CITIZEN COMMENTS.

Dale Fisher distributed a hand-out and shared experiences with his solar electric generation system that has been in operation for 18 months.

Amy Torres, Vice-president of Economic Development at The Enterprise Group, thanked the Council for their investment in The Enterprise Group so that they can reach outside the community and bring in jobs and tax base to the community while they are assisting existing businesses grow and
prosper. She highlighted the Semi-Annual Report on Performance for the period of July 1, 2011, to December 31, 2011, along with some additional updates.

Chelsea Bryant reported (and provided pictures to the Council) that trash and other unwanted items are being dumped in wooded property located on E. Addison Street between Merriman and S. Milwaukee, as well as the open field located on Addison Street between S. Milwaukee and Francis. She requested that when Council considers the proposed ordinance for a Foreclosed, Vacant and Abandoned Residential Property Registry that Council also discuss an ordinance that would remedy the problem of trash and debris in open land areas located in City of Jackson neighborhoods.

Anthony Kiszka, who teaches renewable energy at the Dahlem Center and has a solar array system at his home, believes the paybacks will be much quicker than are being forecast for the proposed photovoltaic field at the Wastewater Treatment Plant.

John Downing discussed the Durand Street project and asked the Council to approve the project in the manner that is proposed by the Engineering Department.

Megan Keersmaekers asked the Council to consider the cost of the Durand Street project and not replace the curbs or narrow the street.

Jim Keersmaekers spoke in favor of the Durand Street project, but spoke in opposition to the complete replacement of curbs and narrowing of the street.

CITY COUNCILMEMBERS' COMMENTS.

Councilmember Breeding expressed his displeasure with the format staff is using for City Council agenda item memos, specifically who they are addressed to, the lack of dates and the inclusion of motion language. He discussed the City’s water bills, asking if amounts are rounded off, if people are being overcharged or undercharged and if the rates could be shown on the bills. He laughingly remarked on the City Attorney’s section of the 2011 Annual Report, which has a picture of the scales of justice - which are not in balance.

Councilmember Jaquish reported on her visit to the Fire Department last Friday and accompanying Fire Fighters on their runs. She thanked the Firefighters for explaining their jobs and Deputy Chief Wooden for allowing her to participate.

Councilmember Greer would like the City Manager to provide an update in the near future on his plans for conducting the annual budget process. He would also like to see a goal setting/strategic planning session scheduled. He reported on his and Councilmember Schlecte’s attendance at the Michigan Municipal League Capital Conference. He stated that it was a very informative conference and noted that the MML Board of Trustees authorized the establishment of a natural gas pool. This would allow communities to purchase natural gas from this pool and realize cost savings.

Councilmember Schlecte requested that special event agenda items from the DDA include a master checklist of department responses, but not the individual emails. She visited DPW and received a nice tour from Mr. Dowling. She saw an inventory of old signs and wondered if these could be donated for auctions. The Jackson Community Action Agency received a HUD grant for foreclosure counseling in the amount of $18,549. She thanked Career Quest for providing an extern to the Parks and Recreation Department for 120 hours at no cost. She remarked on a good step toward customer service being worked on by American Title and the Water Department. She learned that the West Avenue bridge is not going to have a railing between the sidewalk and the road and would like to see the matter of railings addressed in the street standardizations that are going to be developed.
Councilmember Frounfelker would like to see the downtown parking bays re-striped and wondered if this would be a good time to purchase salt as opposed to the fall. He congratulated the Jackson Fire and Police Departments on a job well done today when a fire broke out at the Sharp Park Academy.

Councilmember Dobies also congratulated the Jackson Fire and Police Departments on an excellent job today.

Mayor Griffin agreed with Councilmember Schlecte regarding the DDA special event agenda items.

**MANAGER’S COMMENTS.**

City Manager Shaffer stated that he was disappointed with Council’s vote on the photovoltaic field and more disappointed in himself that he was not able to deliver a package that Council could approve. He still believes that these are very forward thinking projects, necessary for the City to get involved in sustainable energy. He looks forward to bringing to the Council, again, projects that make sense from a sustainability perspective. He doesn’t give up easily.

CITY COUNCIL MEETING
April 10, 2012

DATE: April 3, 2012

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Lynn Fessel, City Clerk

SUBJECT: Approval of the request from Daryl’s Downtown LLC, for authorization for temporary added space and temporary entertainment permit

MOTION: APPROVAL OF THE REQUEST FROM DARYL’S DOWNTOWN LLC, FOR AUTHORIZATION FOR TEMPORARY ADDED SPACE AND TEMPORARY ENTERTAINMENT PERMIT ON MAY 25, JUNE 22, JUNE 29, JULY 6, JULY 13, JULY 20, JULY 27, AUGUST 3, AUGUST 10, AUGUST 17, AUGUST 24 AND SEPTEMBER 28, 2012 FOR A SERIES OF EVENTS. APPROVAL RECOMMENDED BY THE POLICE, FIRE, PARKS & RECREATION DEPARTMENTS AND THE DOWNTOWN DEVELOPMENT AUTHORITY. PROPER INSURANCE HAS BEEN OBTAINED.

Daryl’s Downtown Restaurant is requesting authorization for temporary added space and temporary entertainment permit on May 25, June 22, June 29, July 6, July 13, July 20, July 27, August 3, August 10, August 17, August 24 and September 28 for a series of events.

Recommended approvals have been received from Police, Fire, Parks and Recreation and the Downtown Development Authority.

If Council approves this request, the City Clerk must sign the application indicating approval of the request by the City, because the proposed added space area is located on city property. The application will then be forwarded to the Michigan Liquor Control Commission for final approval. Requested action is approval of this request.

MEMO TO: Mayor and City Councilmembers

FROM: Andrew R. Frounfelker, Chairman
Finance/Tax Policy Committee

DATE: March 28, 2012

SUBJECT: Finance/Tax Policy Committee Report

The Finance/Tax Policy Committee met on Tuesday, March 27, 2012, with Committee Members Martin Griffin, Derek Dobies, and myself in attendance along with City staff.

The Finance/Tax Policy Committee received a report from the City Manager regarding the merging of Parks & Recreation with Forestry, Cemetery, Grounds and Downtown, as well as DPW billing and accounting practices.

The committee will review the proposed City budget for Fiscal Year 2012-13 prior to its being brought before the City Council for consideration.

ARF:skh
April 4, 2012:

To: City Council

Report from the Chairperson of the City Affairs/Rules and Personnel Committee:

For obvious reasons, an appointed official, City Clerk Lynn Fessel, has provided Staff Support for the Rules and Personnel committee for more than several years and I believe that she should continue.

An email from the City Clerk indicated that the an appointed official, City Attorney Julius Gigilo, has served as Staff Support for previous City Affairs Committees and that both are willing to continue in the same capacity.

Therefore, I, as the Committee Chairperson, recommend the assignment of appointed officials, City Attorney Julius Gigilo and City Clerk Lynn Fessel as Staff Support for the City Affairs/Rules and Personnel committee respectively.

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Lynn Fessel, City Clerk

SUBJECT: Public Hearing and Resolution on the Application filed by Die-Namic Tool & Design LLC, located at 147 Hobart Street, for an Industrial Facilities Exemption Certificate

MOTION: PUBLIC HEARING ON AN APPLICATION FOR AN INDUSTRIAL FACILITIES EXEMPTION CERTIFICATE FILED BY DIE-NAMIC TOOL & DESIGN LLC, 147 HOBART STREET

A. RESOLUTION APPROVING THE APPLICATION. (CITY FINANCE/TAX COMMITTEE RECOMENDS APPROVAL)

Attached please find a resolution, along with supporting documentation on the application filed by Die-Namic Tool & Design LLC, for an Industrial Facilities Exemption Certificate for their facility located at 147 Hobart Street. If Council adopts the resolution, it will be forwarded to the State Tax Commission for their consideration.

Requested action is to adopt the resolution after the public hearing is held.

RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, Act 198 of the Public Acts of 1974, as amended, was enacted for the purpose of stimulating economic development in the state by providing tax benefits to industry through the establishment of Plant Rehabilitation Districts and Industrial Development Districts; and

WHEREAS, the Jackson City Council, acting under the authority of said Act, did on September 26, 2006, create by resolution Industrial Development District No. 93, which includes property located at 147 Hobart Street, Jackson, Michigan, as particularly described in said resolution; and

WHEREAS, pursuant to the provision of said Act, Die-Namic Tool & Design LLC filed on February 22, 2012, an application for an Industrial Facilities Exemption Certificate for a facility located within said district for 12 years; and

WHEREAS, the applicant has complied with the applicable requirements contained in Section 5 and 9 of the Act; and

WHEREAS, the applicant and the City have executed a letter of agreement regarding Act 334 of 1993 and an affidavit in accordance with State Tax Commission Bulletin No. 3; and

WHEREAS, notice of receipt of the application has been given in writing to the Assessor of the City of Jackson and to the legislative body of each taxing unit which levies ad valorem property taxes in the City of Jackson; and

WHEREAS, a public hearing on said application was held on April 10, 2012; and

WHEREAS, the Jackson City Council has determined that the granting of an Industrial Facilities Exemption Certificate, considered with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, shall not have the effect of substantially impeding the operation of the local government unit or impairing the financial soundness of the taxing unit which levies an ad valorem property tax in the City of Jackson; and

WHEREAS, the aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Jackson, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted.

NOW, THEREFORE, BE IT RESOLVED that the Jackson City Council hereby approves this application for 12 years after project completion and directs the City Clerk to so certify and to forward a copy to the State Tax Commission for consideration by that body.

INDUSTRIAL FACILITIES TAX EXEMPTION AGREEMENT

AGREEMENT made this 2 day of April, 2012, by and between the CITY OF JACKSON, a Michigan municipal corporation, with offices at 161 West Michigan Avenue, Jackson, Michigan 49201 (hereinafter “City”); and a Michigan corporation, with offices located at 147 South St, Jackson, City of Jackson, Jackson County, Michigan (hereinafter “Applicant”).

WHEREAS, the City has received an application from Applicant for the issuance of an Act 198 Tax Exemption Certificate for its [describe project] (the “Project”) that was established as an Industrial Development District (the “District”) by the City of Jackson on [April 26, 2012]; and

WHEREAS, Public Act 334 of 1993 requires a written agreement between the City and the Applicant before an Industrial Facilities Exemption Certificate can be approved by the Michigan Department of Treasury;

NOW, THEREFORE, in consideration of the approval of the Industrial Facilities Exemption Certificate, it is hereby agreed by and between the parties hereto as follows:

1. The Applicant, as a result of said improvements, shall use its best efforts to create not less than [X] new full time equivalent jobs and relocate and retain not less than [Y] full time equivalent existing jobs from its current location within two years after the completion of its Project.

2. Applicant expects that the costs of the improvements proposed to be constructed on the basis of which the Industrial Facilities Exemption Certificate is issued, shall be within 10 percent (10%) of the estimated amount stated in the Applicant’s application for the certificate.
3. The Applicant will not cease its operations within the District prior to the termination of the Industrial Facilities Exemption Certificate without a transfer of the certificate being approved by the City to a third party that continues adequate operations within the District or elsewhere in the City with the City's approval. Applicant will not become delinquent in payment of taxes owing under this certificate.

4. The parties agree that the City, in approving the tax abatement, has relied on the good faith of Applicant’s estimates and expectations described in its application. The parties agree that exclusive jurisdiction to resolve any disputes in this Agreement shall be in Jackson County, Michigan. The City’s exclusive remedy for a default shall be the right to request that the State Tax Commission either reduce the term of, or revoke, the abatement prospectively except that for a default in section 3, the Applicant shall repay the City all abated taxes which previously benefited the Applicant for disbursement proportionately to all taxing units having taxing jurisdiction over the improvements, plus all accrued interest, penalties and administration fees applicable to this exemption in the same amount as would be collected if this tax were considered delinquent and the City may, at its option, seek repayment of the taxes as allowed under section 21(2) of the tax abatement statute, MCLA 207.571(2).

The City shall not seek any remedy under this section 4 until after all of the following have occurred:

a. The City shall have given written notice to the Applicant declaring a default and specifying the manner in which the Applicant is in default. Before a default is declared, the City and the Applicant shall meet informally with appropriate representatives to discuss the claimed default and how it may be cured.
b. The Applicant has not cured that default within thirty (30) days after receiving the notice, except that if the Applicant is diligently pursuing a cure, this thirty (30) day period shall automatically be extended for an additional thirty (30) days, and further extensions of this time period may be made only upon mutual agreement of the parties.

The parties acknowledge that certain conditions beyond Applicant's control may prevent Applicant from being able to make the capital investment, create or retain jobs or comply with other conditions in this Agreement. Therefore, Applicant shall not be in default to the extent the Applicant clearly shows, to the satisfaction of the City, that the failure was caused by unfavorable economic or other business conditions, loss of business, or some other reason beyond the actual or foreseeable control of Applicant.

5. Any payments due under Paragraph 4 above may be collected by either court proceedings or by adding to the next taxes due against the Applicant's property on the next tax roll of the City.

6. It is understood that the City of Jackson encourages the Applicant to review job applications of city residents, prior to filling new jobs in its facilities. Applicant will use its best efforts to employ City residents.

7. The Applicant further agrees that it shall submit annual reports to the City and the City Assessor setting forth the progress in attaining and maintaining the requirements of this Agreement and the provisions of the application for the Industrial Facilities Exemption Certificate.

8. The Applicant further agrees that during the term of the certificate, the Applicant shall not discriminate against any person on the basis of race, creed, color, sex, religious orientation, age, or other criteria not reasonably related to any jobs created as part of the grant of this tax abatement.

9. The Applicant further agrees that if Applicant ceases its use of the Project, and another entity asks the City for a transfer of the abatement, the Applicant will cooperate with the City
regarding the transfer by advising the transferee or new owner of the terms and conditions of this Agreement and by assisting the City to obtain the signature of the authorized agent of the transferee or new owner on this Agreement or one substantively the same.

10. This Agreement contains all of the terms of the agreement between the parties with respect to its subject matter and may be amended only in writing signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year first above written.

RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, Act 198 of the Public Acts of 1974, as amended, was enacted for the purpose of stimulating economic development in the state by providing tax benefits to industry through the establishment of Plant Rehabilitation Districts and Industrial Development Districts; and

WHEREAS, the Jackson City Council, acting under the authority of said Act, did on June 18, 1996, create by resolution Industrial Development District No. 82, which includes property located at 2425 East High Street, Jackson, Michigan, as particularly described in said resolution; and

WHEREAS, pursuant to the provision of said Act, Alro Riverside, LLC filed on February 17, 2012, an application for an Industrial Facilities Exemption Certificate for a facility located within said district for 12 years; and

WHEREAS, the applicant has complied with the applicable requirements contained in Section 5 and 9 of the Act; and

WHEREAS, the applicant and the City have executed a letter of agreement regarding Act 334 of 1993 and an affidavit in accordance with State Tax Commission Bulletin No. 3; and

WHEREAS, notice of receipt of the application has been given in writing to the Assessor of the City of Jackson and to the legislative body of each taxing unit which levies ad valorem property taxes in the City of Jackson; and

WHEREAS, a public hearing on said application was held on April 10, 2012; and

WHEREAS, the Jackson City Council has determined that the granting of an Industrial Facilities Exemption Certificate, considered with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, shall not have the effect of substantially impeding the operation of the local government unit or impairing the financial soundness of the taxing unit which levies an ad valorem property tax in the City of Jackson; and

WHEREAS, the aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Jackson, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted.

NOW, THEREFORE, BE IT RESOLVED that the Jackson City Council hereby approves this application for 12 years after project completion and directs the City Clerk to so certify and to forward a copy to the State Tax Commission for consideration by that body.

INDUSTRIAL FACILITIES TAX EXEMPTION AGREEMENT

AGREEMENT made this 1st day of March, 2012, by and between the CITY OF JACKSON, a Michigan municipal corporation, with offices at 161 West Michigan Avenue, Jackson, Michigan 49201 (hereinafter “City”); and Akron Riverside LLC, a Michigan corporation, with offices located at 2425 E High St, City of Jackson, Jackson County, Michigan (hereinafter “Applicant”).

WHEREAS, the City has received an application from Applicant for the issuance of an Act 198 Tax Exemption Certificate for its Building expansion/addition (describe project) (the “Project”) that was established as an Industrial Development District (the “District”) by the City of Jackson on June 18, 1996; and

WHEREAS, Public Act 334 of 1993 requires a written agreement between the City and the Applicant before an Industrial Facilities Exemption Certificate can be approved by the Michigan Department of Treasury;

NOW, THEREFORE, in consideration of the approval of the Industrial Facilities Exemption Certificate, it is hereby agreed by and between the parties hereto as follows:

1. The Applicant, as a result of said improvements, shall use its best efforts to create not less than 5 new full time equivalent jobs and relocate and retain not less than 7 full time equivalent existing jobs from its current location within two years after the completion of its Project.

2. Applicant expects that the costs of the improvements proposed to be constructed on the basis of which the Industrial Facilities Exemption Certificate is issued, shall be within 10 percent (10%) of the estimated amount stated in the Applicant’s application for the certificate.
3. The Applicant will not cease its operations within the District prior to the termination of the Industrial Facilities Exemption Certificate without a transfer of the certificate being approved by the City to a third party that continues adequate operations within the District or elsewhere in the City with the City’s approval. Applicant will not become delinquent in payment of taxes owing under this certificate.

4. The parties agree that the City, in approving the tax abatement, has relied on the good faith of Applicant’s estimates and expectations described in its application. The parties agree that exclusive jurisdiction to resolve any disputes in this Agreement shall be in Jackson County, Michigan. The City’s exclusive remedy for a default shall be the right to request that the State Tax Commission either reduce the term of, or revoke, the abatement prospectively except that for a default in section 3, the Applicant shall repay the City all abated taxes which previously benefited the Applicant for disbursement proportionately to all taxing units having taxing jurisdiction over the improvements, plus all accrued interest, penalties and administration fees applicable to this exemption in the same amount as would be collected if this tax were considered delinquent and the City may, at its option, seek repayment of the taxes as allowed under section 21(2) of the tax abatement statute, MCLA 207.571(2).

The City shall not seek any remedy under this section 4 until after all of the following have occurred:

a. The City shall have given written notice to the Applicant declaring a default and specifying the manner in which the Applicant is in default. Before a default is declared, the City and the Applicant shall meet informally with appropriate representatives to discuss the claimed default and how it may be cured.
b. The Applicant has not cured that default within thirty (30) days after receiving the notice, except that if the Applicant is diligently pursuing a cure, this thirty (30) day period shall automatically be extended for an additional thirty (30) days, and further extensions of this time period may be made only upon mutual agreement of the parties.

The parties acknowledge that certain conditions beyond Applicant’s control may prevent Applicant from being able to make the capital investment, create or retain jobs or comply with other conditions in this Agreement. Therefore, Applicant shall not be in default to the extent the Applicant clearly shows, to the satisfaction of the City, that the failure was caused by unfavorable economic or other business conditions, loss of business, or some other reason beyond the actual or foreseeable control of Applicant.

5. Any payments due under Paragraph 4 above may be collected by either court proceedings or by adding to the next taxes due against the Applicant’s property on the next tax roll of the City.

6. It is understood that the City of Jackson encourages the Applicant to review job applications of city residents, prior to filling new jobs in its facilities. Applicant will use its best efforts to employ City residents.

7. The Applicant further agrees that it shall submit annual reports to the City and the City Assessor setting forth the progress in attaining and maintaining the requirements of this Agreement and the provisions of the application for the Industrial Facilities Exemption Certificate.

8. The Applicant further agrees that during the term of the certificate, the Applicant shall not discriminate against any person on the basis of race, creed, color, sex, religious orientation, age, or other criteria not reasonably related to any jobs created as part of the grant of this tax abatement.

9. The Applicant further agrees that if Applicant ceases its use of the Project, and another entity asks the City for a transfer of the abatement, the Applicant will cooperate with the City
regarding the transfer by advising the transferee or new owner of the terms and conditions of this
Agreement and by assisting the City to obtain the signature of the authorized agent of the transferee
or new owner on this Agreement or one substantively the same.

10. This Agreement contains all of the terms of the agreement between the parties with
respect to its subject matter and may be amended only in writing signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day
and year first above written.

CITY COUNCIL MEETING  
April 10, 2012

TO:  
Honorable Mayor and City Councilmembers  

FROM:  
Patrick H. Burtch, Deputy City Manager/Community Development Director  

SUBJECT:  
Revise Chapter 5, Section 5-3 Demolition of Structures of the City of Jackson Code of Ordinances to Update Certain Provisions  

MOTION  
Approve Chapter 5, Section 5-3 ordinance and place it on the next regularly scheduled City Council agenda for consideration and adoption.

The Jackson Overall Economic Stabilization Program established the need for strategic initiatives aimed at consolidating and enhancing the City’s economic base. To that end, staff from both the Department of Community Development and legal counsel spent considerable time reviewing Section 5-3 of Chapter 5 of the City of Jackson Code of Ordinances to provide a more succinct ordinance regulating the demolition of structures.

The amendments to Chapter 5 presented for City Council’s consideration include updates to ensure compliance with local, state, and federal environmental requirements. The revisions also address proper abandonment of City utilities; restoration of City sidewalks, curbs, and gutters; and site restoration to provide clean, level, seeded, buildable sites, free of debris and dead vegetation.

Proposed revisions to Chapter 5 are provided in two attached documents. Attachment 1 represents a marked up version of the current Section, reflecting changes in strikeout removals and bold additions. Attachment 2 is how the Section will appear once adopted.

cc: Bethany Smith, Deputy City Attorney
Sec. 5-3. - Demolition of structures.

The purpose of this section is to provide a clean, level, seeded, buildable site at the conclusion of the demolition process by or on behalf of a private or public interest. Whenever a structure is demolished or removed, the person, firm, or corporation commencing doing such demolition or removal must do all of the following:

(1) **Before Prior to commencing demolition.**

a. Submit a completed demolition permit application and pay the appropriate fees before beginning for all activity related to the demolition process including, but not limited to, hazardous material assessment, hazardous material abatement, and demolition.

b. Arrange for proper abandonment of all utility services before beginning demolition.

c. Conduct a hazardous material assessment and provide a report in accordance with state and federal regulations to the Department of Community Development.

d. Abate hazardous materials in accordance with local, state, and federal regulations and the hazardous material assessment report.

e. Provide a bill of lading for disposal of hazardous material in an approved landfill.

f. Request and confirm a site evaluation by Miss Dig. Provide a copy of the Miss Dig report number and site evaluation to the Department of Community Development before mobilizing equipment on site.

g. Install appropriate storm water inlet filters on storm drain inlets at the demolition site and the first two (2) storm drain inlets downstream of the demolition site or as directed by the Department of Community Development.

h. Coordinate the closure of any public street with the Department of Public Works if directed by the Department of Community Development.

i. Verify existing condition of streets, sidewalks, curbs, fences, and other infrastructure and site improvements with the Department of Community Development and provide photographs of all damages that exist prior to mobilizing equipment on-site.

j. Install safety measures to limit access to the demolition site if required by the Department of Community Development.

k. Install soil erosion control measures as site conditions warrant when directed by the Department of Community Development.

(2) **During demolition.**

a. Terminate existing sanitary and storm sewer lateral(s) at the property line closest to the connection to the sewer main. Ensure a watertight termination(s) and record the location(s) with triangulation measurements on the demolition permit checklist.

b. Terminate existing water line(s) at the curb stop(s). Ensure a watertight termination
and record the location(s) with triangulation measurements on the demolition permit checklist.

c. Remove and replace sidewalk section(s) required to terminate waterlines at the curb stop. All backfill material must be granular, class 2 sand, compacted to 95% density. Contractor must request and verify inspection by the Department of Community Development prior to backfilling.

d. Water down all structures during demolition, and demolition debris during loading into trucks for removal from site, to the satisfaction of the Department of Community Development using a minimum three (3) inch hose. Provide a water truck or contact the City Water Department (517-768-6107) for a metered connection to a City fire hydrant.–

e. Demolish the entire structure including all appurtenances attached thereto or part of the structure being demolished.

f. Remove all footings, foundations, basement walls, and basement floors from the site.

g. Remove all debris from basements, partial basements, and foundation excavations.

h. Demolish or remove all garages, sheds, and accessory or temporary structures including, but not limited to, poles, decks, fences, retaining walls, carports, pools, and play structures as directed by the Department of Community Development.

c. Remove all concrete, masonry, and asphalt from the site excluding public sidewalks, street curbs, and driveway approaches in the city right-of-way.

i. Remove all trees and shrubs if required and directed by the Department of Community Development.

d. Remove all debris from basements, part basements, and foundation excavations from the site.

j. Remove all hard surfaces including, but not limited to, concrete, masonry, asphalt, and hard packed stone or gravel, but excluding public sidewalks. Public sidewalks may be required to be replaced if hazardous conditions exist prior to demolition.

k. Remove all driveway curb and gutter openings and approaches as directed by the Department of Community Development.

(3) After demolition.

a. Request and verify inspection by the Department of Community Development of all basement and foundation excavations prior to backfilling. Have all basement and foundation excavations inspected by the city inspection department before beginning any backfilling.

b. Plug all existing sewer laterals and record the location of the sewer plug with measured dimensions on the demolition permit checklist.
b. Excavations shall be backfilled with clean fill acceptable to the Department of Community Development and compacted to 95% to prevent settling. The Department of Community Development reserves the right to require compaction testing paid by the contractor if deemed necessary.

c. Water down sidewalks and streets adjacent to the demolition site at the end of each day of demolition and after loading demolition debris for removal from the site.

d. Install new curb and gutter as directed by the Department of Community Development to replace the driveway curb and gutter openings ordered removed.

e. Grade the site to blend smoothly with surrounding properties, public sidewalks, driveways, and curbs. Final grade shall be executed in a manner that provides a continuous smooth grade free of voids, pockets, and debris including, but not limited to, rocks, roots, plastic, wood, cement, block, brick, and steel or other construction material. Grade shall be completed so as to eliminate pooling or draining of water onto neighboring properties. Install three (3) inches of topsoil if required by the Department of Community Development. Final site restoration may include, but not be limited to, application of slow growing, climate appropriate grass seed, hydro-seed, straw, or sod, as directed by the Department of Community Development.

f. Repair and reseed landscape areas on adjoining properties and the area between the curb and sidewalk damaged during demolition or removal activities consistent with item 3(e) above.

g. Replace all public sidewalks, curbs, driveway approaches, and driveways on the demolition site and adjoining properties damaged during demolition or removal activities in accordance with Department of Community Development standards.

h. Remove all paper, wood, rubbish, and debris from the site before final inspection.

i. Provide a bill of lading for disposal of demolition debris in an approved landfill.

j. Submit a completed demolition permit checklist to the Department of Community Development and Department of Engineering.

c. Backfill all excavations with clean fill and compact to prevent settling.

d. Remove all paper, wood, rubbish, and debris from the site before final site restoration.

e. Grade the site so that it is suitable for mowing with a push mower, free of rocks, voids, and pockets, having three inches of topsoil and seeded with a climate appropriate grass seed, and covered with straw.

f. Repair and reseed any damage to the area between the curb and sidewalk caused by demolition and removal activities consistent with item (3)e. above.

g. Replace or repair all public sidewalks, curbs, drive approaches, curb stops, or city owned property damaged during demolition.

h. Submit a completed demolition permit checklist to the inspection and engineering
departments.

(4) Exception. The Director of the Department of Community Development or the Chief Building Official may authorize a deviation from the above standards in the best interest of the City provided however that such deviation complies with the spirit and intent of this ordinance. The building department may allow, in writing, for a basement and foundation to remain for reconstruction of a structure if the reconstruction will begin immediately following demolition and if the basement and foundation comply with the current building codes. The building department may require third-party certification of the basement, foundation, and walls before approval.

SUBJECT: Resolution to Apply for Local Bridge Program Funding

MOTION: Consideration of a resolution to approve an application to the Michigan Department of Transportation (MDOT) for Local Bridge Program Funding, authorization for the City Clerk to execute the resolution, and authorization for the City Engineer/Director of Public Works to file an application for the Lewis Street Bridge over the Grand River.

The Michigan Department of Transportation (MDOT) is soliciting applications for candidate projects for the Local Bridge Program. Legislation enacted on October 1, 2004, created the Local Bridge Fund. With the City’s application for Local Bridge Programs, the City must commit to funding within the fiscal year for which we are applying. The current call for projects is for MDOT’s fiscal year 2014-2015.

In reviewing the status of bridges within the City of Jackson, the Department of Engineering has determined that the Lewis Street Bridge over the Grand River qualifies for replacement under this program.

I am requesting the attached resolution to apply for Local Bridge Program Funding through the Michigan Department of Transportation for the Lewis Street Bridge over the Grand River be approved, the City Clerk be authorized to execute the resolution, and the City Engineer/Director of Public Works be authorized to file an application.

RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, the bridge located on Lewis Street over the Grand River in the City of Jackson was constructed in 1936; and

WHEREAS, a bridge inspection completed in 2011 noted that the bridge is in deteriorating condition and recommended bridge replacement; and

WHEREAS, a detailed structural evaluation has been performed for the Lewis Street Bridge, and that weight restrictions have been lowered and been posted; and

WHEREAS, the Michigan Department of Transportation is accepting new applications for the Local Bridge Program; and

WHEREAS, if successful, the City will receive State funding in fiscal year 2014-2015 to finance 95% of construction costs, and the City will fund 5% of the construction cost and 100% of the engineering costs; and

WHEREAS, based upon engineering conceptual estimates, the projected construction cost is $670,000; and

WHEREAS, 5% of the conceptual construction cost is $33,500, and estimated engineering costs are $167,500, for a total estimated City cost of $201,000.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Jackson hereby certifies its support of the filing by the City Engineer/Director of Public Works on behalf of the City of Jackson an application for the Lewis Street Bridge over the Grand River under the Michigan Department of Transportation Local Bridge Program.

C: City Manager
ORDINANCE 2012.____

An Ordinance amending Chapter 28 of the Code of Ordinances, City of Jackson, Michigan to consolidate and replace Sec. 28-121 thru -125 and Sec. 28-127 thru -129 — which deal with nonconforming lots, structures, and uses of structures and land — with a new Sec. 28-121 and to amend the following Sections of the zoning ordinance in order to accommodate the new provisions: Sec. 28-5, Sec. 28-71, and Sec. 28-79.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. Purpose

To simplify and clarify the regulation of nonconformities (e.g., a use not allowed in the zoning district, a substandard backyard setback, etc.), making it easier to administer the zoning ordinance and reduce variance requests to the Zoning Board of Appeals while protecting the health, safety, and general welfare of the residents of the community.

Section 2. That Article IV of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE IV. SUPPLEMENTAL PROVISIONS

Sec. 28-121. Nonconforming lots, buildings, structures, and uses of buildings, structures and land.

(a) Statement of purpose. Within the districts established by this Chapter, or amendments that may be adopted, there exist lots, buildings, structures, and uses of lots, buildings, and structures which were lawful before this Chapter was passed or amended which would be prohibited, regulated, or restricted under the terms of this Chapter or future amendments. The intent of this Section is to permit such legal nonconformities to remain until they are discontinued or removed, but not to encourage their survival or, where discontinuance or removal is not feasible, to gradually upgrade such nonconformities to conforming status. Nonconformities cannot be enlarged, expanded, or extended, except as provided here, and may not be used as grounds for adding other structures and uses of lots and structures that are prohibited. Such nonconformities are declared by this Section to be incompatible with permitted uses in the districts involved and prevent the full realization of the goals and objectives of this Chapter. The standards of this Section are intended to accomplish the following:
(1) Terminate and remove any use, building, accessory structure or any combination thereof established after this Chapter was passed, or amended, that is in violation of this Chapter. Such uses, buildings, and accessory structures are classified as a nuisance and will not receive any of the rights, privileges, or protection granted by this Section for legal nonconformities.

(2) Eliminate nonconforming uses that are considered to be incompatible with permitted uses, or encourage redevelopment into a more conforming use.

(3) Permit legal nonconforming buildings, structures or uses to remain until they are discontinued or removed.

(4) Support the mixed residential character of the City’s neighborhoods through special provisions relating to nonconforming residential structures.

(5) Encourage gradual upgrading to a more conforming status of site landscaping, parking, paving, signage or other features of a site which were developed in compliance with the standards at the time of their construction, but which do not meet the current site plan or other standards of this Code and its amendments.

(6) Encourage the combination of contiguous nonconforming lots of record to create lots that conform to current standards; are compatible with other lots in the zoning districts; promote the public health, safety, and welfare; and eliminate problems associated with the overcrowding of land.

(b) Nonconforming lots.

(1) Use of a nonconforming lot. In any district, notwithstanding limitations imposed by other provisions of this Code, where an existing lot of record fails to meet the requirements for area, width, or both, that are generally applicable in the district, such lot may be used for the permitted uses of the zoning district, including permitted accessory uses. However, all yard dimensions and other requirements, not involving area or width of the lot, must conform to the regulations for the district in which such lot is located.

(2) Use of nonconforming lots under single ownership. If two (2) or more lots or combinations of lots of record with continuous frontage and in single ownership and use at the time of passage or amendment of this Chapter, irrespective of whether all or part of the lots meets the Chapter requirements, the lands involved will be considered to be an undivided parcel. No portion of said parcel or lot can be used or sold that does not meet lot, width, and area requirements, nor can any division of the parcel or lot be made which leaves remaining any parcel or lot with a width or area below the requirements stated in this Chapter. All zoning and building requests require the formal combination of those parcels into a single lot of record (see the definition for “lot, formal combination of” in Sec. 28-5).

(c) Nonconforming structures. Where a lawful structure exists at the effective date of adoption or amendment of this Chapter, but could not be built under the terms of this Chapter
by reason of restrictions on area, lot coverage, height, yards, or other characteristics of the
structure or its location on the lot, such structure may be continued so long as it remains
otherwise lawful, subject to the following limitations.

(1) Increasing nonconformity: No such structure may be enlarged or altered in a way
that increases its nonconformity without the granting of a variance from the Zoning
Board of Appeals (see Sec. 28-238). Such structures may be enlarged or altered in a
way that does not increase its nonconformity.

(2) Alteration or modification: Should such structure be altered or modified so as to
eliminate, remove or lessen any or all of its nonconforming characteristics, then such
nonconforming characteristics cannot be later reestablished or increased.

(3) Moving a nonconforming structure: Should such structure be moved for any reason
for any distance, it must thereafter conform to the regulations for the district in which
it is located after it is moved. This does not affect the right to replace, restore, or re-
construct an accessory structure provided it meets all of the other requirements of
this Code (see Sec. 28-132(2)b).

(4) Expansion of a nonconforming residential building: A nonconforming residential
building may be expanded into a required side or rear yard in a manner that does not
comply with the setback standards with approval from the Zoning Administrator.
The Zoning Administrator must utilize the following standards:

a. The expansion does not extend closer to the lot line than any existing, noncon-
   forming part of the structure;

b. The expansion does not create a new nonconformity on the lot or an adjacent
   lot.

c. The addition may be constructed up to the front or rear block building line (see
   Sec. 28-5 for the definition of “block building line, front or rear”) when more
   than fifty (50) percent of the principal structures on one (1) side of the street in
   any one (1) block in a residential or commercial district do not meet the re-
   quired front or rear yard setbacks.

d. The addition retains compliance with all other setback, lot coverage, and height
   requirements;

e. The addition will meet all minimum building code requirements;

f. The resultant addition, in terms of dimensions and design, would be compat-
   ible with the established character of the neighborhood;

g. The design of the addition must be compatible with the existing structure and
   not detract from the appearance of the site;
h. The expansion of a residential building with a nonconforming yard, not meeting the requirements above, is prohibited unless a variance is granted by the Zoning Board of Appeals (see Sec. 28-238).

(d) **Nonconforming uses of buildings and structures.** The use of any structure existing and lawful on the effective date of the adoption or amendment of this Chapter may be continued, even though such use does not conform to the provisions of this Chapter, subject to the following provisions:

(1) **Structural expansion:** No existing structure devoted to a use not permitted by this Chapter in the district in which it is located may be enlarged, extended, constructed, reconstructed, moved or structurally altered except as follows:

a. Changing the use of the structure to a use permitted in the district in which it is located.

b. Granting of a conditional use permit by the Planning Commission (see Sec. 28-146 thru -151) with the goal of bringing the site into greater conformity with this Chapter.

(2) **Expansion of the use:** Any nonconforming use may be extended throughout any parts of a building which were manifestly arranged or designed for such use, and which existed at the time of adoption or amendment of this Chapter, but no such use can be extended to occupy any land outside such building.

(3) **Replacement with a conforming use:** If a nonconforming use of a structure is terminated and replaced with a new use, such use must be a permitted use and must thereafter conform to the regulations for the district in which such structure is located, and the nonconforming use may not thereafter be resumed.

(4) **Discontinuance or termination of nonconforming use of structure:** When a nonconforming use of a structure is discontinued or ceases to exist for six (6) consecutive months, the use may not thereafter be used except in conformance with the regulations of the district in which it is located. Structures occupied by seasonal uses are exempted from this provision.

(5) **Moving a nonconforming use:** No such nonconforming use can be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption, or amendment, of this Chapter.

(6) **Repair or replacement of nonconforming one-family uses:** Given the historical development pattern in the City, one-family residential uses may exist in structures zoned for nonresidential use. It is the intent of this Section to allow such uses to continue and be considered conforming uses, provided the standards and procedures outlined herein apply. A nonconforming one-family detached dwelling and its accessory structures within commercial districts may be continued, replaced, or repaired if damaged by fire, vandalism, flood or other force of nature, if approved by the Zoning Administrator. Such approval requires a finding that the resulting building footprint
and height will be the same size or smaller than that of the building before such change. Replacement of a nonconforming one-family building must commence within one (1) year of the date of damage and work must be diligently pursued toward completion. Failure to complete replacement or diligently work toward completion, or use of the building for a conforming non-residential use for any period of time, will result in the loss of legal nonconforming status unless good cause for the delay or temporary change in use is accepted by the Planning Commission and a conditional use permit (CUP) is granted (see Sec. 28-146 thru -151).

(7) Change of use. If no structural alterations are made, any nonconforming use of a structure, or structure and premises, may be changed to another nonconforming use of the same or a more restrictive classification provided that the Planning Commission finds that the proposed use is equally appropriate or more appropriate to the district than the existing nonconforming use as part of the conditional use permit process (see Sec. 28-146 thru -151). In permitting such change, the Planning Commission will require conformance with the off-street parking and loading standards of this Chapter (see Sec. 28-106 thru -108) and may require other appropriate conditions and safeguards in accordance with the purpose and intent of this Chapter. Where a nonconforming use of a structure, land, or structure and land in combination is hereafter changed to a more restrictive classification, it cannot thereafter be changed to a less restrictive classification.

(e) Nonconforming uses of land. The lawful use of any land not involving a building or structure, existing and lawful on the effective date of this Chapter or amendment thereto, may be continued even though such use does not conform to the provisions of this Chapter or amendments, subject to the following provisions:

(1) Expansions: No such nonconforming use can be enlarged or increased, nor extended to occupy a greater area of land than was occupied on the effective date of this Chapter, or amendment thereto.

(2) Relocations: No such nonconforming use can be moved to any other portion of the lot occupied by such use on the effective date of this Chapter, or amendments thereto.

(3) Discontinuance or abandonment: If any such nonconforming use of land, not involving a building or structure, is discontinued or ceases to exist for any reason for a period of more than six (6) consecutive months, any subsequent use of such land must conform to the requirements of this Chapter.

(f) Repairs and maintenance. The following regulations apply to all non-conforming structures (see the definition in Sec. 28-5) and structures devoted to nonconforming uses as regulated by this Section.

(1) Damage and repairs less than seventy percent (70%) of the value: On any building or structure that is determined to be devoted to a nonconforming use or is itself a
nonconforming structure, work may be done in any period of twelve (12) consecu-
tive months on ordinary repairs, or on repair or replacement of non-bearing walls,
fixtures, wiring, or plumbing to an extent not exceeding seventy percent (70%) of the
taxable value of the building with the approval of the Zoning Administrator, provid-
ed that the cubic content of the building as it existed at the time of passage or
amendment of this Chapter is not increased. This does not allow for the separation
or expansion of utility systems for nonconforming residential uses.

(2) Damage and repairs greater than seventy percent (70%) of the value: In the event
that any nonconforming structure or structure devoted to a nonconforming use re-
quire repairs or maintenance for any reason, and in any manner that exceeds seventy
percent (70%) of the taxable value of the structure, such reconstruction or restoration
will be permitted only in conformity with the provisions of the Chapter. However,
when deemed unfeasible and/or impractical, a property owner may seek a condition-
al use permit from the Planning Commission (see Sec. 28-146 thru -151), assuming it
can also be demonstrated that the original structure was consistent with the estab-
lished character of the area.

(3) Nonconforming landscaping and screening: Landscaping and screening must be
brought into conformance with the requirements of Sec. 28-117, to the satisfaction of
the Zoning Administrator, whenever:

a. The estimated expense of construction exceeds seventy percent (70%) of the
taxable value of the building.

b. There is a change in use or occupancy of the building

c. The building has been vacant for more than 6 months.

The continuation of substandard landscaping and screening must be approved by the
Planning Commission through the conditional use permit process (see Sec. 28-146
thru -151).

(4) Taxable value: For the purposes of enforcing the regulations contained in this Sec-
tion, the taxable value (see the definition in Sec. 28-5) of the structure will be deter-
mined by the most recent valuation of the structure for the purposes of taxation.

(5) Ongoing maintenance: Nothing in this Section prevents the strengthening or restor-
ing to a safe condition of any structure or part thereof deemed to be unsafe by an offi-
cial charged with protecting the public safety, upon order of such official.

(6) A nonconforming structure, or portion of a structure, or a structure containing a non-
conforming use that is physically unsafe or unlawful due to lack of repairs and
maintenance, as determined by the Chief Building Official and Zoning Administra-
tor, may be restored to a safe condition. Where enlargement or structural alteration
is necessary to allow compliance with health and safety laws or Chapters, the cost of
such work will not exceed twenty-five percent (25%) of the structures fair market
value.
Revision of Sec. 28-121. Nonconformities

(g) **Determination of abandonment**: Nonconforming buildings and structures, nonconforming uses of buildings and structures, and nonconforming uses of land will be considered abandoned if one or more of the following conditions exists, and will be deemed to constitute intent on the part of the property owner to abandon the nonconforming use:

1. Utilities, such as water, gas or electricity to the property, have been disconnected;
2. The property, buildings, or grounds, have fallen into disrepair;
3. Signs or other indications of the existence of the nonconforming use have been removed;
4. Removal of equipment or fixtures that are necessary for the operation of the nonconforming use; or
5. Other actions, which in the opinion of the Zoning Administrator constitute an intention on the part of the property owner or lessee to abandon the nonconforming use.

(h) **Conditional uses are not nonconforming uses.** Any use for which a conditional use permit is granted as provided in this Chapter will not be deemed a nonconforming use, but will, without further action, be deemed a conforming use in such district.

(i) **Change of tenancy or ownership.** There may be a change of tenancy, ownership, or management of any existing nonconforming structures or use of structures and land in combination.

(6) [For legal nonconformities only]. When reviewing a conditional use permit application for a nonconforming building, structure, or use, the Planning Commission must also consider the following standards together with such relevant facts and circumstances identified during the public hearing:

a. Whether restoration, reconstruction, substitution, and/or expansion would serve a useful purpose, or whether a useful purpose would be served by pursuing strict enforcement and application of the provisions and requirements of this article.

b. Whether the development and/or use of property in the surrounding area has materially changed in relation to the condition which existed when the use or structure was established, with the result that a continuation of the use or structure would be offensive to the area.

c. In considering the establishment of a condition for the approval of the substitution of a nonconforming use of lots, structures, or any combination of lots, structures, or uses of lots and structures, the Planning Commission must ensure that the nonconforming use of lots and structures is not expanded, and that the substituted use of lots and structures is not of greater nonconformity in terms of its impact upon the area and surrounding properties.

... 

(1) Buildings, structures, and uses requiring review by Planning Commission ... 

(f) Any automobile wash, service or repair facility. 

If any of the uses listed above also require a conditional use permit (CUP), a separate site plan review process is not required.

Section 3. That Article I of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE I. IN GENERAL

... 

Sec. 28-5. Definitions.

... 

Block building line, front or rear, means the average setback of the principal structures on one (1) side of the street in any one (1) block.
Lot, formal combination of, means the official combination of lots by the City Assessor, including the generation of a legal description for the new lot of record.

Structure means anything constructed or erected, the use of which requires permanent location on the ground, or attachment to something having a permanent location on the ground, to include, but not be limited to driveways, parking lots, in-ground and above-ground swimming pools, and similar recreational facilities.

Taxable value means the value of the property listed on the City’s assessment role for the purpose of taxation, as confirmed by the last Board of Review.

Section 4. That Article III of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

MEMO TO:    Honorable Mayor and City Councilmembers

FROM:       Lynn Fessel, City Clerk

SUBJECT:    Final Adoption of Ordinance No. 2012.6

MOTION:     FINAL ADOPTION OF ORDINANCE NO. 2012.6
AMENDING ARTICLE IX OF CHAPTER 17 OF THE CITY
OF JACKSON CODE OF ORDINANCES TO DEFINE
GRAFFITI OFFENSES, TO PROVIDE FOR THE
REMOVAL OF GRAFFITI, AND TO PROVIDE
PENALTIES FOR GRAFFITI

Attached please find Ordinance No. 2012.6 approved by the Council at the March 27
meeting. Requested action is adoption of the Ordinance.

C:       City Manager
ORDINANCE 2012 - ___

An Ordinance amending Article IX of Chapter 17 of the City of Jackson Code of Ordinances to define graffiti offenses, to provide for the removal of graffiti, and to provide penalties for graffiti.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. Purpose

The City Council adopts this ordinance to specifically define the types of graffiti offenses covered by the graffiti ordinance, formulate a policy for providing notice to perpetrators and property owners for the removal of graffiti, and provide penalties for the failure to remove graffiti.

Section 2. That Article IX of Chapter 17 of the City of Jackson, Michigan Code of Ordinances, be amended to read as follows:

ARTICLE IX. GRAFFITI

Sec. 17-200. Purpose.

The purpose of this article is to prevent the spread of graffiti as defined herein, to limit possession by minors of spray paint and other implements used for graffiti, and to provide for removal of graffiti. The city council hereby determines graffiti to be a public nuisance due to its detrimental effect on buildings, other real or personal property and the surrounding neighborhood.

(Ord. No. 96-9, § 1, 7-16-96)

Sec. 17-201. Definitions.

For purposes of this article, the following definitions shall apply: 
*Aerosol paint container* means any aerosol container which is adapted or made for the purpose of applying paint or other similar substance capable of marking or defacing property.
*Graffiti* means any unauthorized inscription, word, figure, painting or other defacement that is written, marked, etched, sprayed, drawn, painted or engraved on any city owned or private real or personal property within the city by or using any graffiti implement.
*Graffiti implement* means an aerosol paint container, felt tip marker, paint stick, etching tool or any other device capable of scarring or leaving a visible mark on glass, metal, concrete, wood or any other surface.
*Owner* shall mean any individual, firm, association, society, corporation, partnership or group, including their officers and employees, who, alone or with any others, possess:
(1) A freehold or lessor estate in, or a land contract vendee's interest in, any real
property, with or without accompanying actual possession thereof, or
(2) Charge, care or control of any real or personal property, either as agent,
employee, representative, executor, administrator, trustee or guardian.
Parent shall mean the natural or adoptive parent or legal guardian of an unemancipated
minor.
Removal means the act or process of removing graffiti.

(Ord. No. 96-9, § 1, 7-16-96)

No person shall apply graffiti to any structure, or trees, or private property including but
not limited to, buildings, walls, fences, pools, vehicles, or signs on any public or private
property within the city.

(Ord. No. 96-9, § 1, 7-16-96)

Sec. 17-203. Possession of graffiti implements by a person under the age of eighteen
(18) years of age.

No person under the age of eighteen (18) shall have in his or her possession any graffiti
implement while on any public or private property including any public or private school.
This section shall not apply to the possession of graffiti implements by minors attending
or traveling to or from a school at which the minor is enrolled, if the minor is
participating in a class at said school which requires the possession of said implements or
to any minor who is required to possess graffiti implements in the course of lawful
employment or other lawful uses with written proof from an employer, or parent and
provided said graffiti implements are not used or intended to be used for purposes of
applying graffiti contrary to the provisions of this article.

(Ord. No. 96-9, § 1, 7-16-96)

Sec. 17-204. Parental responsibility.

A parent having custody of a minor who violates any provision of this article shall be
liable for all costs or expenses incurred by the city, any citizen, business or organization
incurred in connection with the removal of graffiti placed by said minor.

Sec. 17-205. Removal by perpetrator.

Any person applying graffiti shall remove said graffiti. A parent having custody of a
minor shall also be responsible for such removal. Failure to remove, provide for removal,
or pay for removal shall also constitute a violation of this article. Any removal of graffiti
by a perpetrator shall be done only with the express consent of the owner of the property to which graffiti has been applied.

(Ord. No. 96-9, § 1, 7-16-96)

If the perpetrator of graffiti is not apprehended or fails to remove the graffiti, the owner of the property which has been the recipient of graffiti shall be held responsible to remove said graffiti after the City of Jackson Police Department has first served a notice to remove said graffiti upon the property owner via first class mail. The notice shall give the owner of the property fourteen (14) days from the date of mailing to effect removal of the graffiti. Failure of the owner to remove graffiti within the above time period shall subject the property owner to a civil infraction violation carrying a maximum fine of one hundred dollars ($100.00).

Whenever the City of Jackson determines that graffiti on any structure is visible from the street or other public or private property, the City of Jackson may serve notice to remove said graffiti upon the property owner via first class mail. The notice shall give the owner of the property thirty (30) days from the date of mailing of the notice of abatement to remove the graffiti. The notice shall be addressed to the owner of the property as shown on the latest tax assessment roll at the owner’s last address. In the case of obscene graffiti, the notice shall give the owner of the property fourteen (14) days from the date of the mailing of the notice of abatement to remove the graffiti.

Sec. 17-207. Penalty. Removal by property owner.

Except as otherwise provided in section 17-206, violation of this article is a blight violation and upon adjudication is punishable as provided in Chapter 2.5 of this Code.

If the perpetrator of graffiti is not apprehended or fails to remove the graffiti, the owner of the property which has been the recipient of graffiti shall be held responsible to remove said graffiti after the City of Jackson has served a notice pursuant to Section 17-206. Any owner removing graffiti pursuant to this article shall be entitled to restitution from the perpetrator in an amount to be determined by the court for the cost of removing the graffiti. Restitution is to be paid by the person found responsible for such graffiti.

Sec. 17-208. Reserved. Failure of property owner to remove graffiti.

Upon the failure, neglect or refusal of any owner of property to remove the graffiti within thirty (30) days (or fourteen (14) days in the case of obscene graffiti) of receipt of the notice provided in Section 17-206, the City of Jackson or its authorized representatives (including contractors) are hereby authorized to enter upon such property for the purposes of abating the nuisance by removal or elimination of such graffiti by the City of Jackson.
Sec. 17-209  Costs of removal of graffiti.

(1) Whenever the City of Jackson or its authorized representatives enter upon property in order to abate a graffiti nuisance, the City of Jackson is authorized and directed to keep an accurate account of all expenses incurred and issue a certificate certifying the reasonable cost involved for the work to remove the graffiti. Within ten (10) days after the receipt of the certificate, the City Treasurer shall forward a statement of the total charges and the charges shall be payable within thirty (30) days from the date the statement is mailed.

(2) If the owner fails to pay the charges within thirty (30) days, the statement shall be filed with the City Assessor and shall thereupon be assessed against the property and become a lien on the property. The amount charged may be discharged at any time by the payment of the amount on the statement. Such amount shall be a debt of the owner to whom assessed until paid and, in case of delinquency, may be enforced as delinquent city property taxes or by a suit against such person.

Sec. 17-210  Penalty.

(1) Except as otherwise provided, violation of this article is a blight violation and is punishable as provided in Chapter 2.5 of this Code.

(2) Any person who has violated any provision of the graffiti ordinance for the first time, in addition to being required to remove or pay for the removal of graffiti, shall be found responsible of a civil infraction and shall be punished by a fine of One Hundred ($100.00) Dollars.

(3) Any person who has violated any provision of the graffiti ordinance for the second time, in addition to being required to remove or pay for the removal of graffiti, shall be found responsible of a civil infraction and shall be punished by a fine of Two Hundred Fifty ($250.00) Dollars.

(4) Any person who has violated any provision of the graffiti ordinance for the third time, in addition to being required to remove or pay for the removal of graffiti, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be punished as provided in Section 1-18 of this Code.

Sec. 17-211  Community service.

In lieu of, or as part of, the penalties specified in this article, a minor or adult may be required by the court to perform community service as described by the court based on the following minimum requirements:

(1) The minor or adult shall perform at least thirty (30) hours of community service.

(2) At least one parent or guardian of the minor shall be in attendance a minimum of fifty (50%) percent of the period of assigned community service. The failure of a parent
or guardian to attend the minor’s community service for the amount of time assigned by
the court shall be punished according to the penalties provided in Section 17-210.
(3). Reasonable effort shall be made to assign the minor or adult to a type of
community service that is reasonably expected to have the most rehabilitative effect on
the minor or adult, including community service that involves graffiti removal.

Sec. 17-212. Severability.

If any section, subsection, sentence, clause, or phrase of this article is for any reason held
to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the
decision shall not affect the validity of the remaining portions of this article.

Sec. 17-213. Inconsistent provisions repealed.

Ordinances or parts of ordinances in conflict with the provisions of this article are hereby
repealed.

Sec. 17.214. Savings clause.

All rights and duties which have matured, penalties which have incurred, proceedings
which have begun and prosecution for violations of law occurring before the effective
date of this ordinance are not affected or abated by this ordinance.

Sec. 17.215. Reserved.

Section 3. This Ordinance takes effect thirty (30) days from the date of adoption.
MEMO TO: Martin J. Griffin, Mayor
        Members of the City Council

FROM: Laurence Shaffer, City Manager

DATE: March 30, 2012

SUBJECT: Appointment of Kelli Hoover – Director of Parks, Recreation and Grounds

It gives me great pleasure to recommend that the City Council adopt the following motion:

Consistent with the City of Jackson Charter, Section 7.5 Appointed Officers, which states, in part, “All other department heads shall be appointed by the manager subject to council confirmation.”, the City Council hereby confirms the City Manager’s appointment of Kelli Hoover as Director of Parks, Recreation and Grounds, said appointment effective, April 11, 2012.

Ms. Hoover has a sterling management history with the City of Jackson. Beginning in 1998 as a Recreation Supervisor with the City of Jackson, Ms. Hoover has worked her way up the organizational structure, growing as a professional as she achieved a comprehensive understanding of the city and the department. Presently, she serves as the Interim Director of Parks, Recreation and Grounds. At each level, she has demonstrated the unique ability to combine vision, ambition and congeniality. Ms. Hoover is a consummate professional who will lead an excellent department to even greater levels of achievement. The City of Jackson is devoted to the highest level of recreational services. Ms. Hoover’s enthusiasm, energy and commitment to excellence are a splendid match with the city’s values and aspirations. During her interview with Crystal Dixon and me, Ms. Hoover spoke of her vision to propel the department forward, focusing upon customer service and relationships with outside organizations as the cornerstone of her administration.

Ms. Hoover shall be paid as a Grade 17, Step 10, or $87,617 per year. I look forward to answering any questions that you may have.

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Jon H. Dowling, P.E., City Engineer/Director of Public Works

SUBJECT: Contract Award Request – Inter City Trail Repaving

MOTION: CONSIDERATION OF THE REQUEST TO APPROVE THE BID AWARD TO QUALITY ASPHALT, FOR A TOTAL COST OF $90,910.75, FOR THE INTER CITY TRAIL REPAVING CONTRACT, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE THE APPROPRIATE DOCUMENT(S), IN ACCORDANCE WITH THE RECOMMENDATION OF THE PURCHASING AGENT AND THE CITY ENGINEER/DIRECTOR OF PUBLIC WORKS

On April 3, 2012, bids were opened in the Purchasing Department for the Inter City Trail Repaving contract. This project will repave a portion of the Inter City Trail from Prospect Street to Francis Street, and build a new connection from Merriman Street into the King Center. The Department of Public Works-Engineering presented the proposed project to the Parks Board and received their approval of the plan. The work included in the Base Bid will repave the portion of the trail in the worst condition. Alternate bids were also requested to include repaving the trail from Francis Street to Merriman Street. The Engineer’s estimate for the Base Bid and the Alternate Bid are $97,984.00 and $146,658.00, respectively. The bids are as follows:

Bailey Sand and Gravel also submitted a bid, but it was not read as they did not include Bid Security.

In concurrence with the Purchasing Agent, it is the recommendation of the Department of Public Works - Engineering that the Inter City Trail Repaving Contract be awarded to Quality Asphalt at their base bid of $90,910.75, which is within the budget amount of $100,000, and the Mayor and the City Clerk be authorized to sign the contract documents. This project will be paid from Capital Projects funds.
