10. **Public Hearing.**
    A. Public hearing on the Tony Pinson, M.D., appeal of the Historic District Commission’s decision denying his request to demolish part of the building located on the property at 744 W. Michigan Avenue.
       1. Consideration of Dr. Tony Pinson’s appeal of the Historic District Commission’s decision.
    B. Public hearing of necessity for street construction on North Street from Lansing Avenue to Cooper Street.
       1. Resolution ordering the construction and preparation of the Special Assessment Roll.
    C. Public hearing to consider the application for a United States Environmental Protection Agency (USEPA) Brownfield Area-Wide Planning Pilot Program Grant in the amount of $175,000.00, for Brownfield Area-Wide Planning.
       1. Resolution authorizing the Community Development Department to submit an application to the USEPA.

11. **Resolutions.**
    A. Formal action regarding the proposed fiscal year 2010-2011 annual budget:
       1. Resolution adopting the fiscal year 2010-2011 annual budget providing appropriations for various funds (except for the CDBG funds which are adopted separately), amending the current fiscal year 2009-2010 budget to those amounts projected, and ordering a tax levy.

12. **Ordinances.**

13. **Other Business.**
    A. Consideration of the request received April 20, 2010, from the Downtown Development Authority for an allocation of $25,000.00 for Fiscal Year 2010-2011 for continued downtown development. (Item postponed and referred to the Finance Committee at the April 27, 2010, City Council meeting. Finance Committee recommends approval of $24,000.00 to be taken from various funds as stated in their report.)
    B. Consideration of the request to approve the low bid award to West Shore Fire, Inc., Allendale, in the amount of $135,798.00, for the purchase of new self-contained breathing apparatus, in accordance with the recommendation of the Fire Chief. (Postponed at the May 11, 2010, City Council meeting.)

14. **New Business.**
    A. Consideration of the Downtown Development Authority Fiscal Year 2010-2011 Operation and TIF budgets.
B. Consideration of the request to issue a purchase order to the Jackson County Road Commission at a total price per ton of $41.78, (total of $167,120.00) for the purchase of 4,000 tons of road salt for the 2010-11 State Trunklines, and major and local City streets, in accordance with the recommendation of the City Engineer.

C. Consideration of the request to approve the contract award to Quinn Evans Architects, Ann Arbor, at their not-to-exceed cost of $57,888.00 for the Jackson Rail Passenger Station Development Study, and authorization for the Mayor and City Clerk to execute the appropriate document(s), in accordance with the recommendation of the Michigan Department of Transportation, and the City Engineer.

D. Consideration of the establishment of a Downtown Development Authority (DDA) District as a Redevelopment District/Project area, as provided in PA501 of 2006, and authorization City Clerk and City Assessor to sign the required affidavit indicating the level of investment within the proposed Redevelopment District/Project area exceeds $200,000.00.

1. Resolution designating the DDA district as the Development District and area for purposes of the Redevelopment Project Area and Development District Liquor Licenses as authorized by MCL 436.1521a.

15. City Councilmembers’ Comments.

16. Manager’s Comments.

17. Adjournment.

*Item added, deleted or changed.
JACKSON CITY COUNCIL MEETING
MINUTES
MAY 11, 2010

CALL TO ORDER.

The Jackson City Council met in regular session in City Hall and was called to order at 7:02 p.m. by Mayor Karen F. Dunigan.

PLEDGE OF ALLEGIANCE – INVOCATION.

The Council joined in the pledge of allegiance. The invocation was given by Councilmember Polaczyk. Mayor Dunigan introduced Frank Weathers, Deputy to the City Manager, sitting in on the meeting tonight.

ROLL CALL.

Also Present: Deputy to the City Manager Frank Weathers, City Attorney Julius A. Giglio and City Clerk Lynn Fessel.

CITY COUNCILMEMBERS’ COMMENTS.

Councilmember Greer complimented Frank Weathers on a job well done tonight.

Councilmember Gaiser discussed the need to educate citizens on our grass and noxious weeds ordinance and possibly place a notice in the newspaper.

Councilmember Frounfelker explained that his dissenting vote for Mr. Renando’s contract was based on the salary and no incentive to end the relationship prior to one year. He will work with Mr. Renando during his term and he looks forward to what he has to offer.

Mayor Dunigan stated that special meetings will be scheduled prior to the adoption of the budget.

MANAGER’S COMMENTS.

None.
ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Howe and seconded by Councilmember Polaczyk to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 7:38 p.m.

Lynn Fessel
City Clerk
The Jackson City Council met in special session at 744. W. Michigan Avenue, Jackson Michigan, on May 11, 2010, at 6:15 p.m.

A tour of the structure at 744 W. Michigan Avenue was given to the Mayor and Councilmembers. (At their April 27, 2010, meeting, Council received a Claim of Appeal of Historic District Commission decision regarding 744 W. Michigan Avenue and established May 25, 2010, as the date to hear the appeal before the City Council.)

The tour and special meeting concluded at 6:34 p.m.

Lynn Fessel
City Clerk
CALL TO ORDER.

The Jackson City Council met in special session in the City Council Chambers for a budget workshop. Mayor Karen F. Dunigan called the meeting to order at 7:00 p.m.

ROLL CALL.

Also present: Interim City Manager Warren D. Renando, City Attorney Julius A. Giglio and City Clerk Lynn Fessel.

ADOPTION OF THE AGENDA.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Howe to adopt the agenda. The motion was adopted by the following vote. Yëas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

PROPOSED 2010-2011 BUDGET.

Using a power point presentation, Interim City Manager Renando discussed his plans for this budget and the future. His plan begins with what he would like to see accomplished in the next six weeks, six months and six years as follows:

Six Weeks

♠ Implement the recommendations of the water/sewer rate study
♠ Close 2 fire stations
♠ Return the Deputy Assessor and Deputy Treasurer to full-time
Six Months

- Share costs of City positions with other government agencies
- Go to the State regarding: refinance debt, change the cemetery trust, and Ella Sharp Endowment
- Use CDBG funds to staff a city planning/zoning position
- Health Care – single provider – negotiate with unions
- Consider enacting public safety
- Re-examine implementation of fire transport
- Possible merger of Old Police and Fire Pension with Act 345
- Consider closing existing pension system to non-union new hires and place them in a defined contribution plan – negotiate in future union contracts

Six Years

- Make population lose a priority
- Share Services – Parks, Police/Sheriff, Building Inspection, Fire
- Focus on user fees for services
- Reduce city staff
- Reduce city benefits

Revenue Generators

- Examine all vacant parcels in the City for potential revenue generating reuse
- Stop tearing down housing units and favor programs to fix or replace City housing
- More careful implementation of PILOT’s, tax credits and tax incentives
- Enhance recruitment of companies or governmental entities that need sewer and water

The Good News

- The City’s fund balance is in much better shape than cities of comparable size
- Reduction in staff through attrition instead of mandating layoffs
- City has qualified, experienced staff dedicated to serving the citizens of the City

Finance Director Phil Hones discussed income tax revenues; a question and answer period followed.

CITIZEN COMMENTS.

None.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Greer and seconded by Councilmember Howe to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 8:03 p.m.

MEMORANDUM
Lynn Fessel, City Clerk

May 19, 2010

TO: Honorable Mayor and City Councilmembers

SUBJECT: City License Approvals for the Year Expiring April 30, 2011

City Council approval is required for the following types of business licenses:

- Dry Cleaners
- Taxicab Companies

The listing below represents the companies that returned renewal applications for the above types of businesses. I am requesting City Council approve these licenses at the May 25 meeting. All appropriate department approvals, insurance certificates and fees have been received.

**Dry Cleaners**
Winzeler Dry Cleaners
1515 W. Morrell

**Taxicab Company**
Colonial Transportation LLC
500 N. Francis
May 18, 2010

TO: Honorable Mayor and City Councilmembers
FROM: Angela Arnold, Deputy City Clerk
RE: Ella Sharp Museum Association Art & Wine Festival

The Ella Sharp Museum Association is requesting authorization for a temporary outdoor service and add bar permit, to conduct their annual Art & Wine Festival on Saturday, June 12, 2010 at 3225 Fourth Street.

Recommended approvals have been received from the Police, Fire, and Parks/Forestry Departments. Proper insurance coverage has been received.

If Council approves this request, the City Clerk must sign the application indicating approval of the request by the City, because the proposed outdoor service area is located on city property. The application will then be forwarded to the Michigan Liquor Control Commission for final approval.

Please consider this request at Council’s May 25th meeting.

Thank you.

C: Warren D. Renando, City Manager
May 13, 2010

Ms. Arnold:

The 6th annual Ella Sharp Art & Wine Festival is fast approaching and, enclosed, you will find our application for a temporary additional bar during the day of the festival. I am hoping to have this included on the agenda for the next City Council meeting on Tuesday, May 25th. As you may be aware, this festival has become an eagerly anticipated event amongst Jackson community members, and we are hopeful that this year will continue to be a success.

I am including a map of the grounds for the festival, as well as a description of our proposed security plan. Please call me if you have any questions regarding the application or event. I work part-time at the museum; if you cannot reach me at the office please try my cell phone at (248) 763-4954.

Thank you for your attention to this matter. We greatly appreciate it.

Sincerely,

[Signature]

APPLICATION FOR TEMPORARY AUTHORIZATION
[Authorized by R 436.1023 (2), (3), R 436.1403 (2), R 436.1407 and R 436.1415 of the M.A.C.]

Effective March 1, 2010, a non-refundable $70.00 inspection fee is required.

PART 1. APPLICANT INFORMATION

1. Name of License (Corporation, Individual, Limited Liability Company, Limited Partnership):
   Ella Sharp Museum Association

2. Street Address, City or Village, Township (if applicable), County, and Zip Code:
   3225 Fourth Street, Jackson, Jackson County, 49203

3. Type of License and Number:

4. Business Telephone Number: 517-787-2320  
   Fax Number: 517-787-2933

5. Email Address: rochelle.c@ellasharpmuseum.org

PART 2. TYPE OF EVENT

Describe the Type of Event(s) Being Held:

6th Annual Art & Wine Festival

PART 3. TYPE OF AUTHORIZATION REQUESTED

Check only the types of authorization needed and answer the questions required for the authorization requested:

☒ TEMPORARY OUTDOOR SERVICE  OR  ☐ TEMPORARY ADDED SPACE

Please enclose a diagram showing proposed outdoor service or added space area, existing licensed premises, any streets and all dimensions requested below.

1. Dates requested: June 12, 2010

2. What is the size of the proposed outdoor service area or added space area? 325 feet x 100 feet

3. Describe the barrier that will be used to enclose the outdoor service or added space area.
   [Include the type of barrier and the height of the barrier. Ropes, tape, and banners are NOT acceptable barriers.]
   4’ high orange plastic snow fencing

4. Does your license currently include an existing Additional Bar?  ☐ Yes  ☒ No  If NO, Temporary Additional Bar will be needed unless there will only be table service of alcoholic beverages. See General Instruction 9 for more information

5. Describe the type of security that will be used for the event.
   Museum staff members & trained volunteers with armbands

6. Is the proposed outdoor service area or added space area directly next to the licensed premises?  ☒ Yes  ☐ No  If NO, indicate how many feet there is between the proposed outdoor service or added space and the licensed premises?

7. Are there any dedicated streets within the proposed outdoor service or added space area or is there any intervening property between the licensed premises and outdoor service or added space area?  ☒ Yes  ☐ No  If YES, explain and include on the diagram.

8. Is the proposed outdoor service area, added space and/or any intervening property owned, rented, or leased by the licensee?  ☒ Yes  ☐ No  If NO, a lease for the outdoor service, added space and/or any intervening property must be provided with this application.

9. Is the proposed outdoor service area or added space located on property owned by the city, village, or township?  ☒ Yes  ☐ No  If YES, the city, village, or township clerk must sign the application indicating approval of the request by city, village or township.
10. Is all of the proposed outdoor service or added space area in the same governmental unit as the licensed premises?  
   ☒ Yes  ☐ No  If NO, please explain.

☐ TEMPORARY OFFICIAL PERMIT FOR DIFFERENCE IN HOURS OF OPERATIONS (Check each specific type of activity requested in #2)

1. Dates requested:

2. Type of Activity:
   ☐ Bowling  Do you operate the bowling center?  ☐ Yes  ☐ No  If NO, please explain.

   ☐ Dance  Do you have a Dance Permit?  ☐ Yes  ☐ No  If NO, Temporary Dance will be needed

   ☐ Entertainment  Do you have an Entertainment Permit?  ☐ Yes  ☐ No  If NO, Temporary Entertainment will be needed

   ☐ Food  Do you operate a full service kitchen?  ☐ Yes  ☐ No  If NO, please explain.

   ☐ Golf  Do you operate the golf course?  ☐ Yes  ☐ No  If NO, please explain.

   ☐ Other Special Event Activity  Please describe and explain the type of event.

3. The licensed premises may not be occupied by anyone except the licensee and bona fide employees who are working between the hours of 2:30 A.M. and 12:00 Noon on any Sunday or from 2:30 A.M. until 7:00 A.M. on any other day. Please indicate the extended hours you are applying for to conduct the activities indicated above.

   Weekdays  [ ] A.M. to [ ] A.M.  Sundays  [ ] A.M. to [ ] A.M./P.M.

☐ TEMPORARY ADDITIONAL BAR*  Fee is $350.00

* A Temporary Additional Bar is not needed if there will be table service only or a currently issued Additional Bar will be utilized.

Dates requested:  June 12, 2010

☐ TEMPORARY DANCE

   It is required that the Dance Floor be at least 100 square feet, clearly marked, and shall not have tables, chairs and other obstacles on the dance floor while customers are dancing.

Dates requested:

   Weekdays  [ ] A.M. to [ ] A.M.  Sundays  [ ] A.M. to [ ] A.M./P.M.

☐ TEMPORARY ENTERTAINMENT  OR  ☐ TEMPORARY TOPLESS ACTIVITY

1. Dates requested:

   Weekdays  [ ] A.M. to [ ] A.M.  Sundays  [ ] A.M. to [ ] A.M./P.M.

2. Describe the type of entertainment to be provided.

3. If the entertainment includes a contest with prizes totaling over $250 in value, please complete the following questions:

a. Explain in detail rules of the contest. Attach another page, if needed.

b. Describe and state the retail value of each prize to be awarded.

c. Specify who will be paying for and supplying the prizes.

d. Will there be any alcoholic beverage items with a brand name logo used as prizes for part of the contest?  ☐ Yes  ☐ No

IMPORTANT: No alcoholic beverages may be used as part of any contest or as a prize for a contest.

No licensee may receive anything of value from another licensee without prior MLCC approval.
e. Is there a cover charge or entrance fee for the contest or tournament?  ○ Yes  ○ No  If YES, please explain.

---

**PART 4. WARNING, AUTHORIZED SIGNATURES, AND LAW ENFORCEMENT/LOCAL APPROVALS**

**WARNING:** Section 1003 of the Liquor Control Code of 1998, being MCL 436.2003, provides in part as follows: "A person who makes a false or fraudulent statement to the commission, orally or in writing, for the purpose of inducing the commission to act or refrain from taking action, or for the purpose of enabling or assisting a person to evade the provisions of this act is guilty of a violation of this act and is punishable in the manner provided for in section 909..."

I hereby swear that I have read all of the above answers and that they are true and further that I have read and understand the warning.

**THE LICENSEE, AN AUTHORIZED CORPORATE OFFICER, OR MEMBER OF A LIMITED LIABILITY COMPANY MUST SIGN THIS APPLICATION:**

Ella Sharp Museum Art & Wine Festival
Saturday, June 12th, 2010 11a.m. to 7p.m.
In the courtyard of the Ella Sharp Museum (see map)

Admission to event:
- Wine tasting tickets may be purchased in advance for $12, or at the door (the day of the event) for $15. This ticket entitles visitors to a single one (1) ounce tasting from each of the nine (9) participating wineries. Wineries will be listed on the ticket and marked off as tastings are given.
- All visitors will enter through one entrance which will be staffed at all times (see map). When visitors show or purchase their ticket, and identification is checked to ensure they are of legal age, they will be given a plastic identification bracelet. They must have this bracelet to obtain tastings.
- The museum grounds are completely fenced as indicated on map. Doors to unlicensed buildings will be locked so that visitors cannot enter.
- In addition to maintenance staff, there will be 2-4 trained volunteers with security armbands. These volunteers will ensure: that visitors have plastic identification bracelets; that they only enter at the designated entrance; and that they do not exit the licensed area with glasses of wine.

Wine tastings and wine purchase
- Prior to the event the museum will purchase a variety of wines from each of the participating wineries for both tasting tickets and retail sales.
- Representatives of the wineries will staff the tasting tents to discuss wines. Volunteers will be pouring and dispensing tastings (these volunteers will be trained prior to their designated shift on how to pour properly. This will ensure that the one (1) ounce limit is maintained, so that visitors do not become inebriated).
- Tickets for additional tastings can be purchased for $1.00 for an additional one (1) ounce pour.
- Museum personnel will staff wine retail sales.
- Security and museum personnel will be observant of visitor alcohol consumption and take appropriate action.

Other happenings
- 20-30 artists will exhibit and sell their work on the grounds.
- There will be a variety of musical entertainment throughout the afternoon.
- A variety of appropriate foods and non-alcoholic beverages will be available for purchase outside near the wine tasting.
- Live art demonstrations will be taking place throughout the afternoon.
- Educational seminars on wine making and food and wine pairings will take place in museum classrooms.
The museum buildings enclose the courtyard where the festival will take place. The orange snow-fence will fence off the gaps between buildings. Doors to unlicensed buildings will be locked. The courtyard will have one entrance where people will purchase ticket & be ID'd.

RE: Crazy Cowboy, LLC – NASCAR Race Event June 11-13, 2010

The Crazy Cowboy, LLC is requesting to close Mechanic Street from Cortland Street to Washington Avenue beginning at 3:00 p.m. on Friday, June 11 through 3:00 a.m. on Sunday, June 13, 2010 to hold a NASCAR Race event (event time 6:00 p.m. through 1:00 a.m. each day).

Recommended approvals have been received from the Police, Fire, and Traffic Engineering Departments, and the Downtown Development Authority. However, because this event is for a private owned company, the City Engineering Department is requesting reimbursement ($323.13 estimate) for any and all costs incurred by the Engineering Department for this event.

Please consider these requests for approval at Council’s May 25th meeting, with the contingency of receipt of proper special event insurance coverage.

Thank you.

(b) Show any streets or parking lots that you are requesting to be blocked off, and location of vendors, if any. A final map, if different, must be provided seven (7) days before the event. (c) Please show an emergency vehicle access lane.

STREET CLOSURES: Start Date/ Time: 11 am through Date/ Time: 7pm

RESERVED PARKING: Are you requesting reserved parking? YES NO
If yes, list the number of street spaces, City lots or locations where parking is requested:

VENDORS: Food Concessions? YES NO Other Vendors? YES NO

DO YOU PLAN TO HAVE ALCOHOL SOLD/SERVED AT THIS EVENT? YES NO
If yes, are liquor license and liquor liability insurance attached? YES NO
If yes, what time? ________________ until ________________
ENTERTAINMENT: Are there any entertainment features related to this event? YES  NO
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule.

ATTENDANCE: What is the expected (estimated) attendance for this event? 500 - 1000

AMUSEMENT: Do you plan to have any amusement or carnival rides? YES  NO
If yes, you are required to obtain a permit through the City Clerk’s Office.

REST ROOMS: Are you planning to provide portable rest rooms at the event? YES  NO  If yes, how many? 4
As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)
Street closures, electric for attending businesses

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. An event sponsor must provide a valid certificate of insurance naming the City of Jackson as an additional insured party on the policy. A sponsor of a Low Hazard event may request that City Council waive the insurance requirement and execute a Hold Harmless and Indemnification Agreement. This event qualifies consideration for Low Hazard because:

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy or
I am requesting that City Council waive the insurance requirement for this Low Hazard Event as identified in paragraph above related to insurance, and I have executed the Hold Harmless and Indemnification Agreement on behalf of the event sponsor.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements or limitations, based on the City’s review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

FROM: Angela Arnold, Deputy City Clerk

The Crazy Cowboy, LLC is requesting to close Mechanic Street from Cortland Street to Washington Avenue beginning at 3:00 p.m. on Friday, August 13 through 3:00 a.m. on Sunday, August 15, 2010 to hold a NASCAR Race event (event time 6:00 p.m. through 1:00 a.m. each day).

Recommended approvals have been received from the Police, Fire, and Traffic Engineering Departments, and the Downtown Development Authority. However, because this event is for a private owned company, the City Engineering Department is requesting reimbursement ($323.13 estimate) for any and all costs incurred by the Engineering Department for this event.

Please consider these requests for approval at Council’s May 25th meeting, with the contingency of receipt of proper special event insurance coverage.

Thank you.

RE:       Crazy Cowboy, LLC – Temporary Added Space Application

The Crazy Cowboy, LLC is requesting authorization for temporary added space to hold two NASCAR Race events, using city streets (Mechanic Street from Cortland Street to Washington Avenue) on June 11-13, 2010 and August 13-15, 2010.

The Police Chief has signed the application. If Council approves this request, the City Clerk must sign the application indicating approval of the request by the City, because the proposed added space area is located on city property. The application will then be forwarded to the Michigan Liquor Control Commission for final approval.

Please consider this request at Council’s May 25th, contingent upon receipt of proper insurance coverage.

Thank you.

RE: DDA – Jammin’ in Jackson

The Downtown Development Authority is requesting use of Bucky Harris Park to hold their Jammin’ in Jackson concert series on Thursday, June 10, June 24, July 8, July 22, August 5 and August 26, 2010 from 4:00 p.m. – 8:45 p.m. (event time 4:30 p.m. – 8:00 p.m.). This free concert series will feature live local music.

Recommended approvals have been received from the Police, Fire, Traffic Engineering, Public Services and Parks/Forestry Departments and the Downtown Development Authority. Insurance coverage is provided by the City.

Please consider this request at the May 25th City Council meeting.

Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)

N/A

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. An event sponsor must provide a valid certificate of insurance naming the City of Jackson as an additional insured party on the policy. A sponsor of a Low Hazard event may request that City Council waive the insurance requirement and execute a Hold Harmless and Indemnification Agreement. This event qualifies consideration for Low Hazard because:

Covered under City’s Insurance Policy

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy or
I am requesting that City Council waive the insurance requirement for this Low Hazard Event as identified in paragraph above related to insurance, and I have executed the Hold Harmless and Indemnification Agreement on behalf of the event sponsor.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements or limitations, based on the City’s review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

FROM: Carol L. Konieczki, Community Development Director

SUBJECT: Award of Rehab Contract at 1100 Pringle

Rehab Specialist Cliff Winslow requested bids through the Purchasing Department for an owner-occupied Community Development Rehabilitation project at 1100 Pringle. The Community Development Department has analyzed the bids submitted and arrived at a recommendation on bid award.

Five contractors attended the mandatory pre-bid walk through with four submitting completed bids. The resulting Bid Tabulations are attached for your review. The lowest acceptable bid is as follows:

<table>
<thead>
<tr>
<th>Project</th>
<th>Awardable Contractor</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1100 Pringle</td>
<td>At-A-Moments Notice</td>
<td>$19,343</td>
</tr>
</tbody>
</table>

The homeowner has been prequalified to receive full funding through either a CDBG or HOME rehab loan ($8,668 Code and $10,625 Lead). The contractor awarded this project is required to obtain a current installation floater on their general liability insurance policy.

This project also received Emergency Hazard assistance in October, 2009, to repair a seriously leaking roof and repair hazardous electrical in the amount of $7,950.00. The total for repairs under both projects for this address is $27,293.00.

Requested action is for City Council to approve the owner-occupied rehab bid award as outlined above. Please place this item on the May 25, 2010 agenda for consideration.

**Sheet: Sheila Prater\DB Reports\Notice to Vacate Report (Unfit for Human Habitation).doc**
STATE OF MICHIGAN
DEPARTMENT OF ENERGY, LABOR AND ECONOMIC GROWTH
MICHIGAN TAX TRIBUNAL

Target Corporation,

Petitioner,

v.

MITT Docket No.
(Parcel No(s). 2-247000000)

Jackson,

Respondent.

--------------------/

PETITION

Target Corporation ("Petitioner"), through its attorneys, HONIGMAN MILLER
SCHWARTZ AND COHN LLP, says:

1. Petitioner's principal office address is Property Tax Department, 1000
Nicollet Mall, Minneapolis, MN 55440-9456. Petitioner is a party in interest with
respect to property taxes on tax parcel no(s). 2-247000000 ("Petitioner's
Property"), also known as Store No. T-0673 at 1600 N. West Avenue. If this petition
includes more than one (1) real property tax parcel, the tax parcels are
contiguous.

2. Respondent, Jackson, assesses and collects property taxes on
Petitioner's Property.

3. In 2010, Respondent determined the taxable value of Petitioner's
Property to be $2,824,620 and assessed Petitioner's Property at $4,837,450, which
will result in a state equalized value in the same amount based upon the tentative equalization factor.

4. Petitioner's Property is classified as Commercial Real. Petitioner's Property is presently used or available for use for Retail purposes. Petitioner believes that Petitioner's Property was originally designed to be used for Retail purposes.

5. This matter involves issues relating to: (a) valuation, (b) assessment, (c) taxable value and (d) uniformity.

6. At this time, Petitioner believes, as it relates to taxable value, that there is a dispute relative to the value of a loss.

7. If P.A. 174 of 2006 requires a board of review protest for Petitioner's Property, a board of review protest was filed in March, 2010.

8. The 2010 assessment, including state equalized value and taxable value, imposed on Petitioner's Property, and the taxes to be levied and collected thereon, are invalid and unlawful and operate as a fraud upon the taxpayer for the reasons that:

   (a) The assessment, including state equalized value and/or taxable value, exceeds the amount permitted by the Michigan Constitution and applicable statutes;

   (b) The assessment, including state equalized value and/or taxable value, are at higher percentages of true cash value than permissible under the Michigan Constitution and applicable statutes;
(c) The assessment, including taxable value and/or state equalized value, are based upon an erroneous determination of the true cash value of that portion of Petitioner's Property that is taxable under Michigan law, and are based upon the application of wrong principles; and,

(d) The assessment, including state equalized value and/or taxable value, and the mode of assessment adopted by Respondent, discriminate against Petitioner and deny Petitioner its constitutional rights to uniformity, equal protection and due process of law.

WHEREFORE, Petitioner requests that the Tax Tribunal enter an Order reducing the 2010 taxable value of Petitioner's Property from $2,824,620 to $2,246,000, and reducing the 2010 state equalized value of Petitioner's Property from $4,837,450 to $2,246,000, and requiring Respondent to pay Petitioner the refunds attributable to such reductions, plus interest and costs.

Respectfully submitted,

HONIGMAN MILLER SCHWARTZ AND COHN LLP
Attorney for Petitioner

To: Warren D. Renando, Interim City Manager

Date: May 21, 2010

From: Carol Konieczki, Community Development Director

Subject: Approval and Authorization of the Mayor and Clerk to execute purchase agreements for seven properties per the terms of the Neighborhood Stabilization Program grant awarded April 28, 2009 and amended February 8, 2010. Neighborhood Stabilization Program Grant Award #NSP-2008-0274-ENT

On January 30, 2009, the Community Development Department applied for Neighborhood Stabilization Program (NSP) Housing Economic Recovery Act (HERA) funds through the Michigan State Housing Development Authority (MSHDA). On April 28, 2009, MSHDA announced $1,700,000 in funds have been awarded to the City of Jackson to be used within its oldest residential neighborhood and area of greatest need, which is bound by Waterloo Street to the East, Ganson Street to the North, Mechanic Street to the West, and Pearl Street to the South. Since the initial award, MSHDA has authorized the funds to be spent throughout the City, but concentration of efforts to be in the target area.

The initial grant award amount in the amount of $953,700 has been committed according to the grant requirements. A subsequent disbursement, in the amount of 746,300, was awarded February 8, 2010, subject to the satisfactory and timely commitment of the initial award. The term of the grant is March 17, 2009 to June 30, 2010.

Pursuant to the application and the agreement, this grant will be utilized to cover the costs identified with the grant, or per authorization from MSHDA.

Action requested is approval and authorization of the Mayor and Clerk to execute purchase agreements for seven Neighborhood Stabilization Program eligible properties, per the terms of the grant agreement with Michigan State Housing Development Authority not to exceed a total amount of $180,000, and authorization for the City Attorney to make minor modification to the agreements, if necessary, for finalization.

Please place this item on the May 20, 2010 agenda for City Council consideration.
MEMO TO: City Councilmembers

FROM: Karen F. Dunigan, Mayor

DATE: May 19, 2010

SUBJECT: Finance Committee Recommendation

The Finance Committee met on Tuesday, May 18, 2010, with Councilmember Frounfelker, and myself in attendance along with various City staff.

The Committee considered a request from the Downtown Development Authority in the amount of $25,000.00. The Committee deliberated the request and agreed to recommend that the City Council approve funding in the amount of $24,000.00, funding coming from the following accounts: $8,000.00 from the Water Enterprise Funds, $8,000.00 from the Sewer Enterprise Funds, and $8,000.00 from the General Fund.

The Jackson Area Fire Apparatus Maintenance Proposal was discussed. The Committee has agreed to recommend that this item not be pursued further.

Your consideration and receipt of this report is appreciated.

KFD:skh
MEMO TO:    City Councilmembers

FROM:       Karen F. Dunigan, Mayor

DATE:       May 19, 2010

SUBJECT:    Local Development Finance Authority/Brownfield Redevelopment Authority

In accordance with a Resolution adopted by the City Council on June 4, 1991, created by Authority, designated its boundaries and appointed members. (MCMLA 125.2152) Board consists of 11 members, seven appointed by the Mayor subject to City Council confirmation. Members serve four-year terms.

It is my desire, therefore, to reappoint Philip Hones, and myself to the Local Development Finance Authority/Brownfield Redevelopment Authority for a four-year term each, beginning June 4, 2010, and ending June 3, 2014.

MEMORANDUM

TO: Hon. Mayor and City Council Members
FROM: Susan G. Murphy, Deputy City Attorney
RE: 744 W. Michigan Avenue - Historic District Commission Claim of Appeal
DATE: May 19, 2010

Dr. Pinson appeals the Historic District Commission's (HDC) denial of his request to demolish the house at 744 W. Michigan Avenue. Jackson City Code of Ordinances, Chapter 13, Section 13-9, governs this process.

The following materials are attached for your consideration:

1. Dr. Pinson's Statement in Support of Appeal and exhibits, including proposed plan;
2. HDC Letter of Opposition to Appeal;
3. Prior proceedings before the HDC; and
4. Correspondence received to date.

This matter is scheduled for a public hearing for City Council to consider this information and any additional information or comments from the relevant parties, city staff, or members of the public in determining how to rule on the appeal.

Relevant portions of the Jackson City Code, Section 13-9 include the following:

13-9.1 Historic district commission review.

(a) . .

(c) In reviewing the plans, the historic district commission shall follow the U.S. secretary of the interior's standards for rehabilitation and guidelines for rehabilitating historic buildings, as set forth in 36 C.F.R. part 67. (A copy of these standards is available for review at the city clerk's office.) The commission shall also consider all of the following:

(1) The historic or architectural value and significance of the resource and its relationship to the historic value of the surrounding area.
(2) The relationship of any architectural features of the resource and its relationship to the historic value of the surrounding area.

(3) The general compatibility of the design, arrangement, texture, and materials proposed to be used.

(4) Other factors, such as aesthetic value, that the commission finds relevant.

(5) Height. All additions shall be no higher that the existing building or structure.

(6) Second exit platforms. Second exit shall not be applied to the front or sides of a building or structure, unless they are not visible from the street or unless such prohibition would endanger the safety of the inhabitants.

(7) Solar apparatus. Passive and active solar apparatus may be allowed only if such devices do not detract from the architectural integrity of a building or structure and are unobtrusive. Solar apparatus will not be permitted if such devices hide significant architectural features of a building or structure or neighboring buildings or structures, if their installation requires the loss of significant architectural features, or if they are such a large scale that they become a major feature of the design.

(8) Repairs. Repairs in materials that exactly duplicate the original in composition, texture and appearance are encouraged. Repairs in new materials that duplicate the original in texture and appearance may also be permitted.

Repairs in materials that do not duplicate the original in appearance may be permitted on an individual basis if the repairs are compatible with the character and materials of the existing building or structure and if repairs that duplicate the original in materials are prohibitively expensive.

(9) Restoration. Projects that will return the appearance of a building, structure or property to an earlier appearance are encouraged and may be permitted if such projects are documented by photographs, architectural or archeological research, or other suitable evidence.

(10) Additions and alterations to street facades. The appearance of all street facades of a building or structure shall not be altered unless the design is sensitive to the historic character of a building or structure. Specifically, the design shall be compatible with the existing building in scale, color, texture and the proportion of solids to voids. Materials and architectural details used in such alterations and additions shall be in accordance with the Secretary of the Interior’s standards.

(11) Additions and alterations not visible from the street. Additions and alterations that are not visible from streets contiguous to the lot lines may
be permitted if their design is compatible with the scale of the existing building or structure, and if it is in accordance with the Secretary of the Interior's standards.

(12) Repair, replacement, alterations, additions, or modifications to a roof. Existing roofing that is repaired or replaced with roofing materials of the same or similar kind and quality as that currently existing on a building or structure may be approved by the building inspector without referring the application for permission to the historic district commission.

Further provided, that in order for the building inspector to approve the aforementioned roofing, all architectural details including, but not limited to, window trim, wood cornices and ornaments must either remain uncovered or be duplicated exactly in appearance and materials.

(e) Work within a historic district shall be permitted through the issuance of a notice to proceed by the historic district commission if any of the following conditions prevail and if the proposed work can be demonstrated by a finding of the commission to be necessary to substantially improve or correct any of the following conditions:

(1) The resource constitutes a hazard to the safety of the public or to the structure's occupants.
(2) The resource is a deterrent to a major improvement program that will be of substantial benefit to the community and the applicant proposing the work has obtained all necessary planning and zoning approvals, financing, and environmental clearances.
(3) Retaining the resource will cause undue financial hardship to the owner when a governmental action, an act of God, or other events beyond the owner's control created the hardship, and all feasible alternatives to eliminate the financial hardship, which may include offering the resource for sale at its fair market value or moving the resource to a vacant site within the historic district, have been attempted and exhausted by the owner.
(4) Retaining the resource is not in the interest of the majority of the community.

(k) Plan for preservation. In the case of an application for repair or alteration affecting the exterior appearance of a historic resource or a building or structure within a historic district, or for the moving or demolition of a historic resource or a building or structure within a historic district, which the historic district commission deems so valuable to the City of Jackson, the State of Michigan, or the United States of America that the loss thereof will adversely affect the public purpose of the City of Jackson, the State of Michigan, or the United States of America, the historic district commission may endeavor to work out with the owner an economically feasible plan for preservation of said historic resource or a building or structure within a historic district.
After the public hearing, City Council is requested to do one of the following:

A. Affirm/Support the HDC's decision by denying the request to demolish the house, or
B. Reverse the HDC's decision by granting the request to demolish.

If City Council denies the appeal, Dr. Pinson may appeal the City Council decision to the State Historical Preservation Board as provided for in City Code Section 13-9(b)(1).

This matter is on the City Council Agenda for May 25, 2010 as a Public Hearing on Dr. Pinson's Appeal of the HDC's decision denying the request to demolish the house located at 744 W. Michigan Avenue.

Re: Pinson Historic District Commission Appeal

Dear Susan:

Enclosed for enclosure in the City Council packets for the meeting on May 25 is Applicant’s Statement in Support of the Appeal together with several attachments.

As we discussed earlier today, since the plan for the building has changed since the matter was first considered by the Historic Commission, it might be advisable for the Commission to review the revised plan before the appeal is heard by City Council. I am authorized to stipulate to an appropriate adjournment of the hearing scheduled for next Tuesday for not more than two weeks to give the Commission time to schedule a special meeting to review the revised plan.

Please let me know whether you are willing to proceed on that basis.

Very truly yours,

Robert M. Grover

JACKSON CITY COUNCIL

In the Matter of the Appeal of

TONY E. PINSON, M.D. from
Decision of Jackson Historic District Commission

APPLICANT'S STATEMENT IN SUPPORT OF THE APPEAL

I. INTRODUCTION

Dr. Pinson is appealing the decision of the Jackson Historic District Commission on April 19, 2010 denying his application to demolish the existing house that is attached to the office building at 744 West Michigan Avenue. (Although the Commission refers to the house as a home and a residential structure it has not been used as a home or residence since at least 1969 when it became the office of Patrick Petroleum Corporation).

Dr. Pinson contends the house is not habitable or viable for either office or residential purposes and that any historical value it may have is far outweighed by the economic benefits to be derived from its demolition or removal.

II. BACKGROUND FACTS

A. Limited Historical Value. The property at 744 West Michigan Avenue is within the Under the Oaks Historic District established by ordinance in 1990. Before the District was established and as required by the City's Historic Preservation Ordinance and the Local Historic District's Act, MCL 399.201, et seq., the Commission conducted a study and prepared a report on the historical significance of the proposed District. The Report issued in July 1989 makes almost no mention of the property at 744 West Michigan Avenue or the buildings thereon. For instance, although the Report contains Building-Structure Inventory Forms containing information about many of the homes and other buildings in the proposed District, there is no such form or other information about 744 West Michigan or the house.

Enclosed is a description of the District (Attachment #1), an Appendix listing the Claire Allen buildings in the District (Attachment #2) and key local historical structures (Attachment #3). Conspicuous by its absence is the property at 744 West Michigan.

(It should be noted that many of the homes listed in Attachments #2 and #3, including the Gilbert home at 1313 West Washington Avenue, are not in the Under the Oaks Historic District as eventually established because, due to substantial opposition,
the District as proposed west of West Avenue was not included in the District as finally approved.)

Thus, although members of the Commission now contend that the house has historical significance, the Commission's own 1989 Report makes no such claim.

B. **House Facts and History.** The Commission apparently claims that the house was built in 1882 based solely on records in the Assessor's Office. Enclosed is Assessor’s Card No. 1 first prepared in 1932 when all of the City properties were reassessed (Attachment #4). Although it indicates that the house at that time was 50 years old, the attached statement of Ilene R. Tyler, FAIA, FAPT, LEED AP indicates the house may have been built much later.

Assessor cards also indicate that the exterior of the house has been substantially altered since 1932, including the removal or enclosure of an open porch and the replacement of the original wood siding with the existing aluminum siding. The interior has also been substantially altered and remodeled to accommodate offices and the attachment of the office buildings in the 1970’s. The house may only be accessed from the office building.

The first three story glass and concrete block office building was added in 1971. It contains approximately 103,530 cubic feet. In 1979 the second three story glass and concrete block building was added together with a three story entryway that connects the two buildings. The second building is 43 ft. high and the entranceway is 33 ft. high. They contain 166,496 cubic feet and 44,286 cubic feet respectively. Together the office building has about 44,000 square feet of office space on three levels.

Finally, in 1979, a 32 ft. by 44 ft. garage was built behind the office building. The garage was recently demolished to facilitate the construction of a barrier free entrance to the office building. The demolition of the garage was approved by the Commission in October 2009.

The office building was built by Patrick Petroleum and designed by Lawrence Brink, an architect with Jackson connections. Brink at one time was married to a member of the Michner family and designed other buildings in Jackson, including what is now known as Jackson Professional Plaza at 306 West Washington Avenue. Significantly, he studied for two years in the 1950’s under Frank Lloyd Wright.

C. **Zoning.** The property is zoned R-4, high density apartment and office district.

III. **THE PINSONS AND THEIR PLAN**

A. **The Pinsons.** Dr. Tony Pinson and his wife, Dr. Lorna Pinson, have been active and committed members of the Jackson community since they came here to practice medicine seventeen years ago. Dr. Tony Pinson has served on the boards of
the United Way of Jackson County and the Michigan Theater and currently serves on the board of the Jackson Symphony Orchestra. Tony also enjoys participating as a member of the Mounted Police Division of the Jackson Sheriff’s Department. Professionally he has provided leadership as a member of the board and Chief of Staff of Allegiance Health.

Dr. Lorna Pinson is a family physician who has also served as the Director or Health Officer of the Jackson County Health Department. Professionally she donates her time two days a week to providing free medical care to the underserved at the St. Luke’s Clinic.

B. **The Pinsons' Plan for 744 West Michigan Avenue.** The Pinsons’ plan for the property is a substantial commitment to the City of Jackson. The property was in foreclosure when the Pinsons purchased it in September 2009. Dr. Lorna Pinson has recently moved her family practice from Blackman Township to the office building and Dr. Tony Pinson will move his urology practice from Spring Arbor Road in Summit Township to the office building within the next few weeks. The remaining space is or will be leased to compatible tenants in the health and other fields.

The Pinsons are asking for permission to demolish the house in part because prospective tenants have indicated the house detracts from the commercial value of the office building.

Enclosed for your review are photographs, a site plan and other documents, including a report from the Pinsons’ consulting architect (Attachment #5), to indicate how the property will appear if the appeal is granted and the house is demolished or removed. The Pinsons contend that their plan will improve, not detract from, the appearance of the property and substantially enhance its commercial value, all to the benefit of the City and its taxpayers.

One final point. As an alternative to demolition the Pinsons are willing to donate the house to the City if it is feasible to move the house to perhaps a vacant property owned by the City within or without the Under the Oaks Historical District.

**IV. RELIEF REQUESTED**

Dr. Pinson respectfully requests that his appeal be granted and that he be permitted to demolish the house.

Attorney for Dr. Tony Pinson
"Under the Oaks"

The Jackson Historic District Commission proposes that the first contiguous residential Historic District be established in accordance with the Historic Preservation Ordinance of 1977. At present, the city has twenty (20) individual sites located generally in the central downtown area. The proposed district is identified as "Under the Oaks". The district is generally bisected by Washington Avenue between First Street and Brown Street, and includes properties along West Michigan Avenue and Franklin Street, which parallel Washington to the north and south, respectively (see enclosed map). Michigan and Wildwood cover the northern edge of the district and are the earliest streets. Wildwood was the extension of the Territorial Road to downtown and Michigan was named St. Joseph to recognize the "path" from Detroit to St. Joseph (and on to Chicago). The district encompasses a variety of house types, from middle class workers' homes to the estates of some of Jackson's wealthiest along "Mansion Row".

The "Under the Oaks" name symbolizes many aspects of the district. Early accounts of the city refer to the large oak groves encompassing western areas of Jackson, providing a natural basis for the name. Indeed, today two of the largest oaks in Michigan are located at 734 W. Franklin Street (The Jackson Bicentennial Tree; a Red Oak over 200 years old) and 401 S. Thompson Street (a White Oak over 200 years old). The district includes the site on Franklin Street where the Republican party was founded during a public rally, under the oaks, prior to the Civil War, providing an historical basis for the district name. Many oaks in this area that were providing shade during the rally are still standing today. Finally, the district includes Jackson's first extended "suburban" residential development dating to the early 20th century, an era when prosperous city fathers were moving to the city fringe and a more open non-urban environment, symbolized by the oaks and openings. A distinctive residential architecture reflected this movement, evident today and providing an architectural rationale for the name and district.

The proposed district presents an explicitly intact body of architectural expression, with most dwellings unaltered from original construction in the late nineteenth and early twentieth century. The proposed district presents a number of architectural types and styles, providing a cross section of Jackson historically, socially, and architecturally.

The under the oaks district includes Jackson High School, one of the oldest institutions of its type in the state, and presently housed in a "Collegiate Gothic" structure, the finest example in the city. One of Jackson's oldest unaltered residences, the Hamlin House built in 1848 at 602 W. Michigan, is an excellent example of Georgian/Classical Revival architecture. The Belknap house on First Street, probably erected ca. 1860, is the finest example of Italianate Villa architecture in the city. The "IONIA" stone apartments in the 500 block of Michigan Avenue are the only surviving example of rowhouse architecture in the city. They were designed by noted architect and Jackson resident Clair Allen, who resided in one of the apartments at the time of his death. While Allen designed a number of buildings in the city and state, the single largest concentration of his work and 10 of his most architecturally notable residences occur within the proposed district.

ATTACHMENT #1
The most architecturally imposing residences, erected as dwellings after the turn of the century and now generally converted to office use but retaining unaltered facades, occur along "Mansion Row" in the 700 block of West Michigan. Further west are a series of high style dwellings executed in Colonial Revival, Tudor Revival, and French Eclectic styles, erected by Jackson Captains of Industry in the first decades of the twentieth century, including the Camps of Camp International, the Gilberths of Gilbert Chocolates fame and executives of such companies as Sparks Witherington, Consumers Power, and other Jackson institutions. Although such architecture determines the character of the district, blocks of more vernacular dwellings ranging from workers' cottages, to what has been termed the Foroushine type, also grace the street.

Generally, the dwellings within the district are in a good state of repair, although isolated examples require maintenance. Some larger residences have been converted into apartments and display a range of care. Remodeling and renovation have occurred to varying degrees on a number of residences, but most is limited in scope and effect, confined primarily to application of aluminum siding. Most residences retain virtually all distinctive architectural detailing.

One of the primary objectives of the proposed district is to maintain the streetscape presented by the built environment and to document existing structures. To this end as of May 1989 State of Michigan architectural inventory cards have been filled out for over 1/2 of the over 600 buildings within the proposed district. The area addressed presents the most architecturally and socially intact neighborhoods in Jackson. Recently an improving economy has encouraged the architecturally unsympathetic "improvement" of several dwellings. Also, brought to the attention of the Historic District Commission, are plans to alter both the Hamlin House and Belknap House, actions which would significantly affect the integrity of the proposed district. Creation of a certified historic district will permit preservation of individually significant buildings and the effect of the proposed district as an entity.

The proposed district will not only attempt to preserve the built environment but also serve to educate property owners of appropriate means of maintenance and restoration. Some have said Jackson is not ready for an historic district. The attempt must be made now before significant structures within the "Under the Oaks" district are altered and the neighborhood loses its distinctive character.

The Historic District Commission will use the Department of the Secretary of Interior Guidelines for Historic Preservation to regulate the district.

MEMORANDUM

From: ILENE R. TYLER, FAIA, FAPT, LEED AP

To: DR. TONY PINSON
PINSON UROLOGY
2800 SPRING ARBOR ROAD
JACKSON, MI 49203

RE: 744 W. MICHIGAN AVENUE
JACKSON, MICHIGAN
21000038

Subject: Information regarding HDC decision to disapprove the proposed demolition of 744 W. Michigan Avenue

On Monday, April 19, 2010, the Jackson Historic District Commission voted to disapprove the owner’s request to demolish the house located at 744 W. Michigan Avenue. The owner requested removal of the house because it can not be inhabited in its current state, and because it would be cost-prohibitive to return it to a state of utility. Although originally constructed for residential use, it was radically altered and converted to office use more than 40 years ago. Historic features associated with a house of this style and vintage were completely removed or covered up, and the house's historic and architectural integrity was severely compromised. It would now be appropriate to ask that the house be determined non-contributing to the historic district, and that permission to be demolished be granted.

Architectural Style of the Original House

The form of the original house suggests that it was built in the Queen Anne style, prevalent from 1880-1910. Identifying extant features include a steeply pitched, hipped roof with a side-facing cross gable, dormers and cutaway bay window on the front elevation, and generally asymmetrical building massing. Title information and the historic district study committee report are inconclusive about the date of original construction, although it can be presumed to be some time around the turn of the twentieth century.

Houses on the adjacent lots are from the same time period and in a similar Queen Anne architectural style. Other houses in the neighborhood and in the historic district vary widely from the Queen Anne, suggesting a gradual period of development without stylistic cohesiveness. In fact, the historic district study committee report states that “the district encompasses a variety of house types, from middle class workers’ homes to the estates of some of Jackson’s wealthiest along ‘Mansion Row’.”

Architectural Integrity of the Existing Structure

In the last 30-40 years, many of the houses in the district have been altered and converted to office use, or completely replaced by modern buildings. An objective of the historic district was “to maintain the streetscape presented by the built environment and to document existing structures” by creating an inventory of about half of the [600] extant buildings. 744 W. Michigan is not among those inventoried. In the 1970s, prior to establishment of the historic district, 744 W. Michigan was extensively altered for office use. Instead of being protected, character-defining features were irretrievably lost in this wave of modernization. For 744 W. Michigan, the historic district came too late to prevent this loss or to preserve its integrity.
Although not demolished during the 1970s work at 744 W. Michigan, the building was poorly regarded and badly treated. The original open front porch was completely enclosed and the front door sealed from inside. Other porches were removed and openings eliminated or changed to accommodate office use. The entire exterior was insensitively clad in aluminum, covering all of the original wood siding, trim, soffits, and dormers. While some of the original woodwork may be intact under the aluminum, its condition will have deteriorated and would require complete replacement to return the exterior to its historic appearance.

The two chimneys are in very poor condition, and appear to have been partially rebuilt without any of the patterned masonry details typical to the Queen Anne style.

Conditions at the interior are even more devastating to the historic character of the original house. Corresponding to the loss of the historic porch and functional front door, there is also no entry hall or central stair, both of which are key features of a Queen Anne interior. To accommodate office use, most of the interior walls have been modified or removed, and follow no logical plan of historic use. There is no kitchen or any bathrooms, although modern toilet rooms were inserted where needed. Original woodwork and features were removed to attempt modernization, but resulted in further loss of architectural character and integrity.

In its current condition and configuration, the original house cannot be occupied for office or other use. The single egress stair is inadequate for the size of the original building.

Because of these specific conditions and the general loss of historic and architectural integrity, this structure should be deemed non-contributing to the historic district.

1970 Additions and Site Modifications

The 1970s additions were designed as an independent, free-standing design on a large lot. Because of narrow access from Michigan Avenue, a driveway directs traffic to the large flat area at the north side where there is ample parking and a barrier free entrance to a central lobby serving the newer building. This entry does not serve the original house, except through the egress stair at the south end of the addition.

The additions are consistent with the Brutalist style of architectural design, popular in the 1970s.

Concept for Building Replacement and Site Upgrade

Replacing the older house with a compatible addition at the front of the site would accomplish several objectives. It would:

1. Remove the dilapidated and compromised older house, an eyesore in downtown Jackson.
2. Improve the appearance of the 1970s structure by blending its architectural style with a contemporary design and treatment in a similar style.
3. Increase the marketability and commercial value of the property.
4. Preserve the streetscape along W. Michigan Avenue with infill construction that is compatible in its massing, scale, and setback from the street.

Receiving permission to proceed with demolition of the house is consistent with the historic district commission’s purpose to stabilize and improve property values in the historic district, foster civic beauty, and strengthen the local economy. Although the older house would no longer be part of the district’s resources, the streetscape and the site itself would be improved, and the substantial building that has been on the site for over forty years would be expanded and enhanced to contribute to the streetscape of the district.

END OF MEMORANDUM
Historic District Commission Letter in Opposition to Appeal
May 18, 2010

Honorable Mayor and City Council members:

On October 8, 2009, Jim Heinowski of M-R Builder, along with architects George and Jason Covalle, appeared before the Historic District Commission (HDC) at a special meeting called for the sole purpose to consider their Application for Permission to demolish a garage on the property at 744 W. Michigan Ave since the property is in the Under the Oaks Historic District. They also wanted to replace some windows in the office structure attached to the rear of the house. They were granted permission on both items.

At this meeting, the architects and builder informally described the future plan that included demolishing the historic house on this Under the Oaks property. The Commission voiced concern at that time that, based on the information presented, it could not find reason to demolish the house. The Commission emphasized that the house should be used and would work with the owner to find an agreeable plan.

On April 19, 2010, Mr. Heinowski again appeared before the HDC, along with the owner, Dr. Tony Pinson, for the purpose of considering an Application for Permission to demolish the house at 744 West Michigan Ave., leaving in place only the more modern office building. This house, which was built in 1882 according to the City Assessors Office, is a contributing building in Jackson’s Under the Oaks Historic District. The house was the home for prominent Jackson families such as Nathan Potter, President of the Jackson City Bank, members of the Gilbert family, Carl M. Saunders. Editor of the Jackson Citizen Patriot, and is believed to be the birthplace of US Supreme Court Justice Potter Stewart.

The Jackson City Ordinance adopted in 1977, as amended, establishes the Jackson Historic District Commission which has among its duties and functions to review plans and projects concerning construction, alteration, repair, moving or demolition of a historic resource. In reviewing Dr. Pinson’s plan to demolish this historic resource, the City Ordinance, Chapter 13 requires the HDC to follow the U.S. secretary of interior’s standards for rehabilitation, as set forth in 36 C.F.R. part 67. The standards which apply to this proposal are:

1. A property shall be used for its historic purpose or be placed in a new use that requires minimal change to the defining characteristics of the building and its site and environment.

2. The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided.

5. Distinctive features, finishes, and construction techniques or examples of craftsmanship that characterize a property shall be preserved.

Based on these three standards, the HDC denied the application for permission to demolish the historic home at 744 W. Michigan Avenue.

Please note, Standard 1 does allow for adaptive reuse such as Dr. Pinson’s suggestion to make the house a conference center. In fact, most of the old homes along West Michigan are being used for offices or other places of business.
The Jackson City Ordinance, Sec. 13-9 (c) also states the HDC shall consider:

(1) The historic or architectural value and significance of the resource and its relationship to the historic value of the surrounding area.

(2) The relationship of any architectural features of the resource and its relationship to the historic value of the surrounding area.

As part of the Under the Oaks Historic District the building contributes to the historic value of the whole district. There are approximately 320 buildings and 450 properties in the Under the Oaks Historic District. Destruction of one of the buildings, especially a prominent one, of the Under the Oaks Historic District will negatively impact property values in the rest of the district, and in particular, the properties along West Michigan. West Michigan Avenue is the major gateway to Downtown Jackson, and the beautiful old homes on what was called Mansion Row are some of the few reminders of the golden age of Jackson. Prior to the formation of the HDC, a few of these buildings were torn down and contemporary buildings such as the former Red Cross building, Nelson Towers, and the Presbyterian Church erected in their place, taking away from the grandeur of Mansion Row. The Historic District Commission was created to prevent further demolishing of Jackson’s heritage.

Furthermore, the Jackson City Ordinance, Sec. 13-9 (e) states that work within a historic district shall be permitted if needed to substantially improve the following conditions:

(1) The resource constitutes a hazard to the safety of the public or to the structure’s occupants.

(2) The resource is a deterrent to a major improvement program that will be of substantial benefit to the community and the applicant proposing the work has obtained all necessary planning and zoning approvals, financing, and environmental clearances.

(3) Retaining the resource will cause undue financial hardship to the owner when a governmental action, an act of God, or other events beyond the owner's control created the hardship, and all feasible alternatives to eliminate the financial hardship, which may include offering the resource for sale at its fair market value or moving the resource to a vacant site within the historic district, have been attempted and exhausted by the owner.

(4) Retaining the resource is not in the interest of the majority of the community.

None of these four conditions have been met. Dr. Pinson has brought up the cost of renovating the interior of this structurally sound building as a reason for demolishing it. When a property buyer knowingly buys into a historic district, along with that comes the obligation to maintain the historic resource as part of the benefit of being in a historic district. One possible solution is to secure the building and postpone renovation until a later date. Another possibility is to take advantage of the more than 25% federal and/or state income tax credits available for renovation of a designated historic resource. In addition, there are tax credits available through Community Development.

The newspaper quoted Dr. Pinson as saying demolishing the house at 744 W. Michigan would “improve its appearance” and draw more medical companies to rent office space in his building and thereby bring more jobs to Jackson. If in fact this were true that demolishing an approximately 5000 sq. feet building would bring more jobs to Jackson, these additional jobs would come at the cost of lower property values in the historic district.

In the past 30 years while the HDC has been serving Jackson, the HDC has worked with owners of historic buildings without controversy. The HDC has scheduled many special meetings to work within owners’ deadlines and has managed to come to mutual agreements with owners throughout that 30-year period.
The HDC has followed the Jackson City Ordinance and the US secretary of interior’s standards as written. If the City Council overturns the decision of the HDC in this case, it will not only be going against the very Ordinance the City put in place, but it will also set precedent to owners of a historic resource that if they don’t like a decision of the HDC, they simply can go to the City Council and get what they want, even when it is something the City Ordinance was enacted to stop from happening. This would negate the purpose of the Historic District Commission.

Sincerely,

Marilyn Guidinger

Subject: 744 W. Michigan Avenue

Dear Mr. Heinowski:

This letter confirms that the Jackson Historic District Commission (HDC) did not grant its permission to demolish the historic house located at 744 W. Michigan Avenue at its meeting on April 19, 2010. The motion to disapprove the request follows:

Comm. Schaub moved, and Comm. Fuerstenau seconded, a motion to disapprove the proposed demolition of the historic home located at 744 W. Michigan Avenue for the reasons presented during the discussion.

Yeas-5 (Ahronheim, Fuerstenau, Guidinger, Schaub, and Weir); Nays-0; Abstain-0; Absent-1 (Woodard)

Please contact me at (517) 768-6711 with any questions.

Sincerely,

Grant E. Bauman, AICP

Meeting Minutes
April 19, 2010
10th Floor of City Hall

MEMBERS PRESENT: Charles Ahronheim; Martha Fuerstenau; Marilyn Guidinger, Chair; John Schaub; and Jean Weir, Vice-Chair

MEMBERS ABSENT: Jeannette Woodard

STAFF PRESENT: Grant Bauman, HDC Secretary

GUESTS PRESENT: Rachel Wineman regarding 411 W. Franklin and Jim and Nick Heinowski and Dr. Pinson regarding 744 W. Michigan Avenue

Item 1. Call to Order
Chairperson Guidinger called the meeting to order at 6:00 pm.

Item 2. Consideration of the March 15, 2010 HDC Meeting Minutes
Commissioners reviewed the minutes.

Comm. Schaub moved, and Comm. Fuerstenau seconded, a motion to approve the minutes of the March 15, 2010 meeting of the HDC as presented.

The motion passed by unanimous voice vote.

Item 3. Public Comments
There was no public comment.

Item 4. 411 W. Franklin Street
Rachel Wineman asked Commissioners for guidance regarding several porch roofs at 411 W. Franklin Street which need to be repaired. She would like to install green roofs but is considering other options as well, including rubber membrane roofing. Ms. Wineman noted that the roofs need to be walkable and that she would like to install a copper band around the front porch. Comm. Schaub stated that he would like the roofs to look as close to the original as possible and that he does not want to lose any original details. The other commissioners confirmed those suggestions. Comm. Weir thanked Ms. Wineman for the opportunity to comment on the project at this point in the process.

Item 5. Application for Permission
The following application for permission was considered by the HDC.

744 W. Michigan Avenue

Jim Heinowski, M-R Builder, Inc. provided a summary description of 744 W. Michigan Avenue. The property contains a large office building and associated parking behind the historic residential structure which fronts Michigan Avenue. The large two-story house is set back from the street as are most of the historic houses along this section of West Michigan Avenue (pictures provided). The house has been re-sided with aluminum siding...
and a porch added. While the house has interior accessibility from the office addition which meets ADA code, the house itself is not ADA barrier free. According to Dr. Pinson, the applicant, it would be a financial hardship to convert the home into useable space. Consequently, Dr. Pinson wishes to demolish the residential structure and preserve the office building. A new façade would be added to the office building and a trellis erected in order to maintain the current building setback.

The commissioners discussed the proposal. Comm. Fuerstenau spoke about the importance of all of the historic homes along Michigan Avenue (Under the Oaks Historic District) and noted that she heard nothing about structural reasons for the proposed demolition. The applicant stated that the building could continue to decay. He also noted that the vacant building has been broken into. Comm. Schaub spoke against demolition by neglect, which is against the law. The care of a historic building is a responsibility that goes with the purchase of such a building in a historic district. A break-in by others is not a reason for demolition and making the building secure is a responsibility of the owner.

Comm. Schaub noted that the house is a key building along Michigan Avenue and that it is critical to the district — big massive buildings along Michigan Avenue. The ordinance was established to preserve those structures. He also stated that the City would work with the applicant to find alternative uses for the building. Comm. Fuerstenau stated that it is important to preserve the front of the building and its relationship to Michigan Avenue. The Commission can be flexible on the building as it relates to the office building in the back.

Dr. Pinson stated that he does not feel that there is a good use for the home. He explained that the solution might be to expand the office building to where the home is, satisfying some of the objectives of the Commission. He had considered using the house as a conference center but came to the conclusion that the house needed to be gutted and the electrical, plumbing and drywall replaced, which would be too expensive. The cost for those improvements was approximately $500,000; $1 million has already been invested in the property. Comm. Schaub stated that he appreciates what the applicants are trying to do but that he wants to preserve the building.

Comm. Schaub moved, and Comm. Fuerstenau seconded, a motion to disapprove the proposed demolition of the historic home located at 744 W. Michigan Avenue for the reasons presented during the discussion.

Yeas-5 (Ahronneim, Fuerstenau, Guidinger, Schaub, and Weir); Nays-0; Abstain-0; Absent-1 (Woodard)

Item 6. Correspondence

Staff alerted to the various emails sent by the Midwest Office of the National Trust for Historic Preservation which were included in the agenda packet.

Item 7. Adjournment

The meeting was adjourned at 7:05 pm

Dr. Tony Pinson

Description of Change
The applicant is requesting the demolition of the existing home which fronts Michigan Ave.

Detailed Description
The applicant wishes to demolish the historic residential structure in front of a large office building. A new façade which complements the office building is proposed. A landscaped area, including a trellis, is proposed for the area currently occupied by the historic residential structure (please see the attached application, site plan, and email).

Proposed Loss/Change of Design Details
A historic residential structure along Michigan Avenue would be lost.

Anticipated Date of Completion
As soon as possible.

Estimated Cost of the Change
Anticipated project costs total approximately $100,000.
1. Application Information
   Property Address: 144 W. Michigan Avenue, 49240
   Applicant Name: M. R. Builders, Inc. (Jim Hendrickson)
   Mailing Address of Applicant: P.O. Box 4914
   City: Kalamazoo, State: MI, Zip: 49241
   Work Phone: (269) 320-1010, Home Phone: __________ Email: JHendrickson@mrbuilders.com

2. Property Information
   Owner (if not the same): Dr. Tony Pingen
   Contractor (if any): M. R. Builders, Inc.
   Architect (if any): Leatherman, Congel, and Aschen, Inc.

3. Detailed Description
   Removal of Existing Home (Shed, Garage)
   Replacement to create Building. House is not habitable
   For Either Commercial or Residential Use
   Please, on this execution to complete existing
   Deeds to House. Would like to replace with
   Landscape area with trellis and complement
   Architectural Features of Existing Commercial Building

4. What design details will be lost or changed?
   Removal of existing house
   Existing Michigan Ave. New facade, material, and
   Architectural features of original building
   West Michigan Ave.

5. Anticipated Date of Completion: __________

6. Estimated Cost of Change: $100,000

7. Does this building contain a fire alarm system or a smoke alarm? If so, what type? Yes
   Please indicate. 

8. Building Inspection
   Date Inspected: 4/10
   Referral to HDC: 4/13
   Date Considered:

Subject: City Council Agenda Item for April 27, 2010: Re: 744 W Michigan Ave Demolition

Dear Mayor Dunigan,

I am writing to ask you to oppose an application for the demolition of the historic Pinson mansion located at 744 West Michigan Ave.

I understand that the Historic District Commission denied the owner's (Dr. Tony Pinson) request for demolition, and he will be appealing to the City Council to get the decision reversed.

According to the HDC, Dr. Pinson presented no evidence that the building is structurally unsound. Further, demolishing buildings in a historic district results in lower property values for all who remain in the district. Those who have purchased and invested in property in the district and other community members who value our historic resources have a reasonable expectation that the historic district ordinances will be enforced.

I respectfully urge you to oppose demolishing a structure that adds to the historic character of our city and undermining the integrity of a Jackson historic district.

Sincerely,

Denice Blair Leach

Subject: 744 West Michigan application

Dear Mayor Dunigan:

I was notified that an application for permission to demolish the mansion at 744 West Michigan Avenue will come before the city council tomorrow night. I live on 3rd Street, three houses down from West Michigan. I ask that you deny the permission and that my opposition to the application be noted during the meeting.

I feel the demolition of a nice looking historic house only to open up the view of the office building further back would detract from the character of the neighborhood. It is my understanding the Pinson's will be claiming hardship, but that should have been thought of during the recent process of their purchasing the mansion. The city's historic homes should not be endangered because an individual finds it profitable to purchase property and demolish an existing nice looking historic home.

Sincerely,

John King

As residents and property owner in the Jackson Historic District, we are definitely opposed to the demolition of the residence at 744 W. Michigan Avenue. Michigan Avenue is one of our few remaining streets that still have some notable residences left. As Michigan Avenue is still the main thoroughfare thru our town, we should be obliged to retain it’s beauty. If we aren’t careful the, next thing will be electronic signs up an down the avenue. This in turn will certainly lower our property values along with giving a bad impression to visitors entering our city.

Subject: demolition of 744 W. Michigan

Dear Mayor and Commissioners, as a member of the Historic District Commission I emphatically urge you to vote against the demolition of the house at 744 W. Michigan Ave. The loss of this house would destroy the integrity of W. Michigan Avenue and would be another statement saying that Jackson does not care about its history or its beautiful architecture. In light of the present economic challenges, as Jackson is seeking an identity, why destroy one of the most positive elements of this city?

Secondly, allowing this demolition, after what happened with the church rectory, would negate any power the HDC has, rendering us impotent, then greed and self-interest wins out over community pride, art and history.

Please, please take careful consideration the impact of the destruction of this house would have on Jackson.

Thank you for your time,

Jean Weir, Historic District Commission

Click here to report this email as spam.
Dear Mayor and city council,

As a resident of Jackson, a member of the Historic District Commission and a partner in the new tour group "Jackson's Journeys," I emphatically urge you to vote against allowing Dr. Pinson to tear down the house at 744 W. Michigan. Tearing down this house means destroying one of Jackson's resources. Under the guidance of Mindy Brandish of the Jackson Tourist Bureau, Judy Neel Krasnow and I are forming bus tours to cite the amazing storehouse of historical and architectural venues Jackson has to offer. We are working with the Michigan Theater, Ella Sharp, the Shakespeare Festival, the Dahlem and the Congregational Church to provide an exciting, well-rounded tour. Removing this house just makes another hole on Michigan Ave, losing part of the integrity of this
gateway.

Dr. Prison says he will be creating jobs by removing this structure. We, too, plan on creating jobs as we will be hiring other tour guides and drivers and promoting tourism and other service industries.

At Armory Arts we are working very hard to turn Jackson into a tourist destination. We get calls from all over the world to see the world’s largest walled prison that has turned into an artist community. People are fascinated and we want to expand this potential goldmine to the rest of the significant architectural and historical segments of Jackson. Since March of 2010 we have had over 400 people tour Armory Arts. Both Debbie Stokman and Carl Saltin have toured here and see the potential.
Secondly, by allowing Dr. Pinson to tear down this house, it will be, virtually negating the Historic District Commission. Since this is the second time the Council has been approached to overrule a HDC decision, it is fearful this will become an option to avoid city rules and regulations.

Thirdly, Dr. Pinson knew he was buying into a historic district. Why should he be exempt from following the rules the city has put into place?

Finally, I urge you, on behalf of future business and the beauty of Jackson to deny Dr. Pinson's appeal.

Sincerely,

[Signature]
May 20, 2010

To: Honorable Mayor and City Council Members

From: Martha Fuerstenau, 515 W Michigan Avenue, Jackson, MI 49201

Re: Request for Appeal, Dr. Tony Pinson, 744 W Michigan Avenue

I have lived in the Under the Oaks Historic District since 1984. My first apartment on moving to Jackson was in the district. I moved into my current residence at 515 W Michigan Avenue in 1988. Since that time I have acquired 3 other properties in the district: 511 W Michigan, 513 W Michigan, and 519 W Michigan Avenue. I have served on the Jackson Historic District Commission (JHDC) on and off since the mid-1990’s, and currently serve on the commission. I agree with the action of the JHDC and you have their response to Dr. Pinson’s appeal: I am writing you as a property owner, voter, and resident of the Under the Oaks Historic District.

There are many reasons for you to deny Dr. Pinson’s appeal to demolish the historic home on his property at 744 W Michigan Avenue:

Establishing Precedence

There are criteria specified in the ordinance regarding demolition of property within a historic district. None of those criteria are met in this situation. To briefly summarize, the house is structurally sound with a good foundation; economic hardship is not met due to the fact that Dr. Pinson (according to his own statements) has already invested $1 million into the property. Public record indicates he paid $415,000, so perhaps $600,000 has been invested outside the purchase price—this is obviously outside the resources of the average Jackson home or business owner, and not an indication of economic hardship. You as City Council are obligated to follow City ordinances. If you fail to apply the ordinance in this case, you will establish precedence for granting any appeal without cause, ultimately getting the district ordinance of any standards whatsoever, and harming the majority of residents and owners who benefit from the ordinance being in place.

Historic Preservation in Jackson

The historic ordinance was established in 1977 and the Under the Oaks district established about 13 years later. The Under the Oaks district is important because of the continuity of historic homes that make a statement to residents and visitors alike, that Jackson values our history. Homes in this district are designated for a variety of reasons including architecture and the history of the people who lived there. It is a significant claim for Jackson, Michigan to have a connection to a US Supreme Court Justice, and that man, Stewart Potter, was born at 744 W Michigan Avenue. These homes are not designated simply because they are old. These homes are historic regardless of their current appearance.

We have lived without controversy under this ordinance for over 30 years. In that time, two very significant events occurred that indicate the positive view and support Jackson citizens have for historic preservation: first, the historic renovation of Jackson High School; second, the historic renovation of City Hall. In both cases, civic leaders were openly against these projects, but the people of Jackson voted not just at the voting booth but ultimately with their wallets, as we agreed that preserving these buildings was worth the price. There are community values that go along with these decisions that are not always about dollars and cents. As our current civic leaders, you should not ignore the wishes of your constituency.
Property Owner Rights

I purchased my first property and residence just prior to the establishment of the Under the Oaks district. I assume that the City will stand by this ordinance. My belief, based on economic data from State and National sources, is that this ordinance stabilizes the current and future value of my property, which is why I have continued to invest in property in the historic district over the past 20 years. Historic District property owners accept the fact that exterior renovation must be reviewed by the Historic District Commission. This is the compromise and understanding that a property owner agrees to when purchasing in the historic district. By allowing one individual, Dr. Pinson, an exemption from the ordinance, you are undermining the reason this neighborhood is sought after by potential property owners who want to live in a neighborhood where preservation is the rule not the exception and not optional.

My property values are at stake here as well. If you grant Dr. Pinson’s appeal, my property values are at risk because you have opened the door to future demolition in the district. Dr. Pinson may ask you to consider his economic situation as you make this decision, and I certainly ask you to consider mine. I have consistently invested in downtown Jackson over many years and currently own 4 separate properties in the district. My property is rented out just like Dr. Pinson is attempting to do. I ask that you consider the 300+ property owners whose property values will be diminished by Dr. Pinson’s demolition of his historic home.

Summary

I wish I understood Dr. Pinson’s reasoning in purchasing property in the historic district and immediately requesting demolition. My experience in this neighborhood over the past 20 years indicates that most property owners take great pride in their homes and the renovation projects that improve their property. I have been rewarded with State of Michigan Historic Preservation Tax Credits for two projects in the past 3 years; a huge financial benefit, simply because I own property in the local historic district.

Ultimately this is an issue of fairness, weighing the request of one individual against the rest of the 300+ property owners in the district. If you approve Dr. Pinson’s appeal, you will have broken the compact that property owners in the district have depended on the City to apply equally to all, and you will have compromised your standing in the future to deny requests for demolition in the historic district.

I respectfully request that you deny Dr. Pinson’s appeal.

FROM: Carol Konieczki, Community Development Director

RE: Public Hearing to Hear Public Comments for the Submittal of a United States Environmental Protection Agency (USEPA) Brownfield Area-Wide Planning Pilot Program Grant and Resolution Authorizing the Community Development Department to Submit an Application to the USEPA

On May 11th, City Council set a public hearing for the 25th of May, 2010, during a regularly scheduled Council Meeting, to consider a grant application in the amount of $175,000 to the United States Environmental Protection Agency (USEPA) for Brownfield Area-Wide Planning. The applicant is required by the USEPA to hold a public hearing to provide public comment prior to the submission of the application. The public has been notified of this hearing by publication in the Jackson Citizen Patriot, an official paper of general circulation, not less than ten (10) days prior to the hearing.

Award of this grant funding would result in an area-wide plan which will inform the reuse of Brownfield properties and promote revitalization. The target area will include the former Acme Building site, Michner Plating, Armory Arts Village, the old Art Moehn lot, and the Cooper Street corridor, which borders our Neighborhood Stabilization Program area and is immediately north of downtown Jackson. The intent is to improve effects from exposure to environmental contamination, and stimulate investment to retain and create jobs in the community.

The Jackson Brownfield Redevelopment Authority (JBRA) will be the grant recipient and supports this application. The JBRA encourages Council to approve the submission of the application. The JBRA has been successful in obtaining and administering grant awards from the USEPA in the past, obtaining grants for site assessment in both 2004 and 2007, each awarding the JBRA $400,000 for both hazardous and petroleum site assessments. The JBRA was also awarded a $1 million dollar Revolving Loan Fund from the USEPA in 2008.

Recommended action is for Council to hold a public hearing, as established, regarding the USEPA Brownfield Area-Wide Planning Pilot Grant to receive public comment, and to authorize the Community Development Department to submit a grant application to the USEPA requesting $175,000 for Brownfield Area-Wide Planning, subject to modification as necessary by the Community Development staff for finalization and submission.

CK/bh

Cc: Barry Hicks, Economic Development Project Manager
CITY OF JACKSON, MICHIGAN

RESOLUTION AUTHORIZING SUBMISSION OF A USEPA GRANT APPLICATION FOR THE BROWNFIELD AREA-WIDE PLANNING PILOT PROGRAM

WHEREAS, the City of Jackson is concerned about the long-term impact of contaminants on the health of the community and the environment, and desires to support activities that promote sustainable reuse of brownfield sites, and

WHEREAS, the City of Jackson is home to over one hundred potential brownfield parcels in and around the Grand River and the Downtown, which potentially have a negative economic impact on the community; and

WHEREAS, the City of Jackson needs to create a plan to address environmental concerns and redevelop brownfields to protect the health of the community and provide a vision for the community; and

WHEREAS, the City of Jackson desires to continue to work with the private sector and to partner with the Enterprise Group of Jackson, Jackson County Land Bank Authority, and Region 2 Planning Commission for the purposes of this grant; and

WHEREAS, the Community Development Department desires to make application to the United States Environmental Protection Agency (USEPA) for the Brownfield Area-Wide Planning Pilot Program Grant in the amount of $175,000;

NOW, THEREFORE BE IT RESOLVED, that the Jackson City Council hereby approves the submission of the May 25, 2010 grant application to the United States Environmental Protection Agency for $175,000 in to assist with area-wide planning for brownfield redevelopment.

I, Lynn Fessel, City Clerk in and for the City of Jackson, County and State aforesaid, do hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Jackson City Council on the 25th day of May, 2010.

IN WITNESS WHEREOF, I have hereto affixed my signature and the Seal of the City of Jackson, Michigan, on this 26th day of May, 2010.

_______________________________  City Clerk
May 20, 2010

TO: Warren Renando, Interim City Manager

FROM: Philip Hones, Finance Director

RE: PROPOSED ANNUAL BUDGET RESOLUTION FOR FISCAL YEAR 2010/11

Attached is the proposed Annual Budget Resolution for fiscal year 2010/11 scheduled for adoption at the City Council meeting of May 25th.

The Annual Budget Resolution:

1) Adopts the fiscal year 2010/11 budget for all City funds (except for the CDBG Funds, which are adopted separately),
2) Amends the current fiscal year 2009/10 budget to those amounts projected, and
3) Orders the levy of City tax rates on the taxable value of all classes of property.

Inclusion of the amendment of the current fiscal year budget (item 2 above) in this Resolution not only streamlines the budget process but also assures that both the current fiscal year as well as the proposed adopted budget for next fiscal year are as reflected in the forthcoming 2010/11 Adopted Budget document.

There have been some changes incorporated into this resolution since the City Manager’s Proposed Budget notebook was distributed in mid-April. Those changes are:

**General Fund—**

- Eliminated estimated revenue from Henrietta Township of $366,000.
- Eliminated transfer of Cell Tower lease revenue to the Capital Projects Fund which historically has been used to fund Public Arts Committee expenditures – $26,967.
- Included CDBG allocation (one-half) for City Attorney code enforcement - $31,500.

**Other Funds—**

- Incorporated additional $36,821 grant into Fund #266, per Police Department request.
- Added to Fund #494 the projected costs of $25,000 for IRS audit-related attorney fees for the BRA Bond audit. There are sufficient funds from interest earnings to cover this.
- Added $375,000 in Parking Deck (fund #599) capital for sealing the top decks of both ramps as well as an LED light change-out. These items will come back to the Council for approval when the work is eventually bid.

Attached is a revised budget summary for the General Fund which shows the fund balance is now projected to be approximately 8.34% of expenditures at 6/30/11 after these revisions.

Please let me know if you have any questions regarding the above.

ANNUAL BUDGET RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, prior to the first regular council meeting in May, the Interim City Manager has submitted to the City Council an estimate of the revenues and expenditures of the City of Jackson for the period from July 1, 2010, through June 30, 2011, from detailed information furnished to him by the several departments of the City and has made recommendations as to the amounts to be appropriated to each of the various funds provided for in the City Charter; and

WHEREAS, the City Council has prepared an Annual Budget for said period which is annexed hereto, and held a duly scheduled public hearing at least seven days prior to the consideration of this resolution;

NOW, THEREFORE, BE IT RESOLVED, that the Annual Budget of the City for the period from July 1, 2010 to June 30, 2011, including Attachment A, revenue summary, and Attachment B, expense summary, representing the various budgetary centers as defined by P.A. 621 of 1978, as last amended, is hereby adopted;

BE IT FURTHER RESOLVED that the current fiscal year 2009/10 budget be amended to those amounts reflected in the 2009/10 Projected column as contained in those Attachments A and B.

BE IT FURTHER RESOLVED, that it is ordered that an ad valorem property tax as set forth below be levied upon the taxable valuation of all taxable real and personal property in the City of Jackson, which is estimated to be $ 725,204,838.

BE IT FURTHER RESOLVED, that it is ordered that a tax as set forth below be levied upon the taxable valuation of all industrial property qualified under Act 198 of 1974, property qualified under the Neighborhood Enterprise Zone classification, property qualified under the Land Bank Authority classification and property qualified under the Obsolete Property Rehabilitation Act (O.P.R.A.) in the City of Jackson, which is estimated to be $ 4,801,343.

Downtown Development Authority (DDA)

Memorandum

Date: April 13, 2010
To: Mayor, City Council Members
From: Jonathan Greene, Executive Director, Downtown Development Authority
RE: Fiscal-year 2010-2011 Budget Request

Dear Mayor Dunigan and City of Jackson Council Members,

2010-2011 poses to be a great year for the City of Jackson, with the Downtown Development Authority (DDA) leading the way in its many successful events and activities. These events often times are the city’s front door where new people come to discover Jackson and where long time residents rekindle their community pride. Jackson's Downtown District represents the true spirit and energy of the City of Jackson. Our Downtown boasts historic structures, a rich artistic culture, award-winning dining and a thriving business community. The DDA, via its events, activities, and historic buildings showcase the City of Jackson and entices people to not only visit Jackson, but also locate a business, start a family, visit our parks, or otherwise enjoy everything the City of Jackson has to offer.

The DDA has been tremendously active during the past year and expects to be just as active next. Two façade improvement projects began this year. Those projects will not only increase the aesthetic qualities of downtown, but also increase the property’s value thus increasing city revenue during this time of falling taxable values. This last fiscal year, downtown has added an ice cream shop, barber shop, nutrition consultants, bakery, pottery store, an upscale nightlife spot, deli, and the return of an over 80 year old business. The DDA is leading the way by adding jobs and a positive atmosphere in Jackson.

Historically, the partnership of the City of Jackson and the DDA has been a remarkable testament to the virtues of a positive relationship and goodwill. Without such a partnership, the City of Jackson and its Downtown would not have seen the tremendous growth it has experienced or be poised to make greater strides in the future. The City of Jackson’s support and investment in the DDA over the years has allowed the DDA to operate with maximum efficiency. It helps the DDA host events and work to fill our storefronts to create a vibrant downtown. The continued success of these and all events sponsored by the DDA, as well as the operation of the DDA itself, is reliant upon a continued mutual partnership with the City of Jackson. The investment in the DDA is a marketing investment, social investment, infrastructure investment, and an economic development investment all in one. Your continued support of the DDA and its mission is not taken lightly and support from City Council in the past has been highly valued, as is your careful consideration of our request to allocate $25,000 to the City of Jackson Downtown Development Authority for fiscal year 2010-2011.

Your consideration of this request will allow the DDA to continue to:

- Promote economic development and fill storefronts
- Continue a façade improvement program
- Hold events and promote the City of Jackson

Thank you for your consideration of our request.
Date: May 19, 2010

To: Warren Renando, Interim City Manager

From: Michael Beyerstedt, Fire Chief

Subject: Proposed Agenda Items

Mr. Renando,

I would like to have the acceptance of the bid for $135,798 from Westshore Fire Inc., of Allendale, MI, placed on the agenda for the City Council meeting on 5/24/2010. The Jackson Fire Department was awarded Assistance to Firefighters Grant from FEMA in the amount of $140,778. With this grant there is a 10% local match that we hope to recoup most, or all of through the sale of our old equipment. This purchase will improve safety and allow us to operate more closely with our automatic aid partners, as we will now all use the same breathing apparatus system.

The following is a list of the equipment that will be purchased through this grant:

- 25- Scott Air Pak 75, NFPA and CBRN compliant SCBA’s
- 50- 2216 PSI, 30 minute Cylinders
- 36- Face pieces
- 36- Voice Amplifiers and brackets
- 1- Pak Tracker receiver and mobile charger
- 1- Scott RIT Pak with- regulator, face piece, and 60 minute air cylinder.

If I may be of further help, feel free to contact me.

Sincerely,

Michael D.Beyerstedt
Fire Chief
Downtown Development Authority (DDA)

Memorandum

Date: May 13, 2010
To: Warren Renando, City Manager
From: Jonathan Greene, Executive Director
RE: 2010-11 DDA Budget

The DDA requests the City Council, at the May 25th, 2010 meeting, to consider the DDA operational budget for the fiscal year 2010-11 and the DDA TIF budget for fiscal year 2010-11. These budgets were adopted by the DDA at their May 13, 2010 board meeting.

Requested action for City Council is:

1. Approval of the fiscal year 2010-11 Operations and TIF budgets for the Downtown Development Authority.

May 19, 2010

TO: Warren Renando, Interim City Manager
FROM: Jon H. Dowling, P.E., Director of Engineering & Public Works
RE: ROAD SALT PURCHASE – WINTER MAINTENANCE PURCHASE ORDER 2010/11

The Department of Engineering & Public Works requests permission to issue a Purchase Order for road salt to Jackson County Road Commission. In 2007, the Jackson County Road Commission and the City of Jackson had a contract with Detroit Salt for three years from 2007 – 2010. This contract with Detroit Salt, Jackson County Road Commission and the City of Jackson, expires as of June 2010. The price paid per ton with Detroit Salt for 2009-10 was $39.88 per ton, delivered to the City of Jackson.

The Jackson County Road Commission has agreed to purchase 4,000 tons of road salt before the current contract expires and sell to the City of Jackson for winter maintenance 2010/11. The Road Commission will purchase and store the salt at their facility on Elm Road, until the City of Jackson needs to have salt delivered. The Road Commission will sell the salt to the City of Jackson for $39.88 per ton (2009-10 price), plus $1.90 per ton delivered to 521 Water Street, for a total price per ton of $41.78. Cost for 4,000 tons of salt delivered to the City of Jackson would be $41.78 per ton, for a total of $167,120.00. If City of Jackson trucks are in the area and would like to pick up salt per truckload, the price would be only $39.88 per ton.

Last year’s salt purchase for the City of Jackson and Detroit Salt was 3,175.46 tons @$39.88 per ton for a total of $126,637.34. City of Jackson and North American Salt (required purchase through State of Michigan Contract for 2009-10) was 734.10 tons @$57.83 per ton, for a total cost of $42,453.00. This year the State of Michigan is not requiring the City of Jackson to purchase salt off the state contract for use on the trunkline streets. Total cost for both (City & State) salt contracts for 2009-10 was $169,090.34.

The Road Commission has also requested that the City of Jackson pay for one half of the 4,000 tons of salt requested, on or before July 23rd, 2010. The payment due to the Road Commission by July 23rd, 2010 will be $83,560.00.

With Council approval, I would like to issue a Purchase Order for this purchase with the Jackson County Road Commission for a total of $167,120.00. Funds to pay for the salt purchase for the City of Jackson are included in the Major & Local Street, Winter Maintenance Budgets for 2010/11.

C: Lucinda Schultz, Accounting Manager
Lynn Fessel, Purchasing Agent
Shelly Allard, Purchasing Coordinator
May 19, 2010

TO:       Warren D. Renando, Interim City Manager  
FROM:    Jon H. Dowling, P.E., City Engineer  
RE:    Jackson Rail Passenger Station Development Study - Request for Award  

On May 6, 2010, qualification documents and proposals were received from five consultants by the Purchasing Department for the Jackson Rail Passenger Station Development Study. Unlike bid solicitations, Requests for Qualifications and Proposals (RFQP) are requested for professional services and are designed to allow the respondents to demonstrate their understanding of the project needs and their qualifications to perform the work. A point system is used to evaluate proposals and select the most qualified firms that considers experience, method of approach, time and effort, understanding of the project and accessibility. Cost proposals are opened and evaluated only for the most qualified firms, preventing potential Freedom of Information Act exposure to cost information by unsuccessful respondents.

Qualifications and proposals for the Jackson Rail Passenger Station Development Study were reviewed by a team consisting of Jon Dowling, City Engineer, Steven Duke, Executive Director, Region 2 Planning Commission, Therese Cody, Rail Operating Programs Manager-High Speed Rail & Innovative Project Advancement, Michigan Department of Transportation and Demetrius Parker, Jackson Transportation Service Center Manager, Michigan Department of Transportation. The following is a listing of firms submitting proposals and their rating as ranked by the review team:

<table>
<thead>
<tr>
<th>Design Firm</th>
<th>Total Rating</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quinn Evans Architects, Ann Arbor, MI</td>
<td>885</td>
<td>$57,888</td>
</tr>
<tr>
<td>JJR, LLC, Ann Arbor, MI</td>
<td></td>
<td></td>
</tr>
<tr>
<td>R.W. Mercer, Jackson, MI</td>

<td></td>
</tr>
<tr>
<td>Elite Engineering, Jackson, MI</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Tectonic Design Architecture and Design, Monroe, MI</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Cost proposals were opened and reviewed for the highest ranking firm. The proposals for Elite Engineering and Tectonic Design were not ranked by the team due to incomplete submission of documents.

Based upon the qualification ranking and completeness of their cost proposal, and in concurrence with the Michigan Department of Transportation, the Department of Engineering recommends that the contract for the Jackson Rail Passenger Station Development Study be awarded to Quinn Evans Architects at their not-to-exceed cost of $57,888. Funding for this study is available in the Major Street Fund by a grant from MDOT. With your concurrence, please submit this request to City Council for approval. I also request that the Mayor and City Clerk be authorized to sign the contract documents.

Downtown Development Authority (DDA)

**Memorandum**

**Date:** May 19, 2010  
**To:** City Council  
**From:** Jonathan Greene, Executive Director  
**RE:** Redevelopment Liquor License Request

---

**Legislative Background**

The State of Michigan provides for the issuance of certain liquor licenses within development districts or areas including a downtown district established under PA 197 of 1975, MCL 125.1651 to 125.1681. The Act, PA 501 of 2006, MCL 436.1521 provides those licenses in addition to the number of licenses available to cities under MCL 531(1). There are several provisions, which regulate the issuance of these licenses. They are:

- The initial enhanced license fee for licenses issued under this act is $20,000.
- These specific licenses may transfer ownership but they **MAY NOT** be transferred to another location.
- If the licensee goes out of business, the licensee shall surrender the license to the Liquor Control Commission. The governing body of the local unit of government may approve another applicant within the redevelopment project area or development district to replace a licensee who has surrendered the license to the Liquor Control Commission.
- Applicants are warned to not invest any money in improvements or bind themselves in any agreements until they have been officially notified by the Michigan Liquor Control Commission that their request has been approved.
- The individual signing the application to the Michigan Liquor Control Commission **SHALL STATE AND DEMONSTRATE THAT THEY ATTEMPTED TO SECURE AN APPROPRIATE ON-PREMISES ESCROWED LICENSES OR QUOTA LICENSE WHICH MAY BE AVAILABLE WITH THE LOCAL UNIT OF GOVERNMENT IN WHICH THE APPLICANT PROPOSES TO OPERATE.**

Before the City of Jackson can receive the application several steps must be taken first. The following is a guide regarding the documents and approvals, which when they are reviewed and approved by the Michigan Liquor Control Commission will allow entities to submit applications to the

**Current Status**

The City of Jackson must:

1. Pass a resolution establishing the DDA as a Redevelopment Project Area, provide a map of the DDA within the City, and certify the DDA was created under PA 197 of 1975.
2. The City Assessor must sign an affidavit and the City Clerk must certify the affidavit stating the total amount of public and private investment in DDA has been greater than $200,000 in the preceding 5 year time period. (December 31, 2004 to December 31, 2009)

3. Pass a resolution, which approves the specific applicant (individual, corporation, LLC, or LLP, at a specific location “ABOVE ALL OTHERS,” which means for only this applicant at this location.

The applicant must:

1. Meet normal regulations, laws and guidelines to be eligible for a liquor license.

2. Must expend for rehabilitation or renovation of the building that houses the licensed premises not less that $75,000 over the preceding 5 year period or commit to capital improvements of at least that amount in the building that houses the licensed premises, which must be expended before the issuance of the license.

3. The licensed business engages in dining, entertainment, or recreation, that is open to the general public, with a seating capacity of not less than 50 persons.

Recommendations

The availability of these specific liquor licenses has the potential to significantly and positively impact the downtown. Approval of the license could have positive impact on the tax base for the City as applicants must expend $75,000 in capital improvements for rehabilitation/renovation costs as well as enhancing State revenue from liquor sales tax.

The DDA staff recommends the City Council establish the DDA District as a Redevelopment District/Project area as provided in PA 501 of 2006 and approval of the subsequent resolution and affidavit to that effect at its May 25th Regular City Council meeting.

City Council Meeting action item to read:

1) Consideration of the establishment of the DDA District as a Redevelopment District/Project area as provided in PA 501 of 2006 and the for the City Clerk and City Assessor to sign the required affidavit indicating the level of investment within the proposed Redevelopment District/Project area exceeds $200,000.
RESOLUTION

WHEREAS, the City Council establishes a Redevelopment Area pursuant to Act 501 of Public Acts 2006, and;

WHEREAS, the City of Jackson Downtown Development Authority District has realized considerable public and private investment within the past five years, and;

WHEREAS, the Downtown Development Authority District was established under appropriate statutory provision, that being Act 197 of Public Acts 1975, and;

WHEREAS, the City of Jackson shall provide to the Michigan Liquor Control Commission a map clearly identifying the boundaries of the Downtown Development Authority District, and;

WHEREAS, the City of Jackson shall provide to the Michigan Liquor Control Commission an affidavit from the City Assessor, as certified by the City Clerk, stating the total amount of public and private investment in real and personal property within the Downtown Development Authority District, which shall not be less than $200,000 for each license requested, over the preceding time period;

NOW THEREFORE BE IT RESOLVED, the City Council hereby approves the designation of the City of Jackson Downtown Development Authority district as the Development District and Area for purposes of the Redevelopment Project Area and Development District liquor Licenses as authorized by MCL 436.1521a.

State of Michigan)
County of Jackson) ss
City of Jackson)

I, Lynn Fessel, City Clerk in and for the City of Jackson, County and State foresaid, do hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Jackson City Council.

IN WITNESS WHEREOF, I have hereto affixed my signature and Seal of the City of Jackson, Michigan this ____ day of May, 2010.

Lynn Fessel, City Clerk
AFFIDAVIT OF PUBLIC & PRIVATE INVESTMENT
DEVELOPMENT DISTRICT AREA

I, David Taylor, am the City Assessor for the CITY OF JACKSON. I have examined the assessment records, accounting records, and building permit records for the City of Jackson and made the following the determination as to the public and private investment in the City of Jackson qualified development district (Downtown Development Authority). Based on my review these records, I have determined that the total amount of public and private investment in real and personal property within the qualified district over the preceding five (5) year period, December 31, 2004 through December 31, 2009 is at least $6,933,933, an amount that exceeds the $200,000 minimum required by Public Act 501 of 2006, Section 521a(1)b. I have made this determination to the best of my knowledge and ability on this day May 19, 2010, in Jackson County, Michigan.

CITY OF JACKSON

INFORMATIONAL ITEM

TO:       Warren D. Renando, Interim City Manager
DATE:     May 18, 2010
FROM:     Carol L. Konieczki, Community Development Director
SUBJECT:  Award of Bid for Rehab Project at 1033 Cypress

Rehab Specialist Cliff Winslow requested bids through the Purchasing Department for an owner-occupied Community Development Rehabilitation project at 1033 Cypress. The Community Development Department has analyzed the bids submitted and arrived at a recommendation on bid award.

Four contractors attended the mandatory pre-bid walk through with three submitting completed bids. The resulting Bid Tabulations are attached for your review. The lowest acceptable bid is as follows:

<table>
<thead>
<tr>
<th>Project</th>
<th>Awardable Contractor</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1033 Cypress</td>
<td>At-A-Moments Notice</td>
<td>$11,830</td>
</tr>
</tbody>
</table>

The homeowner has been prequalified to receive full funding through a CDBG or HOME rehab loan ($5,015 Code and $6,815 Lead). The contractor awarded this project is required to obtain a current installation floater on their general liability insurance policy.

This project also received previous assistance under the Emergency Hazard Program in November, 2009, to repair a leaking roof in the amount of $6,300.00. The total for repairs under both projects at this address is $18,130.00. Since the total of both projects does not exceed the $20,000 contract maximum established by the Purchasing Policy, formal City Council action is not necessary to approve this bid award.

With your approval, please place this item in the Councilmembers packets as an informational item for the May 25, 2010 meeting.

cc:        Shelly Allard, Purchasing Coordinator
            Dennis M. Diffenderfer, Rehab Coordinator
            Kim VanEvery, Loan Assistant
