Motion was made by Councilmember Gaiser and seconded by Councilmember Howe to receive the report and watch it very carefully. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.
COMMITTEE REPORTS.

A. CONSIDERATION AND RECEIPT OF THE RULES AND PERSONNEL COMMITTEE REPORT.

Councilmember Frounfelker, Rules and Personnel Committee Chair, reported that City Manager candidate Joseph Bippus withdrew for personal reasons.

Motion was made by Councilmember Frounfelker and seconded by Councilmember Howe to receive the report and accept the memorandum from Mr. Bippus. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

Motion was made by Councilmember Greer and seconded by Councilmember Howe that the Rules and Personnel Committee meet with Mr. Renando to extend his contract, make him our City Manager for one year commencing at the end of this month and that in May, 2011, we resume the search for his replacement.

Motion was made by Councilmember Breeding and seconded by Councilmember Frounfelker to refer the matter of the City Manager vacancy to the Rules and Personnel Committee. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

B. CONSIDERATION AND RECEIPT OF THE FINANCE COMMITTEE REPORT.

Mayor Dunigan, Chair of the Finance Committee, reported that the Finance Committee recommends the following steps be taken to address the economic crisis that we are facing:

- Right size city government
- Look to our neighbors to see what departments/services that we can share/combine: Fire, Police, Sewer & Water, IT, Human Resources, Inspection, streets, resurrect inter-governmental purchasing, Treasury/Finance
- No opportunity or department should not be seriously considered for cuts/savings
- Continue with the travel, hiring and wage freeze
- Investigate our health insurance coverage plans
- Investigate changing our retirement/pension plans to defined contribution
- Recommend that we direct the City Manager to bring to us in thirty days his recommendations to implement the necessary changes

Motion was made by Councilmember Greer and seconded by Councilmember Howe to receive the report. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

APPOINTMENTS.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Howe to approve the recommendation. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: Councilmember Breeding—1. Absent: 0.

**B. APPROVAL OF THE MAYOR’S RECOMMENDATION TO APPOINT A CITY COUNCILMEMBER TO THE HUMAN RELATIONS COMMISSION AS AN EX-OFFICIO MEMBER.**

Motion was made by Councilmember Polaczyk and seconded by Councilmember Howe asking Councilmember Gaiser to be the ex-officio member of the HRC. Councilmember Gaiser declined.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Gaiser to appoint Councilmember Polaczyk to the HRC as an ex-officio member. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

Motion was made by Councilmember Gaiser and seconded by Councilmember Howe to continue our plan of the last meeting and find $90,000.00 from the General Fund. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer and Gaiser—5. Nays: Councilmembers Frounfelker and Polaczyk—2. Absent: 0.

H. CONSIDERATION OF THE REQUEST TO APPROVE THE BID AWARD TO AT-A-MOMENTS NOTICE IN THE AMOUNT OF $55,215.00, TO REHABILITATE THE VACANT CITY-OWNED PROPERTY LOCATED AT 509 W. FRANKLIN UNDER THE NEIGHBORHOOD STABILIZATION PROGRAM, CONTINGENT UPON RECEIPT OF THE NEIGHBORHOOD STABILIZATION PROGRAM FUNDING.

Motion was made by Councilmember Greer and seconded by Councilmember Frounfelker to approve the request. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Greer, Frounfelker and Polaczyk—6. Nays: Councilmember Gaiser—1. Absent: 0.

CITY COUNCILMEMBERS’ COMMENTS.

Councilmember Polaczyk requested an update on the City’s web-site and stated that Morrell Street at Thompson needs to be smoothed and the bump sign removed. He also inquired as to when Brown Street will be striped. City Engineer Jon Dowling responded that will take place in about two weeks.

Councilmember Frounfelker announced he will hold a Fifth Ward meeting on August 31 at 7:00 p.m. in the Council Chambers. He will discuss current events in the City. He would like to see the goal presentations continue at least monthly and he inquired how the goals being presented by Interim City Manager Renando will be handled. Mr. Renando responded that he will assemble them, they may be reviewed annually and reaffirmed, he will work with department heads, as appropriate, regarding accomplishment of these goals and then report back to Council.

Councilmember Gaiser announced his Fourth Ward meeting will be held with Councilmember Frounfelker’s meeting on August 31 at 7:00 p.m. in the Council Chambers. He hopes his constituents will attend and help find solutions to the major problems we are facing.
Councilmember Greer remarked that the City Manager’s presentation was very grim. He does believe we have very capable elected officials and staff. We have already made many budget cuts and we will continue to do so. He stated the residents of Seymour Street also contacted him and he and the Police Chief are ready to meet with them.

As a cancer survivor, Councilmember Howe proudly displayed his 2010 Relay for Life t-shirt.

Councilmember Breeding inquired how City employees are managing with all of the furlough days and perhaps department heads could report on the morale of their staff members. He stated that the City’s web-site is an embarrassment and suggested that the former web-site managers be brought back. He asked if people needed liability insurance to skate at Nixon Park. The City Attorney reported that he believes a waiver of liability must be signed, but liability insurance is not required. He requested that an item be placed on the September 14, 2010, agenda regarding the authority and responsibility for the preparation of the agenda.

Mayor Dunigan would also like to see an agenda item regarding the preparation of the agenda.

Councilmember Polaczyk thanked Councilmember Frounfelker for all of his hard work regarding the negotiation of a contract with the City Manager candidate.

MANAGER’S COMMENTS.

Mr. Renando congratulated the Council on working through this long and difficult agenda.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Polaczyk and seconded by Councilmember Greer to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 9:18 p.m.

Lynn Fessel
City Clerk
CALL TO ORDER.

The Jackson City Council met in special session in the Council Chambers in City Hall and was called to order by Mayor Karen F. Dunigan at 4:05 p.m.

ROLL CALL.

Also present: Interim City Manager Warren D. Renando, City Attorney Julius A. Giglio and City Clerk Lynn Fessel.

ADOPTION OF THE AGENDA.

Motion was made by Councilmember Howe and seconded by Councilmember Polaczyk to adopt the agenda. The motion was adopted by unanimous voice vote.

CONSIDERATION OF THE REQUEST TO APPROVE THE BID AWARD TO BAILEY SAND AND GRAVEL CO. IN THE AMOUNT OF $47,495.00 FOR THE DEMOLITION OF THE BUILDING (KNOWN AS THE BROWN BUILDING) LOCATED AT 250 W. PEARL STREET AND 209 W. LOUIS GLICK HIGHWAY, IN ACCORDANCE WITH THE RECOMMENDATION OF THE CITY ENGINEER AND THE PURCHASING AGENT.

Councilmember Frounfelker arrived at 4:08 p.m.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Howe to approve the request. The motion was adopted by the following vote. Yeas: Mayor Dunigan and Councilmembers Breeding, Howe, Frounfelker and Polaczyk—5. Nays: 0. Absent: Councilmembers Greer and Gaiser—2.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Howe and seconded by Councilmember Breeding to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 4:09 p.m.

Michigan Municipal League Annual Meeting Notice

(Please present at the next Council, Commission or Board Meeting)

Dear Official:

The Annual Convention of the Michigan Municipal League will be held in Dearborn, September 21-24, 2010. The annual meeting is scheduled for 11:00 am on Wednesday, September 22, at the Hyatt Regency Hotel. The meeting will be held for the following purposes:

1. **Election of Trustees.** To elect six members of the Board of Trustees for terms of three years each (see page 2).

2. **Policy.** To vote on Core Legislative Principles document and resolutions properly brought before the annual meeting. All member municipalities planning on submitting resolutions for consideration at the annual meeting are reminded that under the Bylaws, the deadline for League trustees to receive resolutions for their review is August 23, 2010. (please see page 2).

3. **Other Business.** To transact such other business as may properly come before the meeting.

Designation of Voting Delegates

Pursuant to the provisions of the League Bylaws, you are requested to designate by action of your governing body one of your officials who will be in attendance at the Convention as your official representative to cast the vote of the municipality at the annual meeting, and, if possible, to designate one other official to serve as alternate. After taking this action, please return the enclosed reply card no later than September 8, 2010.

Regarding the designation of an official representative of the member to the annual meeting, please note the following section of the League Bylaws:

“Section 4.4 - Votes of Members. Each member shall be equally privileged with all other members in its voice and vote in the election of officers and upon any proposition presented for discussion or decision at any meeting of the members. Honorary Members shall be entitled to participate in the discussion of any question, but such members shall not be entitled to vote. The vote of each member shall be cast by its official representative attending the meeting at which an election of officers or a decision on any proposition shall take place. Each member shall, by action of its governing body prior to the annual meeting or any special meeting, appoint one official of such member as its principal official representative to cast the vote of the member at such meeting, and may appoint one official as its alternate official representative to serve in the absence or inability to act of the principal representative.”
1. **Election of Trustees**

Regarding election of officers, under Section 5.3 of the League Bylaws, six members of the Board of Trustees will be elected at the annual meeting for a term of three years. The regulations of the Board of Trustees require the Nominations Committee to complete its recommendations and post the names of the nominees for the Board of Trustees on a board at the registration desk at least four hours before the hour of the business meeting.

2. **Statements of Policy and Resolutions** *

Regarding consideration of resolutions and statements of policy, under Section 4.5 of the League Bylaws, the Board of Trustees acts as the Resolutions Committee, and "no resolution or motion, except procedural and incidental matters having to do with business properly before the annual meeting or pertinent to the conduct of the meeting, shall be considered at the annual meeting unless it is either (1) submitted to the meeting by the Board of Trustees, or (2) submitted in writing to the Board of Trustees by resolution of the governing body of a member at least thirty (30) days preceding the date of the annual meeting." Thus the deadline this year for the League to receive resolutions is August 23.

"Every proposed resolution submitted by a member shall be stated in clear and concise language and shall be accompanied by a statement setting forth the reasons for recommending the proposed resolution. The Board shall consider the proposal at a Board meeting prior to the next annual meeting and, after consideration, shall make a recommendation as to the advisability of adopting each such resolution or modification thereof."

The proposed Michigan Municipal League Core Legislative Principles and any new proposed Resolutions recommended by the Board of Trustees for adoption by the membership are available on the League website*, to permit governing bodies of member communities to have an opportunity to review such proposals and delegate to their voting representative the responsibility for expressing the official point of view of the member at the annual meeting.

The Board of Trustees will meet on Tuesday, September 21 at the Hyatt Regency Hotel for the purpose of considering such other matters as may be requested by the membership, in addition to other agenda items.

* The proposed League Core Legislative Principles document is available on the League website at [http://www.mml.org](http://www.mml.org). If you would like to receive a copy of the proposed principles by fax, please call Susan at the League at 800-653-2483.

Sincerely,

Jeff Jenks
President

Executive Director & CEO

Enc.
OFFICIAL VOTING DELEGATES
ANNUAL BUSINESS MEETING
Michigan Municipal League

In accordance with the accompanying MML Annual Meeting Notice, each member municipality is to appoint one Official Voting Delegate and one Official Alternate Voting Delegate to represent the municipal at the Annual Business Meeting of the Michigan Municipal League.

The purpose of these instructions is to familiarize the voting delegate, especially those officials serving in this capacity for the first time, with the procedure to be followed during the Annual Business Meeting.

1. Prior to entering the Business Meeting, Official Voting Delegates should check-in at the registration desk located just outside of the meeting room. Official Voting Delegates will then be given a pass to enter in the reserved seating area for Voting Delegates. If the Official Voting Delegate is not present, the Official Alternate Voting Delegate should check-in at the registration desk to be given the Voting Delegate pass.

   Only the Official Voting Delegate will be seated in the area reserved for Voting Delegates. If the Official Voting Delegate is not present, the Official Alternate Voting Delegate will take the Delegate’s place in the reserved area as the Voting Delegate. Therefore, each member municipality will have only one person seated in the reserved area. All other municipal officials, and all other Alternate Voting Delegates, may be seated outside the reserved area.

2. In general, Robert’s Rules of Order, Newly Revised, will govern the conduct of the Annual Business Meeting. Parliamentary decisions will be made by the President of the League who will preside at the Annual Business Meeting. The President will be assisted by a Parliamentarian. Parliamentary decisions by the Chair, if challenged from the floor, are subject to be sustained or overturned by a majority of the voting delegates.

3. The Bylaw governing the submission of policy resolutions provides:

   Section 4.5 - Resolutions

   A. No resolution or motion shall be submitted to debate or vote at the annual meeting or any special meeting unless it is germane to the functions and purposes of the League.

   B. No resolution or motion, excepting procedural and incidental matters having to do with business properly before the annual meeting or pertaining to the conduct of the meeting, shall be considered at the annual meeting unless it is either: 1) submitted to the meeting by the Board of Trustees; or 2) submitted in writing to the Board of Trustees by resolution of the governing body of a member at least thirty (30) days preceding the date of the annual meeting**.

C. Every proposed resolution submitted by a member shall be stated in clear and concise language and shall be accompanied by a statement setting forth the reasons for recommending the proposed resolution. The Board shall consider the proposal at a Board meeting prior to the next annual meeting and, after consideration, shall make a recommendation as to the advisability of adopting each such resolution or a modification thereof. If time permits, each such resolution with the recommendation of the Board shall be printed in the Michigan Municipal Review.

** The deadline for receiving resolutions this year is August 23, 2010.

4. If a Voting Delegate wishes to speak, the Delegate should rise and proceed to one of the microphones available in the reserved area and after recognition by the Chair, may then speak. Since the Annual Business Meeting is being recorded, each Voting Delegate who wishes to speak for any reason, after being recognized by the Chair, should first announce the Delegate’s name, title and municipality slowly and clearly into the microphone.

A member of the Board of Trustees, an Honorary Life Member, or a Chair or a designated member of a League Standing or Special Committee may speak on a question, but may not vote unless serving also as a Voting Delegate. If a question is raised about a proposed policy or resolution, or an amendment is offered and seconded, the Chair or designated member of the proper League Standing or Special Committee or a member of the Board of Trustees will be called upon to speak at an appropriate time to explain the Committee’s views before the vote is put on the question. In addition, upon request of the Chair, a member of the League staff may speak on a question. Any other person present may speak only with the approval of the Voting Delegate body.

5. If a Voting Delegate who has been seated wishes to have the Alternate Voting Delegate from the Delegate’s municipality speak on an issue, the Voting Delegate should request, after being recognized by the Chair, to be excused from the reserved area and that the other person be permitted to take the Delegate’s place temporarily or for the balance of the meeting. Upon being excused by the Chair, the Alternate Voting Delegate may then take the Voting Delegate’s place in the reserved seating area and may speak and vote as the Official Voting Delegate.

6. The above procedure is necessary to assure that, in the event of a vote on a question by show of hands or by voice vote of the Delegates, no municipality will have more than one person seated in the reserved area.
September 7, 2010

TO: Honorable Mayor and City Councilmembers
FROM: Lynn Fessel City Clerk
RE: Jackson High School Homecoming Parade

Jackson High School is requesting closure of portions of Brown Street, Wildwood and Daniel Street to hold their annual Homecoming Parade on Friday, September 24, 2010 with police assistance, beginning at 6:00 p.m.

Recommended approvals have been received from the Police, Fire, and Traffic Engineering. Proper insurance coverage has been received.

Please consider this request at the September 14th City Council meeting.

Thank you.

Attachment

C: Warren D. Renando, Interim City Manager
September 22, 2010

Jackson City Council
161 W. Michigan Avenue
Jackson, Michigan 49201

Honorable Mayor Karen Dunigan
Members of the City Council:

The Jackson High School Student Government would like to hold this year’s Homecoming Parade on Friday, September 24, 2010 at 6:00 p.m. The parade will consist of cars and floats. The Jackson High School band will lead the parade. The route for the parade, which begins at Immanuel Lutheran Church (Brown and Michigan Ave), is explained on the enclosed map.

We would like your permission and the assistance of the Jackson City Police Department to lead the parade and block off the necessary intersections along the route. The parade will begin at 6:00 p.m. from Brown Street and will travel north to Wildwood Avenue. The entire parade will take about 30 minutes.

Thank you very much for considering this request and please let me know if you desire any additional details.

Sincerely,

Barbara Baird-Pauli
Principal

SPECIAL EVENT APPLICATION, Page 2
City Clerk's Office * 161 W. Michigan * Jackson, MI 49201
(517) 788-4025

ENTERTAINMENT: Are there any entertainment features related to this event? YES NO
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule.

ATTENDANCE: What is the expected (estimated) attendance for this event?

AMUSEMENT: Do you plan to have any amusement or carnival rides? YES NO
If yes, you are required to obtain a permit through the City Clerk's Office.

REST ROOMS: Are you planning to provide portable rest rooms at the event? YES NO
If yes, how many?
As an event organizer, you must consider the availability of rest room facilities during this event.
Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)

Police Department assistance.

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000.
An event sponsor must provide a valid certificate of insurance naming the City of Jackson as an additional insured party on the policy. A sponsor of a Low Hazard event may request that City Council waive the insurance requirement and execute a Hold Harmless and Indemnification Agreement. This event qualifies consideration for Low hazard because:

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy or I am requesting that City Council waive the insurance requirement for this Low Hazard Event as identified in paragraph above related to Insurance, and I have executed the Hold Harmless and Indemnification Agreement on behalf of the event sponsor.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements or limitations, based on the City's review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

RE: Special Event Request: St. John Jackson Family Fall Festival – Family Fall Festival Fireworks

Please find the attached Special Event Application from St. John Jackson Family Fall Festival requesting approval to conduct their Family Fall Festival Fireworks. The festival is requesting use of a portion of Nixon Park to release fireworks on Saturday, September 25th at dusk. The applicant has filed a fireworks permit with the Fire Department and will be working with both the Fire and Recreation Departments to take necessary precautions to the neighborhood and property. The City Attorney has approved insurance for the fireworks, filed by Wolverine Fireworks Display Inc. A Liability Pool Fireworks Application has also been submitted to the Michigan Municipal League, upon recent additional requirements. Recommended approval has been received from the Police, Fire, Recreation, Public Works, and Engineering Departments. The event is expected to have an economic impact of $50.00 on the Parks Department.

RE: Special Event Request: Jackson Area Catholic Schools – Family Fall Festival 5K run/walk and kid’s fun run

Please find the attached Special Event Application from Jackson Area Catholic Schools requesting approval to conduct their Family Fall Festival 5K run/walk and kids fun run, on neighborhood streets near Nixon Park on September 25th from 7:30am to 10:30am. The applicant is requesting street closures and police assistance on their 5K path beginning at E. North and Leroy Streets, as noted in the attached application and route map. Recommended approval has been received from the Police, Fire, Recreation/Forestry, Public Works, and Engineering Departments. Insurance coverage has also been received and approved for this event. The event is expected to have an economic impact of $454.92 on the Engineering and Police Departments, due to the requested street closures and Police assistance.

RE: Special Event Request: Rose Queen Pageant - Downtown Merchant’s / Artist’s Walking Tour

Please find the attached Special Event Application from the Rose Queen Pageant requesting approval to conduct the Downtown Merchant’s / Artist’s Walking Tour. The event is scheduled to take place within various storefronts around the Downtown District. In addition, the applicant is requesting to include a small parade, requiring street closures on Mechanic Street between Michigan Avenue and Washington Avenue from 5:30 – 7:00 PM. Recommended approval has been received from the Police, Fire, Parks/Forestry, Public Works, and Engineering Departments, as well as the Downtown Development Authority. Insurance coverage has also been received and approved for this event. The event is expected to have an economic impact of $215.48 on the Engineering Department, due to the mentioned street closures.

RE:           Request to Approve Traffic Control Order No. 2066
              N. Jackson Street South of Louis Glick Highway

With the new lane assignments and alignments at the intersection of S. Jackson St. and Louis Glick Highway, the Department of Engineering requests a modification in parking on the west side of N. Jackson St. south of Louis Glick.

It is the Department of Engineering’s recommendation that parking shall be prohibited on the west side of N. Jackson Street from Louis Glick Highway to 120 feet south of Louis Glick Highway. From 120 feet south of Louis Glick Highway to Pearl Street no vehicle shall remain parked for a period to exceed two (2) hours between the hours of 8 a.m. and 5 p.m. Monday through Friday.

With your concurrence, I request Traffic Control Order 2066 be placed on the Council agenda for their approval. If you have any questions, please do not hesitate to contact me.

RE: Traffic Control Orders 2067 thru 2070 - Brown Street Changes and Traffic Control Orders 2071 and 2072 – Daniel Street/Wildwood Avenue Changes

The Department of Engineering has prepared the following Traffic Control Orders (TCO) Nos. 2067 through 2070 (for Brown Street) and Nos. 2071 and 2072 (for Wildwood). The changes for Brown Street are to make accommodations for the change of Brown Street to a three-lane cross-section with bicycle lanes. The changes for Daniel Street and Wildwood Avenue are to due to the redesign and reconstruction of Wildwood Avenue last year. Each TCO is listed below:

**Brown Street**

**TCO 2067**: Northbound traffic on Brown Street in the westernmost lane and southbound traffic in the easternmost lane at the intersection of Michigan Avenue shall be required to complete a left turn on to Michigan Avenue.

**TCO 2068**: Northbound traffic on Brown Street in the westernmost lane and southbound traffic in the easternmost lane at the intersection of Morrell Street shall be required to complete a left turn on to Morrell Street.

**TCO 2069**: All traffic traveling northbound or southbound in the center lane of Brown Street from 50 feet south of Spring Arbor Road to 150 south of Michigan Avenue shall be required to complete a left turn off of Brown Street.

**TCO 2070**: All traffic traveling northbound or southbound in the center lane of Brown Street from 150 feet north of Michigan Avenue to Daniel Street shall be required to complete a left turn off of Brown Street.

**Daniel Street/Wildwood Avenue**

**TCO 2071**: All traffic in the center lane on Daniel Road between Brown Street and Durand Street shall be required to complete a left turn off of Daniel Road.

**TCO 2072**: Eastbound and westbound traffic on Wildwood Avenue in the left lane approaching the intersection of Wisner Street shall be required to complete a left turn on to Wisner Street. All traffic on Wildwood Avenue traveling eastbound in the northernmost lane at the intersection of West Avenue shall be required to complete a left (northerly) turn on to West Avenue. All other traffic on Wildwood Avenue traveling in the center lane between Durand Street and West Avenue shall be required to complete a left turn off of Wildwood Avenue.

With your concurrence, I request the above Traffic Control Orders be placed on the Council Agenda for its meeting on September 14, 2010. If you have any questions or concerns, please do not hesitate to contact me directly.

Copies: 1. Intersection File 2. TCO File 3. Work Order Copy 4. Police Dept. 5. Fire Dept. 6. City Clerk
September 8, 2010

TO:      Warren D. Renando, Interim City Manager
FROM:    Carol L. Konieczki, Community Development Director

A draft of the City’s progress in accomplishing the goals and objectives for its CDBG and HOME funds during the 2009-2010 fiscal year is summarized in the attached Consolidated Annual Performance and Evaluation Report (CAPER), a hard copy of which will be given to each Councilmember. To meet the City’s public comment requirement, copies of the draft CAPER will be available for public review beginning September 10, 2010 in the Community Development Department, the Carnegie Branch of the Jackson District Library, Greater Jackson Habitat for Humanity office on Pringle Avenue, and lobbies of public housing facilities at Shahan-Blackstone North Apartments, Reed Manor and Chalet Terrace.

According to the CDBG/HOME Timeline approved by City Council on December 15, 2009, a Public Hearing to obtain citizen comment on the City’s performance with its annual CDBG and HOME entitlement grants was to be held on September 14, 2010. However, due to various timing issues, staff recommends the Timeline be revised and a Public Hearing to receive comment on the CAPER be established for Tuesday, September 28, 2010.

Following the September 28, 2010 Public Hearing, Council will be requested to authorize submission of the CAPER to the Department of Housing and Urban Development (HUD). The comment period (15 days) and Public Hearing are in compliance with the submission timeline of 90 days after closing of the grant period (June 30, 2010).

Requested action is for Council to

1) Receive the draft CAPER as presented;
2) Authorize dissemination of the draft CAPER for public review and to begin the 15-day comment period;
3) Establish a Public Hearing to receive citizen comments at the City Council meeting on September 28, 2010;
4) Revise the 2009-2010 CDBG/HOME Timeline to reflect the date change for the Public Hearing.

A final CAPER will be provided to City Council before the September 28 meeting date incorporating any citizen comments received to date. Please place this item on the September 14, 2010 agenda for consideration.

       Heather L. Soat, Financial Analyst
Executive Summary

This Consolidated Annual Performance and Evaluation Report (CAPER) will cover those Community Development Block Grant (CDBG) and Home Investment Partnerships Program (HOME) activities undertaken by the City of Jackson or one of its subrecipients during the 2009-2010 fiscal year (FY). It will provide information regarding the program's strengths and weaknesses, as well as specific project accomplishments and ways the program can be improved.

The City of Jackson is an entitlement community and has been since the inception of the CDBG program in 1975. The City remains committed to meeting community needs of providing decent, safe, and sanitary affordable housing, improving the living conditions of its low- and moderate-income residents, and expanding the economic opportunities in the community. The Jackson City Council carefully weights applications for funding received annually against the ever-changing needs of the community. The City of Jackson, as well as the State of Michigan, has realized little recovery from the recent failed economy, foreclosure rate, and job market, which continues to harshly impact the City and its citizens. By carefully selecting entities that will provide the greatest benefit to low- and moderate-income persons and families, the Council is able to sustain, and oftentimes improve, their quality of life.

Public Services

Funding was allocated to entities that provided guidance to area youth through after school and summer programs, emergency adult dental care, foreclosure prevention and homeownership training, information and referral services, and utility assistance. By supporting these agencies with CDBG funds, the low- and moderate-income persons living in the City were able to access and utilize services they may not have been able to afford on their own. Since 2005, City Council has provided assistance under the public service cap as follows:

![Pie chart showing funding distribution](chart.png)

Code Enforcement and Rehabilitation

From July 1, 2009 through June 30, 2010, the Community Development Department continued its efforts to provide decent, affordable housing through its rental inspection and rehabilitation
programs. In addition, enforcement of the City’s blight ordinances provided a more suitable living condition in its residential neighborhoods. Although CDBG funds were allocated to support this function, the City’s only Ordinance Enforcement Officer was partially funded through the General Fund in order to conduct similar activities in non-CDBG eligible areas of the City. Balancing the City’s General Fund budget required wage reductions, achieved via furlough time and the elimination of non-essential or duplicative employee positions, including the Ordinance Enforcement Officer. The elimination of the Ordinance Enforcement Officer position, which had also conducted rental inspections, is already having a significant impact on the effectiveness of the City’s Code Enforcement program:

As indicated above, in 2009 the City’s rental inspection program initiated 556 new inspections among its two code enforcement officers. Those initial inspections resulted in 1,052 individual units being monitored to bring them up to local code. In addition, 829 follow up inspections were scheduled (total unit number not available). If code compliance was not achieved within 90 days of the initial inspection and the property owner was making progress but needed additional time, they had an opportunity to appeal to the Building Code Board of Examiners and Appeals (BCBA) for an extension of time to complete repairs. Among other mitigating factors, should the property owner choose not to present their case before the BCBA, or if hazardous conditions remained, such as smoke detectors not being installed by the first reinspection, a Violation and Notice of Hearing was issued mandating they appear at the City’s Administrative Hearings Bureau (AHB). During FY 2009-2010, 99 AHB cases involving rental housing were initiated.

In an attempt to alleviate blight, the City’s inspectors wrote 984 garbage, trash, and debris citations that resulted in 64% voluntary compliance. Those properties not in compliance on reinspection were referred to the Department of Public Works for cleanup. Two hundred forty-eight (248) inoperable or unlicensed vehicles were cited that resulted in 85% voluntary compliance. Dead or fallen trees were cited 100 times resulting in a 56% voluntary compliance rate. The City’s AHB was utilized to gain compliance; 96 blight ordinance cases were initiated during FY 2009-2010.

The City’s Housing Rehabilitation Program completed 16 rehabilitation projects and 22 emergency hazard cases during FY 2009-2010. Five additional rehabilitation projects were initiated but not completed before June 30, 2010 and are currently in progress.
After a one year hiatus, World Changers returned to Jackson to provide assistance to the City’s low- and moderate-income residents. During the week of June 14 through 18, 180 junior and high school youth and adults from Michigan, Ohio, North Carolina, Missouri, Alaska, Wisconsin, Alabama, Illinois, Kentucky and Kansas converged on Jackson to replace ten roofs, paint four homes and install two handicap ramps. CDBG funds were used to purchase the necessary construction materials and the World Changers provided the labor. In collaboration with these projects, City Council waived permit fees of $1,210 and, for the first time, members from Jackson First Church of the Nazarene provided smoke alarms with ten-year batteries free of charge for World Changers project homeowners who consented to the installation.

Jobs Creation Initiative
The City of Jackson had a very unique and successful opportunity to provide a jobs creation loan to a local manufacturer diversifying from auto parts production. In 2004, RTD Manufacturing was a successful, small, family-owned growing company based in Ann Arbor producing components for automotive companies and suppliers located in and around the Detroit area. After seeking a new facility to accommodate its expanding business in the Ann Arbor/Detroit area without success, RTD management came to Jackson County and found a vacant building to suit their needs in the city that formerly housed Worthington Steel. City
Council provided incentives to RTD which made the building even more attractive. At the beginning of production in its new location, RTD brought 25 new jobs to the City of Jackson and purchased materials and services mostly from Jackson area businesses. During the next two years, RTD’s sales increased 34% which resulted in additional jobs created to meet the increased demand.

In 2008 when the automotive industry began its sharp decline, RTD diversified its customer base by meeting the needs in the aerospace and alternative energy fields. Although automotive work dwindled to near nothing, RTD was able to maintain sales and employees but at a lower level than in previous years. The economic downturn continued to harshly affect the entire manufacturing base in America well into 2009. Although experiencing a sharp decline in sales and employees in 2009, RTD was not deterred and eventually was awarded a federal military contract in the amount of $727,720 to manufacture IED brackets for military vehicles. The successful completion of this contract held promise for additional federal contracts with the potential to bring a significant economic stimulus for the Jackson community. However, RTD did not have the cash flow necessary to gear up for the production. It was at this time that RTD again turned to the City of Jackson for assistance.

On December 15, 2009, City Council approved a $100,000 short term jobs creation loan to RTD Manufacturing from CDBG funds. With this loan, RTD was able to purchase the materials needed to produce the IED brackets and hire the additional employees needed to complete the federal contract. RTD successfully fulfilled the initial contract and was able to repay the City by April 2010. The loan not only provided the direct assistance to RTD, but also stimulated several other Jackson area businesses that provided the goods and materials needed for production and shipment.

Other Projects
The John George Home, a home for 35 elderly, indigent men, received funding to construct a new emergency stairwell. This was a multi-phase project that also utilized CDBG funds from 2008-2009 to construct an emergency elevator on the north side of the building, with additional funding resources provided by the community. The combined project removed an antiquated exterior steel open fire escape, unusable by most of the elderly residents, and replaced it with an elevator and staircase large enough for emergency personnel ingress and egress. The elevator has also provided much improved access for disabled residents and visitors to the second floor.
The City’s Engineering Department completed design, specifications, bids and contracts for street reconstruction on Mason Street from Jackson to Francis and the installation of a new sidewalk on Monroe Street from North Blackstone to the railroad tracks (approximately 1.1 miles). Work on Mason Street is anticipated to begin by September 7 and be completed by October 30. The sidewalk installation is slated to begin in August and be completed in September 2010. Further, Engineering is currently working on the design and specifications for Loomis Street from Leroy to Argyle; the bidding process and award of contract are anticipated to occur over the winter months so work can begin in the spring of 2011. Each of these projects will include the addition of handicap curb ramps at intersections and/or where feasible to provide unrestricted access to the elderly and disabled populations. A companion allocation was awarded to the City’s Department of Public Works (DPW), which installed 18 sidewalk handicap curb ramps in 11 intersections during 2009-2010. The continuation of this project fits with requirements of as required by 28 CFR 35.150(d)(2). DPW staff consults with disAbility Connections, a local non-profit agency supporting disabled Jackson County residents in their efforts to live independently, for priority placement of the curb ramps.

In an effort to protect and beautify neighborhoods, the Forestry Department removed 110 dead, diseased, dying and/or dangerous ash trees desecrated by the Emerald Ash Borer. New trees of varied hardy species will be planted to replace the removed ash trees. Finally, City Council approved funding a one-day citywide cleanup in which City residents were able to dispose of various household and yard debris in one location at no cost. More information on the very successful Fall Cleanup held in November 2009 is provided subsequently in this report.
Summary of Resources and Distribution of Funds

During the reporting period of July 1, 2009 through June 30, 2010, the following funds were made available from the U.S. Department of Housing and Urban Development (HUD) to the City of Jackson:

**Community Development Block Grant** ...............................................................$1,645,948
- Entitlement Grant B-09-MC-26-0021 ........................................... $1,394,249
- Program Income .......................................................... $198,370
- Reprogrammed Funds .......................................................... $53,329

**HOME Investment Program** .................................................................$677,606
- Entitlement Grant M07-MC260214 ............................................. $365,975
- Reprogrammed Funds .......................................................... $311,631

**Total:** ........................................................................................................ $2,323,544

CDBG funds were allocated as follows:

<table>

**COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) NEIGHBORHOOD AREAS**

City of Jackson, Michigan

- Neighborhood Areas
- CDBG Income-Eligible Block Group (per 2000 U.S. Census)
General CAPER Narratives

Assessment of the Five-Year Goals and Objectives
An excerpt from the Strategic Plan contained in the City’s 5-Year Consolidated Plan submitted and approved by HUD in 2005 identifies the four major goals of the Community Development Department’s program to expend CDBG and HOME funding:

1) Provide safe, decent and affordable housing by preserving the existing housing stock and developing opportunities for the addition of affordable homeownership units.

2) Encourage an economic climate that supports businesses providing livable-wage jobs in economic sectors likely to remain in strong demand for the foreseeable future by creating permanent jobs, undertaking long-term economic development efforts through entrepreneurial training, enhancing skills through education and training, and providing supportive services to enable access to these employment opportunities.

3) Prevent and eliminate blight by improving public facilities whose primary beneficiaries are residents with low- and moderate-incomes.

4) Provide an adequate level of human services that satisfies basic social, physical, mental, emotional, and economic needs of all residents, especially those with low- and moderate-incomes.

Examining each goal separately, information is provided below:

Goal 1

Rehabilitation/Emergency Hazard/World Changers
Residents of the City of Jackson have been especially hard hit with the continuing economic woes. Community Development’s rehabilitation staff remains committed to supplying emergency hazard and rehabilitation loans to homeowners choosing to remain in their current housing. Staff strives to increase its production even though the division is short staffed. In addition to CDBG and HOME funded rehabilitation projects, staff has been involved with stand alone lead hazard control and Neighborhood Stabilization Program projects.

Since 2005, the City has completed 154 rehabilitation projects, funded as follows:

<table>
<thead>
<tr>

<td></td>
</tr>
</tbody>
</table>
As of June 30, 2010, the City had an additional five rehabilitation projects in process, which will be completed early in the 2009-2010 fiscal year.

**Down Payment Assistance/Foreclosure Prevention/Homeownership Counseling**
Jackson Affordable Housing Corporation (JAHC) received HOME funding to provide Down Payment Assistance and CDBG funding for Foreclosure Prevention and Homeownership Counseling and Training. A total of 407 households received homeownership information and referrals. Of these, 141 households were extremely low-income, 166 were low-income, and 80 were moderate-income. In addition, 12 households closed mortgages with assistance from JAHC and funding was provided to eight (8) households to avert foreclosure proceedings.

**Goal 2**

**Economic Opportunities**
Jackson has historically been a manufacturing town with a majority of the manufacturing being directly impacted by the automotive industry. To avoid going out of business, many local manufacturers had to alter their focus from producing auto parts to other areas of needs they hadn’t before considered, such as parts for the health care industry. As relayed earlier in this report, one such manufacturer was RTD Manufacturing. Due to the significant downturn in demand for auto parts, RTD diversified is customer base by meeting the needs in the aerospace and alternative energy fields. Although experiencing a sharp decline in sales and employees in 2009, RTD eventually was awarded a federal military contract in the amount of $727,720 to manufacture IED brackets for military vehicles.

With the assistance of a $100,000 short term Jobs Creation Initiative Loan provided by the City from CDBG funds, RTD was able to successfully fulfill the terms and conditions of the initial federal award. In return, 44 jobs were created or retained by RTD and/or its suppliers.

With the continuing high unemployment rates experienced in Michigan, Jackson County and especially the City of Jackson, the City’s Economic Development Program Manager continues to present the Jobs Creation Initiative loan as an economic development incentive to eligible businesses. However, local businesses are not currently willing to provide the type of investments required to receive these loans. City staff continues to explore alternate means of providing economic development incentives for eligible businesses and persons to help overcome the declining economy and job market using CDBG funds. The City’s unemployment rate peaked in July 2009 at 22.2%. April, May and June 2010 provided a slight improvement with jobless rates ranging from 18.4% to 19.2%; however, July 2010 saw a return to over 20% unemployment.
Goal 3

Elimination of Blight
City inspectors continued with blight ordinance enforcement activity, citing homeowners for garbage, trash and debris; inoperable or unlicensed vehicles; and dead, diseased, dying or dangerous trees. Homeowners voluntarily complied with the citations and removed or eliminated the violations, requiring no further action from the City, 64.02% of the time for garbage, 84.68% of the time for inoperable or unlicensed vehicles, and 56% of the time with tree or brush issues. When violations remained at reinspection, those matters were brought before the City’s Administrative Hearings Bureau (AHB) where final resolution was achieved through eventual compliance or with the homeowner being defaulted. Further, the Administrative Hearings Officer assessed fines and costs in most instances as penalty for not bringing the code violations into compliance voluntarily.

Further efforts to eliminate blighted areas of the City included making neighborhoods safer by removing and replacing diseased, dead, dying or dangerous ash trees affected by the Emerald Ash Borer, and continuation of a sidewalk handicap curb ramp installation program.

The City experienced another very successful citywide cleanup day sponsored by CDBG funds. City of Jackson residents were provided a single location to dispose of yard waste, metal, tires, mattresses/boxsprings and other general refuse at no cost. Residents again expressed their gratitude for the opportunity to effectively dispose of items, especially larger items, cluttering their yards and homes. Below is a comparison of the April 26, 2008 and November 14, 2009 cleanup days:

<table>
<thead>
<tr>
<th></th>
<th>April 26, 2008</th>
<th>November 14, 2009</th>
</tr>
</thead>
<tbody>
<tr>
<td>Number of vehicles</td>
<td>300</td>
<td>over 500</td>
</tr>
<tr>
<td>Number of volunteers</td>
<td>&lt; 10</td>
<td>48</td>
</tr>
<tr>
<td>Garbage from Dumpsters</td>
<td>39 tons</td>
<td>81.37 tons</td>
</tr>
<tr>
<td>Scrap Tires</td>
<td>800</td>
<td>1,400</td>
</tr>
<tr>
<td>Scrap Metal</td>
<td>60 cubic yards</td>
<td>4.16 tons</td>
</tr>
<tr>
<td>Yard Waste</td>
<td>80 yards</td>
<td>Nominal</td>
</tr>
<tr>
<td>Mattresses/Boxsprings</td>
<td>not collected separately</td>
<td>177</td>
</tr>
</tbody>
</table>

Emmons Service, Inc. provided nine 40-yard dumpsters, increased from four 40-yard dumpsters in 2008, which allowed for a more continuous flow of garbage collection, hauling, and re-setting of the dumpsters. HUCO/Kurpinski Recycling collected tires, scrap metal, TVs (13), LP tanks (4) and car batteries (17). Disposal of the scrap metal provided Kurpinski enough funds to offset the cost of disposing of the other items listed. The Society of St. Vincent de Paul Thrift Stores collected mattresses and boxsprings to send to a facility in Illinois for refurbishing.

Goal 4

Public Services
CDBG funds were used to assist the City of Jackson’s disadvantaged youth with the following services:
- FAST – a family-oriented prevention service with goals of enhancing family functioning, avert children from experiencing failures in school, substance abuse awareness by the children and family, and stress reduction between parents and children from daily life situations.
- Partnership Park Downtown Neighborhood Association – homework assistance, conflict resolution skills, and life skills training in addition to recreational activities.
- Martin Luther King Center Summer Recreation Program – in addition to arts and crafts, swimming lessons and other sports clinics and camps, the youth were given peer pressure practice, life skills training and cultural diversification trips.

Low- and moderate-income adults were provided such services as:

- Emergency dental care through the Center for Family Health.
- Foreclosure prevention and homeowner training and counseling through Jackson Affordable Housing Corporation.
- Utility shutoff prevention through The Salvation Army.
- Information and referral services through the United Way’s 211 Call Center.

The City of Jackson received $7,780,740 in CDBG funding since 2005 and has allocated said funds to attain its stated goals as follows:

- Goal 1 – Decent, affordable housing ..............................................$1,659,961
- Goal 2 – Economic Development ................................................. 121,500
- Goal 3 – Elimination of Blight ................................................. $3,944,665
- Goal 4 - Public Services......................................................... 903,319

Through budget amendments reallocating funds from projects that came in under budget, from subrecipients that were unable to successfully spend down their funding, or budgeting program income, the City was able to provide additional funding towards its goals as follows:

- Goal 1 – Decent, affordable housing .................................$ 202,954
- Goal 2 – Economic Development ................................. 197,426
- Goal 3 – Elimination of Blight ................................. 992,417
- Goal 4 - Public Services ................................. 96,909
Of the entities listed on Pages 7 and 8 that have not yet expended their 2009-2010 funding, City Council reviewed each request to extend the time within which to spend Year 35 funds as follows:

<table>

Community Development rehabilitation staff continues to evaluate and update its program guidelines for rehabilitation projects. As homeowners are unable to afford a housing upgrade by moving to a new home, low- and moderate-income residents apply for rehabilitation or emergency hazard assistance to improve the home they currently own but are unable to meet the expense on their own. The economic development staff continues to incorporate more opportunities to create jobs, such as funding microenterprises or providing Section 108 loans.

**Affirmatively Furthering Fair Housing**

The City of Jackson's fair housing ordinance is outlined in Chapter 14, Article IV, Sections 14-131 through 14-140, City of Jackson Code of Ordinances, and prohibits discrimination in sale, lease or rental of real property because of an individual's religion, race, color, national origin, age, sex, marital status, handicap or source of income. Provisions are made in each CDBG Subrecipient Agreement or HOME Contract that the recipient must comply with fair housing and equal opportunity laws.

The City's Analysis of Impediments to Fair Housing Choice was updated and received by the City Council in early 2010. The Summary of Recommendations are as follows:

**Alleviate Identified Impediments to Fair Housing Choice** - opportunities to alleviate or eliminate the impediments identified on pages 2 and 3 of the Analysis should be given high consideration, whether it is by providing a specific service or supporting community partners who are better able to address the issues.

**Provide Financial Support to Fair Housing Activities** – City Council is advised to consider annual CDBG allocations to the Fair Housing Center of Southeastern Michigan to reinstate fair housing activities of education, complaint receipt, testing, investigation, and potential enforcement of Chapter 14, Article IV, Sections 14-131 through 14-140, City of Jackson Code of Ordinances.

**Update Fair Housing Ordinance** – City Council is advised to direct the language used in the City of Jackson's Fair Housing Ordinance, Chapter 14, Article IV, Sections 14-131 through 14-140, City of Jackson Code of Ordinances, be updated to be more reflective of current terminology used for gender and diversity.

**Fair Housing Law Promotion** – The Community Development Department is advised to enhance its Fair Housing promotion by including a statement on housing code inspection compliance certificates.

**Neighborhood Revitalization** – City Council is advised place high importance on continued efforts to improve the Neighborhood Stabilization Program (NSP) Target Neighborhood after NSP grant funds have been expended to provide additional enhancement to this distressed area of the City. Medium importance should be placed on continued financial support to the Partnership Park Downtown Neighborhood as significant investment and revitalization has already occurred.
Transportation - The City is advised to continue, and possibly expand, its participation in various boards, committees and study groups dedicated to improving public transportation in the community.

Continued Financial Support for Housing Programs - City Council is advised to maintain, and possibly enhance, financial support from its entitlement grants toward programs designed specifically for housing. Such programs include homeownership counseling, foreclosure prevention, down payment assistance, rehabilitation of housing, and construction of new housing.

While no action had been taken in relation to recommendations by June 30, 2010, the Fair Housing Center of Southeastern Michigan may be receiving CDBG funding from a budget amendment to conduct fair housing activities.

Affordable Housing
Foster and Maintain Affordable Housing
During fiscal year 2009-2010, the City provided funding to JAHC for various activities relative to affordable housing, such as downpayment assistance, homeownership counseling, foreclosure prevention, and acquisition/rehabilitation/resale as the City's CHDO. The City's Community Development Department provides a rehabilitation program for owner-occupied, low-income households who are unable to access home improvement loans through traditional lenders for repairs. Emergency hazard loans of up to $10,000 are made available to qualifying households to repair an immediate, urgent need, such as a furnace in the winter, a roof during the rainy season, etc. All of the above programs offer loans, rather than grants, ensuring future funding from program income will be available to assist another low-income family.

Preserving Decent, Affordable Rental Units
In order to protect the health, safety and welfare of area tenants, the City’s Code Enforcement program takes a proactive stance on the City’s rental housing by systematically inspecting all rental units in a designated area. During FY 2009-2010, 556 rental buildings consisting of 1,052 housing units received an initial inspection. After an initial inspection by a Code Enforcement Officer, landlords are given no less than 30 days nor more than 90 days within which to bring any non-emergency violations noted up to code per Chapter 14 of the City of Jackson Code of Ordinances. The Building Code Board of Examiners and Appeals may extend the time limit set for correction of violations if the owner can show a good faith effort to comply with the repair order. Non-compliance cases are prosecuted through the City’s Administrative Hearings Bureau. Ideally, rental units should be subject to re-inspection at the expiration of the two-year certificate of compliance; however, due to the annual reduction of CDBG funds from HUD, the Community Development Department is severely understaffed. While the target time to reinspect a designated area is three to five years, it is estimated that at the current staffing levels, inspectors will not be back in the designated area for six to eight years.

Eliminate Barriers to Affordable Housing
With consistently high unemployment, low income, and an ever shrinking safety net, many of the community’s residents struggle with multiple issues besides housing. Because the need is much greater than the City can provide for, several gaps are filled by non-profit and faith-based entities. While this alleviates some demands, it still is not great enough to assist everyone, nor provide a cure to the problems.
In its efforts to eliminate barriers to affordable housing, the City provided CDBG funding to JAHC for its foreclosure prevention program, and homeownership counseling and training. In addition, HOME funds were allocated to JAHC to provide down payment assistance to new homebuyers. As the City's only CHDO, JAHC also received HOME funds for acquisition, rehabilitation, and resale to low- and moderate-income homebuyers.

**Address Accessibility Needs of Persons with Disabilities**

On August 15, 2006, the Jackson City Council took action to waive the inspection fees for work performed by local non-profit charitable organizations, specifically for handicap-accessible ramps. Since that time, 37 ramps have been installed for disabled homeowners by disAbility Connections, the Rotary Club, and Mission Serve. Eleven of those ramps were constructed during fiscal year 2009-2010.

**Continuum of Care**

The City of Jackson supports the Jackson County Continuum of Care (CoC), which received Emergency Shelter Grant funding from the Michigan State Housing Development Authority (MSHDA) to address the needs of the homeless. A City staff member co-chairs and attends the monthly CoC meetings comprised of approximately 25 members of other community agencies and leaders. The ongoing meetings are utilized to provide consistency and support for those invested in addressing homelessness programming and resources. The City continues to work with the community and non-profit agencies to coordinate resources to prevent and eliminate homelessness.

Following is the most recent information regarding providers in the City:

<table>
<thead>
<tr>

<td>25 transitional beds (prisoner re-entry)</td>
</tr>
</tbody>
</table>

The CoC receives Emergency Solution Grants (ESG), Homeless Assistance Recovery Program (HARP), Tenant Based Rental Assistance (TBRA) from MSHDA, and also receives a Supportive Housing Program (SHP) grant from HUD.

As a CDBG and HOME entitlement community, the City of Jackson received $568,942 in Homelessness Prevention and Rapid Re-Housing Program (HPRP) funds from HUD. From January 1 to June 30, 2010, nearly one-half of the funds had been spent on the City’s homeless or soon-to-be homeless population. During that time, 71 households (183 persons) received rental assistance to keep them from becoming homeless, and 26 households (58 persons) deemed homeless were provided short- to medium-term housing. Further, with HPRP funding to
support an attorney at Legal Services of South Central Michigan, 115 households (266 persons) received representation in court during an eviction hearing to prevent them from losing their housing. Additionally, the CoC received $226,168 in funds from MSHDA to provide HPRP activities for Jackson County, excluding the City. The Community Action Agency reports it has provided assistance to 88 persons in 26 households.

City staff was also actively involved in the planning and implementation of the second Project Homeless Connect conducted by the CoC, which took place on November 20, 2009. With a small grant from the Michigan Coalition Against Homelessness, Project Connect 2009 was able to expand upon its first event in 2008, reaching more of the intended population and providing additional services. An exit interview conducted at Project Connect allowed for a Point in Time (PIT) count, which was entered into the County’s HMIS. Results from the PIT count were as follows:

<table>
<thead>
<tr>

Students from Spring Arbor University attended the event to obtain footage for a documentary they planned. The Jackson Transportation Authority provided free bus rides to and from the event for anyone who identified Project Connect as their destination. All in all, it was a wonderful event not only for the homeless, but also for the community members who volunteered to assist. Due to the success of the November 2009 Project Connect event, the CoC allocated funding for another Project Connect event on July 23, 2010, which initial numbers indicate was even more successful.

**Other Actions**

*Address Obstacles to Meeting Underserved Needs*

Many factors continue to need to be addressed to meet underserved needs. For instance, more jobs need to be made available for low- and moderate-income persons in which the potential employee may be able to perform but is lacking the required experience. Lack of transportation also contributes to continued unemployment in several ways:

- Unable to afford public transportation or no routes established near work place;
- Unable to afford proper insurance, registration and licensing for a vehicle;
- Unable to afford vehicle maintenance and repairs.

More affordable housing units are needed in the community, as many landlords are reluctant to take Section 8 vouchers. However, as noted in the 2010 Analysis of Impediments to Fair Housing Choice, there is a lack of developers and resources to create more affordable or low-income housing. City Inspectors noted large families of five or more persons have difficulty finding housing with enough bedrooms as real estate investors purchased many of the City’s larger single-family homes and then converted them into two to four unit apartment buildings. The disabled population faces accessibility issues to affordable scattered site housing, severely limiting their residency choices. While availability of affordable housing units remains a high priority to the City when allocating its CDBG and HOME funds, the state and local economy has continued a downward trend with no significant recovery in the foreseeable future.

Among other of the City’s homeless shelters, the Interfaith Shelter provides shelter, housing, food, advocacy services, referral services, and budgeting assistance for those persons seeking help. The Interfaith Shelter averages nearly 6,800 meals served and provides shelter to approximately 88 adults and 25 children on a monthly basis.

*Overcome Gaps in Institutional Structures and Enhance Coordination.*

The City of Jackson works with other organizations, including public institutions, non-profit organizations, and private industry and continues to strengthen relationships with agencies that provide services to Jackson’s low- and moderate-income residents. The City encourages its citizens and business leaders to participate in all aspects of its programs and governing decisions. In addition to public hearings on specific issues, citizens are given time at the beginning of each City Council meeting to address the City Council on issues of concern to them. Through this citizen input, the City Council has developed alternative program plans to address concerns in some cases.

City staff has attended meetings of the Partnership Park Neighborhood Association to receive and act on issues addressed during those meetings. Staff has also attended meetings of the
Jackson Area Association of Realtors and Jackson Area Landlord’s Association to discuss programs offered by the City, such as its rehabilitation and lead hazard control programs. Additional meetings of community service providers are regularly attended by City staff, such as Neighbors in Need, Income Community Solutions, Continuum of Care, and the Emergency Needs Coalition to stay informed of the City’s community development and housing needs. By increasing the City’s involvement in community meetings, more effective coordination and collaboration with housing providers, social service agencies, and local government can be achieved.

The City of Jackson intends to apply to HUD for a Community Challenge Planning Grant and Choice Neighborhoods Initiative, and will also participate in a Sustainable Communities Planning Grant for regional planning. Should the City be successful in obtaining these grants, it will allow for the development of an updated comprehensive plan through a needs assessment and gaps analysis to provide city and community leaders a visionary and goal-oriented plan workable with various public, private, governmental and quasi-governmental divisions. The assessment/analysis will concentrate on housing and neighborhood needs, stimulate economic development, improve public transportation, and review future land use and zoning changes necessary to advance progression.

**Improve Public Housing and Resident Initiatives**

The Jackson Housing Commission (JHC) is the City’s Public Housing Authority (PHA). The JHC manages 543 units of public housing in three Asset Management Projects and a Section 8 program of 475 participants. After assessing the housing needs of the City and surrounding Jackson County area, JHC has determined that it currently meets, and will continue to meet, the housing needs of the community to the extent practical for a medium-sized agency.

In addition, the JHC has:

- No plans to demolish any of its properties. In fact, the JHC plans extensive physical improvements at each location within the next three years. Comments and suggestions from the various Resident Advisory Boards (Shahan-Blackstone, Chalet Terrace, Reed Manor and Section 8) are taken into consideration and, if feasible, implemented.

- A HUD-approved Home Ownership Plan to sell 50 scattered site units to qualifying low- and moderate-income homebuyers. As of June 3, 2008, 10 units had been sold. Proceeds from future sales will be used for good supporting housing purposes to include, but not be limited to, development of low-income housing.

- Implemented local preferences to improve the living environment by de-concentration, promoting income mixing, and improving security throughout the developments.

- Created and continues to facilitate self-sufficiency programs to improve resident employability, as well as solicit support services for the elderly and families with disabilities.

The waiting list for Section 8 housing is quite extensive, totaling 1,084 families for 475 units. Of those on the waiting list, 97% are extremely low-income (less than or equal to 30% area media income) households. Unfortunately, the waiting list for Section 8 housing has been closed for
two years and only experiences a 21% turnover rate, which will allow only 9% of those families on the waiting list to attain Section 8 housing.

Public Housing has a waiting list of 295 families for 543 units and generally experiences a 24% turnover rate, which will allow approximately 44% of those families on the waiting list to attain public housing. Extremely low-income families make up 98% of Public Housing’s waiting list.

The JHC received $889,894 in Capital Funds Recovery Grant from the American Recovery and Reinvestment Act of 2009. The 40 single-family scattered site units remaining in the Home Ownership Plan are currently receiving updates, including new roofs, water heaters, furnaces, windows and doors.

Evaluate and Reduce Lead-Based Paint Hazards
The City of Jackson and the Jackson County Health Department are actively involved with environmental concerns regarding lead-based paint (lead was banned from residential paint in 1978). Based on 2000 Census Data, of the 15,241 housing units located in Jackson, it is estimated that 14,225 were built before 1978. According to HUD data, more than three-fourths of pre-1978 homes contain lead-based paint, meaning approximately 10,670 homes in the City of Jackson contain lead-based paint. Of the total number of homes potentially containing lead-based paint, it is estimated that 3,308 (31%) of the households occupying such homes are very low-income (0 - 50% MFI), and 1,921 (18%) are low-income (51 - 80% MFI).

The City of Jackson Community Development staff conducts visual inspections for defective paint surfaces. During routine inspections of properties involved in rehabilitation, homeowners are given educational materials about the dangers of lead-based paint. Women, Infants and Children (WIC) participants are advised of the availability of lead-based blood tests offered through the Jackson County Health Department. City of Jackson inspectors are trained on the requirements of the HUD Lead Safe Housing Rule (24 CFR 35, as amended 6/21/04) and ensure lead-based paint problems are properly resolved in all City funded housing rehabilitation projects.

Since HUD’s lead-based paint regulations took effect in September 2000, the City has seen rehabilitation costs increase by 60%. Unfortunately, the City's funding sources did not increase at the same rate, making it more and more difficult to have a significant impact on the housing in the community. Because of the age of the housing stock, the homes of virtually all applicants for rehabilitation assistance must be tested for lead-based paint.

Over the years, the City has utilized a number of certified companies to provide lead risk assessments and clearance reports for its projects. The City also maintains a list of approved area general contractors certified by the State of Michigan to utilize lead-safe work practices, interim controls, and lead-based paint hazard abatement to housing rehabilitation projects. Jackson is fortunate to have an experienced rehabilitation staff with over 50 years of combined rehabilitation experience with the City. All have received training in implementation of HUD Lead-Based Paint Regulations under the Residential Lead-Based Paint Hazard Reduction Act of 1992, which is Title X of the Housing and Community Development Act of 1992, and are able to conduct housing inspections, integrate and incorporate the findings of a lead risk assessment and paint inspection, and prepare construction specifications for City rehabilitation projects to address both issues.
In 2006, the City of Jackson was awarded a two million dollar HUD Office of Healthy Homes Lead Hazard Control Grant to provide funds to low- and moderate-income families living in the City of Jackson and Jackson County to accomplish the national initiative to eliminate childhood lead poisoning. The program offered testing for lead paint hazards in the home, testing of young children under age 6 for elevated blood lead levels, and funding to remediate the lead paint hazards from the home. The program provided up to $20,000 of assistance to eligible homeowners and up to $15,000 per unit of assistance to eligible rental properties with families of low- and moderate-income living in the unit. The City partnered with Community Action Agency, the Jackson County Health Department, and the Center for Family Health to promote and implement the program within the City of Jackson and throughout Jackson County. Lead program staff has received specialized training in the areas of lead risk assessment, lead paint testing, and lead clearance testing. With this funding, the City was able to provide 173 lead safe units. Approximately 18% of the total number of children under age 6 in Jackson County have been tested for blood lead levels, with 3% having levels greater than or equal to 10 micrograms per deciliter, indicating an elevated blood lead level as defined by the Center for Disease Controls.

The current grant expired on March 31, 2010 and, while the City applied for HUD FY2009 continuation of funding, we were not successful. HUD complimented the City of Jackson for presenting an excellent application, and strongly encouraged the City to apply for 2010 funds. A debriefing session revealed scoring was just shy of having been approved:

The loss of this grant funding has not only put City of Jackson children at risk of elevated blood lead levels (nearly 86% of the City’s housing stock was built before 1970), it has also created an economic impact to the community. For each job awarded, a lead paint risk assessor, contractor and crew (2 – 3 people), lead clearance professional, and local material suppliers were used. Loss of the grant also lead to the termination of two City employees who staffed the administrative and project development duties. City staff is maintaining a waiting list, currently at 55 potential participants, should the City be successful in attaining FY2010 funding.

**Ensure Compliance with Program and Comprehensive Planning Requirements**

The Community Development Project Coordinator is responsible for oversight of the administration of CDBG/HOME funds, which includes, but is not limited to:

- Receiving applications for funding and reviewing same for eligibility.
Performing a risk analysis of applicants requesting funds.
Preparing reports to the Community Development Director for the Mayor and City Council.
Performing environmental reviews.
Staffing Citizen Advisory Council meetings to obtain public comment.
Preparing the One-Year Action Plan for submission to HUD.
Preparing Subrecipient Agreements to those entities receiving an allocation.
Preparing the CAPER.
Monitoring subrecipients: quarterly desk reviews and annual on-site reviews.
Reviewing reimbursement requests for eligibility.
Conducting site visits to projects while in progress.
Conducting Davis-Bacon interviews on construction sites for Labor Standards compliance.
Maintaining files and records relating to the overall administration of the programs.

The Department’s Financial Analyst supervises the Project Coordinator and, in addition to assisting in some of the responsibilities listed above, is in charge of meeting all aspects of HUD’s financial reporting requirements, such as:

- Review payment requests for accuracy and eligibility.
- Reconcile financial records with IDIS.
- Prepare and reconcile reports submitted with the CAPER.
- Prepare reports to the Community Development Director for the Mayor, City Council, City Manager as requested.
- Prepare Federal Cash Control Report.
- Ensure accuracy of data entered in IDIS.
- Prepare budgets and forecasts.

Reduce the Number of Persons Living Below the Poverty Level
The Federal Financial Institutions Examination Council (FFIEC) published Summary Census Information based on estimates in 2010. The 2010 HUD Estimated Median Family Income for the County of Jackson is $58,600; only Census tract 8 in the City surpassed that amount by recording an estimated Median Family Income of $78,336.

Source: 2010 FFIEC Census Reports
Based on this information, approximately 21.8% of the City’s residents live at or below the poverty level, with two of the highest concentrations in Census tracts 6 and 11, where the average number of residents living at or below the poverty level is over 40%.

The City of Jackson has neither the resources nor facilities to carry out programs directly targeted at reducing the number of households at or below the poverty level; however, it does provide funding to public service agencies that can provide basic needs services at no or little cost to an individual or family. The U.S. Census Bureau released updated information regarding poverty levels in 2007. The local high unemployment rate, fueled by the downsizing of the automotive industry and rising costs of food and transportation, led to an increase of the number of people living in poverty. While the reported numbers are for Jackson County, it is reasonable to assume the City has experienced the same, if not worse, increase. The statistics also revealed the majority of those living in poverty were women, with the highest concentration being between ages 18 and 24. In addition, one of five children live in poverty, and nearly 60% of those children live in homes without a father. Local agencies that offer assistance to low-income individuals have seen the number of people who seek help rise, but their funding sources to provide services remain the same or are reduced. The State continues to make drastic budget cuts, further aggravating the cycle of poverty and the ability of families to recover.

**Leveraging Resources**

Subrecipients have been successful in leveraging CDBG or HOME funds with grants from foundations, lenders, private donations, and other state and federal grant and loan programs. The United Way funds many worthwhile organizations that address the high priority needs of the community’s low-income residents. The City continues to support agencies and developers in applying for other federal, state and public funds.
As stated above, the City of Jackson was also a recipient of a multi-year, two million dollar HUD Office of Healthy Homes Lead Hazard Control grant that worked in conjunction with the City’s rehabilitation program to improve the current housing conditions and create a healthier living environment throughout the community and will apply for the 2010 Lead-Based Paint Hazard Control Grant Program and Lead Hazard Reduction Demonstration Grant Program. The City’s CDBG and HOME grants do not require matching funds, but consideration is taken regarding the amount of other funds leveraged in a project when making allocation decisions.

**Citizen Comment**

Citizen input is actively solicited through publication of notifications in the *Jackson Citizen Patriot*, the area’s daily newspaper, and *The Jackson Blazer*, a weekly newspaper. The public is informed of meetings and public hearings and given the opportunity to comment on CDBG/HOME applications received by the City, the Action Plan, how funding is being disseminated before the Request for Release of Funds, and also the CAPER.

During the preliminary planning stages to develop the City’s 5-Year Consolidated Plan, the current Citizen Participation Plan was evaluated. After much research and analysis of the current Citizen Participation Plan structure and consultation with similar-sized entitlement communities in Michigan, it was determined improvements could be made to that plan, including the Citizens Advisory Council. Staff is currently revising the Citizen Participation Plan as authorized by the Jackson City Council, which will restructure the advisory council to be comprised of community leaders and citizens from CDBG-eligible areas that could conduct public hearings, receive citizen comments, provide reports to City Council regarding those hearings and comments, provide guidance to Councilmembers in the application/allocation process, and evaluate annual grant performance.

Because the City deviated from its current Citizen Participation Plan during its redevelopment, extra measures were taken to solicit public comment. Community service providers catering to low- and moderate-income persons posted flyers created by Community Development staff announcing the day, date, time, and reason for the public hearing. Among the agencies that posted the flyers were: Community Action Agency’s housing assistance office, the AWARE shelter, Jackson County Department of Human Services, The Salvation Army, South Central Michigan Works!, the three Jackson Housing Commission public housing complexes, the Community Development Department’s lobby, and on the front entrance doors to City Hall.

**Self-Evaluation**

*Decent Affordable Housing*

The City of Jackson continues to fund activities to sustain the availability and affordability to housing for low- and moderate-income persons. These activities include down payment assistance, foreclosure prevention, homeownership counseling and training, and rehabilitation. Community Development rehabilitation staff has been implementing new policies and procedures to streamline its program, which includes the use of a software package specifically designed to track the rehab cases. Staff will continue to review policies and procedures over the next year to modify its program where necessary to provide an efficient and beneficial service to its recipients.
Economic Opportunities
The City of Jackson has provided successful economic opportunities to businesses in the form of its Jobs Creation Initiative. With the bleak outlook for a positive, quick turn around in the City’s, County’s and State’s economy and unemployment rate, Community Development staff is pursuing implementation of other CDBG-funded activities, such as microenterprise assistance, to support more job opportunities for the City’s low- and moderate-income residents.

Elimination of Slum/Blight
The City of Jackson strives to improve the look of the City, from infrastructure repair, façade improvements to the downtown to make it more inviting, and helping keep neighborhoods clean through ordinance enforcement. As areas are cleared of blight, pride is restored to the community. Although it is an ongoing effort to maintain the cleanliness, the City has instituted procedures to deal with habitual offenders.

Public Services
The need for non-profit and charitable agency services for low- and moderate-income persons has risen sharply as the economy and job market has diminished. In future public service allocations, the City will be looking more closely at those services that provide assistance for basic needs – health, food and shelter. Until the City and State of Michigan are in an economic recovery, the City will continue to support agencies that provide the most beneficial basic needs to the community.

Monitoring
The City of Jackson requires its subrecipients to submit quarterly Direct Benefits Activity Reports to remotely monitor each subrecipient’s performance. If performance is not up to expectations, City staff contacts the subrecipient to provide any technical or other assistance to help them meet program regulations, achieve their performance goals, improve service being delivered, and assure timely delivery of benefits to low- and moderate-income persons. Reimbursement requests are meticulously reviewed to assure proper documentation is received to verify activities as being both eligible and meeting a National Objective. At least once yearly, the Community Development Department’s Financial Analyst and Project Coordinator make an on-site visit to thoroughly review the subrecipient’s overall program administration as well as individual project files.
**Program Narratives**

**CDBG Program**
The goals of using CDBG funds in the City of Jackson are to provide safe, decent, affordable housing to low- and moderate-income persons, encourage an economic climate, prevent or eliminate slum and blight, and make available certain public services to meet the basic needs of the low- and moderate-income residents. To accomplish these goals, CDBG funds were allocated for each goal as follows:

**Goal 1 – Safe, Decent and Affordable Housing**

Use of CDBG Funds for National Objectives

All CDBG funds received were allocated to meet National Objectives, specifically targeted to the City's low- and moderate-income residents, eliminating slum/blight, or meeting urgent needs.

Anti-Displacement and Relocation

No projects were funded that involved demolition of occupied property. Relocation was not necessary on any of the rehabilitation projects.

The City of Jackson and/or its funding recipients provide for reasonable benefits to any person involuntarily and temporarily or permanently displaced as a result of the use of CDBG or HOME funds for acquisition or rehabilitation of residential property. The City intends to cause no displacement to persons receiving assistance from the CDBG or HOME programs but recognizes that situations may arise wherein displacement, relocation or temporary relocation are the only viable methods for providing assistance. Because the City’s approved contractors have extensive experience, they are able to isolate various rooms in the home to perform lead hazard control work during rehabilitation. Once that area has been addressed, the contractor then moves to another section of the home and again isolates the area to do the rehabilitation and lead hazard work. Each area is completed in expedited fashion, without exposure of the family to lead-based paint hazards. Should extensive work be necessary, the budget includes relocation costs.

Low/Mod Job Activities

The City of Jackson implemented its Jobs Creation Initiative Loan Program in 2003 as an economic development incentive to expand business and create jobs for low- and moderate-income residents. Ambs Message Center received the first loan in 2004, followed by Anesthesia Business Consultants in 2005, and Daryl’s Downtown Restaurant in 2006. The policy adopted by the City Council is as follows:

**City of Jackson Jobs Creation Initiative Loan Program**
(Initiated 11/25/03)

**Eligibility Requirements:**

1) The business must be located within a CDBG eligible area of the City of Jackson and must not have received federal funds through any current or previous City, DDA, or MSHDA Program.
2) The business must make a minimum investment of $500,000 in construction or building improvements within two (2) years.
3) The business must create at least one (1) full-time income job for a low-moderate income individual for each $5,000 of CDBG funds within three to five (3 – 5) years.
4) The business must agree to a Promissory Note and Development Agreement.
5) The business must be current on taxes and special assessments
6) The business must not have any active code violations cited.

On December 15, 2009, City Council approved a $100,000 short term jobs creation loan to RTD Manufacturing from CDBG funds. With this loan, RTD was able to purchase the materials needed to produce the IED brackets and hire the additional employees needed to complete a federal contract. RTD successfully fulfilled the initial contract and was able to repay the City by June 2010. The loan not only provided the direct assistance to RTD,
but also stimulated several other Jackson area businesses that provided the goods and materials needed for production and shipment.

</tbody>
</table>

The City of Jackson implemented a Deposit Loan program in the early 1980s when mortgage and home improvement loan interest rates were 17% - 20%. It was originally a lump sum deposit and the bank interest earned was used to subsidize the high interest on home improvement loans to between 4% and 8%. As interest rates improved, there was no longer a need for this program; however, the City's agreement with Flagstar Bank required sufficient funds remain in the account to cover the outstanding principal on existing Title I loans. Over time, as the loans have been repaid and less and less interest was needed to subsidize existing loans, the unneeded interest was declared as program income and reused in other block grant eligible activities.

The goal of using HOME funds in the City of Jackson is to provide decent, affordable housing to low- and moderate-income persons, which is of highest priority. To accomplish this goal, HOME funds were allocated for rehabilitation assistance, acquisition/rehabilitation/resale, and down payment assistance. The City’s Community Housing Development Organization (CHDO), JAHC, was able to complete a rehabilitation project started in 2008-2009 and sell it to a low-income household. JAHC also acquired two other modest homes at 1306 Leroy and 734 North Waterloo in 2009-2010. The rehabilitation at Leroy has been completed and the home is currently being marketed to eligible purchaser, while North Waterloo is currently in the process of being rehabilitated.

The City of Jackson does not use HOME funds for rental housing, so no on-site inspections of rental units were conducted of HOME funded rental housing, and no affirmative marketing was required. No HOME match is required to be paid by the City of Jackson for FY2009 as HUD continues to determine the City is in severe fiscal distress. Forms HUD-40107 (HOME Program Annual Performance Report) and HUD-40107-A (HOME Match Report) are attached to the CAPER as required.

**Housing Opportunity for People with Aids (HOPWA) Program**
The City of Jackson does not receive HOPWA funding.

**Emergency Shelter Grants (ESG) Program**
The City of Jackson does not receive ESG funding.
To: Warren Renando, City Manager  
From: Brandon Ransom, Director of Parks, Recreation and Grounds  
Date: September 7, 2010  
Subject: War on Terror Memorial in Withington Park  

The Jackson Parks and Recreation Commission received a proposal from the Jackson Veteran’s Council monument committee requesting permission to place a War on Terror Memorial in Withington Park at their August 18, 2010 meeting. The Veteran’s Council and other supporters of the monument have successfully raised all of the funds necessary for the project and the funds have been transferred to the city with that intent.

The Parks and Recreation Commission passed a motion recommending approval of the proposal.

The attached plans call for two stone monuments that are 2’x6’. These monuments are very similar to the existing monuments in the park. The threaded rod in between the 2’x 6’ monuments is an anchor system that will receive the soldier’s field cross. A picture of the field cross is attached in the documents as well. The software system used to generate the drawings would not allow the soldier’s field cross to be imported in.

Tom Steiger and I met with Veteran’s Council Commander Dave Welihan and monument consultant Chris St. John at the site to discuss the monument and its location and recommend approval as presented. If approved, the monument committee would like to have the monument installed in time to dedicate at the 2010 Veteran’s Day Service (November 11).
Dedicated to those who followed in the paths taken by earlier patriots and offered their lives in service to their country during the Global War on Terror.

CITY OF JACKSON

UNFIT FOR HUMAN HABITATION
(Notice to Vacate)
September 7, 2010

TO:           Honorable Mayor and City Councilmembers
FROM:         Lynn Fessel, City Clerk
RE:           Establishment of a Public Hearing on the Request filed by Technique, Inc., located at 2341 Enterprise Drive, for an Application for an Industrial Facilities Exemption Certificate

Technique, Inc., has submitted the attached application for an Industrial Facilities Exemption Certificate for personal property for their facility located at 2341 Enterprise Drive.

Requested action is for the City Council to establish a public hearing on September 28, 2010, on the application. Notification letters will be sent to the applicant and the legislative body of taxing units, which levy ad valorem taxes within the City informing them of the public hearing.

Thank you.

Attachment

C: Interim City Manager
City Assessor
City Attorney
Economic Development Project Manager
July 23, 2010

City Clerk, Lynn Fessel  
City of Jackson  
161 W. Michigan Avenue  
Jackson, MI 49201-1303

Dear Lynn:

Please see the enclosed Application for Industrial Facilities Tax Exemption Certificate for equipment we have purchased.

The permanent parcel number: 06-1832.1500

Our company has recently purchased approximately $535,000 in machinery. These acquisitions will help us increase efficiency, increase production capacity and create new jobs; as well as allow us to keep business in Jackson that would otherwise have to be moved to North Carolina. Granting us the benefits of P.A. 198 will encourage management and owners to continue to invest in Jackson and its valued residents.

If you will advise us of the time, date and place the public hearing will be held to discuss this matter, we will be happy to have a company representative present.

Thank you in advance for your assistance.

Sincerely yours,

Ronald W. Johncox, President  
Technique, Inc.
# Application for Industrial Facilities Tax Exemption Certificate

Issued under authority of Public Act 196 of 1974, as amended. Filing is mandatory.

**INSTRUCTIONS:** File the original and two copies of this form and the required attachments (three complete sets) with the clerk of the local government unit. The State Tax Commission (STC) requires two complete sets (one original and one copy). One copy is retained by the clerk. If you have any questions regarding the completion of this form or would like to request an informational packet, call (517) 373-3272.

</thead>
<tbody>
<tr>
<td>12</td>
</tr>
</tbody>
</table>

5. Per section 5, the application shall contain or be accompanied by a general description of the facility and a general description of the proposed use of the facility, the general nature and extent of the restoration, replacement, or construction to be undertaken, a descriptive list of the equipment that will be part of the facility. Attach additional page(s) if more room is needed.

Facility at 2341 Enterprise Drive will be used to house a BLM Laser Tube to serve Technique's client base in North Carolina. As opposed to moving operations to NC, this new operation will allow Technique to service NC clients from Jackson. A tax abatement in the form of an IFT will help keep Technique competitive due to the geographic barriers.

<table>
<thead>

RULES & PERSONNEL COMMITTEE
MINUTES
September 21, 2010
14th Floor, City Hall
6:17 p.m.

Members Present: Councilmembers Carl Breeding, Daniel P. Greer, and Andrew R. Frounfelker, Chairman

Staff Present: Warren D. Renando, Interim City Manager

1. CALL TO ORDER: The Rules and Personnel Committee meeting was called to order at 6:17 p.m., by Andrew R. Frounfelker, Chairman.

2. MOTION: A motion was made by Carl Breeding and supported by Dan Greer to close the City Manager Search and to inform all City Manager Candidates that the search has been closed. The motion carried unanimously.

3. MOTION: A motion was made by Carl Breeding and supported by Dan Greer to begin the process for hiring a new search firm for the City Manager search. The motion carried unanimously.

4. INTERIM CITY MANAGER AGREEMENT: The committee discussed the approval of a new contract for Interim City Manager Warren D. Renando as presented and attached.

5. MOTION: A motion was made by Dan Greer and supported by Andy Frounfelker to approve the new contract with Interim City Manager Warren D. Renando as presented and attached. The motion carried 2-1.

6. ADJOURNMENT: The meeting adjourned at 6:28 p.m.

Respectfully submitted,

Andrew R. Frounfelker
Chairman
CITY OF JACKSON
AGREEMENT FOR CITY MANAGER SERVICES

This Agreement, made on the _____ day of __________, 2010, by and between the City of Jackson, a Michigan municipal corporation, with offices located at 161 West Michigan Avenue, Jackson, Michigan 49201, hereinafter referred to as “the City,” and Warren D. Renando, of 733 Oakridge Drive, Jackson, Michigan 49203, hereinafter referred to as “Mr. Renando.”

WITNESS:

WHEREAS, the City desires to employ the services of Warren D. Renando as City Manager of the City of Jackson; and

WHEREAS, it is the desire of the City to provide certain benefits, establish certain conditions of employment, and to set working conditions for Mr. Renando; and

WHEREAS, it is the desire of Mr. Renando to accept employment as the City Manager of the City.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. **Term**: Mr. Renando shall serve as City Manager for the City for a term beginning on May 12, 2010 and ending twelve (12) calendar months later (May 11, 2011), and shall have such powers and duties as City Manager as are prescribed by the Charter of the City and its ordinances.

2. **Salary**: In consideration for his services as City Manager, the City will pay Mr. Renando the sum of $54,000.00 for the first six (6) month period of this Agreement, which shall be paid to Mr. Renando bi-weekly in equal installments in the same manner as City employees are paid. Thereafter, Mr. Renando will be paid $9,000.00 per month (on a biweekly basis) for each month that he continues to serve as City Manager.

3. **Other Compensation and Benefits**: During the term of this Agreement, the following shall apply:
   A. Mr. Renando will not be part of the City’s Employees Retirement System (ERS). It is acknowledged that Mr. Renando is currently receiving pension benefits from the City ERS. This Agreement shall not change Mr. Renando’s status in that regard.
   B. Mr. Renando will accrue sick leave as provided in the City’s Personnel Policy.
   C. Mr. Renando may take twenty (20) days of vacation during the first six (6) month period of this Agreement. Thereafter, he shall accrue another twenty (20) days of vacation at the commencement of his seventh month of service.
D. Except as otherwise identified in this Agreement, Mr. Renando will not receive fringe benefits of any kind or nature whatsoever during the term of this Agreement; provided, however, the City will pay its contributions to FICA, unemployment insurance, and Workers' Compensation coverage and fourteen percent (14%) of his salary shall be placed in a retirement account of his choosing.

4. Termination:
   A. Anything in this Agreement to the contrary notwithstanding, Mr. Renando’s employment will be “at will,” and may be terminated by either party, with or without cause, upon thirty (30) days written notice to the other party; provided, however, that in the event Mr. Renando is terminated for cause, which shall include, but not limited to, conviction of any felony or any illegal act involving personal gain to him, then the City shall have no obligation to provide a thirty day notice.
   B. Either party may choose not to continue this employment Agreement at the end of the initial six months. The City agrees to give Mr. Renando thirty (30) calendar days notice of termination or non-continuation. Mr. Renando also agrees to give the City thirty (30) calendar days notice of termination or non-continuation of this employment Agreement.
   C. If Mr. Renando is permanently disabled, or is otherwise unable to perform his duties because of sickness, accident, injury, mental incapacity or health for a period of two (2) successive weeks beyond any accrued sick leave, the City may terminate this Agreement without providing the requisite thirty (30) day notice.
   D. Upon either termination or non-continuation of this Agreement, the City shall not be obligated to pay any remaining salary due Mr. Renando under this Agreement except for unused sick or vacation days as per the City's employment manual. Provided, however, if the City terminates this agreement without cause during the initial six (6) month period of this Agreement, then the City shall pay Mr. Renando the remaining balance of the salary due him for said six (6) month period. Further provided, however, if, at any time after the 91st day of this Agreement, the City terminates Mr. Renando as a result of having hired a permanent full-time City Manager, then the City shall have no further obligations under this Agreement, and shall not be liable for any additional salary to Mr. Renando.

5. Performance: Mr. Renando agrees to serve as City Manager for the City and to carry out to the best of his ability all the duties imposed upon that office by the Charter and Ordinances of the City and those other duties as the City Council, from time to time, may require of that office.

6. Residency: Mr. Renando shall comply with the residency requirements of the City’s personnel policy.
7. **Notices:** Notices pursuant to this Agreement shall be given by first-class mailing with the United States Postal Service, postage prepaid, addressed as follows:
   A. Mayor of the City of Jackson, 161 West Michigan Avenue, Jackson, Michigan 49201. Alternatively, notices may be personally served.
   B. Warren D. Renando, 733 Oakridge Drive, Jackson, Michigan 49203.
   C. Notices shall be deemed given as of the date of such personal service or as of the date of first class mailing of such written notice with the United States Postal Service.

8. **General:**
   A. The text of this Agreement shall constitute the entire agreement between the parties.
   B. This Agreement shall be binding upon and inure to the benefit of the heirs, successors, and personal representatives of Mr. Renando.
   C. This Agreement shall become effective at the time Mr. Renando commences employment with the City as the City Manager.
   D. If any provision, or any portion thereof, contained in this Agreement is held unconstitutional, invalid or unenforceable, the remainder of this Agreement, or portion thereof, shall be deemed severable, shall not be affected, and shall remain in full force and effect.
   E. No amendment of this Agreement shall be effective unless in writing and signed by both parties.

IN WITNESS WHEREOF, the City of Jackson has caused this Agreement to be signed and executed on its behalf by its Mayor and City Clerk, pursuant to authorization of the City Council, and Mr. Renando has signed and executed this Agreement, the day and year first above written.

CITY OF JACKSON                                CITY MANAGER

September 7, 2010

TO: Warren D. Renando, Interim City Manager
FROM: Carol L. Konieczki, Community Development Director

Attached is a resolution to amend the CDBG budgets for the above referenced fiscal years. This resolution will allocate program income in the amount of $105,967 received in excess of amounts budgeted and reallocate unexpended funds in the amount of $13,370.

Staff recommends allocating the excess program income and unexpended funds as follows:

**JPD Equipment - $7,752**
The City of Jackson Police Department (JPD) has received a Public Safety Interoperability Communications (PSIC) Grant to purchase 20 mobile radios and four portable radios. The total allocated to JPD is $38,760, of which there is a 20% match requirement. These funds will be utilized to meet the match requirement of $7,752.

**World Changers (Year 34) - $8,000**
The World Changers and Mission Serve programs were an overwhelming success in June and July this year. The two organizations provided labor to complete 27 projects, while CDBG funds provided the materials. As a result of this success, the available funds have been exhausted. Funding is necessary to enable payment for purchased materials.

**World Changers (Year 36) - $45,585**
Funding this activity will allow the program to continue in the city next summer.

**Fair Housing Center of Southeastern Michigan - $10,000**
The Fair Housing Center requested $20,000 for the current fiscal year, but did not receive an award. If funded, the Fair Housing Center will use the monies to take and investigate complaints of illegal housing discrimination for the properties in the City of Jackson.

~ or ~

**Salvation Army - $10,000**
The Salvation Army requested $75,000 for the current fiscal year, but received an award in the amount of $60,000. Increasing the award to the Salvation Army will provide funding to an additional 24 households.
**Cleanup - $10,000**
Previous cleanup days have been very successful. Funding for this activity will provide for the following expenditures to operate a future cleanup day in the current fiscal year: dumpsters, incinerator fees, equipment rental and labor to operate the equipment and flyers.

**Demolition - $38,000**
Funds may be utilized toward the demolition of 212 W. Michigan Avenue. In the event full funding is received for this project, the funds may be used for CDBG eligible residential demolitions.

The resolution is to amend the fiscal year 2004/2005 (Year 30), 2007/2008 (Year 33), 2008/2009 (Year 34), 2009/2010 (Year 35) and 2010/2011 (Year 36) CDBG budgets to reallocate unexpended funds in the amount of $13,370 and budget program income received in excess of budgeted amounts in the amount of $105,967 to various eligible CDBG activities as detailed above. Please place this item on the August 17, 2010 City Council agenda for consideration.

Cc: Heather Soat
    Michelle Pultz
    Steve Maga
City of Jackson, Michigan  
Resolution to Amend the 2004/2005 (Year 30), 2007/2008 (Year 33), 2008/2009 (Year 34), 2009/2010 (Year 35) and 2010/2011 (Year 36) CDBG Budgets

Whereas, the U.S. Department of Housing and Urban Development approved Community Development Block Group (CDBG) programs for fiscal years 2004/2005 (Year 30), 2007/2008 (Year 33), 2008/2009 (Year 34), 2009/2010 (Year 35) and 2010/2011 (Year 36); and

Whereas, the City Council previously allocated funds for various CDBG eligible services; and

Whereas, in Year 34 and Year 35 receipts from program income in excess of budgeted expenses were received; and

Whereas, the City Council desires to reallocate these funds and appropriate the additional program income from Year 34 to be made available for use for Year 36 activities and programs.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Jackson hereby amends the subject budgets as follows:

Interim City Manager

FROM: Matthew R. Heins  
Chief of Police

SUBJECT: Edward Byrne Justice Assistance Grant (JAG) Program

An Edward Byrne Memorial grant in the amount of $44,646 has been awarded to the Jackson Police Department and the Jackson County Sheriff Office, by the Department of Justice, Office of Justice Programs. This grant will be used to purchase equipment for both the Jackson County Sheriff Office and the Jackson Police Department. A Memorandum of Understanding has been signed by both parties and it was agreed upon that the City will continue to be the grant fiscal agent.

The police department is now requesting the City Council adopt the attached resolution amending the 2010/2011 fiscal year budget.

Please place this as an item on the City Council agenda for September 14, 2010. I or a representative will be present to answer any questions.

RESOLUTION

WHEREAS, the City has entered into the federal government's Edward Byrne Memorial 2009/2013 Justice Assistance Grant (JAG) Program, through the Department of Justice, Office of Justice Programs, Bureau of Justice Assistance.

WHEREAS, this grant requires the activity relating to this project to be kept in a separate account to facilitate reporting and compliance under the terms of the grant.

NOW, THEREFORE, BE IT RESOLVED, that the 2010/2011 budget be amended as follows:

MEMORANDUM
City Clerk’s Office

September 8, 2010

TO: Honorable Mayor and City Councilmembers

FROM: Lynn Fessel, City Clerk

SUBJECT: Resolution Regarding the Request to Transfer Ownership of an Escrowed 2010 Class C Licensed Business with Entertainment Permit & Dance Permit, Located at 100 S. Cooper, from The Apple Inc. to Tini Bikinis-Jackson LLC

Attached for your consideration is a resolution requesting the subject transfer. There are no objections from the Police and Fire Departments.

There are objections from the Chief Building Official, until violations cited at the August 12, 2010, inspection are corrected. The County Health Department requires a plan review, license application and associated fees.

Because of the above noted objections, requested action is to adopt the resolution with the request considered for APPROVAL - SUBJECT TO FINAL INSPECTION and the application RECOMMENDED, SUBJECT TO FINAL INSPECTION, for issuance.

Thank you.

September 8, 2010

TO:       Warren D. Renando
          City Manager

FROM:     Michael E. Beyerstedt
          Fire Chief

SUBJECT:  Request For Revision of Burning Ordinance

The Fire Department, in conjunction with the City Attorney, is requesting City Council to amend the City of Jackson Burning Ordinance. After reviewing the current burning ordinance with the City Attorney, it became clear that there is currently no provision in the ordinance allowing for the use of chimineas or “approved burning devices.” The issue is that during the administration of the previous two fire chiefs, citizens were advised that these devices were allowed, and many taxpayers have purchased such devices based on this advice. The revised burning ordinance language (see attachment) will allow such devices to be used in a safe manner, while still prohibiting burning barrels, garbage burning, campfires, and leaf burning.

Please place this request on the City Council Agenda for September 14, 2010. I will be present to answer any questions on this matter.

Attachment (Revised Ordinance)
ORDINANCE 2010 -

An Ordinance amending Chapter10, Section 10-53, Section F-403.0 Code of Ordinances, City of Jackson, Michigan to provide for the open burning of wood-based products in outdoor-burning devices.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. Purpose

The City Council wishes to allow the outdoor burning of wood as wood-based fires when such burning is performed consistent with manufacturer’s instructions for outdoor burnings devices such as chimineas and fire pits.

Section 2. That Chapter 10, Section 10-53, Section F-403.0, of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

Sec. F-403.0. Open burning. Section F-403.0 is amended to read as follows:

Sec. F-403.1. Outdoor burning: Except otherwise allowed in this section, the outdoor burning of refuse, leaves, papers, or any other combustible waste material is prohibited.

Sec. F-403.2 Allowable burning: The following outdoor burning is allowed:

1. Outdoor cooking is allowed for cooking of food on any barbecue, grill, or other appliance primarily designed for outdoor cooking and when used in a manner consistent with the manufacturer’s instructions. However, any odor created by the outdoor cooking must not create a foul or offensive odor or cause smoke emissions that are reasonably offensive to nearby persons. The Code Official may require the owner or responsible person to extinguish any outdoor cooking that creates a fire hazard or become reasonably objectionable.

2. Outdoor fires are allowed for the burning of wood in devices designed by manufactures as backyard fire pits when the burning is

   a. contained within a device located more than fifteen (15) feet from any neighboring property line,
   b. occurring at a one-family or two-family dwelling and not prohibited by the property owner,
   c. attended by a responsible adult, and
   d. performed in a safe manner consistent with the manufacturer’s instructions.

When burning wood in such devices, the wood used for the burning must be seasoned natural wood. The burning wood must not have been painted,
varnished, or coated with similar materials; must not have been pressure treated with preservatives; and must not contain resins or glues typically present in plywood or other composite wood products.

However, any odor created by an outdoor fire must not create a foul or offensive odor or cause smoke emissions that are reasonably offensive to nearby persons. The Code Official may require the owner or responsible person to extinguish any outdoor fire that creates a fire hazard or become reasonably objectionable.

Section 3. This Ordinance takes effect thirty (30) days from the date of adoption.
MEMO TO: Honorable Mayor and City Councilmember

FROM: Warren D. Renando, Interim City Manager

DATE: September 8, 2010

SUBJECT: Authority and Responsibility of Establishing the City Council Meeting Agendas

At the August 17, 2010, City Council meeting, Councilmember Breeding requested that the above referenced item be placed on the September 14, 2010, City Council meeting agenda.

While the Charter does not specifically address the issue of who has authority and responsibility of establishing the City Council meeting agendas, in the City of Jackson the responsibility has historically been the City Manager’s. The reason for that is because the City Manager handles the administrative duties of the City, including overseeing the duties of the department heads. As part of this duty the City Manager works closely with department heads reviewing and advising them on the agenda items that are to be submitted to the Council for their consideration. The City Manager has the working knowledge of the day to day business of each department and is better able to then supervise department heads. Therefore, making sure the items that are brought before the City Council for consideration are accurate, and after Council action, is better able to implement the decisions of Council.

WDR:skh
August 25, 2010

TO:        Warren Renando, Interim City Manager
FROM:      Paul Hudson, Interim Water Director
RE:        Request to Purchase-Medium Voltage Starter

The Water Treatment Plant requests approval for the purchase of a medium voltage starter. It was brought to our attention the starters now in place at the Water Treatment Plant are a safety concern. The current starters, which feed motors rated at 4,800 volts, are only rated at 4,160 volts. Based on a recommendation from an electrical engineer, this is a major safety issue.

After the approval from the previous City Manager, the Purchasing Department solicited bids for a starter replacement. The Purchasing Agent received five (5) bids on Wednesday, July 28, 2010 at the Purchasing Department for the purchase of a medium voltage starter. The following bids were received:

<table>

FROM: Paul Hudson, Interim Water Director
RE: Request to Purchase-HMA Patching services

The Water Distribution Department requests approval to enter into a services contract with Rieth Riley Construction for HMA Patching on an as-needed basis during the construction season. These services are for pavement repairs and restoration beyond the capabilities of the existing work force. The services would consist of placing and compacting HMA wedging and patching.

The Purchasing Department solicited bids for these services. The Purchasing Agent received two (2) bids on Wednesday, August 25, 2010 at the Purchasing Department. The following bids were received:

<table>
<thead>
<tr>

FROM:    Paul Hudson, Interim Director, Water Department  
RE:  Replacement vehicle for Water Distribution

The Water Department requests approval to purchase a new vehicle for Water Distribution due to repair costs exceeding the value of the vehicle. It has become necessary to replace the older model. We are also requesting approval for the purchase of a standard service body to be installed on the new truck.

A 2011 Ford F-250 will replace a 2001 utility truck (#133) for a cost of $18,044.00 and will be purchased through MIDEal Purchase Program of the State of Michigan. Bids were received for the service body truck. They are as follows:

- Fitzgibbons Fleet Fabricators: $8,025.00
- Automotive Service Company: $12,169.50
- Knapheide: $12,453.00

In accordance with the Purchasing Agent, I hereby request City Council’s approval for the purchase of one (1) 2011 Ford F-250 for $18,044.00 and one (1) standard service body from Fitzgibbons Fleet Fabricators for the low bid price of $8,025.00. The total cost of the Ford F-250 and the service body from Fitzgibbons is $26,069.00. Funds to cover this expense are in the Water Department’s 2010/2011 budget.

RE: Request to Purchase Service Body

The Water Distribution Division requests approval for the purchase of a standard service body to be installed on the new 2011 Ford F-250 utility truck that will replace an older model truck that has become more costly than its worth. Bids were received from three different companies. They are as follows:

- Fitzgibbons Fleet Fabricators: $8,025.00
- Automotive Service Company: $12,169.50
- Knapheide: $12,453.00

We are requesting to purchase the necessary service body from Fitzgibbons Fleet Fabricators of Jackson, Michigan for a cost of $8,025.00. Funds for this purchase are available in the Fiscal Year 2010/2011 Water Department budget.

SUBJECT: Authorization to Purchase Patrol Vehicles

The police department is seeking authorization from the City Council to utilize the Macomb County and Oakland County Purchasing Contracts to purchase three patrol cars. The contracts are with Signature Ford for the Crown Victoria Interceptor and Shaheen Chevrolet for the Impalas. The three new vehicles will be replacing older, high mileage, high maintenance patrol vehicles.

The Macomb County contract price for a Crown Victoria is $20,621. The Oakland County per vehicle contract price is $17,992 bringing the cost for two Impalas to $35,984. Total for all three vehicles $56,605. The funds to purchase these vehicles are in the police department’s 2010/2011 fiscal year budget adopted by City Council earlier this year.

Upon your approval place this request on the September 14, 2010 City Council agenda. I, or a representative, will be present to answer any questions.

SUBJECT: Insulation Project at Fire Station #1

The Fire Department is seeking authorization from the City Council to insulate the roof at Fire Station #1. Currently there is no insulation above the drop ceiling and the roof decking.

The Fire Department applied for and received an American Recovery and Reinvestment Act-Energy Efficiency and Conservation Multi-Purpose Block Grant to fund this project. The City of Jackson formal bid process showed Seal Tech Insulation inc., of Belleville, Michigan, to be the lowest bidder at $30,869.60.

Please place this request on the City Council agenda for September 14, 2010. I will be present to answer any questions.

RE: Request to Approve Revocable License – Jackson Symphony Orchestra Kiosk in Front of Building at 215 W. Michigan Avenue

The Department of Engineering has received a Revocable License request from the Jackson Symphony Orchestra (JSO), for construction of a kiosk in the City’s right-of-way in front of their building at 215 W. Michigan Avenue (photo attached).

The normal process for approval of Revocable Licenses for items in the right-of-way, other than signs, requires a 30-day waiting period. The JSO has requested that approval be expedited. The Department of Engineering has reviewed the design and has received the appropriate insurance and licensing fee from the JSO. The City Attorney has reviewed and approved the Revocable License for the construction.

With your concurrence, the Department of Engineering requests that the attached Revocable License be presented to the City Council for the immediate approval, and that the Mayor and City Clerk be allowed to execute the Revocable License on behalf of the City. If you have any questions, please contact me.

REVOCABLE LICENSE

THE CITY OF JACKSON, a Michigan municipal corporation, with offices located at 161 West Michigan Avenue, Jackson, Michigan 49201, hereinafter called "Licenser", in consideration of the terms, conditions and covenants hereinafter set forth, does hereby grant to JACKSON SYMPHONY ORCHESTRA ASSOCIATION, INC., a Michigan non-profit corporation, with offices at 215 West Michigan Avenue, hereinafter called "Licensee", this REVOCABLE LICENSE, RIGHT and PRIVILEGE to construct and maintain upon the City's sidewalk - Street right-of-way adjacent to Licensee's property described on Attachment 1, commonly known as 215 West Michigan Avenue, Jackson, Michigan, a kiosk (hereinafter "structure"). The design, configuration and location of said structure is more precisely described upon EXHIBIT A, attached hereto and incorporated by reference, to be occupied and used by Licensee on the Licensor's Street right-of-way described above, on the terms, conditions, and covenants hereinafter mentioned.

As consideration for this License, Licensee agrees to the following terms, conditions and covenants:

1. Licensee shall pay Licenser the sum of Twenty Five Dollars ($25.00).

2. Licensee agrees that in the design, construction, installation and maintenance of the structure, and throughout the term of this License, it will comply with the restrictions set forth herein and with all statutes, rules, ordinances and regulations pertaining to said structure.

3. The design, configuration, location and specifications for installation of the structure shall be approved by the City of Jackson City Engineer in advance of installation of the structure, and, upon installation of the structure, it shall not be altered without the express written consent of the City Engineer.

4. Licensee agrees to keep the structure in good repair and condition at all times.
5. Licensee shall assume all liability for and protect, indemnify, and save Licensor, its officers, employees, agents and contractors, harmless from and against all actions, claims, demands, judgments, losses, expenses of suits or actions, and attorney fees for injury to or death of any person or persons and loss or damage to the property of any person or persons whomsoever, including the parties hereto, arising in connection with or as a direct or indirect result of Licensee's use of its structure or its exercise of this License, except Licensee shall not be required to indemnify Licensor for injury to persons or damage to property caused by the sole negligence of Licensor.

6. This License is granted subject to any lease, easement, license, or other interest in land heretofore granted or reserved, or which may be granted in the future by Licensor with respect to said Licensor's street right-of-way.

7. Licensee shall secure and maintain in force during the term of this License a policy of Comprehensive Commercial Liability Insurance, acceptable to Licensor, with a minimum general liability limit of $500,000.00 per occurrence. The policy shall be in the name of Licensee, and shall name the Licensor as additional insured, and shall describe the insured's premises, including the structure as herein above described. The insurer will not cancel this insurance, or change, restrict, or reduce the insurance provided, or change the name of the insureds, without first giving at least ten (10) days written notice to the City of Jackson, City Attorney, 161 West Michigan Avenue, Jackson, Michigan 49201, as evidenced by receipt of certified mail. Licensee shall provide evidence of the existence of such insurance to Licensor's City Attorney prior to Licensor's execution of this License.

8. Upon the sale, conveyance, lease or transfer of Licensee's property referenced above, this License shall become null and void and Licensee shall, at its sole cost and expense, fully remove the structure and all materials, improvements, structures, or appurtenances pertaining thereto.

9. This License may be revoked at any time, with or without cause, by Licensor, upon thirty (30) days written notice to the Licensee.

10. Licensee, upon revocation of this License, shall, at its sole cost and expense, fully remove the structure and all materials, improvements, structures, or appurtenances pertaining thereto within thirty (30) days of the date of mailing of a Notice of Revocation.

11. If Licensee fails to comply with a Notice of Revocation, Licensor shall take any and all action necessary to remove the structure, which shall be deemed to constitute a nuisance. Licensee shall be invoiced for all removal costs incurred by Licensor. If Licensee fails to satisfy the invoice within the time prescribed on the invoice, the Jackson City Council may cause such removal costs to be levied and assessed as a special assessment upon Licensee's property as provided by City Charter and the Jackson City Code of Ordinances, and/or Licensor may bring suit against Licensee to recover such costs.

12. All notices given pursuant to this License shall be considered mailed when placed in the United States mail, certified mail, return receipt requested, properly addressed to the parties at the addresses herein set forth, with postage thereon fully paid.

13. This Revocable License is a personal license, and shall not be assigned by Licensee.
The parties hereby have executed or caused this instrument to be executed by their duly authorized representatives, as of the _____ day of _____________, 2010.
