing, and other blight-related ordinance violations in the City’s Administrative Hearings Bureau;
- Defending the City, its officials, and employees against lawsuits;
- Administering the insurance programs of the City;
- Addressing citizen complaints;
- Collecting accounts receivable; and
- Handling the defense of real and personal property tax cases in the Michigan Tax Tribunal.

In addition, all resolutions, ordinances, and contracts involving the City are written or reviewed by the City Attorney’s Office.

CITY ASSESSOR’S OFFICE

The Assessor’s Office is responsible for appraising and assessing all real and personal property in the City of Jackson. We answer inquiries from residents, property owners, mortgage companies, prospective buyers, businessmen, appraisers and government agencies. We provide information on assessment procedures, amount of taxes, lot sizes, lot splits, legal descriptions, owners of land and qualifications for filling of state exemptions. Additionally the Assessor’s office tracks and verifies principle residential exemptions, updates property ownership information, creates special assessment rolls, maintains property tax maps, collects and analyzes sale data, defends assessments before the Michigan Tax Tribunal and maintains a computerized appraisal system.
DEPARTMENT OF
PUBLIC WORKS

During the fiscal year of 2010-2011, the departments of Engineering, Public Works, Water and Wastewater were all combined into the Department of Public Works. Also this year, the City Forester left for another job and the Cemetery and Forestry Divisions were moved from the Parks & Recreation Department to the Department of Public Works. The following is a list of the Department’s Divisions with their major subdivisions and activities this year.

**Administration:** Accounting, Utility Billing, and Water Meter Service & Reading

The utility billing staff sent out 75,155 bills this year for water, sewer and storm water for a total amount of $9.26 million. This year the City Council created a storm water utility which required the utility billing staff to add the storm water user fee and credits into the billing system.

**Engineering:** Construction, Traffic Signals and Downtown Parking System

This fiscal year Engineering bid out 12 projects totaling over $3.19 million. The main construction project completed was the Grand River Arts Walk (see photo). Other projects are for street construction – Argyle, Mason, State, Wesley, North Street Phase 1; for water main construction – Foote, Hallett; and for sewer construction – Euclid, Hibbard, Blackstone.

**Utility Plants:** Water Plant and Wastewater Plant

The City hired a Utility Director this year to oversee both utility plants to replace the directors of both departments which had retired. Both utility treatment plants are operated 24 hours per day, 7 days per week by licensed operators and maintenance staff.

The water treatment plant treats and softens the drinking water that is supplied to the residents and businesses of the City of Jackson and Blackman Township. In 2010-2011, the water treatment plant produced and delivered 2.59 billion gallons of safe drinking water to our customers. The water is tested daily in the City’s certified testing laboratory according to Environmental Protection Agency and State of Michigan regulations.

The Jackson Wastewater Treatment Plant provides service to the City of Jackson, parts of Blackman, Napoleon, Spring Arbor/Sandstone, Rives, and Summit Townships, as well as the State Prison of Southern Michigan. The wastewater coming to the plant in fiscal year 2010-2011 averaged approximately 11.9 million gallons per day. Pollutants are removed from the wastewater throughout the treatment process. In fiscal year 2010-2011 we entered into a contract with Davis Construction for replacement and upgrades of aeration piping, mixed liquor piping to the west aeration tanks, installation of new electrical motor control centers, and replacement of preliminary treatment equipment at the headwork’s of the plant.

Tetra Tech of Ann Arbor designed the project and is overseeing the construction. This project is expected to be completed by February 2012.

**Public Works:** Streets, Sewers, Water Distribution, Cemetery and Motor Pool

The Street crews are responsible for maintaining including plowing and salting 100.85 miles of local streets, 54.27 miles of major streets and 8.07 miles of state highways in the city. As part of the storm water activities the street sweeping completed about five rounds and removed 1617 cubic yards of debris from the streets which averages about 2.1 cyd/mile and during the fall leaf pick up the crews moved an estimated 10,950 cubic yards of leaves and sticks to our leaf dump. The water distribution crews are responsible for maintenance of 244 miles of water main, 1670 hydrants and 2412 valves. During this year the crew repaired 35 water main breaks, exercised 949 valves, replaced 12 valves, repaired 271 hydrants, and replaced 21 hydrants. The public works crews also performed 92 property board-ups and 303 property clean-ups.

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Lynn Fessel, City Clerk

SUBJECT: Consent Calendar Item to Establish a Public Hearing for Die-Namic Tool & Design LLC Industrial Facilities Exemption Certificate

MOTION: ESTABLISHMENT OF APRIL 10, 2012, AT THE CITY COUNCIL MEETING AS THE TIME AND PLACE TO HOLD A PUBLIC HEARING ON THE APPLICATION FOR AN INDUSTRIAL FACILITIES EXEMPTION CERTIFICATE FILED BY DIE-NAMIC TOOL & DESIGN LLC, 147 HOBART STREET, AND REFERRAL TO THE FINANCE/TAX POLICY COMMITTEE FOR RECOMMENDATION

Attached please find a copy of the application for an Industrial Facilities Exemption Certificate for personal property filed by Die-Namic Tool & Design LLC, located at 147 Hobart Street.

Requested action is for the Council to establish an April 10, 2012, public hearing on this application and to refer the matter to the City Affairs Committee for a recommendation. Notification letters will be sent to the applicant and the legislative body of taxing units, which levy ad valorem taxes within the City informing them of the public hearing.

Thank you.

C: City Manager
   Deputy City Manager
   City Assessor
   City Attorney
Application for Industrial Facilities Tax Exemption Certificate

Issued under authority of Public Act 198 of 1974, as amended. Filing is mandatory.

INSTRUCTIONS: File the original and two copies of this form and the required attachments (three complete sets) with the clerk of the local government unit. The State Tax Commission (STC) requires two complete sets (one original and one copy). One copy is retained by the clerk. If you have any questions regarding the completion of this form or would like to request an informational packet, call (517) 373-3272.

To be completed by Clerk of Local Government Unit

Signature of Clerk: Jynt Jessel, City Clerk
Date received by Local Unit: January 22, 2012

STC Use Only

APPLICANT INFORMATION
All boxes must be completed.

1a. Company Name (Applicant must be the occupant/operator of the facility)
DIE-NAMIC TOOL & DESIGN LLC

1b. Standard Industrial Classification (SIC) Code - Sec. 2(10) (4 or 6 Digit Code)
332900 MANUFACTURING

RESOLUTION

BY THE BOARD OF REVIEW:

WHEREAS, the Assessor, in accordance with the direction of the City Council, did make assessments for delinquent miscellaneous General Fund accounts receivable which assessments were by him placed on Assessment Roll No. 4205 in the amount of $7,809.33 and were reported to the City Council at its regular meeting held on the 21st day of February, 2012; and

WHEREAS, notice has been duly given that the City Council and Assessor will sit as a Board of Review in the Council Chambers in the City of Jackson on Tuesday, the 27th day of March, 2012, at 7:00 p.m. and hear any and all objections and suggestions by interested parties to said special assessments as contained in said Assessment Roll, and the matter of said review having come on to be heard and the City Council and Assessor sitting as a Board of Review having heard all objections and suggestions made thereto and having fully considered same;

NOW, THEREFORE, BE IT RESOLVED, that each and all of the assessments as contained in said roll are hereby confirmed and made valid liens against the property and valid claims against the owners thereof, and the City Clerk is hereby directed to make certificates of this determination and attach the same to said roll and to present said roll to the City Treasurer for collection; and

BE IT FURTHER RESOLVED, that payment of each individual assessment shall be due and payable sixty (60) days after approval of this resolution.

RESOLUTION

BY THE BOARD OF REVIEW:

WHEREAS, the Assessor, in accordance with the direction of the City Council, did make assessments for delinquent miscellaneous Building Fund accounts receivable which assessments were by him placed on Assessment Roll No. 4206 in the amount of $32,912.48 and were reported to the City Council at its regular meeting held on the 21st day of February, 2012; and

WHEREAS, notice has been duly given that the City Council and Assessor will sit as a Board of Review in the Council Chambers in the City of Jackson on Tuesday, the 27th day of March, 2012, at 7:00 p.m. and hear any and all objections and suggestions by interested parties to said special assessments as contained in said Assessment Roll, and the matter of said review having come on to be heard and the City Council and Assessor sitting as a Board of Review having heard all objections and suggestions made thereto and having fully considered same;

NOW, THEREFORE, BE IT RESOLVED, that each and all of the assessments as contained in said roll are hereby confirmed and made valid liens against the property and valid claims against the owners thereof, and the City Clerk is hereby directed to make certificates of this determination and attach the same to said roll and to present said roll to the City Treasurer for collection; and

BE IT FURTHER RESOLVED, that payment of each individual assessment shall be due and payable sixty (60) days after approval of this resolution.

Lynn Fessel, City Clerk
MEMO TO: Honorable Mayor and City Councilmembers

FROM: City of Jackson Planning Commission
Patrick Burtch, Deputy City Manager
Barry Hicks, Planning Director

DATE: March 21, 2012

SUBJECT: Proposed Ordinance Amendments to Chapter 28 (Zoning) Regarding Nonconforming Lots, Buildings, Structures, and Uses.

MOTION 1: Open a Public Hearing to receive comment on the proposed Amendments to Chapter 28 (Zoning) of the City of Jackson Code of Ordinances which consolidates and replaces Sec. 28-121 thru -129, nonconforming lots, structures, and uses of structures and land, with anew Sec.28-121; and proposed amendments to Sec. 28-5, Sec. 28-71, and Sec. 28-79 to accommodate the new provisions.

MOTION 2: Approve the Ordinance amending Chapter 28 of the Code of Ordinances, City of Jackson, Michigan to consolidate and replace Sec. 28-121 thru -125 and Sec. 28-127 thru -129 — nonconforming lots, structures, and uses of structures and land — with a new Sec. 28-121; and proposed amendments to Sec. 28-5, Sec. 28-71 in order to accommodate the new provisions; and place the item on the next regularly scheduled City Council Agenda for consideration (City Planning Commission and Staff recommend approval.).

At a March 7, 2012 meeting, the Planning Commission considered amendments to Chapter 28 –Zoning, of the City of Jackson Code of Ordinances regarding Nonconforming Lots, Buildings, Structures, and Uses. The Planning Commission recommends that these amendments be adopted by City Council.

City staff, with the aid of Region II Planning Commission, reviewed Chapter 28 (Zoning) of the City Code and recommended language to the Planning Commission to address the amount of forethought and adherence to the City’s strategy for economic stabilization. The Ordinance will consolidate and replace those Sections of Article IV of Chapter 28 which regulate with nonconforming lots, buildings, structures, and uses of structures and land. Sections 28-5, 28-71, and 28-79 must also be amended to accommodate the proposed revisions to Section 28-121. The purpose of the proposed Ordinance is to simplify and clarify the regulation of nonconformities (e.g., a use not allowed in a zoning district, a substandard backyard setback, etc.), making it easier to administer the Zoning Ordinance and reduce variance requests to the Zoning Board of Appeals while protecting the health, safety, and general welfare of City residents.

Language from Zoning Ordinances from around the State of Michigan was used as a template for the proposed Ordinance. The first draft of the Ordinance was created by formatting it to fit into the existing structure of the City Code. The proposed changes were reviewed and revised during a meeting with City and R2PC planning and legal staffs on February 17, 2012. Those changes were incorporated into the proposed Ordinance and second meeting was held on February 24, 2012. The revisions made during that meeting were then incorporated into the text of the proposed Ordinance and prepared for consideration by the Planning Commission and City Council.
The remainder of this memo contains a summary of salient points regarding the proposed Ordinance:

- Supporting the mixed residential character of the City is key because of Jackson’s many older neighborhoods and districts.

- The separate nonconforming parking process contained in Sec. 28-106 (g) is retained. Any proposed changes regarding that process will result from a complete review of the City’s off-street parking and loading requirements.

- Requiring the combination of properties that are utilized as a single site whenever a zoning request is approved will eliminate many nonconforming lots over time.

- Allowing for the expansion of residential buildings under certain circumstances should eliminate many variance requests that are sensible but would be difficult for the ZBA to grant. This includes the exception for front and rear yard setback currently contained in Chapter 28.

- The ability to alter a nonconforming use is accommodated through the Conditional Use Permit process rather than the current Class A Nonconforming Use Designation process.

- Sec. 28-124 (3) currently allows any single-family dwelling to be reconstructed if destroyed.

- Inclusion of height addresses those situations in which buildings are located close to each other.

- Such a delay in construction is grounds for the exception to expire.

- References to Sec. 28-106 provide a linkage to the parking nonconformity Subsection.

- The Ordinance provides criteria for verifying when nonconformities are abandoned which the Zoning Administrator can use to back up his/her determination.

- The amendment requires the submittal of site plans as part of a CUP application which meets minimum standards. This is important for legal nonconformities and all other types of conditional uses.

BH

Att’/ Proposed Nonconforming Use Ordinance
Public Notice
ORDINANCE 2012.___

An Ordinance amending Chapter 28 of the Code of Ordinances, City of Jackson, Michigan to consolidate and replace Sec. 28-121 thru -125 and Sec. 28-127 thru -129 — which deal with nonconforming lots, structures, and uses of structures and land — with a new Sec. 28-121 and to amend the following Sections of the zoning ordinance in order to accommodate the new provisions: Sec. 28-5, Sec. 28-71, and Sec. 28-79.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. Purpose

To simplify and clarify the regulation of nonconformities (e.g., a use not allowed in the zoning district, a substandard backyard setback, etc.), making it easier to administer the zoning ordinance and reduce variance requests to the Zoning Board of Appeals while protecting the health, safety, and general welfare of the residents of the community.

Section 2. That Article IV of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE IV. SUPPLEMENTAL PROVISIONS

Sec. 28-121. Nonconforming lots, buildings, structures, and uses of buildings, structures and land.

(a) **Statement of purpose.** Within the districts established by this Chapter, or amendments that may be adopted, there exist lots, buildings, structures, and uses of lots, buildings, and structures which were lawful before this Chapter was passed or amended which would be prohibited, regulated, or restricted under the terms of this Chapter or future amendments. The intent of this Section is to permit such legal nonconformities to remain until they are discontinued or removed, but not to encourage their survival or, where discontinuance or removal is not feasible, to gradually upgrade such nonconformities to conforming status. Nonconformities cannot be enlarged, expanded, or extended, except as provided here, and may not be used as grounds for adding other structures and uses of lots and structures that are prohibited. Such nonconformities are declared by this Section to be incompatible with permitted uses in the districts involved and prevent the full realization of the goals and objectives of this Chapter. The standards of this Section are intended to accomplish the following:
(1) Terminate and remove any use, building, accessory structure or any combination thereof established after this Chapter was passed, or amended, that is in violation of this Chapter. Such uses, buildings, and accessory structures are classified as a nuisance and will not receive any of the rights, privileges, or protection granted by this Section for legal nonconformities.

(2) Eliminate nonconforming uses that are considered to be incompatible with permitted uses, or encourage redevelopment into a more conforming use.

(3) Permit legal nonconforming buildings, structures or uses to remain until they are discontinued or removed.

(4) Support the mixed residential character of the City’s neighborhoods through special provisions relating to nonconforming residential structures.

(5) Encourage gradual upgrading to a more conforming status of site landscaping, parking, paving, signage or other features of a site which were developed in compliance with the standards at the time of their construction, but which do not meet the current site plan or other standards of this Code and its amendments.

(6) Encourage the combination of contiguous nonconforming lots of record to create lots that conform to current standards; are compatible with other lots in the zoning districts; promote the public health, safety, and welfare; and eliminate problems associated with the overcrowding of land.

(b) Nonconforming lots.

(1) Use of a nonconforming lot. In any district, notwithstanding limitations imposed by other provisions of this Code, where an existing lot of record fails to meet the requirements for area, width, or both, that are generally applicable in the district, such lot may be used for the permitted uses of the zoning district, including permitted accessory uses. However, all yard dimensions and other requirements, not involving area or width of the lot, must conform to the regulations for the district in which such lot is located.

(2) Use of nonconforming lots under single ownership. If two (2) or more lots or combinations of lots of record with continuous frontage and in single ownership and use at the time of passage or amendment of this Chapter, irrespective of whether all or part of the lots meets the Chapter requirements, the lands involved will be considered to be an undivided parcel. No portion of said parcel or lot can be used or sold that does not meet lot, width, and area requirements, nor can any division of the parcel or lot be made which leaves remaining any parcel or lot with a width or area below the requirements stated in this Chapter. All zoning and building requests require the formal combination of those parcels into a single lot of record (see the definition for “lot, formal combination of” in Sec. 28-5).

(c) Nonconforming structures. Where a lawful structure exists at the effective date of adoption or amendment of this Chapter, but could not be built under the terms of this Chapter
by reason of restrictions on area, lot coverage, height, yards, or other characteristics of the structure or its location on the lot, such structure may be continued so long as it remains otherwise lawful, subject to the following limitations.

(1) **Increasing nonconformity**: No such structure may be enlarged or altered in a way that increases its nonconformity without the granting of a variance from the Zoning Board of Appeals (see Sec. 28-238). Such structures may be enlarged or altered in a way that does not increase its nonconformity.

(2) **Alteration or modification**: Should such structure be altered or modified so as to eliminate, remove or lessen any or all of its nonconforming characteristics, then such nonconforming characteristics cannot be later reestablished or increased.

(3) **Moving a nonconforming structure**: Should such structure be moved for any reason for any distance, it must thereafter conform to the regulations for the district in which it is located after it is moved. This does not affect the right to replace, restore, or reconstruct an accessory structure provided it meets all of the other requirements of this Code (see Sec. 28-132(2)b).

(4) **Expansion of a nonconforming residential building**: A nonconforming residential building may be expanded into a required side or rear yard in a manner that does not comply with the setback standards with approval from the Zoning Administrator. The Zoning Administrator must utilize the following standards:

a. The expansion does not extend closer to the lot line than any existing, nonconforming part of the structure;

b. The expansion does not create a new nonconformity on the lot or an adjacent lot.

c. The addition may be constructed up to the front or rear block building line (see Sec. 28-5 for the definition of “block building line, front or rear”) when more than fifty (50) percent of the principal structures on one (1) side of the street in any one (1) block in a residential or commercial district do not meet the required front or rear yard setbacks.

d. The addition retains compliance with all other setback, lot coverage, and height requirements;

e. The addition will meet all minimum building code requirements;

f. The resultant addition, in terms of dimensions and design, would be compatible with the established character of the neighborhood;

g. The design of the addition must be compatible with the existing structure and not detract from the appearance of the site;
h. The expansion of a residential building with a nonconforming yard, not meeting the requirements above, is prohibited unless a variance is granted by the Zoning Board of Appeals (see Sec. 28-238).

(d) **Nonconforming uses of buildings and structures.** The use of any structure existing and lawful on the effective date of the adoption or amendment of this Chapter may be continued, even though such use does not conform to the provisions of this Chapter, subject to the following provisions:

1. **Structural expansion:** No existing structure devoted to a use not permitted by this Chapter in the district in which it is located may be enlarged, extended, constructed, reconstructed, moved or structurally altered except as follows:
   a. Changing the use of the structure to a use permitted in the district in which it is located.
   b. Granting of a conditional use permit by the Planning Commission (see Sec. 28-146 thru -151) with the goal of bringing the site into greater conformity with this Chapter.

2. **Expansion of the use:** Any nonconforming use may be extended throughout any parts of a building which were manifestly arranged or designed for such use, and which existed at the time of adoption or amendment of this Chapter, but no such use can be extended to occupy any land outside such building.

3. **Replacement with a conforming use:** If a nonconforming use of a structure is terminated and replaced with a new use, such use must be a permitted use and must thereafter conform to the regulations for the district in which such structure is located, and the nonconforming use may not thereafter be resumed.

4. **Discontinuance or termination of nonconforming use of structure:** When a nonconforming use of a structure is discontinued or ceases to exist for six (6) consecutive months, the use may not thereafter be used except in conformance with the regulations of the district in which it is located. Structures occupied by seasonal uses are exempted from this provision.

5. **Moving a nonconforming use:** No such nonconforming use can be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption, or amendment, of this Chapter.

6. **Repair or replacement of nonconforming one-family uses:** Given the historical development pattern in the City, one-family residential uses may exist in structures zoned for nonresidential use. It is the intent of this Section to allow such uses to continue and be considered conforming uses, provided the standards and procedures outlined herein apply. A nonconforming one-family detached dwelling and its accessory structures within commercial districts may be continued, replaced, or repaired if damaged by fire, vandalism, flood or other force of nature, if approved by the Zoning Administrator. Such approval requires a finding that the resulting building footprint
and height will be the same size or smaller than that of the building before such change. Replacement of a nonconforming one-family building must commence within one (1) year of the date of damage and work must be diligently pursued toward completion. Failure to complete replacement or diligently work toward completion, or use of the building for a conforming non-residential use for any period of time, will result in the loss of legal nonconforming status unless good cause for the delay or temporary change in use is accepted by the Planning Commission and a conditional use permit (CUP) is granted (see Sec. 28-146 thru -151).

(7) **Change of use.** If no structural alterations are made, any nonconforming use of a structure, or structure and premises, may be changed to another nonconforming use of the same or a more restrictive classification provided that the Planning Commission finds that the proposed use is equally appropriate or more appropriate to the district than the existing nonconforming use as part of the conditional use permit process (see Sec. 28-146 thru -151). In permitting such change, the Planning Commission will require conformance with the off-street parking and loading standards of this Chapter (see Sec. 28-106 thru -108) and may require other appropriate conditions and safeguards in accordance with the purpose and intent of this Chapter. Where a nonconforming use of a structure, land, or structure and land in combination is hereafter changed to a more restrictive classification, it cannot thereafter be changed to a less restrictive classification.

(e) **Nonconforming uses of land.** The lawful use of any land not involving a building or structure, existing and lawful on the effective date of this Chapter or amendment thereto, may be continued even though such use does not conform to the provisions of this Chapter or amendments, subject to the following provisions:

(1) **Expansions:** No such nonconforming use can be enlarged or increased, nor extended to occupy a greater area of land than was occupied on the effective date of this Chapter, or amendment thereto.

(2) **Relocations:** No such nonconforming use can be moved to any other portion of the lot occupied by such use on the effective date of this Chapter, or amendments thereto.

(3) **Discontinuance or abandonment:** If any such nonconforming use of land, not involving a building or structure, is discontinued or ceases to exist for any reason for a period of more than six (6) consecutive months, any subsequent use of such land must conform to the requirements of this Chapter.

(f) **Repairs and maintenance.** The following regulations apply to all non-conforming structures (see the definition in Sec. 28-5) and structures devoted to nonconforming uses as regulated by this Section.

(1) **Damage and repairs less than seventy percent (70%) of the value:** On any building or structure that is determined to be devoted to a nonconforming use or is itself a
nonconforming structure, work may be done in any period of twelve (12) consecutive months on ordinary repairs, or on repair or replacement of non-bearing walls, fixtures, wiring, or plumbing to an extent not exceeding seventy percent (70%) of the taxable value of the building with the approval of the Zoning Administrator, provided that the cubic content of the building as it existed at the time of passage or amendment of this Chapter is not increased. This does not allow for the separation or expansion of utility systems for nonconforming residential uses.

(2) Damage and repairs greater than seventy percent (70%) of the value: In the event that any nonconforming structure or structure devoted to a nonconforming use require repairs or maintenance for any reason, and in any manner that exceeds seventy percent (70%) of the taxable value of the structure, such reconstruction or restoration will be permitted only in conformity with the provisions of the Chapter. However, when deemed unfeasible and/or impractical, a property owner may seek a conditional use permit from the Planning Commission (see Sec. 28-146 thru -151), assuming it can also be demonstrated that the original structure was consistent with the established character of the area.

(3) Nonconforming landscaping and screening: Landscaping and screening must be brought into conformance with the requirements of Sec. 28-117, to the satisfaction of the Zoning Administrator, whenever:

a. The estimated expense of construction exceeds seventy percent (70%) of the taxable value of the building.

b. There is a change in use or occupancy of the building

c. The building has been vacant for more than 6 months.

The continuation of substandard landscaping and screening must be approved by the Planning Commission through the conditional use permit process (see Sec. 28-146 thru -151).

(4) Taxable value: For the purposes of enforcing the regulations contained in this Section, the taxable value (see the definition in Sec. 28-5) of the structure will be determined by the most recent valuation of the structure for the purposes of taxation.

(5) Ongoing maintenance: Nothing in this Section prevents the strengthening or restoring to a safe condition of any structure or part thereof deemed to be unsafe by an official charged with protecting the public safety, upon order of such official.

(6) A nonconforming structure, or portion of a structure, or a structure containing a nonconforming use that is physically unsafe or unlawful due to lack of repairs and maintenance, as determined by the Chief Building Official and Zoning Administrator, may be restored to a safe condition. Where enlargement or structural alteration is necessary to allow compliance with health and safety laws or Chapters, the cost of such work will not exceed twenty-five percent (25%) of the structures fair market value.
Revision of Sec. 28-121. Nonconformities

(g) **Determination of abandonment:** Nonconforming buildings and structures, nonconforming uses of buildings and structures, and nonconforming uses of land will be considered abandoned if one or more of the following conditions exists, and will be deemed to constitute intent on the part of the property owner to abandon the nonconforming use:

1. Utilities, such as water, gas or electricity to the property, have been disconnected;
2. The property, buildings, or grounds, have fallen into disrepair;
3. Signs or other indications of the existence of the nonconforming use have been removed;
4. Removal of equipment or fixtures that are necessary for the operation of the nonconforming use; or
5. Other actions, which in the opinion of the Zoning Administrator constitute an intention on the part of the property owner or lessee to abandon the nonconforming use.

(h) **Conditional uses are not nonconforming uses.** Any use for which a conditional use permit is granted as provided in this Chapter will not be deemed a nonconforming use, but will, without further action, be deemed a conforming use in such district.

(i) **Change of tenancy or ownership.** There may be a change of tenancy, ownership, or management of any existing nonconforming structures or use of structures and land in combination.

Sec. 28-122. Reserved.

Sec. 28-123. Reserved.

Sec. 28-124. Reserved.

Sec. 28-125. Reserved.

Sec. 28-126. Reserved.

Sec. 28-127. Reserved.

Sec. 28-128. Reserved.

Sec. 28-129. Reserved.

Sec. 28-147. Conditional uses authorized by the Planning Commission.

(1) **Procedures.** An application for a conditional use shall be submitted to the Planning Commission for consideration and public hearing. The application must include a site plan which meets the requirements of Sec. 28-152. Notice of such public hearing shall be given as provided for in Sec. 28-8.

...
Sec. 28-148. Standards on which decisions will be made.

... [For legal nonconformities only]. When reviewing a conditional use permit application for a nonconforming building, structure, or use, the Planning Commission must also consider the following standards together with such relevant facts and circumstances identified during the public hearing:

a. Whether restoration, reconstruction, substitution, and/or expansion would serve a useful purpose, or whether a useful purpose would be served by pursuing strict enforcement and application of the provisions and requirements of this article.

b. Whether the development and/or use of property in the surrounding area has materially changed in relation to the condition which existed when the use or structure was established, with the result that a continuation of the use or structure would be offensive to the area.

c. In considering the establishment of a condition for the approval of the substitution of a nonconforming use of lots, structures, or any combination of lots, structures, or uses of lots and structures, the Planning Commission must ensure that the nonconforming use of lots and structures is not expanded, and that the substituted use of lots and structures is not of greater nonconformity in terms of its impact upon the area and surrounding properties.

Sec. 28-152. Site plan review and approval.

... Buildings, structures, and uses requiring review by Planning Commission... (f) Any automobile wash, service or repair facility.

If any of the uses listed above also require a conditional use permit (CUP), a separate site plan review process is not required.

Section 3. That Article I of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE I. IN GENERAL

... Sec. 28-5. Definitions.

... Block building line, front or rear, means the average setback of the principal structures on one (1) side of the street in any one (1) block.
Lot, formal combination of, means the official combination of lots by the City Assessor, including the generation of a legal description for the new lot of record.

Structure means anything constructed or erected, the use of which requires permanent location on the ground, or attachment to something having a permanent location on the ground, to include, but not be limited to driveways, parking lots, in-ground and above-ground swimming pools, and similar recreational facilities.

Taxable value means the value of the property listed on the City’s assessment role for the purpose of taxation, as confirmed by the last Board of Review.

Section 4. That Article III of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE III. ZONING DISTRICT REGULATIONS

Sec. 28-71. Permitted and conditional uses.

Notice of Public Hearing

The Jackson City Planning Commission and Jackson City Council will hold public hearings to consider text amendments to the City's planning and zoning ordinances. This notice was prepared and distributed in accordance with Sec. 103 of the Michigan Zoning Enabling Act (MCL 125.3103).

The request was made by:
The City of Jackson
161 W. Michigan Avenue
Jackson, MI 49201

The proposed text amendments:
The proposed amendments to the zoning ordinance (Chapter 28) include changes to: the deletion of the following sections: Sec. 28-121. - Nonconformities; intent and definitions.; Sec. 28-122. - Classification of nonconforming uses and structures.; Sec. 28-123. - Class A nonconformities.; Sec. 28-125. - Abandonment.; Sec. 28-126. - Reserved.; Sec. 28-127. - Repair and maintenance. Sec. 28-128. - Conditional uses are not nonconforming uses.; Sec. 28-129. - Churches, synagogues, temples, schools, libraries and museums.; The Addition of a new Section: Sec. 28-121. – Nonconforming lots, structures, and uses of structures.

The reason for the text amendments:
The proposed amendments to the zoning ordinance will change the standards for the continuation of nonconforming uses, the determination and intent to abandon, and will reduce the length of time that nonconformities may continue to exist after abandonment from eighteen months (18) to six (6) months.

The effect of adopting the text amendments:
The proposed changes will establish requirements to determine when a uses, land, or structures which are nonconforming are intended to be abandoned and will shorten the time period in which nonconforming uses may be continued after abandonment.

You are invited to attend the public hearings to be held on:
City Planning Commission — Wednesday, March 7, 2012 at 6:30 pm
City Council — Tuesday, March 27, 2012 at 7:00 pm

The meetings will be held in the
City Hall Council Chambers, 2nd floor
161 W. Michigan Avenue

Please contact Barry Hicks at (517) 768-6433 to view, ask questions about, or comment upon the proposed text amendments.

RESOLUTION
STREET CONSTRUCTION

BY THE CITY COUNCIL:

WHEREAS, under the authority granted by Ordinance No. 98-6 and 98-20, the City Council has reviewed the report regarding the necessity of street reconstruction on Durand Street from the South End to Morrell Street the following estimated costs, to wit:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Local Street Funds</td>
<td>$461,561.52</td>
</tr>
<tr>
<td>Street Construction (Assessments)</td>
<td>$128,438.48</td>
</tr>
<tr>
<td>Water Funds</td>
<td>$294,000.00</td>
</tr>
<tr>
<td>Total Project Cost</td>
<td>$884,000.00</td>
</tr>
</tbody>
</table>

WHEREAS, notice has been duly given that the City Council would hold a public hearing in the City of Jackson on Tuesday, the 13th day of March, 2012 at 7:00 p.m. to hear any and all objections and suggestions by interested parties to said public improvement; and

WHEREAS, City Council held a public hearing on March 13, 2012 and after hearing public comment on said public improvement, adjourned this matter until the March 27, 2012 City Council meeting; and

WHEREAS, the City Council and Assessor having heard all suggestions and objections made thereto and having fully considered the same;

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby determines that the street construction is a necessary public improvement and directs staff to proceed with the street construction, in accordance with plans, maps, and specifications in the City Engineer’s office; and

BE IT FURTHER RESOLVED that the City Assessor is ordered to assess the cost of said improvement to the property owners who benefit therefrom on a front footage basis and prepare an assessment roll covering this assessment district as soon as possible after the public improvement has been completed.

State of Michigan )
County of Jackson) ss
City of Jackson  )

I, Lynn Fessel, City Clerk in and for the City of Jackson, County and State aforesaid, do hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Jackson City Council on the 27th day of March, 2012.

IN WITNESS WHEREOF, I have hereunto affixed my signature and the seal of the City of Jackson, Michigan, on this 28th day of March, 2012.

Lynn Fessel, City Clerk
CITY COUNCIL MEETING
MARCH 27, 2012

MEMO TO: Honorable Mayor and City Councilmembers
FROM: Jon H. Dowling, P.E., City Engineer/Director of Public Works
SUBJECT: Supplemental Engineer’s Report for Durand Street Construction From the South End to Morrell

MOTION: REQUEST APPROVAL OF DURAND STREET CONSTRUCTION PROJECT AS DESIGNED WITH FULL CURB REPLACEMENT AND THE ROAD REBUILT WITH A WIDTH OF 28 FEET.

On March 13, 2012 the City Council held a public hearing to consider the necessity of street construction on Durand Street from the south end to Morrell Street. During the hearing, questions were raised about the cause of pavement failure, the need to replace curb and gutter, and whether the road should be narrowed. Council deferred the decision regarding how construction should proceed. Additional information is being provided in this memo to assist the Council in evaluation of options.

On March 7, the Department of Engineering met with interested residents to describe proposed construction and to answer questions. Fourteen (14) of the 39 households on Durand Street were represented at the meeting. Construction alternatives were discussed in detail. Some residents questioned the need for curb replacement and the need to make the road narrower. During the meeting we offered to mail out a questionnaire to all Durand Street residents to poll their opinions regarding curb replacement. One resident stated that she would not have been able to make an informed decision without the benefit of hearing the group discussion and felt that those attending the information meeting should make the decision. After reasons for the recommended construction were presented, there was a general consensus of agreement with the Engineering Department recommendation to replace all curb and gutter and build the road 28 feet wide.

At the public hearing, seven households were represented. Two households were represented by letters from individuals who did not attend the public meeting and were against the project. Two households were represented by letters from individuals who attended the public meeting and were in favor of the project as designed. Two households were represented by individuals speaking at the public hearing in favor of the project, and one household was represented by individuals speaking against replacement of the curb and gutter.

Pavement Condition:
Department of Engineering records show that Durand Street was constructed in 1953. The current pavement is rated as having failed, meaning that there is loss of surface integrity and there is extensive surface distress. Pavement replacement is the only option available for fixing this road. The pavement condition depicted in Figure 1 is typical of the entire street:
The design of a road pavement is typically 20 years with the expectation that major pavement rehabilitation or replacement be done at the end of the design life. As is the case with Durand Street and other streets in the vicinity, local street pavements often remain in service for much longer. Local streets typically have only a small amount of heavy vehicle traffic (trucks, buses, garbage trucks) and their pavements usually deteriorate due to age rather than because of structural loading. Because there are two schools located at the end of Durand Street, the road has been subjected to more bus traffic than normally occurs on local streets and there is some question as to whether that bus traffic has contributed to a premature failure of the pavement.

The pavement condition on Durand has been compared to that of other similar pavements on nearby streets. Conditions vary a little but most pavements in the area are considered to be in very poor or failed condition and in need of reconstruction. Exhibit 1 shows 2008 pavement condition for roads in the 6th Ward area near Durand Street. It is doubtful that the current pavement condition can be blamed entirely on the bus traffic that has occurred over the years. The major causes of the pavement failure are age and poor subgrade conditions which are not typical of all streets in the area.

School Buses
The Jackson Public Schools Transportation Director reports that 14 buses drop off and pick up students at Cascades and Frost School each day (28 trips per day). A couple of the buses are believed to use Durand Street to access Frost School. Most buses approach the school from Wisner Street and use school drives for student drop off and turn around. The current traffic pattern for most of the school bus drop off and pick up is shown in Exhibit 2. Prior to 1999 and construction of the Cascades School drive, buses used Durand Street to access the Frost School drop off area.
Curb Condition:
The existing curb and gutter on Durand Street is almost 60 years old and is considered to be in “Fair” to “Poor” condition. A Fair condition rating indicates that the curb is essentially sound but has significant deterioration. Typically there are occasional severe cracks, broken curb or settlements that can be repaired and a satisfactory pavement can be constructed. A Poor condition rating indicates serious deterioration and the need for curb replacement.

A detailed survey of existing curb conditions has been done to identify that curb that needs to be replaced to correct the more serious deficiencies and must be fixed when the street is repaved. At least 850 feet of curb (20 percent of the total) will need to be replaced to rebuild the cul-de-sac at the end of the road, rebuild the intersection at Elmwood Ave. so that ADA compliant sidewalk ramps can be constructed and miscellaneous curb repairs of settled and badly broken curb. The following pictures provide examples of these conditions:

CURB THAT WOULD BE FIXED WITH PARTIAL CURB REPLACEMENT

Figure 2 – Broken curb at Frost drive
Figure 3 – Broken and settled curb
Figure 4 – Broken curb at Elmwood Ave.
Figure 5 – Curb Settlement

The inspection and design process has identified other conditions that prompted the Department of Engineering to recommend full curb and gutter replacement. Examples of other deteriorated and cracked curb, and drive approaches that would not be replaced unless all curb is replaced are shown below:
In addition to the curb condition itself, other reasons for replacing all of the curb and gutter include:

- The longitudinal grade of the road is very flat. This results in poor drainage and water sitting along the edge of the road, which in turn leads to more curb and pavement deterioration. This condition can only be rectified by redesign of street grades and reconstructing the curb. Improved curb grades and reshaping the parkway between the sidewalk and the curb will also improve drainage of the sidewalk.

- Twenty (20) out of thirty-six (36) drive approaches on Durand Street do not meet current width standards. Narrow drive approaches force drivers to swing into opposing traffic when turning into the driveway and make it difficult for drivers to back out of the drive (especially older drivers). A couple of drive approaches are steeper than current design criteria allows, which can result in some vehicles “bottoming” when using the drive. Curb cuts and drive approaches are rebuilt to current standard when curbs are reconstructed.

- Design standards require that new water main must be installed with at least ten (10) feet clearance from sewers. Since the existing sanitary sewer is in the middle of the road it will be necessary to install the new water main within 3.5 feet of the existing curb and gutter. It is likely that the curb will be undermined in places during water main installation, which could result in future settlement of the curb or require replacement during construction.

---

**CURB THAT WOULD NOT BE FIXED WITH PARTIAL CURB REPLACEMENT**

![Figure 6 – Broken curb head](image)

![Figure 7 – Cracked curb head](image)

![Figure 8 – Cracked curb head and gutter pan approach](image)

![Figure 9 – Narrow and deteriorated drive](image)
Historical records show that much of the Durand Street area leveled and filled prior to development. Recent soil investigations discovered ground water within 5 feet of the road surface. The high ground water level results in a wet road base that has probably contributed to the excessive pavement deterioration. During road reconstruction we propose to install a 12 inch thick sand subbase and base drains under the new pavement to help remove the moisture from the road base. Because this will require excavation to a depth of 2 feet, it will be difficult to properly install the subbase and drains without replacing the curb and gutter.

Traffic Calming:
Residents of newly paved streets frequently express concern about an increase in traffic speed. Parents and citizens expect that speeds and cut-through traffic be controlled, particularly on residential streets like Durand Street that are near schools and playgrounds. When practical, “Traffic Calming” measures are incorporated into the design of streets that compel drivers to slow down. These physical self-enforcing measures tend to be more effective at controlling traffic speed than regulatory measures. Several common traffic calming measures that could be implemented on Durand Street include:

- Street narrowing is a simple form of speed control which relies on a psycho-perceptive sense of enclosure to discourage speeding. Narrowing the road is the most cost effective approach since some cost savings is realized through a reduced pavement width. Durand Street is currently 30 feet wide. The proposed 28 feet wide street would provide enough space for two vehicles to pass a parked car comfortably. Observations of parking habits on Durand Street show only occasional on-street parking by residents and short term parking for student pickup near the schools. As is typical for all streets near Sparks Foundation Park, occasional congestion occurs on Durand Street for major events in the park. Other streets in the area vary from 26 to 32 feet wide and handle local traffic without major problems. Exhibit 3 shows streets in the area around Durand Street that are less than 30 feet wide.

- Planting trees along the road. Trees provide a barrier between traffic and pedestrians, make the road feel narrower to drivers and develop a tree canopy that creates a sense of enclosure. Construction plans for Durand Street include planting 21 trees. The proposed tree planting will have some immediate calming effect but will take many years to become fully effective.

- On street parking also makes the road fell narrower. Currently parking is allowed on both sides of Durand Street.

- Curb extensions at intersections are a common type of street narrowing and are primarily used to make intersections more pedestrian friendly. Curb extensions benefit pedestrians by creating shorter crossing distances, increased pedestrian visibility, and tighter curb radii that reduce the speeds of turning vehicles. Midblock curb extensions that narrow the street by expanding the sidewalk or adding a planting strip can be installed at midblock crossings. On Durand Street, curb extensions could be installed at the Oakdale Ave. right-of-way (midblock crosswalk) and the Elmwood Ave. intersection.

- Speed humps are raised sections of pavement that are placed across the street to force motorists to travel at reduced speeds. Speed humps have a more gradual slope than traditional speed bumps, which are often found in parking lots. They are more effective at slowing traffic than speed bumps because the driver actually benefits from traveling at slower speeds.

The traffic calming measures recommended for Durand Street include narrowing the street to 28 feet and planting trees. The decision to narrow Durand Street is not a critical component of the street design. The existing width can be maintained and other measures implemented if desired. Curb extensions at the locations described above would be a reasonable alternative to narrowing the entire street.
Cost Comparison:
The amount of curb replacement and width of the road will have an effect on street construction cost and the amount of that cost assessed to property owners. Costs for the options being considered are as follows:

<table>
<thead>
<tr>
<th>Construction Option</th>
<th>Total Street Cost</th>
<th>Total Assessment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Repave with spot curb repairs</td>
<td>$397,000</td>
<td>$87,848</td>
</tr>
<tr>
<td>Reconstruct with 100% curb replacement, 30 feet wide</td>
<td>$600,000</td>
<td>$128,438 *</td>
</tr>
<tr>
<td>Reconstruct with 100% curb replacement, 28 feet wide</td>
<td>$590,000 *</td>
<td>$124,560</td>
</tr>
</tbody>
</table>

* amounts previously presented to City Council in the Engineer’s Report for Durand St

If all curb is not replaced, property owners could elect to have their drive approach replaced during construction and have the cost of the drive approach and associated curb replacement added to their assessment for street construction. The approximate cost of $1,000 would be about the same as their cost if all curb and gutter was replaced.

It is my recommendation that the City Council approve the project as designed with full curb replacement and that the road be rebuilt with a width of 28 feet. If you have any questions, please do not hesitate to contact me.

Exhibit 2: Bus Routing to Cascades & Frost Schools
MEMO TO: Honorable Mayor and City Councilmembers
FROM: Bethany M. Smith, Deputy City Attorney
SUBJECT: Revisions to the Graffiti Ordinance

MOTION: Approve the amendment to the Graffiti Ordinance and place it on the next regular City Council meeting agenda for adoption.

Attached please find a black-lined version of a proposed ordinance that revises Sections 17-200 through 17-215 of the City Code of Ordinances regarding graffiti. The City of Jackson Graffiti Task Force requested that the City Attorney’s Office draft revisions to these sections in order to establish notice requirements to property owners for the removal of graffiti, and to provide penalties for failure to remove graffiti in a timely manner to reduce blight within the City. The new ordinance provides that notice will be sent to property owners allowing them 30 days to remove graffiti on their property. The timeline is reduced to 14 days for obscene graffiti. If the property owner fails to timely remove the graffiti, then the City can remove the graffiti and assess the costs to the property owners. The ordinance also increases the penalties for perpetrators of graffiti by adding a community service requirement to any penalty imposed.

The City Affairs Committee has reviewed the proposed ordinance and has recommended the ordinance for adoption. In addition, the Jackson Downtown Development Authority has reviewed the proposed ordinance and is in favor of the changes.

The requisite action is to approve the ordinance and place it on the next regular council meeting agenda for adoption.

If council has any questions, please feel free to contact me.

Att.

cc w/att: Larry Shaffer, City Manager
Jonathan Greene, Director, Downtown Development Authority
Matt Heins, Chief of Police
Ordinance amending Article IX of Chapter 17 of the City of Jackson Code of Ordinances to define graffiti offenses, to provide for the removal of graffiti, and to provide penalties for graffiti.

The People of the City of Jackson ordain:

Section 1. Purpose

The City Council adopts this ordinance to specifically define the types of graffiti offenses covered by the graffiti ordinance, formulate a policy for providing notice to perpetrators and property owners for the removal of graffiti, and provide penalties for the failure to remove graffiti.

Section 2. That Article IX of Chapter 17 of the City of Jackson, Michigan Code of Ordinances, be amended to read as follows:

Article IX. Graffiti

Sec. 17-200. Purpose.

The purpose of this article is to prevent the spread of graffiti as defined herein, to limit possession by minors of spray paint and other implements used for graffiti, and to provide for removal of graffiti. The city council hereby determines graffiti to be a public nuisance due to its detrimental effect on buildings, other real or personal property and the surrounding neighborhood.

(Ord. No. 96-9, § 1, 7-16-96)

Sec. 17-201. Definitions.

For purposes of this article, the following definitions shall apply:

Aerosol paint container means any aerosol container which is adapted or made for the purpose of applying paint or other similar substance capable of marking or defacing property.

Graffiti means any unauthorized inscription, word, figure, painting or other defacement that is written, marked, etched, sprayed, drawn, painted or engraved on any city owned or private real or personal property within the city by or using any graffiti implement.

Graffiti implement means an aerosol paint container, felt tip marker, paint stick, etching tool or any other device capable of scarring or leaving a visible mark on glass, metal, concrete, wood or any other surface.

Owner shall mean any individual, firm, association, society, corporation, partnership or group, including their officers and employees, who, alone or with any others, possess:
A freehold or lessor estate in, or a land contract vendee's interest in, any real property, with or without accompanying actual possession thereof, or
Charge, care or control of any real or personal property, either as agent, employee, representative, executor, administrator, trustee or guardian.
Parent shall mean the natural or adoptive parent or legal guardian of an unemancipated minor.
Removal means the act or process of removing graffiti.

No person shall apply graffiti to any structure, trees, or private property including but not limited to, buildings, walls, fences, pools, vehicles, or signs on any public or private property within the city.

Sec. 17-203. Possession of graffiti implements by a person under the age of eighteen (18) years of age.
No person under the age of eighteen (18) shall have in his or her possession any graffiti implement while on any public or private property including any public or private school. This section shall not apply to the possession of graffiti implements by minors attending or traveling to or from a school at which the minor is enrolled, if the minor is participating in a class at said school which requires the possession of said implements or to any minor who is required to possess graffiti implements in the course of lawful employment or other lawful uses with written proof from an employer, or parent and provided said graffiti implements are not used or intended to be used for purposes of applying graffiti contrary to the provisions of this article.

Sec. 17-204. Parental responsibility.
A parent having custody of a minor who violates any provision of this article shall be liable for all costs or expenses incurred by the city, any citizen, business or organization incurred in connection with the removal of graffiti placed by said minor.

Sec. 17-205. Removal by perpetrator.
Any person applying graffiti shall remove said graffiti. A parent having custody of a minor shall also be responsible for such removal. Failure to remove, provide for removal, or pay for removal shall also constitute a violation of this article. Any removal of graffiti
by a perpetrator shall be done only with the express consent of the owner of the property
to which graffiti has been applied.

(Ord. No. 96-9, § 1, 7-16-96)

If the perpetrator of graffiti is not apprehended or fails to remove the graffiti, the owner
of the property which has been the recipient of graffiti shall be held responsible to
remove said graffiti after the City of Jackson Police Department has first served a notice
to remove said graffiti upon the property owner via first class mail. The notice shall give
the owner of the property fourteen (14) days from the date of mailing to effect removal of
the graffiti. Failure of the owner to remove graffiti within the above time period shall
subject the property owner to a civil infraction violation carrying a maximum fine of one
hundred dollars ($100.00).

Whenever the City of Jackson determines that graffiti on any structure is visible from the
street or other public or private property, the City of Jackson may serve notice to remove
said graffiti upon the property owner via first class mail. The notice shall give the owner
of the property thirty (30) days from the date of mailing of the notice of abatement to
remove the graffiti. The notice shall be addressed to the owner of the property as shown
on the latest tax assessment roll at the owner’s last address. In the case of obscene
graffiti, the notice shall give the owner of the property fourteen (14) days from the date of
the mailing of the notice of abatement to remove the graffiti.

Sec. 17-207. Penalty. Removal by property owner.

Except as otherwise provided in section 17-206, violation of this article is a blight
violation and upon adjudication is punishable as provided in Chapter 2.5 of this Code.

If the perpetrator of graffiti is not apprehended or fails to remove the graffiti, the owner
of the property which has been the recipient of graffiti shall be held responsible to
remove said graffiti after the City of Jackson has served a notice pursuant to Section
17-206. Any owner removing graffiti pursuant to this article shall be entitled to restitution
from the perpetrator in an amount to be determined by the court for the cost of removing
the graffiti. Restitution is to be paid by the person found responsible for such graffiti.

Sec. 17-208. Reserved. Failure of property owner to remove graffiti.

Upon the failure, neglect or refusal of any owner of property to remove the graffiti within
thirty (30) days (or fourteen (14) days in the case of obscene graffiti) of receipt of the
notice provided in Section 17-206, the City of Jackson or its authorized representatives
(including contractors) are hereby authorized to enter upon such property for the purposes
of abating the nuisance by removal or elimination of such graffiti by the City of Jackson.
Sec. 17-209  Costs of removal of graffiti.

(1). Whenever the City of Jackson or its authorized representatives enter upon property in order to abate a graffiti nuisance, the City of Jackson is authorized and directed to keep an accurate account of all expenses incurred and issue a certificate certifying the reasonable cost involved for the work to remove the graffiti. Within ten (10) days after the receipt of the certificate, the City Treasurer shall forward a statement of the total charges and the charges shall be payable within thirty (30) days from the date the statement is mailed.

(2). If the owner fails to pay the charges within thirty (30) days, the statement shall be filed with the City Assessor and shall thereupon be assessed against the property and become a lien on the property. The amount charged may be discharged at any time by the payment of the amount on the statement. Such amount shall be a debt of the owner to whom assessed until paid and, in case of delinquency, may be enforced as delinquent city property taxes or by a suit against such person.

Sec. 17-210. Penalty.

(1). Except as otherwise provided, violation of this article is a blight violation and is punishable as provided in Chapter 2.5 of this Code.

(2). Any person who has violated any provision of the graffiti ordinance for the first time, in addition to being required to remove or pay for the removal of graffiti, shall be found responsible of a civil infraction and shall be punished by a fine of One Hundred ($100.00) Dollars.

(3). Any person who has violated any provision of the graffiti ordinance for the second time, in addition to being required to remove or pay for the removal of graffiti, shall be found responsible of a civil infraction and shall be punished by a fine of Two Hundred Fifty ($250.00) Dollars.

(4). Any person who has violated any provision of the graffiti ordinance for the third time, in addition to being required to remove or pay for the removal of graffiti, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be punished as provided in Section 1-18 of this Code.

Sec. 17-211. Community service.

In lieu of, or as part of, the penalties specified in this article, a minor or adult may be required by the court to perform community service as described by the court based on the following minimum requirements:

(1). The minor or adult shall perform at least thirty (30) hours of community service.

(2). At least one parent or guardian of the minor shall be in attendance a minimum of fifty (50%) percent of the period of assigned community service. The failure of a parent
or guardian to attend the minor’s community service for the amount of time assigned by
the court shall be punished according to the penalties provided in Section 17-210.
(3) Reasonable effort shall be made to assign the minor or adult to a type of
community service that is reasonably expected to have the most rehabilitative effect on
the minor or adult, including community service that involves graffiti removal.

Sec. 17-212. Severability.

If any section, subsection, sentence, clause, or phrase of this article is for any reason held
to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the
decision shall not affect the validity of the remaining portions of this article.

Sec. 17-213. Inconsistent provisions repealed.

Ordinances or parts of ordinances in conflict with the provisions of this article are hereby
repealed.

Sec. 17.214. Savings clause.

All rights and duties which have matured, penalties which have incurred, proceedings
which have begun and prosecution for violations of law occurring before the effective
date of this ordinance are not affected or abated by this ordinance.

Sec. 17.215. Reserved.

Section 3. This Ordinance takes effect thirty (30) days from the date of adoption.
CITY CLERK'S OFFICE
Lynn Fessel, City Clerk

CITY COUNCIL MEETING
March 27, 2012

MEMO TO: Honorable Mayor and City Councilmembers
FROM: Lynn Fessel, City Clerk
SUBJECT: Final Adoption of Ordinance No. 2012.4

MOTION: FINAL ADOPTION OF ORDINANCE NO. 2012.4 AN ORDINANCE ADDING ARTICLE VI – FORECLOSED, VACANT AND ABANDONED RESIDENTIAL PROPERTY TO CHAPTER 14 OF THE CODE OF ORDINANCES, CITY OF JACKSON, MICHIGAN TO PROVIDE A REGISTRY OF FORECLOSED, VACANT, AND ABANDONED RESIDENTIAL PROPERTIES IN ORDER TO PROTECT THE HEALTH, SAFETY AND WELFARE OF THE CITIZENS OF THE CITY OF JACKSON BY PREVENTING BLIGHT, PROTECTING PROPERTY VALUES AND NEIGHBORHOOD INTEGRITY, AND ENSURING MAINTENANCE OF FORECLOSED, VACANT, AND ABANDONED RESIDENTIAL PROPERTIES

Attached please find Ordinance No. 2012.4. Requested action is adoption of the Ordinance.

C: City Manager
Abandoned/Foreclosed Properties Ordinance
Draft 6.0
3.16.12

ORDINANCE NO. 2012-4

An ordinance adding Article VI – Foreclosed, Vacant and Abandoned Residential Property Registry to Chapter 14 of the Code of Ordinances, City of Jackson, Michigan to provide a registry of foreclosed, vacant, and abandoned residential properties in order to protect the health, safety and welfare of the citizens of the City of Jackson by preventing blight, protecting property values and neighborhood integrity, and ensuring maintenance of foreclosed, vacant, and abandoned residential properties.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. That Article VI, Sections 14-400 through 14-500 of Chapter 14 of the Code of the City of Jackson be, and the same hereby are, amended to read as follows:

ARTICLE VI – FORECLOSED, VACANT AND ABANDONED RESIDENTIAL PROPERTY REGISTRY

Section 14-400. Title.

This Article shall be known as the “Foreclosed, Vacant and Abandoned Residential Property Registry Ordinance.”

Section 14-401. Findings and purpose.

The City Council finds that there are foreclosed, vacant, or abandoned residential properties in the City that are a public nuisance and that foreclosed, vacant, and abandoned residential properties that are not maintained and secured constitute a hazard to the public health, safety and welfare for the following reasons:

1. These properties often become dilapidated because they are not maintained by the owners of the properties;
2. These properties attract children, harbor vermin, and provide shelter for vagrants and criminals;
3. These properties are more likely to be vandalized or be the target of arsonists;
4. These properties provide a dumping ground for garbage, trash and other debris; and
5. These properties require an increased amount of City resources and staff time to maintain, secure, demolish or otherwise respond to problems associated with them.

The City Council finds that owners of foreclosed, vacant, and abandoned residential properties should be held accountable for the physical condition of their properties. At a minimum, the owners should prevent the properties from creating a blight upon the surrounding neighborhood and decreasing property values. The City Council also finds that a responsible local agent should be required for all properties not owned by persons or entities within a reasonable distance of the City in order to safeguard the properties.
Abandoned/Foreclosed Properties Ordinance
Draft 6.0
3.16.12

and structures, assist City personnel with access for inspections, and accept notices concerning the properties.

Section 14-402 Definitions.

Unless the context indicates otherwise, the following words used in this Article shall have these meanings:

*Abandoned property* means a parcel of real property that is unoccupied in any manner for a period of more than six (6) months. Property will be presumed abandoned when mortgage or tax foreclosure proceedings have been initiated for that property, no mortgage or tax payments have been made by the property owner for at least ninety (90) days, and the property has been vacant for at least ninety (90) days. A dwelling may not be considered abandoned if all appropriate permits are issued, in force, and construction is ongoing.

*Chief Building Official* means the official designated by the City to enforce building, zoning, or similar laws and this Article, or his or her duly authorized representatives.

*Foreclosure* means the process by which a lien, mortgage, or security interest is enforced against a parcel of real property through sale or offering for sale of the real property to satisfy the debt or claim. For the purposes of this Article, a parcel of real property for which there is any of the following shall constitute a foreclosed property:

1. A notice of foreclosure;
2. A notice of trustee’s sale;
3. A foreclosure sale of the real property where the title to the real property was retained by the beneficiary of a mortgage;
4. A pending tax sale; or
5. A transfer of title under a deed in lieu of foreclosure or deed in lieu of sale.

*Owner* means any person or entity with any legal or equitable ownership or possessory interest in any real property, with or without accompanying actual possession thereof. The owner shall include, but not be limited to, a bank, a credit union, a trustee or financial institution which is in possession (in whole or in part) of the real property, or that is foreclosing a lien or mortgage interest in the property but may or may not have legal or equitable title. Owner also means any person or entity having charge, care or control of any real property as agent of the owner, as executor, administrator, trustee or guardian of the estate of the owner.

*Responsible Local Agent* means an authorized representative of a person, corporation, partnership, firm, joint venture, trust, association, organization, or other entity having a legal or equitable interest in property, and/or who is compensated by the property owner to manage a property and who is properly licensed according to state law. The
Responsible Local Agent must have, and will be deemed to have if designated by the owner of the property as the Responsible Local Agent, the authority to do the following:

1. Receive all official notices concerning housing, zoning or dangerous buildings on behalf of the owner of a property, and any notice received by the responsible local agent shall be deemed to have been received by the property owner; and
2. Be responsible for providing access to the property for any inspection necessary to ensure compliance with the terms of this Chapter.

Securing means taking such measures as may be directed by the Department of Community Development that render the property inaccessible to unauthorized persons, including, but not limited to, the repairing of fences and walls, chaining or padlocking of gates, and repair of doors, windows and other openings.

Vacant property means a parcel of real property that has been unoccupied continuously for a period of thirty (30) days or more, and is either:

1. Subject to foreclosure as defined in this Article;
2. Has been abandoned by the owner;
3. Is under a condemnation notice or order to vacate;
4. Is not in compliance with the housing, electrical, mechanical, plumbing, or building codes;
5. Has one (1) or more broken or boarded windows;
6. Is open to casual entry or trespass;
7. Is deteriorating due to a lack of maintenance or neglect;
8. Has a building or structure for which a building permit has expired that is partially completed and is not fit for human occupancy;
9. Contains a structure that is structurally unsound;
10. Has utilities disconnected or not in use;
11. Has taxes in arrears for more than one (1) year; or
12. Is a potential hazard or danger to the safety of persons.

Section 14-403 Property registration required.

1. An owner of a foreclosed, vacant or abandoned residential property within the City shall register the structure with the Department of Community Development within fifteen (15) days of the earlier of:
   a. The property becoming subject to foreclosure;
   b. The property becoming a vacant property;
   c. The property becoming an abandoned property; or
   d. Notice being sent to the owner of the structure by the Department of Community Development that the structure has been declared a foreclosed, vacant or abandoned residential property.

2. An owner of a foreclosed, vacant or abandoned residential property may apply for a registration on forms provided by the Department of
Community Development. The owner must pay the required registration fees. No registration is valid unless filled out accurately and completely, signed by the owner, and the proper fees have been paid. A registration fee once tendered may not be refunded or transferred. It is a violation of this Article for an owner to provide inaccurate information on an application for a registration.

(3) The registration must contain the following information:
   a. The address of the foreclosed, vacant or abandoned residential property;
   b. The date on which the property became foreclosed, vacant or abandoned;
   c. The legal name, address, telephone number and date of birth of the owner;
   d. The names, addresses and telephone numbers of the members of any owner that is a limited liability company, and the dates of birth of the members if individuals;
   e. The names, addresses and telephone numbers of the majority shareholders of any owner that is a corporation, and the dates of birth of the majority shareholders if individuals;
   f. An Acknowledgment of Local Responsible Agent form signed by the Local Responsible Agent, if required;
   g. Any additional information required by the Department of Community Development; and
   h. A statement allowing authorized staff of the City to enter the premises for purposes of inspection.

(4) Payment in full of all of the following fines, fees and debts relating to the property being registered that are owed to the City and are currently due or past due must be paid prior to obtaining a foreclosed, vacant or abandoned residential property registration:
   a. Outstanding water or sewer bills;
   b. All charges for mowing, cleanup, weed or debris removal; and
   c. Any fines, penalties or debts of any sort arising from provisions of the housing code, including any blight violations.

Section 14-404 Amendment of registration information.

If any information submitted upon the application for issuance of a foreclosed, vacant or abandoned residential property registration changes, including a majority change of new members of an owner that is a limited liability company or a change of the majority shareholders in an owner that is a corporation, the owner must notify the Department of Community Development within ten (10) days and submit an amended application. There shall be no fee to update information if done within ten (10) days, however failure to update information within ten (10) days shall result in a late charge and is a violation of this Article.
Section 14-405  Property registration valid for two (2) years.

A foreclosed, vacant or abandoned residential property registration is valid for a period of two (2) years from the date of issuance. A renewal foreclosed, vacant or abandoned residential property registration must be applied for at least sixty (60) days prior to the expiration date. Failure to timely renew a property registration is a violation of this Article and shall subject the property owner to late fees.

Section 14-406  Transfer of ownership.

The seller of a foreclosed, vacant or abandoned residential property must notify the Department of Community Development within forty-five (45) days of the sale or transfer and provide the name and address of the purchaser or transferee. The purchaser or transferee must apply for a property registration within forty-five (45) days of the sale or transfer, unless it is intended to be occupied as a single-family owner occupied structure and has filed a Principal Residence Exemption. No refunds or credits of fees will be given when there is a transfer of ownership. If a foreclosed, vacant or abandoned residential structure will be occupied after a sale or transfer of the ownership, a certificate of compliance must first be obtained and all required fees must be paid unless there is a valid, unexpired building permit issued for the property.

Section 14-407  Responsible Local Agent.

For a foreclosed, vacant or abandoned residential property owned by a person or entity that resides more than seventy-five (75) miles outside of Jackson County, the property owner must designate a Responsible Local Agent who resides within seventy-five (75) miles of Jackson County. If the Responsible Local Agent is a corporation, limited liability company, partnership or other non-profit or for-profit entity, the address of the registered office of the entity must be within seventy-five (75) miles of Jackson County.

Section 14-408  Duty to maintain and secure.

An owner of a foreclosed, vacant or abandoned residential property shall comply with all of the following maintenance and security requirements:

1. The property and structure shall be maintained in a secure manner so as not to be accessible to unauthorized persons, including, but not limited to, the closure and locking of windows, doors, gates, and any other openings of such a size that could allow a child or other person to access the interior of the property and/or structures;

2. The property on which the structure is located shall be in compliance with Jackson City Code Chapter 26 for grass and vegetation maintenance;
(3) The property shall be kept free of trash, junk, and debris as required by Jackson City Code Chapter 12;
(4) The structure shall be maintained in accordance with applicable sections of Jackson City Code Chapter 14;
(5) The property shall be kept free of any accumulation of newspapers, circulars, flyers and notices except for those required by federal, state or local law;
(6) The property and structure shall be maintained free of graffiti as required by Jackson City Code Chapter 17, Article IX;
(7) The property shall be in compliance with the Jackson City Code Chapter 17, Article VI as to unregistered, dismantled or inoperable vehicles;
(8) All structures on the property shall be properly winterized so to prevent bursting of pipes; and
(9) Pools, spas and other water features shall be covered by a safety cover approved by the state construction code and shall comply with the minimum security fencing and barrier requirements.

Section 14-409    Monitoring.

Periodic monitoring, not less than once every thirty (30) days, shall be conducted by the Chief Building Official or his or her authorized representatives to assure continuing compliance with the duties set forth in this Article. A fee determined by resolution of the City Council shall be established to offset the cost of monitoring the foreclosed, vacant, or abandoned residential property. The monitoring fee will be billed quarterly in advance. No refunds or credits of the monitoring fee will be given.

Section 14-410    Abatement.

If the owner fails to secure or maintain the property as required under this section, such failure shall constitute a hazardous and nuisance condition. Within three (3) business days after a notice to abate has been provided, the Chief Building Official or his or her authorized representative may abate the nuisance without giving further notice. The Chief Building Official or his or her authorized representative may abate the offending condition by arranging for City employees or private contractors to secure and board the structure, remove rubbish and debris from the premises, or make repairs to maintain the buildings and premises to conform to this section. The cost of abating the nuisance condition(s) may be charged to the owner and against the premises. The Chief Building Official or his or her authorized representative may abate a public nuisance without giving notice if the public health or safety requires immediate abatement.

Section 14-411    Appeal of abatement costs.

An owner assessed for abatement costs may appeal the assessment to the Building Code Board of Examiners and Appeals. On appeal, the Building Code Board of Examiners and Appeals shall determine whether the property was in violation of this Article, whether the
owner was provided with notice as required by this Article prior to abatement of the
nuisance (except for in the case of emergency abatement), and whether the costs charged
to the owner and assessed against the property were properly calculated. An appeal shall
be filed within twenty (20) days after the City serves notice on the owner of the property
that the costs will be charged to the owner and assessed against the property.

Section 14-412 Display of property contact information.

Residential properties that are foreclosed, vacant or abandoned shall be posted with a
contact number that individuals can call to report problems or concerns to the Department
of Community Development. The posting shall be no less than 18’ x 24,’’ shall be in a
font legible from a distance of forty-five (45) feet, and shall contain, along with the
contact number of the Department of Community Development, the words “TO REPORT
PROBLEMS OR CONCERNS CALL.” The posting shall also contain the name and
contact information of the owner of the property or the Responsible Local Agent, if any,
along with the words “IS RESPONSIBLE FOR THE MAINTENANCE OF THIS
PROPERTY.” The posting shall be placed on the interior of a window facing the street to
the front of the property so it is visible from the street, or secured to the exterior of the
building or structure facing the street to the front of the property. Exterior postings must
be constructed of and printed with weather resistant materials.

Section 14-413 Fees and charges.

All fees applicable to this Article shall be set from time to time by resolution of the City
Council and shall include at a minimum:

1. An annual registration fee charged to the owner at the time of registration of
the foreclosed, vacant or abandoned residential property;
2. A failure to register fee charged to the owner for failing to register the
foreclosed, vacant or abandoned residential property as required by this
Article;
3. A monthly monitoring fee charged to the owner for periodic inspections by
the Department of Community Development to assure continuing compliance
with this Article. A non-refundable payment of the first three (3) months of
monitoring fees shall be prepaid by the owner at the time of registration;
4. An inspection fee charged to the owner for any inspection caused by the
owner’s failure to comply with the maintenance and security duties set forth in
this Article; and
5. Administrative charges may also be charged to the owner for search warrants,
title searches, boarding and securing, removal of rubbish and debris and
preparation for prosecution.

All fees collected from the Foreclosed, Vacant or Abandoned Residential Property
Registry shall be placed in a Housing Code Enforcement Fund. No part of the funds held
in the Housing Code Enforcement Fund may be transferred into the general operating
fund for any reason.
Abandoned/Foreclosed Properties Ordinance
Draft 6.0
3.16.12

Section 14-414 Exception to requirement to pay registration fee.

Any property that has a current, valid foreclosed, vacant or abandoned residential property registration shall not be required to pay the registration fee required by the Non-owner Occupied Residential Structure or Unit Registry Ordinance.

Section 14-415 Failure to pay fees and charges.

If an owner fails to pay fees or charges due under the terms of this Article, an invoice for the fees or charges will be submitted to the owner. If the owner fails to pay the invoiced charges within thirty (30) days of mailing of the invoice, the City may cause the cost reflected in the invoice to be assessed against the premises as a special assessment, and the City may institute an action against the owner for the collection of the costs in any court of competent jurisdiction. However, the City’s attempt to collect such costs shall not invalidate or waive any lien filed against the property.

Section 14-416 Notice.

All notices required by Chapters 2.5, 4, 5, 12, 13, 14, 17, 26 or 28, including notice of any violations of this Article or demand for abatement concerning a foreclosed, vacant or abandoned residential property may be served upon the registered owner of record or upon the Responsible Local Agent by either first class mail, certified mail, or personal service and by posting a copy thereof in a conspicuous place on or about the structure affected by the notice.

Section 14-417 Disclaimer of liability.

The City shall not be liable to any person or entity by reason of this Article or the issuance of a foreclosed, vacant or abandoned residential property registration. A property registration is not a warranty or guarantee that there are no defects in or on any foreclosed, vacant or abandoned property.

Section 14-418 Nuisance per se.

A vacant structure or unit in violation of this Article is considered to be a nuisance per se and is subject to abatement in any manner prescribed by law.

Section 14-419 Penalties.

A violation of any provision of this Article is a blight violation and is subject to enforcement by the procedures and penalties as provided in Chapter 2.5 of this Code. Each day that a provision of this Article continues to exist is a separate offense.
Section 14-420 Severability.

If any provision of this Article is determined to be unenforceable by a court, the remainder of this Article shall be deemed severable and is to remain in full force and effect.

Sections 14-421 – 14-500. Reserved.
RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, the City of Jackson has established a Foreclosed, Vacant and Abandoned Residential Property Registry and must establish the amount of fees pertaining to the Registry; and

WHEREAS, the City of Jackson wishes to give guidance in the establishment of fees necessary to implement the Foreclosed, Vacant and Abandoned Residential Property Registry, to provide for the costs associated with creating a registration database, with processing residential property registrations, and with conducting monthly monitoring inspections; and

WHEREAS, the City of Jackson wishes to have the aforementioned fees retained by the Department of Community Development to further the Overall Economic Stabilization Program that was adopted by the City of Jackson;

NOW, THEREFORE, BE IT RESOLVED that the City of Jackson establishes the following fees:

A. Fees for provisions of the Foreclosed, Vacant or Abandoned Residential Property Registry.

1. The Registration Fee to register a foreclosed, vacant or abandoned residential property shall be $300.00 and shall be valid for a two-year period.

2. There shall be a late fee equal to 50% of the Registration fee if the fee is paid within the first 30 calendar days after the due date.

3. There shall be a late charge equal to 50% of the Registration fee plus an additional charge of $25.00 per day if paid more than 30 calendar days after the due date.

4. There shall be a fee of $25.00 per unit per day for failing to amend within 10 days any information required on the Registration application.

5. There shall be a monthly fee that shall be billed quarterly in advance. The first three months of monthly monitoring fees shall be paid in advance at the time of registration. The monthly fees shall be the following amounts:
a. $75.00 for a single-family structure;
b. $100.00 for a two-family structure;
c. $125.00 for three and four-unit structures; and
d. For structures with more than 4 units in the same structure,
   there will be an additional $5.00 per unit fee

B. All of the above fees that are collected shall be retained by the Department of
Community Development to be used for the furtherance of the Economic
Stabilization Program as adopted by the City of Jackson and no part of the
funds derived from the above fees may be transferred to the general operating
fund for any purpose.

State of Michigan)

______________________________ City Clerk
City Council Meeting  
March 27, 2012  

Postponed Item  

Authorize Mayor to Execute Contract with Harvest Energy Solutions  
Solar Photovoltaic Cells  

MEMO TO: Martin J. Griffin, Mayor  
Members of the Jackson City Council  

FROM: Laurence Shaffer, City Manager  

DATE: March 20, 2012  

SUBJECT: Contract to Install Solar Photovoltaic Cells – City of Jackson Wastewater Treatment Plant  

I would respectfully recommend that the City Council adopt the following motion:  

The Jackson City Council hereby authorizes a contract between the City of Jackson and Harvest Energy Solutions of 2218 East High Street, Jackson, to design and construct a 150 kW photovoltaic field at the City of Jackson Wastewater Treatment Plant at a cost of $440,663.00, and to authorize the Mayor and the City Council to execute all appropriate contract documents.  

Since the City Council meeting of March 13, 2012, Harvest Energy Solutions has reduced its price to the City of Jackson by $60,000 from an original cost of $500,663 to $440,663. This represents a 12 percent reduction in cost. As a result, the financial performance of the project has dramatically improved. The entire investment of $440,663 shall be returned to the City of Jackson from the proceeds of the fifteen (15) year Experimental Advanced Renewable Program (EARP) contract with Consumers Energy along with a surplus of $78,188 as conservatively estimated. The solar photovoltaic cells will have at least an additional ten years of productivity generating another $112,624 in electricity back to the city. The total return to the city of $190,812 over twenty five years plus the city original investment makes the decision to authorize financially sound.  

Aside from the financial considerations, the following conditions strongly support my recommendation.  

1. Harvest Energy is a Jackson company and the project is an economic development game changer for this local business.  
2. The City of Jackson utilizes $500,000 worth of electricity at the Wastewater Treatment Plant annually. The solar photovoltaic cell project begins the process of providing an environmentally sound and sustainable source of electricity to the facility.
3. The solar photovoltaic project assists in changing the image of Jackson to a City that is concerned about environmental issues and is prepared to take action to deploy sustainable sources of energy.

4. The solar photovoltaic field will become an educational asset for the community to learn and understand the impact that this project will have on the environment and the need to provide electricity to the Wastewater Treatment Plant. A web based monitoring system will be created to allow the community to see the performance of the cells at the plant.

I look forward to answering any questions that you might have. Thank you for your consideration.

TO: Honorable Mayor and City Councilmembers

FROM: Patrick H. Burtch, Deputy City Manager/Community Development Director

SUBJECT: Request to approve Change Order No. 3 to Dore and Associates Contracting, Inc. for the Asbestos Abatement project at 212 W. Michigan Avenue

MOTION
Approval of Change Order No. 3 to the contract with Dore and Associates Contracting, Inc., in the increased amount of $280,000.00 for the former Consumers Energy Building Asbestos Abatement project, 212 W. Michigan Avenue, and authorization for the Mayor to execute the appropriate document(s), and for the City Attorney to make minor modifications as necessary.

Attached is Change Order No. 3 to the contract with Dore & Associates Contracting, Inc. for the Asbestos Abatement project at 212 W. Michigan Avenue, the former Consumers Energy building.

This change order is the culmination of negotiations between Dore & Associates Contracting, Inc., the City Manager, the City Attorney and the Deputy City Manager. Acceptance of this change order will result in the continuation and completion of the contract dated April 1, 2011.

This change order increases the contract $280,000.00 to address asbestos containing materials not previously identified or inaccurate quantities of asbestos in the original asbestos survey.

The 2008 Brownfield Revolving Loan Fund has been identified as having sufficient funds available to pay for the change order, pending approval from the Environmental Protection Agency (EPA). The City has also applied for a separate grant from the EPA which, if received, will be a viable funding source for the change order as well. If both requests stated above are denied by the EPA, an appropriation from the General Fund will be necessary.

Cc: Julius Giglio, City Attorney
CHANGE ORDER

Owner: City of Jackson ("City")
Contractor: Dore & Associates Contracting, Inc. ("Dore")

Project: Former Consumers Energy Building
212 W. Michigan Avenue
Jackson, MI 49201

Contract: Dore & Associates Contracting, Inc.
900 Truman Parkway
Bay City, MI 48706

Change Order No.: 3
Contract Date: April 1, 2011
Contract for: Asbestos Abatement

Purpose of Change Order:

This Change Order is being entered into to address asbestos containing materials (ACM) that were either not previously identified or quantities that were inaccurate in the original asbestos survey for the former Consumers Energy Building located at 212 W. Michigan Avenue, Jackson, Michigan (the "project"). The revised contract amount shall be deemed a "Not to Exceed" lump sum contract amount for removal of all ACM at the project. This Change Order shall be part of the contract documents for the project. If there is a conflict between this Change Order and any other contract document, this Change Order shall govern.

The Contract is changed as follows:

1. Dore will perform removal of all existing known and/or unknown ACM at the project regardless of whether same has been previously identified in the project asbestos survey. Provided, however, it is understood between the parties that Dore shall not be responsible for abatement of exterior roof tile and/or exterior window caulking that may contain ACM.

2. Dore shall remove all ACM from existing debris piles located in the project. City shall provide test results for said debris piles.

3. Dore will include any necessary interior demolition to access floor tiles (non-ACM demolition material shall remain on site).

4. Dore shall replace the previous project manager, Mark Kollin, with a new project manager, who must be an experienced asbestos project manager familiar with the project. A copy of the new project manager's resume or qualifications and experience must be provided to the City prior to the execution of this Change Order.

5. The City reserves the right to conduct a background check on all Dore employees and to reject any employees who are not acceptable to the City.

6. Dore shall forego any claims as to loss of use of its equipment that has been inaccessible at the project, due in part to the criminal investigation pertaining to copper theft by Dore's previous project manager, Mark Kollin.

7. Dore shall begin working on site at the project no later than May 1, 2012, contingent upon execution of this Change Order by all parties. It is understood by the parties that the U.S. Environmental Protection Agency (EPA) must approve the Change Order prior to execution.
8. All work on the project must be completed no later than September 30, 2012

9. The contract retainage shall be as follows: 10% retainage for the first $300,000 of invoices previously submitted by Dore; and 20% retainage for all invoices submitted thereafter.

10. The City shall process payment for the $300,000 invoice referenced in Paragraph 8 above (minus 10% retainage), ten (10) days after Dore has commenced work at the project pursuant to this Change Order.

11. Anything contained in either the contract documents or this Change Order to the contrary, notwithstanding, it is understood between the parties that final payment, including all retainages, shall not be made to Dore until the EPA, or its contractor, has conducted a post ACM abatement survey to confirm that all ACMs have been properly removed from the project. Any ACMs identified by the EPA must be removed by Dore within ten (10) days of receipt of notice from City. Any failure to remove ACMs identified in such notification shall result in forfeiture of all retainage, which shall be in addition to any other remedies available to the City.

Not valid unless signed by Owner and Contractor

The original (Contract Sum, Maximum Price) was ............................................... $846,600.00

Net change by previously authorized Change Orders ............................................... $0.00

The (Contract Sum, Maximum Price) prior to Change Order was ................................. $846,600.00

The (Contract Sum, Maximum Price) will be increased by this Change Order in the amount of ............................................... $295,000.00

Minus Credit for stolen copper ............................................... $15,000.00

The new (Contract Lump Sum, Not to Exceed Maximum Price) including this Change Order will be ............................................... $1,126,600.00

The revised date of completion of this contract is September 30, 2012.

CITY COUNCIL MEETING
March 27, 2012

TO: Honorable Mayor and City Councilmembers

FROM: Patrick H. Burtch, Deputy City Manager/Community Development Director

SUBJECT: Request to approve the purchase of three (3) vehicles for Code Enforcement Inspectors

MOTION
Consideration of the request to purchase three (3) 2012 Chevrolet Equinox from Shaheen Chevrolet, Lansing, through the State of Michigan MiDEAL contract in the amount of $56,625.00, total purchase price, including the title fee, for use by Community Development Block Grant Code Enforcement Inspectors.

The Community Development Department has received specifications to purchase three (3) 2012 Chevrolet Equinox (attached) through the State of Michigan MiDEAL contract for $18,860 each plus $15 for a title fee. The total purchase price with the title fee is $56,625. The purchase of these vehicles will be for use by Community Development Block Grant (CDBG) Code Enforcement Inspectors.

The Equinox is a small crossover vehicle and will provide the inspectors additional room to carry the necessary equipment to perform their duties while in the field as well as provide improved gas mileage. The current vehicles were purchased in early-2006 and do not have ample space for the inspectors’ equipment. The vehicles have also been incurring more maintenance expenses each year. Please see the summary below for projected annual savings.

</tbody>
</table>

Staff has determined there is sufficient CDBG Code Enforcement funding available for the purchase of the vehicles and they will be expended in the current fiscal year. The vehicles to be replaced will be sold at auction or to another department within the City. The total estimated value of these vehicles is $15,000. The proceeds will be returned to the CDBG fund as program income and allocated at a future date for a CDBG-eligible activity.

MEMORANDUM
March 27, 2012

TO: Honorable Mayor and City Council
FROM: Julius A. Giglio, City Attorney
RE: Farmer’s Market User Agreement

MOTION: The requisite action is to approve the User Agreement between the City and Jackson Downtown Development Authority, authorize the Mayor and Clerk to sign same, and authorize the City Attorney to make minor modifications to the Agreement.

Attached is a proposed User Agreement between the City and Jackson Downtown Development Authority (DDA) for operation of the Farmer’s Market. As Council is aware, the previous operator of the Farmer’s Market, Kuhl Investment Company, LLC, terminated its lease when it ceased operations of Kuhl’s Bell Tower and Market. The DDA has agreed to operate the Farmer’s Market under the terms and conditions contained in the Agreement. The Agreement is a month to month agreement that may be terminated by either side upon sixty (60) days’ notice.

If Council has any questions, please feel free to contact me.

JAG/dn
Enc.

cc w/copy of enc.: Laurence Shaffer, City Manager
Jonathan Greene, Director, Downtown Development Authority
USER AGREEMENT

This Agreement, made this ______ day of ____________________, 2012, by and between the City of Jackson, a Michigan municipal corporation, whose address is 161 West Michigan Avenue, Jackson, Michigan 49201 (“City”), and Jackson Downtown Development Authority, a Michigan municipal corporation, whose address is 161 West Michigan Avenue, Jackson, Michigan 49201 (“DDA”):

Witnesseth:

Whereas, farmers markets bring economic vitality and a positive atmosphere to a downtown, and

Whereas, farmers markets are thriving venues for the sale and experience of locally farmed and processed goods, and

Whereas, the Jackson Downtown Development Authority believes that farmers markets are critical social and cultural components of downtown, and

Whereas, the Jackson Downtown Development Authority has the capacity and wishes to operate a farmers market on behalf of the City of Jackson, and

Whereas, the parties wish to enter into a User Agreement regarding property located at 119 W. Louis Glick Highway, Jackson, Michigan, 49204 (“Property”), more particularly described in Exhibit A.

Now, Therefore, in accordance with the terms of this Agreement and upon the mutual Agreements and covenants herein contained, the parties agree as follows:

1. Premises

   The DDA is allowed to use the premises consisting of the Property and structure erected thereon commonly known as the Grand River Market Pavilion (“Pavilion”).

2. Term and Termination

   The effective date of this Agreement is April 1, 2012 and shall continue on a month to month basis until terminated by either party. Either party may terminate this Agreement at any time by serving on the other party a 60 day Notice of Termination. All notices shall be served by first class mail with postage prepaid and mailed to the address appearing above.

3. Operation

   The DDA shall operate the Pavilion as a Farmer’s Market on Tuesday, Friday and Saturday of each week from April 1 through November 30 from 5:00 a.m. until 5:00 p.m. (“Farmer’s Market Days”). The DDA shall be responsible for cleanup of the Pavilion from the activities of Farmer’s
Market Days. The use of the Pavilion for Farmer's Market Days shall be limited to the sale of produce, plants, flowers, jelly, jam, typical farmer's market products, and similar items.

4. **Use Charge**

   The DDA shall pay the City a use charge of One and 00/100 Dollar ($1.00) per year for use of the premises.

5. **Parking Lot**

   The City owns the parking lot, commonly known as Lot No. 5, which is immediately adjacent to the Pavilion. Lot No. 5 shall be maintained as a public parking lot during the term of this Agreement. The City, at its option, may lease parking space to the public on a daily, monthly, or annual basis.

6. **Insurance**

   The parties agree that the City shall carry comprehensive liability insurance covering the Pavilion.

7. **Rules and Regulations**

   Farmer's Market Days shall commence on April 1 and run through November 30 of each year ("Season"). The farmers/tenants leasing space in the Pavilion shall be subject to the rules and regulations as established by the DDA.

8. **Non-Farmer's Market Activities**

   The City shall have exclusive control of the Pavilion on non-Farmer's Market Days and may allow the Pavilion to be used for any purposes it deems appropriate. The City shall be responsible for cleanup of the facility for all events sponsored or allowed by it.

10. **Maintenance**

    The maintenance of the Pavilion shall be the responsibility of the DDA. The Pavilion shall be maintained during the Farmer's Market Days in the same condition as when received, ordinary wear and tear accepted. The DDA shall be responsible to repair to the City's satisfaction, any damage to the Pavilion resulting from the DDA's operation of the Farmer's Market Days.

11. **Utilities**

    As its contribution to a successful market and partner of the DDA, the city shall pay the full cost of utilities for the Pavilion.
12. Remodeling and Alterations

The DDA shall not make repairs, alterations, remodeling, additions or improvements to the Pavilion; unless repairs, alterations, remodeling, additions or improvements have the prior written approval of the City; and PROVIDED FURTHER, that all such repairs, alterations, remodeling, additions or improvements shall be completed and maintained in good workmanlike condition and shall be free and clear of all liens and encumbrances arising out of such work. All improvements to the Pavilion shall become the property of the City at the expiration of the term of this Agreement.

13. Compliance With Statutes, Ordinances, and Regulations

The DDA agrees that it will comply with all rules, regulations, ordinances and statutes relating to or affecting the use of the Pavilion and agree to indemnify and save harmless the City for any costs, damages or penalties incurred by the City due to DDA non-compliance with such rules, regulations, instructions, ordinances or statutes.

14. Hazardous Substances

The DDA shall not cause or permit any Hazardous Substance to be used, stored, generated, disposed of on or in the Pavilion by them, their agents, employees, contractors, or invitees without first obtaining the City's written consent. If Hazardous Substances are used, stored, generated, or disposed of on or in the Pavilion except as permitted above, or if the Pavilion becomes contaminated in any manner for which the DDA is legally liable, then the DDA shall indemnify and hold harmless the City from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses (including, without limitation, a decrease in value of the Pavilion, damage caused by loss or restriction of rentable or useable space, or any damages caused by adverse impact on marketing of the space, and any and all sums paid for settlement of claims, attorneys' fees, consultant, and expert fees) arising during or after the Agreement term and arising as a result of that contamination by the DDA. This indemnification includes, without limitation, any and all costs incurred because of any investigation of the site or any cleanup, removal, or restoration mandated by a federal, state, or local agency or political subdivision. Without limitation of the foregoing, if the DDA cause or permit the presence of any Hazardous Substance on the Pavilion which results in contamination, then the DDA shall promptly, at their sole expense, take any and all necessary actions to return the Pavilion to the condition existing prior to the presence of any such Hazardous Substance on the Pavilion. The DDA shall first obtain the City's approval for any such remedial action.

16. Successor and Assigns

The provisions of this Agreement shall be binding upon and inure to the benefit of the respective parties only. This Agreement may not be assigned by the DDA without the written permission of the City.
17. **DDA Indemnification**

The DDA agrees to defend, indemnify and hold harmless the City and its officials, agents, representatives or employees from claims, demands, suits, actions, payments, judgments, including expenses, legal or otherwise, and any liability which arises out of or pertains to the use and operation of the Pavilion on Farmer’s Market Days, resulting from the negligent actions or omissions by the DDA, its officers, agents, representatives and/or employees.

18. **Construction**

This Agreement shall be interpreted and construed in accordance with the laws of the State of Michigan. It is agreed that the Agreement is a result of negotiations between the parties and, therefore, shall not be construed for or against either party.

**IN WITNESS WHEREOF**, the parties have hereunto set their respective hands and seals the day and year first above written.

CITY COUNCIL MEETING
March 27, 2012

TO: Honorable Mayor and City Councilmembers

FROM: Patrick H. Burtch, Deputy City Manager/Community Development Director

SUBJECT: Renewal of Request for Annual Delegation of School Inspection Authority for JPS

MOTION
Action requested by City Council is to authorize the Mayor, and Clerk if necessary, to execute the Request for Annual Delegation of School Inspection authority to a Local Unit of Government Enforcing Agency.

For the last two years the City of Jackson has provided construction inspection services for the Jackson Public School System. This relationship has been beneficial for both the City of Jackson and Jackson Public Schools. It has kept inspection services local, streamlined the plan review process, improved the inspection services for JPS, and has increased the number of plan reviews conducted, permits issued, and inspections conducted by the City.

Authority to inspect school projects must be agreed upon by the school district and the local jurisdiction, and authorized by the State of Michigan annually to remain in effect. Authority granted by the State last year will expire April 3, 2012. Attached is the form for the Delegation of School Inspection Authority signed by Sheila Patterson on behalf of Jackson Public Schools.
Request for Annual Delegation of School Inspection Authority to a Local Unit of Government Enforcing Agency
Michigan Department of Licensing and Regulatory Affairs
Bureau of Construction Codes
P.O. Box 30254, Lansing, MI 48909
517-241-9302
www.michigan.gov/bcc

Section 1b(5) of 1937 PA 306 provides:

"The department shall delegate the responsibility for the administration and enforcement of this act to the applicable agency if both the school board and the governing body of the governmental subdivision have annually certified to the department, in a manner prescribed by the department, that full-time code officials, inspectors and plan reviewers registered under the building officials and inspectors registration act, 1986 PA 54, MCL 338.2301 to 338.2313, will conduct plan reviews and inspections of school buildings."

NOTE: Local governments not authorized to enforce the state construction codes do not qualify for delegation of school plan review and inspection authority.

BOTH THE SCHOOL BOARD PRESIDENT OF THE DISTRICT IN WHICH THE APPLICABLE FACILITY IS LOCATED AND THE GOVERNING BODY OF THE GOVERNMENTAL SUBDIVISION MUST CERTIFY, VIA ORIGINAL SIGNATURES, THAT THE INFORMATION CONTAINED ON THIS FORM IS TRUE AND ACCURATE. If the school district is served by more than one local government enforcing agency, a separate form must be submitted for each enforcing agency and you must indicate which agency serves which facility.

Failure to complete all required information will result in this form being returned without action.

SCHOOL DISTRICT INFORMATION

A school official representing the school district/school board must provide the school contact information and the list of school facilities by completing the sections below. (It should be noted that non-public schools should not provide public school district information but should provide contact information regarding the superintending authority, if applicable, for the non-public school instructional and non-instructional school buildings located within each local government enforcing agency.)

Certification by School District and Local Government Enforcing Agency - In the sections below, provide the ORIGINAL signature of the school board president and the chief elected official of the local government authorized to enforce construction codes in which school facilities are located. Note: A local government not authorized to enforce the state construction codes does not qualify for delegation of school plan review and inspection authority.

WE HEREBY CERTIFY:

Full-time code officials, inspectors and plan reviewers, registered under the Building Official and Inspectors Registration Act, 1986 PA 54, will conduct plan review and inspections of school buildings. Please list your office hours and inspection staff hours below (Example: 8:00am - 5:00pm).

Office Hours: M 8:00am - 5:00pm, T 8:00am - 5:00pm, W 8:00am - 5:00pm, Th 8:00am - 5:00pm, F 8:00am - 5:00pm = 40 total hours

Inspection Staff Hours: M 8:00am - 5:00pm, T 8:00am - 5:00pm, W 8:00am - 5:00pm, Th 8:00am - 5:00pm, F 8:00am - 5:00pm = 40 total hours

- Plan reviews will be completed within 60 days of receipt of the application.
- Permits will be issued and inspections conducted (within 5 business days) in accordance with the requirements of the Stille-DeRossett-Hale Single State Construction Code Act of 1972, 1972 PA 230.
- Permits will not be issued until a delegation of authority is granted by the Bureau of Construction Codes, Department of Licensing and Regulatory Affairs.
- Violation notices shall be issued as provided by the Act and applicable Code(s).
- Certificates of Occupancy will be issued only after receiving all required inspection and plan review approvals.

New Business
Report on Performance – The Enterprise Group
March 27, 2012

MEMO TO: Martin J. Griffin, Mayor
Members of the City Council

FROM: Laurence Shaffer, City Manager

DATE: March 12, 2012

SUBJECT: The Enterprise Group Of Jackson, Inc. – Contract Requirement for Performance

Consistent with the requirement identified in the contract between the City of Jackson and The Enterprise Group of Jackson, Inc., said contract dated September 27, 2011, a copy of which is attached, please find the Semi-Annual Report for activities of the Enterprise Group from July 1, 2011 to December 31, 2011. Representatives of The Enterprise Group will attend the City Council meeting to answer any questions that the City Council may have.

I would like to report on the extraordinary efforts of The Enterprise Group over the last six months to support and advocate for securing an impressive potential employer to the City. Although we are not at liberty to fully disclose the particulars, I am hopeful that we will be able to soon announce that a new firm will relocate to the City of Jackson and create a significant number of new jobs over the next five years. The Enterprise Group did an excellent job as a full partner with the City and the State of Michigan to achieve this tremendous accomplishment. The Enterprise Group is also presently working with another firm in very early stages that is considering locating a portion of their operation to Jackson and could potentially add substantial new and important jobs to the City. The Enterprise Group is also working presently with two local manufacturers to expand their operations in the City. Jobs are the engine of a vibrant economy and must be the overwhelming focus of our efforts. The Enterprise Group has worked hard at representing the City of Jackson and the results will soon be evident.

[Cover Memo]
AGREEMENT FOR ECONOMIC DEVELOPMENT SERVICES

This Agreement, entered into on the 27th day of September, 2011 between the City of Jackson, a Michigan municipal corporation, whose principal office is at 161 West Michigan Avenue, Jackson Michigan 49201 (hereinafter “City”), and Enterprise Group of Jackson, Inc., a Michigan nonprofit corporation with offices at One Jackson Square, Jackson MI 49201 (hereinafter “EG”).

WHEREAS, the Jackson City Council (City Council) has determined that the EG’s activities of providing economic development services for the City are deemed necessary and serve a public purpose; and

WHEREAS, the City Council has determined that the providing of economic development services by the EG for the City are services deemed to be in the public interest; and

WHEREAS, the City Council has determined that economic development will expand the user base for both its water and sewer utilities; and

WHEREAS, the City Council has determined that use of water and sewer funds to pay for the economic development expenses of the EG are appropriate since the EG activities may result in additions, improvements, enlargements, and/or extensions of the City’s water and sewer systems; and

WHEREAS, the parties wish to enter into this Agreement to provide control over the manner in which the water and sewer funds are spent and provide assurances that such funds will be used in accordance with the wishes of the City Council.

NOW, THEREFORE, it is agreed by the parties, in consideration of the following mutual covenants and promises:

Section 1. Description of Services. The EG shall provide the services as more fully outlined in the attached Exhibit A (the “Services”). In the event a conflict exists between this Agreement and any term in Exhibit A, the terms in this Agreement shall supersede Exhibit A.

Section 2. Performance of Services. The manner in which the Services are to be performed and the specific hours to be worked by the EG shall be determined by the EG.

Section 3. Payment to EG. In exchange for the Services performed hereunder, the City shall pay the EG $100,000 per year, payable as follows: $33,334.00 on November 1, 2011; $33,333.00 on January 1, 2012; and $33,333.00 on March 31, 2012.

Section 4. Term/Termination. The term of this Agreement shall begin upon execution of this Agreement by the parties, and shall end as of June 30, 2012. This Agreement may be terminated by either party upon 30 days written notice to the other party. Upon termination, the City shall pay the EG, on a prorated basis, for all services that have been performed by the EG, to the City’s satisfaction, up until the effective date of the termination.
Section 5. **Reporting Activities.** In support of payments to the EG as identified in Section 3, the EG will provide to the City a full report on all of its activities, projects, and the Services provided on a semi-annual basis (January, 2012 for activities through December 31, 2011 and July, 2012 for activities through June 30, 2012); along with provision of The EG Monthly Scorecard for distribution/information only. The reports shall identify the number of new jobs created and/or retained through the EG’s and City’s economic development activities (community accomplishments); location and number of RV’s scheduled and conducted; referrals for assistance; number of inquiries for sites, financing or incentives for City businesses/properties; and number of City meetings attended by The EG staff in support of City-related economic development efforts. Upon receipt of said reports, City staff shall review and forward same to City Council.

Section 6. **Insurance.** The EG shall, during the continuance of all work under this Agreement, provide the following:

1. Workers' Compensation insurance, such as meets the statutory requirements of the State of Michigan, and Employer's Liability insurance of at least $100,000.00 per incident to protect the EG from any liability or damages for any injuries (including death and disability) to any and all of its employees, volunteers, or subEGs, including any and all liability or damage which may arise by virtue of any law in force within the State of Michigan or which may be hereinafter enacted.

2. Commercial General Liability insurance (including contractual liability insurance) of at least $1,000,000.00 per incident to protect the EG, and its EGs, agents, successors, assigns, officers or employees, and the City against any and all losses, costs, claims, damages, liabilities, judgments, awards and expenses, including, but not limited to, reasonable attorney's fees, wherever located, resulting from any negligent or willful action or operation by the EG, or its EGs, agents, successors, assigns, officers or employees, pursuant to or in connection with this Agreement.

3. Prior to execution of this Agreement, the EG shall provide to the City Attorney an original, signed Certificate of Insurance evidencing that the EG has in place the insurance described above and that, with regard to Commercial General Liability and Employer's Liability insurance, such insurance is primary to any other coverage available to the City, and also with regard to the Commercial General Liability and Employer's Liability Insurance policies, the City shall be named as an additional insured.

Section 7. **Assignment.** This Agreement shall not be assigned by either party without the written consent of the other party.
Section 8. **Notices.** Any notice required or permitted by this Agreement shall be in writing and shall be deemed to have been sufficiently given for all purposes if sent by certified mail or registered mail, postage and fees prepaid, addressed to the party to whom such notice is to be given at the address set forth on the first page of this Agreement, or at such other address as has been previously furnished in writing to the other party or parties. Such notice shall be deemed given when deposited in the United States mail.

Section 9. **Exhibits.** All exhibits referred to in this Agreement are, by reference, incorporated herein for all purposes.

Section 10. **Delays.** Any delays in or failure of performance by any party of his or its obligations under this Agreement shall be excused if such delays or failure are result of acts of God, fires, floods, strikes, labor disputes, accidents, regulations or orders of civil or military authorities, shortages of labor or materials, or other causes, similar or dissimilar, which are beyond the control of such party.

Section 11. **Entire Agreement.** This Agreement represents the entire agreement between the parties and there are no oral or collateral agreements or understandings. This Agreement may be amended only by an instrument in writing signed by the parties. If any other provision of this Agreement is held invalid or unenforceable, no other provision shall be affected by such holding, and all of the remaining provisions of this Agreement shall continue in full force and effect.

Section 12. **Time of the Essence.** Time is of the essence. If any payment or any other condition, obligation, or duty is not timely made, tendered or performed by either party, then this Agreement, at the option of the party who is not in default, may be terminated by the non-defaulting party upon the giving of written notice to the other party of the default, followed by a ten-day period of time in which the party may cure the default. If the default is not timely cured, then this Agreement may be terminated by the non-defaulting party, in which case, the non-defaulting party may recover such damages as may be proper.

Section 13. **Waiver.** A waiver by any party to this Agreement of the breach of any term or provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by either party.

Section 14. **Governing Law.** This Agreement shall be governed by the laws of the State of Michigan.

Section 15. **Binding Effect.** This Agreement shall inure to the benefit of, and be binding upon, the parties, their respective legal representatives, successors, and assigns; provided, however, that nothing in this paragraph shall be construed to permit the assignment of this Agreement except as otherwise expressly authorized herein.
Section 16. **Indemnification.** The EG shall defend, indemnify, and hold harmless the City from and against all losses, costs, claims, damages, and expense, including but not limited to reasonable attorney’s fees, which the City may incur, arising out of the intentional or negligent act, error, or omission of the EG or any person or organization for whom the EG is responsible, in connection with providing services under this Agreement. The EG shall be solely responsible for all Services provided under this Agreement and for the completeness and accuracy of all documents and supporting data prepared by the EG, regardless of the City’s approval of same. The EG shall be responsible for any damage to property or injury to persons occurring by reason of the EG’s activities under this Agreement. Upon completion of all services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this section shall survive.

Section 17. **No Third Party Beneficiaries.** It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the City and the EG, and nothing contained in this Agreement shall give or allow any claim or right of action by any third party under this Agreement. It is the express intention of the parties that any person other than the City or the EG receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

EXHIBIT A
SERVICES TO BE PROVIDED BY THE ENTERPRISE GROUP

1. The EG agrees to use its best efforts to aid economic development opportunities within the City.

2. The EG will recruit and screen potential developers for economic development within the City.

3. The EG will concentrate on potential developers both within and outside of the City limits of the City of Jackson that will have the greatest impact on expanding the City's water and sewer utility services.

4. The EG will assist City staff with incentives that are available to potential developers.

5. The EG will coordinate meetings between the City, the Michigan Economic Development Corporation (MEDC) and potential developers.

6. The EG will promote City properties to potential developers.

7. The EG will inform the Community Development (CD) staff of all inquiries by prospects/owners/developers regarding projects located within the City and coordinate meetings with CD staff when contacted by City businesses at the initial time of contact. Further, the EG shall ensure that the CD staff is included in all pertinent meetings and conversations regarding City property with potential developers. CD or other City staff attending meetings shall sign confidentiality agreements, if requested by owner/prospect/developer. CD staff shall be contacted immediately upon any City business considering relocating outside City limits.

8. The EG will coordinate with CD staff in drafting press releases on economic development projects, and will promote City projects and events on The EG website, through mass emails, etc., in coordination with CD and other City staff.

9. The EG will continue to maintain The EG website, used to promote City properties, incentives, financing assistance, Brownfield referrals, quality of life promotion; and will coordinate with the CD staff to provide links to pertinent City website applications, information, etc.

10. The EG shall insure promotional materials which include site and property information are inclusive of City potential development sites, if they meet the site specifications of the prospect; and will coordinate with CD staff to participate in the creation of these documents, subject to availability of CD staff in meeting deadlines for distribution of documents to prospects.
11. The EG will make best efforts to assist the City of Jackson, in assembling parcels to increase the City’s inventory of available, easily-developable parcels to attract new construction development.

12. The EG will continue to schedule Retention Visits for existing businesses within the City as part of the County-wide Business Success Retention/Expansion Program. For all City business retention visits, the EG will coordinate the scheduled visits on the regular Retention Visit dates, being the fourth Thursday of the month (with the MEDC Business Development Manager) and the first Thursday of the month for local visits not on the MEDC Targeted List, or such dates mutually agreed upon by the EG, the City of Jackson, and the MEDC Business Development Manager; and will confirm any City visits with CD staff and the City Manager as early as possible after confirmation. The EG will make best efforts to establish retention visits mutually agreeable to all parties, and will communicate any schedule changes requested by The MEDC to the CD staff at the time they are received. The EG will include in the calendar event scheduled, all Retention Visits notes from the previous visit for the benefit of City staff, and will copy CD personnel on all follow up email communications.
CERTIFICATE OF LIABILITY INSURANCE

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONVEYS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

City of Jackson Agreement for Economic Development Services
December 2011 Semi-Annual Report

This report includes end-of-month EG Scorecard data through 12/31/11; pursuant to the Agreement for Economic Development Services between the City of Jackson and The Enterprise Group of Jackson, Inc.:

1. The EG Monthly Scorecard and Executive Summary through 12/31/11 are attached. The table on Page 2 of the Executive Summary reports "new jobs created and/or retained through The EG's and City's economic development activities (community accomplishments)" per the Agreement. The list of companies and projects which produced those figures is listed on Page 1. For Jackson County, the 162 new jobs in the table reflects 62 new jobs (in addition to retention of the existing 18) for the new Chemetall plant, which is located within the Jackson Technology Park SmartZoneSM; with the remaining resulting from approved Brownfield projects through the Jackson County Brownfield Redevelopment Authority. To date, City Brownfield projects are not tallied on The EG Scorecard, since it is administered solely by the City, however, with the City Manager's recent approval, Barry Hicks and Amy Torres will begin reporting City Brownfield projects on the "EG and Community Accomplishments/Successes" section of the monthly scorecard to more accurately reflect all community projects. (Note: This information is reported pursuant to Section 5. Reporting Activities of the Agreement).

2. Retention Visits (See attached 2011 Economic Development Division Retention Visits: Geographic Distribution) – Of the 90 Economic Development Division retention visits conducted by The EG in Jackson County through 12/31/11; 34 visits (38%) were conducted with City businesses. (Note: This information is reported pursuant to Section 5. Reporting Activities and Exhibit A #12 of the Agreement).

3. Fifty-one (51) meetings and events were attended between 7/1/11 and 12/31/11 by EG Economic Development Division (EDD) staff (Scott Fleming and Amy Torres) to facilitate/support City-impacted projects. (Note: This information is reported pursuant to Section 5. Reporting Activities of the Agreement).

4. Additional detail, as confidentiality allows, is reported below:

a. The Armory Arts Village (AAV) Apartments has been at full capacity during 2011, with resident artists exhibiting their art on-premises, conducting classes, painting murals in the entranceway via a grant from the Michigan Humanities Council; and securing contracts for their work throughout the community and beyond. The Grand Gallery events booked for The Enterprise Group by Fancy Schmancy Events kept the facility busy throughout the year, bringing in association meetings, weddings, proms, fundraisers and other activities - all resulting in community members and visitors appreciating the unique features of the AAV campus. The AAV Prison Tours, which were expanded this year to Seven Block on Cooper Street, were a hit in 2011 with nearly 3,000 visitors, resulting in

December 31, 2011
many tourists to the area seeking meals, lodging, events and return visits. We have been advised that over 60 bookings are logged for 2012, so far.

b. In collaboration with Baker College, The Enterprise Group launched the Baker College Business Technology Center Incubator within the Jackson Technology Park SmartZone(SM), on behalf of the Blackman Charter Township LDFA. The year ended with one tenant, who had already increased employment since move-in; and has indicated an interest in leasing space in downtown Jackson upon graduation.

c. The Enterprise Group signed an agreement with the MEDC for the Business Accelerator Fund (BAF), which will provide funding opportunities for consultants to assist high-tech emerging businesses. EG Staff is currently organizing program details.

d. The Enterprise Group became an economic development partner with Michigan's statewide Commercial Property Information Exchange (CPIX), with generous support of Consumers Energy. CPIX is the most highly used commercial real estate resource in Michigan for site selection, which allows a much faster search capability for available properties within Jackson County, and enhances our ability to respond to requests from developers and site selectors. We have recently had realtors comment that they are uploading properties to our web site because they have become aware that those realtors whose listings are posted are getting greater activity on the Multiple Listing sites than those whose aren't featured on our site.

e. As of 12/31/11, the Jackson County Economic Development Corporation (EDC) had made 40 revolving loans (administered by The EG) in the amount of $3.7 Million in the community, leveraging $39.5 Million, which created 797 jobs retained or saved, with 481 new jobs having been created. Eighteen (45%) of the 40 loans have been to City businesses.

f. The EG is involved with meetings and negotiations to represent the community as the local economic development organization (EDO) to implement Governor Snyder's and the MEDC's plan for a ten region state for economic growth. Region 9 contains Jackson, Lenawee, Hillsdale, Livingston, Monroe and Washtenaw Counties. Staff attends meetings to transition to this more regional approach to economic development, while protecting and broadening the interests of the Jackson community.

g. Ms. Torres worked with the City since October, 2011 on a confidential project, coded as Project DT. Two downtown City sites and one Blackman Township site were presented to the prospect. Incentive negotiations are underway. Note: this activity is identified in the City's contract as Exhibit A #1,2,3,4,5,&6.
h. Accubilt began its 15,000 square foot expansion of almost $500,000 at its current site within the City. They had considered multiple sites within the County to accommodate their expansion requirements when faced with challenges due to the potential of wetlands issues. Advocacy by EG and City staff, in participation with the MDEQ, resulted in the expansion at their site. Exhibit A - #’s 4, 5, 6, 7, & 8.

i. On behalf of the County Brownfield Redevelopment Authority, and in collaboration with City Brownfield staff and the EPA, The EG continues to work toward the implementation of the Stipulated Funding Agreement to provide EPA Revolving Loan Funds to the City of Jackson for asbestos removal at 212 W. Michigan.

j. Ms. Torres attended the Site Selector Forum and Competitiveness Conference in Chicago in early December, to better represent City and out-County sites as developer-ready.

k. The Small Business & Technology Development Center (SBTDC) Director, Roni Weaver provided services to four new businesses within the City of Jackson. Five new business startups occurred in 2011 as a result of over 129 individuals enrolled for small business training in 2011, and 89 one-on-one business counseling and follow-up sessions. The new businesses launched include Harold’s Handyman Service, LLC; Cuppa at Art 634; Grace School of Dance; Medical 24 Seven, Inc. and Codian Robotics, NA, LLC. Only one of these companies resides outside of the City of Jackson, and happens to be a tenant in the Jackson Technology Park SmartZone(SM). In January 2012, Roni Weaver retired from The EG and all SBTDC referrals will now be referred to the Regional Office of the SBTDC.

l. JAMA and the Academy for Manufacturing Careers (AMC) continue to serve a number of City-based businesses and apprenticeship students. JAMA maintains close engagement with the manufacturing community, and increased membership by 11% to a total of 236 in 2011. The Academy for Manufacturing Careers (AMC) provides customized training for businesses, and provides a certified U.S. Department of Labor Registered Apprenticeship Program, through which 23 apprentices were registered during 2011. Eight of the 34 companies with apprentices are in the City of Jackson. To meet market sector training needs, two customized welding training programs were conducted in 2011 in partnership with SCMW; with 100% placement for students in the first round. JAMA and the AMC completed their final step in creating the foundation for a K-12 STEM (Science, Technology, Engineering and Mathematics) Youth Educational Pipeline with the additions of Engineering is Elementary (EiE) for K-5th graders, and the launch of Hot Rod U for 9th-12th graders.
The Procurement Technical Assistance Center (PTAC) provided forty-nine Jackson County clients with 205 counseling sessions which assisted them with bidding, reading specifications, interpreting state and federal documents, etc. through PTAC in 2011; resulting in $4.3 Million in State and Federal contract awards in 2011. Fifteen (31%) of those clients were City businesses.

Promotion & Marketing materials –

i. Work is continuing on development of a City brochure, which will be an insert brochure that will complement other EG-developed Jackson County marketing materials. It will highlight City economic development services and incentives to attract potential prospects to the City and accommodate their needs. A final draft is anticipated in spring 2012. The EG has invested over $2,500 for the design and printing of 100 copies of the brochure. Additional changes and/or copies will be available to the City for an additional cost. Exhibit A #’s 8,9 & 10

ii. The EG website received 706,512 hits from July 1, 2011 through December 31, 2011; averaging 3,925 per day. Exhibit A #’s 1, 6, 9

### City of Jackson Project Involvement-Agreement for ED Services

- Report Semi-Annually to City Council - 2nd report for June 2011 was submitted
- Bi-monthly Meetings with City Staff

### EG Marketing Efforts

- EG Web site Total Hits 1/1/11 through 12/31/11
- Average hits per day
- EG Monthly Newsletter (Goal: send out first Wednesday of each month)
EG Business Activity:

Academy for Manufacturing Careers (AMC)

- During December 2011, three classes were conducted, which include: Welding III; and two classes for MIOSHA Job Safety Analysis Made Easy. There were 78 students enrolled representing 26 companies. 15 of those students were sponsored by SCMW!

Armory Arts Village (AAV)

- There is one vacant apartment. There are 51 artists (84%) and 10 non-artists as of December 31, 2011.

Jackson Area Manufacturers Association (JAMA)

- Membership had two new members and one drop, for a total of 236 members as of December 31, 2011.

Procurement Technical Assistance Center (PTAC)

- PTAC conducted two follow-up sessions and one initial counseling session for Jackson County companies in December 2011. Third quarter awards totaled $8,332,046 for all seven counties. Year-to-date, Jackson County reported $2,919,944 in awarded contracts. All seven counties have reported a total of $22,894,619 for 2011. Fourth Quarter numbers are expected to be reported by the end of January 2012.

Small Business & Technology Development Center (SBTDC)

- During December 2011, the SBTDC conducted one follow-up session and had nine enrolled in training.
- There were no documented business start-ups for December 2011. The 2011 year-to-date total includes five documented start-ups.

Economic Development Division (EDD)

- RETENTION: In December 2011, five retention visits were conducted. Year-to-date total is 90 visits. Five businesses are considering plant expansions, which will be announced when the IFT’s are approved.
- REFERRALS/INQUIRIES: There were seven job opening referrals sent and two inquiries for economic development services were received.
- BROWNFIELD REDEVELOPMENT: Two to three possible demolitions of blighted buildings are possible, as a result of the retention visits conducted in November.

Business Success Program/Retention Visits:

- Six visits were conducted in December 2011, which includes JAMA, PTAC, SBTDC, and the EDD. Year-to-date, 169 visits have been conducted.

EG and Community Accomplishments/Succes:

- Chemetall US, Inc.: 80 jobs, including 18 retained; remaining 62 jobs will include some consolidated and some new. $25 Million in new investment. Ground breaking was held on May 4, 2011.
- Jackson Precision Industries: Four new jobs and four retained jobs with an investment of $2,365,000.
- TruForm: 16 new jobs and 31 retained jobs with an investment of $1.2 Million.
- Technique: Five new jobs with an investment of $406,881.
- Accubilt: Five new jobs and 20 retained jobs with an investment of $496,339
- JSP: New company to Jackson County. Formerly known as Maverick Industries. Seven new jobs and 20 retained jobs.
- Gerdau MacSteel: Investment of $4 Million. Jobs are unknown at this time.
- TAC Manufacturing: 24 new jobs with an investment of $10 Million.

Community Development Projects:

- Project Welcome Mat – Clock Tower on Cooper Street (Discussion December 2011)
- Business Leaders for MI Community Plan - Brooking Institute Study Statewide (Doug Rothwell)
- I-94 Corridor Improvements (Meeting held September 2011)
- Riverwalk Hotel Demo Project with the County of Jackson (Meeting held December 2011)
- Chinese Executives/23 University Presidents (contracts with SAU and U of M) (Complete)
- Blackman DDA “Jackson Northpointe Center” Development Plan (Updated Marketing Packet in December 2011)
- Regional Collaboration – Region 9 (Attended meeting in December 2011)
- Baker College Business Technology Center (Meeting held December 2011)
- Vandercook Lake Rehab Housing Project (Pending MSHDA Tax Credit Approval-awaiting update)
- Community Systems Map (Attended meeting in December 2011)
Attraction/Expansion Activity:
