Proposed Charter Amendment 18

Current Language:

Section 11.5. City Treasurer.
The treasurer shall be elected by the voters pursuant to this charter. The treasurer shall appoint, subject to council confirmation, the deputy treasurer. The treasurer shall have custody of city funds, money and securities, and be responsible for the deposit and safekeeping of city funds, money and securities. The treasurer shall be the income tax administrator of the city, and shall have all powers for the collection of taxes, including city income taxes, as provided by law.

Proposal 18
A proposal to amend Section 11.5 of the Jackson City Charter specifying the appointment of the City Treasurer as of December 1, 2015.

Committee Proposed Language (replacing first sentence of Section 11.5):

Section 11.5. City Treasurer.
The treasurer shall be elected by the voters pursuant to this charter. The treasurer shall be appointed by the council and shall serve at the pleasure of the council as of December 1, 2015. The treasurer shall appoint, subject to council confirmation, the deputy treasurer. The treasurer shall have custody of city funds, money and securities, and be responsible for the deposit and safekeeping of city funds, money and securities. The treasurer shall be the income tax administrator of the city, and shall have all powers for the collection of taxes, including city income taxes, as provided by law.

Rationale:

This change makes Section 11.5 consistent with other proposed changes regarding the appointment of the treasurer.
Proposed Charter Amendment 10

Current Language:

Section 7.12. Discipline and Removal of Elected Officials. The council shall declare the forfeiture of the office of any elected official or appointed officer, and shall remove such person from office for a cause specified in the following subsection. In every case there shall be a public hearing before the council with notice to the individual involved and to the public. The individual charged with conduct constituting grounds for forfeiture and removal shall not vote as a member of the council in its resolution of the charge. The office of an elected official or appointed official shall be forfeited if:

1. While holding office, the office holder becomes a person lacking the qualifications required by this charter for the office held;
2. The office holder is convicted of a felony while holding office;
3. The office holder intentionally violates a provision of this charter declared by ordinance to be punishable by forfeiture.

Proposal 10
A proposal to amend the Jackson City Charter by replacing section 7.12 with new language regarding the discipline and removal of elected officials.

Committee Proposed Language (Replace Section 7.12):

Section 7.12. Discipline of Elected Officials and Removal for Cause
A. Council’s power to initiate: The City Council shall have power to reprimand, censure, punish and/or initiate the removal of all elected officials of the city for misconduct or malfeasance in accordance with law.
B. Impeachment: The City Council shall have power of impeachment over all elected officials of the city in cases of misconduct or malfeasance.

1. All articles of impeachment shall require the concurrence of two-thirds of the Council.
2. Upon the adoption of any article of impeachment, a ballot issue shall be placed before the voters of the entire city when an official elected at-large shall be impeached, or the voters of a ward when any official elected from a ward shall be impeached. The issue shall appear on the ballot at the next scheduled city election. The council may call a special election for the issue in accordance with law if two-thirds of the council shall approve.

(a) The Council and the impeached official may place statements of 100 words or fewer on the ballot to support their positions. The article(s) of impeachment shall be referred to by title, with no article’s title being longer than 50 words on the ballot. All articles of impeachment shall be placed individually on the ballot.
(b) The question on any article of impeachment to be placed before the voters shall be “Shall (name of official) be removed from the office of (insert title of office) in concurrence with this article of impeachment?”, to which each voter shall answer yes or no. If any article of impeachment shall be agreed to by a majority of voters, that official
is immediately removed from office. Any person removed from office by this means shall be ineligible to hold any elected office of the city for a period of two years.

(c) In the event an official is removed by the voters following impeachment, the City Council shall appoint an interim successor within 60 days of the vacancy. Said successor shall serve until the office may be filled for the remainder of the affected term through election at the next regularly-scheduled election within the city that shall (1) be at least 120 days after the creation of the vacancy and (2) is not solely a school election. The City Council may provide that the permanent successor shall be chosen at a special election if two-thirds of the Council shall approve the call and appropriation for said special election.

C. Removal for persistent neglect due to health: If any elected office shall be in a state of persistent neglect due to the failing health of the official, and the official is unable and/or unwilling to resign, the City Council may initiate removal proceedings with the concurrence of two-thirds of its members. The question of removal shall be placed before the voters of the entire city when an at-large office shall be in question, or the voters of a ward when any official elected from a ward shall be in question. The issue shall appear on the ballot at the next scheduled city election. The council may call a special election for the issue in accordance with law if two-thirds of the council shall approve.

1. The Council and the official in question shall have the right to place a statement of 100 words or fewer on the ballot to support their positions. The ballot question summarizing the article of removal shall be no longer than 50 words.

2. The question on any resolution of removal to be placed before the voters shall be “Shall (name of official) be removed from the office of (insert title of office) in concurrence with this article?”, to which each voter shall answer yes or no. If any resolution of removal under this section shall be agreed to by a majority of voters, the official is immediately removed from office. Any person removed from office under this provision shall be ineligible to hold an elective office of the city for one year.

3. In the event an official is removed by the voters for persistent neglect of office as provided above, the City Council shall appoint an interim successor within 60 days of the vacancy. Said successor shall serve until the office may be filled for the remainder of the affected term through election at the next regularly-scheduled election within the city that shall (1) be at least 120 days after the creation of the vacancy and (2) is not solely a school election. The City Council may provide that the permanent successor shall be chosen at a special election if two-thirds of the Council shall approve the call and appropriation for said special election.

D. Officials lacking statutory qualifications: Should any elected official of the city fail to possess the qualifications for office required by this Charter or state law during their term of office, the official shall immediately resign that office. If the official does not resign after losing the qualifications for office, the City Council may by a two-thirds vote declare the office forfeited and vacated. The City Council shall fill the vacancy by the appointment of a qualified resident of the city.

E. General provisions

1. No resolution of reprimand, censure, impeachment or removal may be passed in the same meeting of the City Council in which it is introduced.
2. A special meeting of the City Council may be called in accordance with this Charter to consider any action under this section.

3. Before a final Council vote is held on any action under this section, the official(s) named shall be provided formal notice of the action being considered and shall be provided a public hearing by the City Council.

4. Judgment in cases of removal under this section shall not extend further than to removal from office and disqualification to hold and enjoy any elected office of the city. The individual removed from office shall nevertheless be liable and subject to civil and criminal process.

5. The City Council shall have the power to enforce this section by appropriate legislation.

Rationale:

The Jackson City Charter Review Committee reached a consensus that the present language does not provide an effective mechanism for dealing with situations regarding official misbehavior. The Committee’s proposal establishes a mechanism for the City Council to initiate immediate action to address wrongdoing by elected officials.
PROPOSED CHARTER AMENDMENTS

WARD SYSTEM

In addition to the issues attached, which were identified and adopted by the Charter Committee, I would like the City Council to consider adding the following items to the May 2011 election schedule.

Ward Election System:
Option 1 – The Current System.

**Strengths:**
It ensures that all geographic areas of the City have equal representation. It ensures minority groups will have representation on the Council.

**Weaknesses:**
The voters only get to vote for one Councilmember, not every member of the Council. This system creates voter inequity – since some wards vote much more heavily than other wards, a vote in one ward may have six to seven times the weight as a voter in another ward. It rewards those wards with poor voting records at the expense of wards with good voting records. Some years a ward has no one running, and can only vote for the Mayor.

Option 2 – A Modified Ward System.

You would have only three wards, with two Councilmembers from each ward running on staggered terms.

**Strengths:**
You could be assured that every area of the City would have representation. Every area of the City would vote for one Councilmember and the Mayor every election. Boundaries would be larger, therefore they could be drawn for more voter equity. Boundaries could also be drawn to increase minority representation on the Council.

**Weakness:**
A voter would still not have the right to vote for or against every member of the Council. There could still be voter inequities. Large wards would probably place very different neighborhoods in the same wards.

Option 3 – At Large Elections.

**Strengths:**
Every voter gets the right to vote for every candidate. No voter inequities. Every Councilmember can claim citywide support since he/she has to get votes from every part of the City. Minority empowerment – since the voters come from every part of the City, a close race
would require close attention to the minority voter. Under the current ward system many Councilmembers districts do not have many minorities. Councilmembers could ignore the minority segment of the community and still get elected.

**Weaknesses:**
At-large races require more effort and favor the well organized, well funded campaign. One or two parts of the City could dominate the electoral process at the expense of the poor and or minority candidates.

**Conclusion:**
There appears to be a large segment of the community who are determined on a course of change. I would ask the Council to place all three of these options, and perhaps more, on a ballot in May 2011, and let the people decide. With the fiscal crisis the City will be facing, the next six months is not the time for a divisive campaign that would split the Council or force a “petition drive” to get some of these ballot items on the agenda. I would request the Council refer these items to a committee for consideration, and that these items be brought back to either be placed on a ballot or voted down in 60 days.

**PUBLIC SAFETY**

After the last Charter change passed, it now requires us to put Public Safety before the people for a vote. Since we will have to consider Public Safety strongly as one of our options to redo our delivery of police and fire services, I would ask the Council to direct the City Attorney to prepare the proper language to place the issue of “public safety” before the voters in May along with the other ideas presented here.
CALL TO ORDER.

The Jackson City Council met in regular session in City Hall and was called to order at 7:00 p.m. by Mayor Karen F. Dunigan.

Councilmember Greer reported he received a couple of phone calls regarding poor audio during Council meetings.

Councilmember Gaiser announced he will hold a 4th Ward Neighborhood meeting on October 4 at 7:00 p.m. in the Council Chambers.

Councilmember Frounfelker inquired if the Parks and Recreation Department has looked into the possibility of obtaining sponsorships or naming rights or adding some private enterprises in the Park.

Councilmember Polaczyk sent his prayers to the Mayor and her family and well wishes to Councilmember Howe. He confirmed with the City Attorney that the current burning ordinance is in effect until the amending ordinance takes effect, which is 30 days after adoption.

Mayor Dunigan thanked everyone for their attendance tonight and especially the ladies from the neighborhood watch group. The Mayor also thanked Teressa Delph for her service to the City. She also remarked that she, too, has a fireplace in her backyard.

MANAGER’S COMMENTS.

City Manager Renando announced that reorganization in the Engineering and Water Departments will begin tomorrow.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Polaczyk and seconded by Councilmember Greer to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 9:22 p.m.

RE: Request to Approve Traffic Control Order No. 2073
Parking – West Side of Mechanic at Armory Court

As a matter of housekeeping, the Department of Engineering requests creating a Traffic Control Order for parking on the west side of Mechanic Street at Armory Court.

It is the Department of Engineering’s recommendation that perpendicular parking shall be allowed on the east and west sides of Mechanic Street from the south curb line of Armory Court to 105 feet north of the south curb line of Armory Court, with the exception of in front of driveways.

With your concurrence, I request Traffic Control Order 2073 be placed on the Council agenda for their approval. If you have any questions, please do not hesitate to contact me.

RE: Request to Approve Traffic Control Order No. 2074
Extension of No Parking Zone - 900 Block of East Pearl Street

At the request of the property owner at 906 East Pearl Street, the Department of Engineering investigated the possibility of extending the existing No Parking Zone on the north side of the 900 block of East Pearl further east by 30 feet.

It is the Department of Engineering’s recommendation that parking shall be prohibited on the north side of East Pearl Street from 150 feet east of State Street to State Street. This action also rescinds Traffic Control Order 1895B.

With your concurrence, I request Traffic Control Order 2074 be placed on the Council agenda for their approval. If you have any questions, please do not hesitate to contact me.

RE: Change Order 1 to 2010 Topographic Mapping Services Contract with Alpine Engineering

On January 26, 2010, City Council approved a renewal of the Topographic Mapping Services Contract with Alpine Engineering, Inc. of Novi, Michigan in the amount of $52,000.00. This was the first one-year extension of a three-year renewable contract and provided for surveying and construction staking services for various street, sewer and water main projects throughout the City during the 2010 construction season.

The attached Change Order Number 1 will add the topographic mapping of Fourth Street between Michigan Avenue and Morrell and Wilkins Street between Greenwood and Francis to the contract. These projects will entail street repaving and sidewalk ramp upgrades. The Wilkins Street project will also include water main and sanitary sewer replacement. These projects are scheduled to be designed and let during the upcoming 2010-11 winter season and constructed in the summer of 2011. The surveying of these projects in the fall is one of the first steps in the design process. The amendment is an increase of $7,700.00 bringing the total contract amount for 2010 to $59,700.00. The additional costs for the Fourth Street project will be paid for with Major Street Funds. The additional costs for Wilkins Street will be paid for with a combination of CDBG Local Street Funds, Water Funds and Sewer Funds.

With your concurrence, I request that Change Order Number 1 to the 2010 Topographic Mapping Services Contract with Alpine Engineering, Inc. be submitted to City Council for their approval and that the City Manager and City Engineer be authorized to sign the document.

RE: Topographic Mapping Services
    Change Order No. 1 for Additional Mapping

Dear Mr. Dowling:

Per the request of the Engineering Department, Alpine Engineering Inc. is pleased with the opportunity to provide additional professional surveying services to the City of Jackson.

Scope:
Task 1 – Topographic Survey of Wilkins from Greenwood to Francis
Task 2 – ADA Sidewalk Ramp Topographic Survey for 6 intersections (18 Quadrants) on Fourth Street from Michigan Avenue to Morrell Street. All ramps to be on the same coordinate system.

Fee:
Original Contract: $ 52,000.00
Proposed Change Order No. 1: $ 4,000.00 Task 1
                         $ 3,700.00 Task 2
Proposed New Contract: $ 59,700.00

If you have any questions or require additional information, please contact our office to discuss. We appreciate the opportunity to continue to work with your department and your consideration of this amendment.

Sincerely,
Alpine Engineering, Inc.

Subject: Sale of Vacant Lot at 261 Griswold, Assessor’s Stencil 4-1840

On August 17, 2010, City Council approved the purchase of the City-owned vacant parcel #4-184000, known as 261 Griswold St. The purchaser, Mr. Johnson, has determined he cannot fulfill the terms of the Purchase Agreement since he is unable to obtain the necessary zoning approval for his proposed use. Mr. Johnson wishes to rescind the original purchase offer dated August 3, 2010, and respectfully submits a new purchase offer at the same price, that will be combined with his mother property at 259 Griswold St. The lot is .118 acres.

This lot has been classified under the City’s Disposition of Property Policy as Class B:

- Class B: (Vacant lots with development potential). Minimum offer will be set at current market value (generally defined as 2 times the assessed value) as established by the City Assessor.
- Class B Residential Properties: Preference will be given to offers for the purpose of residential development. A Development Agreement will be a condition of the sale of Class B properties sold for development.
- Class B Commercial Properties: Preference will be given to offers for the purpose of commercial development, with emphasis on job creation and retention as well as overall property investment. A Development Agreement will be a condition of the sale of Class B Commercial Properties.

Estimated value by the City Assessor is $2,400.00 TCV (SEV is $1,200.00).

Action requested is to rescind the Offer to Purchase dated August 3, 2010, approve a new Offer to Purchase dated October 4, 2010, for the stated sum of $1,550, and to waive the requirement for a development agreement, conditioned upon the homeowner’s combining this parcel with their current property, with a closing date on or before December 15, 2010. Further approval is requested to authorize the Mayor and City Clerk to sign all documents necessary to close the sale, subject to approval and minor modifications by the City Attorney. Please add this item to the August 17, 2010 City Council agenda.

Disclaimers and Limitations. Notwithstanding anything to the contrary herein contained, Purchaser expressly understands, acknowledges and agrees that the conveyance of the Property shall be made by Seller to Purchaser on an "as is, where is" basis, and with all faults, including fire damage, the environmental condition of the Property, and Purchaser acknowledges that Purchaser has agreed to buy the Property in its present condition and that Purchaser is relying solely on its own examination and inspections of the Property and not on any statements or representations made by Seller or any agents or representatives of Seller. Additionally, Purchaser hereby acknowledges that Seller makes no warranty or representation, express or implied, or arising by operation of law, including, but in no way limited to, any warranty of condition, habitability, merchantability, or fitness for a particular purpose of the Property or any portion thereof, or with respect to the economical, functional, environmental or physical condition, or any other aspect, of the Property, including Seller's title to the Property. Seller hereby specifically disclaims any warranty, guaranty or representation, oral or written, past, present or future, of, as to, or concerning: (i) the nature and condition of the Property or any part thereof, including, but not limited to, its water, soil, or geology, or the suitability thereof for any and all activities and uses which Purchaser may elect to conduct thereon, or any improvements Purchaser may elect to construct thereon, or any income to be derived therefrom, or any expenses to be incurred with respect thereto, or any obligations or any other matter or thing relating to or affecting the same; (ii) the absence of asbestos or any environmentally hazardous substances on, in or under the Property or on, in or under any property adjacent to or abutting the Property; (iii) the manner of construction or condition or state of repair or lack of repair of any improvements; (iv) the nature or extent of any easement, restrictive covenant, right-of-way, lease, possession, lien, encumbrance, license, reservation, condition or other similar matter pertaining to the Property, of portion thereof; and (v) the compliance of the Property or the operation of the Property or portion thereof with any laws, rules, ordinances or regulations of any government or other body. Purchaser hereby absolutely waives any right, claim or cause of action which Purchaser may have against Seller with respect to the environmental conditions existing at the Property on the date of closing. By way of example only and not by way of limitation of the foregoing, Seller does not warrant either clear title to the Property, or that Purchaser will be able to obtain title insurance to the Property. Nor shall Purchaser be allowed to return Property because of defect in title. Purchaser shall indemnify, defend and save Seller harmless from and against any and all claims, liability, costs, damages or losses from personal injury, including death, or property damage of any nature, resulting or arising from the sale of the Property. The provisions of this paragraph shall survive the execution and delivery of the deed by Seller and the closing of the transaction contemplated by this agreement.

SUBJECT: Award of Rehab Contract at 741 Woodlawn

Rehab Specialist Kurt Fritz requested bids through the Purchasing Department for an owner-occupied Rehabilitation project at 741 Woodlawn. The Community Development Department has analyzed the bids submitted and arrived at a recommendation on bid award.

Three contractors attended the mandatory pre-bid walk through with all three submitting completed bids. The resulting Bid Tabulations are attached for your review. The lowest acceptable bid is as follows:

<table>
<thead>
<tr>
<th>Project</th>
<th>Awardable Contractor</th>
<th>Amount</th>
</tr>

</tbody>
</table>

The homeowner has been prequalified to receive the majority of funding through either a CDBG or HOME rehab loan ($2,000 Code, $4,880 Lead, and $239 Homeowner deposit). The contractor awarded this project is required to obtain a current installation floater on their general liability insurance policy.

Requested action is for City Council to approve the owner-occupied rehab bid award as outlined above. Please place this item on the October 12, 2010 agenda for consideration.

TO: Warren D. Renando, City Manager

DATE: October 4, 2010

FROM: Carol L. Konieczki, Community Development Director

SUBJECT: Continuation of World Changers/Mission Serve Projects

With the overwhelming success of the World Changers and Mission Serve projects in providing much needed housing repairs for some of the communities most vulnerable residents, we are pleased to announce that another group has come forward to participate in that effort.

Representatives of First Church of the Nazarene in Jackson have expressed a sincere interest in continuing this beneficial labor of love for citizens of Jackson.

Under this partnership, the Community Development Department will continue to select projects, qualify homeowners for CDBG assistance, and purchase materials much the same as the World Changers and Mission Service projects. The Community Development Department will provide project oversight.

First Church of the Nazarene will provide the labor to complete the projects (handicap ramps, exterior painting, and other small projects) that are beyond the scope of the homeowner. Prior to initiating projects, we will secure proof of liability insurance from the Church of the Nazarene, and request the City of Jackson to be named as additional insured.

Requested action at this time is to approve expenditures from the funding previously approved and reserved for World Changers/Mission Serve and fund material purchases for these projects that I would like to refer to as Jackson Neighborhood Changers Projects.

With your concurrence, please place this item on the October 12, 2010 City Council agenda for approval.
October 7, 2010

Jackson City Council,

Greetings from the congregation and staff of the First Church of the Nazarene. Jax Nax, the name we are known by, has had a long presence in the city of Jackson and we are committed to serving our city. We provide many programs that minister to the needs of many of the underprivileged people in our area. A few of those ministries are as follows:

- Food Pantry, serving over 200 families twice per month
- Soup Connection
- Mobil Food Distribution
- Fire Box Ministry to families that have suffered home fires
- Smoke Alarms for the prevention of home fires
- Active in Connect Jackson a ministry to the homeless
- Oil changes for vehicles of single moms
- Angel Tree
- And the list goes on……

In addition we have a desire to partner with the city in World Changer/Mission Serve type projects. We would provide the labor for the projects and work with city personnel as to the projects to be accomplished. We are calling this program Mission: Serve Jackson. We are prepared begin as soon as possible and would commit to a Saturday per month in March, April, May, June, September, October and November. In addition we would volunteer one week in July (Mon. to Fri. as needed) to finish any Mission Serve projects that did not get completed.

Thank you for your consideration of this matter and we hope to have the opportunity to work with the city on these issues.

Sincerely,

Terry Williams, Director of Compassionate Ministries
Jackson First Church of the Nazarene
MEMORANDUM
City Clerk’s Office

October 5, 2010

TO: Honorable Mayor and City Councilmembers

FROM: Lynn Fessel, City Clerk

SUBJECT: Establishment of Public Hearings on the Requests filed by Refrigeration Sales for a New IFT Certificate and a Transfer of Two Existing Certificates

Refrigeration Sales has submitted the attached applications regarding the subject certificates. One is for new personal property at 1810 E. High Street and two are to transfer existing certificates to 1810 E. High Street.

Requested action is for the City Council to establish public hearings on October 26, 2010, on the applications and referral to the City Affairs Committee for a recommendation. Notification letters will be sent to the applicant and the legislative body of taxing units, which levy ad valorem taxes within the City informing them of the public hearings.

C: City Manager
City Assessor

MEMO TO: Honorable Mayor and City Councilmembers
FROM: Councilmember Andrew Frounfelker, Chair
SUBJECT: Report and Recommendation to Council from the October 7, 2010, Rules & Personnel Committee Meeting

On October 7, 2010, the Rules & Personnel Committee met to consider matters related to the annual evaluations of the City Attorney, City Assessor and City Clerk. Following are the Committee recommendations to the City Council.

1) On a vote of 2-1, the Committee voted to recommend to the City Council that City Assessor Dave Taylor’s Employment Agreement be extended one year, for an ending date of June 30, 2013, with no increase to his current compensation.
2) On a vote of 2-1, the Committee voted to recommend to the City Council that City Attorney Julius Giglio’s Employment Agreement be extended one year, for an ending date of June 30, 2013, with no increase to his current compensation.
3) On a vote if 3-0, the Committee voted to recommend to the City Council that City Attorney Julius Giglio be allowed to carry over an additional forty (40) hours of vacation, in addition to the eighty (80) hours that is allowed by the Personnel Policy. This additional forty (40) hours must be taken by June 30, 2011.
4) On a vote of 3-0, the Committee voted to recommend to the City Council that City Clerk Lynn Fessel’s Employment Agreement be extended one year, for an ending date of June 30, 2012, with no increase to her current compensation.

I am placing these recommendations on the October 12 agenda for the Council’s consideration.

Thank you.

FROM: Carol Konieczki, Community Development Director

RE: Public Hearing to Hear Public Comments for the Submittal of a United States Environmental Protection Agency (USEPA) Site Assessment Grant for Hazardous Substances and Resolution Authorizing the Community Development Department to Submit an Application to the USEPA

On September 28, City Council set a public hearing for the 12th of October, 2010, during a regularly scheduled Council Meeting, to consider a grant application in the amount of $400,000 to the United States Environmental Protection Agency (USEPA) for Hazardous Substance Assessments. The applicant is required by the USEPA to hold a public hearing to provide public comment prior to the submission of the application. The public has been notified of this hearing by publication in the Jackson Citizen Patriot, an official paper of general circulation, not less than ten (10) days prior to the hearing.

On behalf of the Jackson Brownfield Redevelopment Authority (JBRA), the Community Development Staff is preparing a $400,000 application for a USEPA Site Assessment Grant. The USEPA Site Assessment Grant provides funds to identify and prioritize Brownfield sites for redevelopment and conduct environmental site assessments including Phase I and Phase II investigations, Eligibility Determinations, and Baseline Environmental Assessments.

The JBRA has been awarded two USEPA site assessment grants in both 2004 and 2007, each awarding the JBRA $200,000 for hazardous site assessments, and $200,000 for petroleum site assessments. The JBRA is seeking $200,000 for hazardous site assessments and $200,000 for petroleum site assessments at this time. This is because the funding under the current grant is nearly exhausted. The JBRA will be able to continue to expend the funds from the current grant, regardless of being awarded funding under a new one.

Recommended action is for Council to conduct a public hearing, as established, and consider adoption of the attached Resolution, authorizing the Community Development Department to submit a grant application to the USEPA requesting $400,000 for Hazardous and Petroleum Substance Assessments, subject to minor modifications by the Community Development staff as necessary for finalization.

Cc: Barry Hicks, Economic Development Project Manager
CITY OF JACKSON, MICHIGAN

RESOLUTION AUTHORIZING SUBMISSION OF A USEPA GRANT APPLICATION FOR BROWNFIELD ASSESSMENT

WHEREAS, the City of Jackson is concerned about the long-term impact of contaminants on the health of the community and the environment, and desires to support activities that promote sustainable reuse of brownfield sites, and

WHEREAS, the City of Jackson is home to over one hundred potential brownfield parcels in and around the Grand River and the Downtown, which potentially have a negative economic impact on the community; and

WHEREAS, the City of Jackson needs accurate environmental information about these parcels to protect the health of the community and market the sites to developers; and

WHEREAS, the City of Jackson desires to continue partnering with the private sector to redevelop brownfield sites, and needs financial incentives to make brownfield redevelopment competitive with greenfield development; and

WHEREAS, the Community Development Department desires to make application to the United States Environmental Protection Agency (USEPA) for Brownfield Assessment and cleanup grants in the amount of $400,000;

NOW, THEREFORE BE IT RESOLVED, that the Jackson City Council hereby approves the submission of the October 15, 2010 grant application to the United States Environmental Protection Agency for $400,000 in Brownfield assessment and cleanup grant funds.

* * * * * * * * * * * * * *

IN WITNESS WHEREOF, I have hereto affixed my signature and the Seal of the City of Jackson, Michigan, on this 13th day of October, 2010.

MEMORANDUM

TO: Warren D. Renando  
    City Manager

FROM: Matthew R. Heins  
      Chief of Police

SUBJECT: Selective Traffic Enforcement Program

The Jackson Police Department’s 2010/2011 Selective Traffic Enforcement Program (STEP) funding request of $10,000 has been approved by the Jackson Traffic Safety Commission.

This grant provides overtime funding for the Jackson Police Department to conduct traffic enforcement in and around identified high accident intersections and areas during peak accident times. This model of enforcement has been extremely successful in reducing traffic crashes.

The Police Department is now requesting the City Council adopt the attached resolution amending the 2010/2011 fiscal year budget. The grant match of $3,333, was approved in the current fiscal year budget in anticipation of this grant award.

Please place this as an item on the City Council agenda for October 12, 2010. I or a representative will be present to answer any questions.

MEMORANDUM
City Clerk’s Office

October 5, 2010

TO: Honorable Mayor and City Councilmembers

FROM: Lynn Fessel, City Clerk

SUBJECT: Final Adoption of Ordinance Nos. 2010.8 and 2010.9

Following are Ordinance Nos. 2010.8, which identifies the City Manager’s responsibility for preparing City Council agendas and 2010.9, which provides for the open burning of wood-based products in outdoor burning devices. Council approved both of these ordinances on September 28.

C: City Manager
ORDINANCE NO. 2010-8

An Ordinance amending Chapter 2, Section 2-4 of the Code of Ordinances, City of Jackson, Michigan to identify the city manager’s responsibility for preparing city council agendas.

Section 1. That Chapter 2, Section 2-4 (3) of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

(3) Attend council meetings. The manager shall have the right to take part in discussion but shall not vote. The manager shall be responsible for establishing and/or preparing the agenda for council meetings. The agenda shall include all items submitted to the manager by either council members or appointed officials provided such items are submitted by 5:00 p.m. on the Wednesday preceding the next regularly scheduled council meeting.

Section 2. This Ordinance takes effect 30 days after its adoption.
ORDINANCE 2010 - 9

An Ordinance amending Chapter 10, Section 10-53, Section F-403.0 Code of Ordinances, City of Jackson, Michigan to provide for the open burning of wood-based products in outdoor-burning devices.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. Purpose

The City Council wishes to allow the outdoor burning of wood as wood-based fires when such burning is performed consistent with manufacturer's instructions for outdoor burnings devices such as chimineas and fire pits.

Section 2. That Chapter 10, Section 10-53, Section F-403.0, of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

Sec. F-403.0. Open burning. Section F-403.0 is amended to read as follows:

Sec. F-403.1. Outdoor burning: Except otherwise allowed in this section, the outdoor burning of refuse, leaves, papers, or any other combustible waste material is prohibited.

Sec. F-403.2 Allowable burning: The following outdoor burning is allowed:

1. Outdoor cooking is allowed for cooking of food on any barbecue, grill, or other appliance primarily designed for outdoor cooking and when used in a manner consistent with the manufacturer’s instructions. However, any odor created by the outdoor cooking must not create a foul or offensive odor or cause smoke emissions that are reasonably offensive to nearby persons. The Code Official may require the owner or responsible person to extinguish any outdoor cooking that creates a fire hazard or become reasonably objectionable.

2. Outdoor fires are allowed for the burning of wood in devices designed by manufactures as backyard fire pits when the burning is

   a. contained within a device located more than fifteen (15) feet from any neighboring property line,
   b. occurring at a one-family or two-family dwelling and not prohibited by the property owner,
   c. attended by a responsible adult, and
   d. performed in a safe manner consistent with the manufacturer’s instructions.

When burning wood in such devices, the wood used for the burning must be seasoned natural wood. The burning wood must not have been painted,
varnished, or coated with similar materials; must not have been pressure treated with preservatives; and must not contain resins or glues typically present in plywood or other composite wood products.

However, any odor created by an outdoor fire must not create a foul or offensive odor or cause smoke emissions that are reasonably offensive to nearby persons. The Code Official may require the owner or responsible person to extinguish any outdoor fire that creates a fire hazard or become reasonably objectionable.

Section 3. This Ordinance takes effect thirty (30) days from the date of adoption.
MEMO TO:  Honorable Mayor and City Councilmembers  
FROM:  Warren D. Renando, City Manager  
DATE:  October 7, 2010  
SUBJECT:  Annual Payment Economic Activities – Enterprise Group  

Last year the City Council agreed to make a contribution of $100,000 to the Capital Campaign of the Enterprise Group, which funds were to be utilized for economic development activities benefiting the City of Jackson. The Council further indicated support for an annual contribution for economic development activities to be provided by the City to the Enterprise Group of $100,000. The approval of the annual contribution was conditioned upon the submittal of a report of development activities, and annual action by the Council to approve the funding. A report has been received this year, and is attached for your information, and the Council has approved and budgeted the $100,000.

In order to be competitive during these economic times, the Jackson community needs to adequately fund the economic development of the Enterprise Group, and to work with the Enterprise Group as a partner in these activities.

I recommend, therefore, that the City Council approve three payments of $33,333.33 for at total of $100,000.00, to the Enterprise Group, and that the payment be taken equally from the Water and Wastewater Enterprise Fund. This amount has been included in the 2010-2011 Fiscal Year budget. Your consideration and approval of this request is appreciated.

RE: ECONOMIC DEVELOPMENT ACTIVITIES IMPACT REPORT

Dear Manager Renando:

In 2008, The Enterprise Group of Jackson, Inc. ("The EG") initiated a three-year Capital Campaign to support economic development activities in Jackson County. This is just one of a variety of funding sources that sustains The EG's numerous entities that serve Jackson County and the surrounding region. The Jackson City Council voted in 2008 to contribute $100,000 towards the Enterprise Group's Capital Campaign, with annual consideration for additional funding in that amount, subject to receipt of a comprehensive report to the City Council of economic development activities as they relate to the City of Jackson. Therefore, we provide the following report for City Council consideration, supplemented by the most recent EG Scorecard, which is the monitoring tool used to measure success of The EG's initiatives and community accomplishments.

The EG is a non-profit 501c(6) organization with a mission to build and sustain a vibrant, diversified economy thereby improving the Jackson community's quality of life. The EG also established and maintains the Enterprise Group Community Ventures Corporation, which is a 501c(3) non-profit corporation.

The EG consists of four divisions that promote business success and which are critical in our mission to retain and attract jobs and investment:

- The Economic Development Division ("EDD") focuses on business attraction, retention and expansion efforts, in addition to its community development and promotional activities. The EDD is also responsible for marketing The EG's award-winning Web site and produces a quarterly newsletter to inform the community of our services. In addition, the EDD provides administrative staffing for:
  1. The Jackson County Economic Development Corporation, which administers the county and city portions of the Revolving Loan Fund; and induces Recovery Zone and Industrial Revenue Bonds (Full Spectrum Solutions recently received a $200,000 loan from the Revolving Loan Fund to support manufacturing operations).
  2. The Jackson County Brownfield Redevelopment Authority- The JCBRA provided $111,483 in Brownfield funding from their current EPA assessment grant for properties located within the City of Jackson.
City of Jackson  
Attn: Warren Renando, City Manager  
Page 2

- Provided environmental review and cleanup plan funding for the ACME demolition project
- Provided additional assessment for Armory Arts Village project
- Cooperative partner for the City BRA; supports city BRA grant requests.
- Revers Brownfield projects to City BRA (Orbitform, Performance Automotive)

iii. The Jackson Technology Park SmartZone® (located within the Blackman Charter Township Local Development Finance Authority)
iv. The Blackman Charter Township Downtown Development Authority
v. The Leoni Township Downtown Development Authority
vi. The Parma Sandstone Local Development Finance Authority

- The Small Business Technology & Development Center ("SBTDC") assists small businesses and entrepreneurs with a variety of resources. The EG provides support for this resource partner which is part of a nationwide partnership network through a cooperative agreement with Grand Valley State University and the University of Texas at San Antonio. The program also receives the support of our partner, South Central Michigan Works! Services include market research, business plan preparation assistance, consulting, marketing strategies, financing and grant information and referrals. For the period covering August 1, 2009 through August 1, 2010, 15 City of Jackson clients have benefited from SBTDC services through The EG, six of which are currently active, and three of which have created an economic impact in the City. Two clients currently have expansion plans within the City that would retain 6 jobs, create approximately 10 – 15 new jobs in three years, and bring a large monetary investment, which is estimated to be $1.5 million.

- The Procurement Technical Assistance Center ("PTAC") provides assistance to businesses seeking to expand or diversify their businesses through government contracting opportunities. The program provides bid match services to its clients through daily e-mail notifications of local, municipal, state and federal contract opportunities in the defense industry and various other agencies. Services include free business counseling, training, seminars, networking events, research, and assistance with proposal preparation and review, contract fulfillment, reporting and award debriefing. There are currently 20 companies located in the City that utilize PTAC services. RTD Manufacturing is just one of PTAC’s clients that has successfully received military contracts from the Federal Government.

- The Jackson Area Manufacturers Association ("JAMA") provides support to area manufacturers with various membership benefits, and promotes the manufacturing environment in southcentral Michigan by being a leader in workforce development, technology, information, training and assistance. The EG and JAMA are partners in providing a one-stop collaborative resource to promote prosperity, strengthen the economy, stimulate job creation and support business retention and growth. Services include assistance with implementing Manufacturing Best Practices, direct referral to the Michigan Manufacturing Technology Center ("MMTC"), Internal Auditor training (AS 9100, ISO 9001:2008, etc.) a variety of business services for employers, employee programs, and resources. JAMA also provides legislative updates, media advocacy, member and community networking, marketing opportunities, publications and professional and customized training.
City of Jackson
Attn: Warren Renando, City Manager

JAMA’s Academy for Manufacturing Careers provides skilled trades related instruction in Jackson, Hillsdale and Lenawee Counties with the support of its partner South Central Michigan Works! The Academy program offers eight U.S. Department of Labor approved apprenticeship training journeyman programs, and three short-term certificate training programs which were designed for displaced workers in response to the State’s No Worker Left Behind job program. The Academy currently works with 14 City companies, and has held 201 classes with enrollment of 2,867 students since its inception.

Throughout 2009 and 2010, The EG coordinated the development, creation and implementation of the Jackson County Economic Development Strategic Plan. A Jackson County Economic Development Strategic Planning Committee was formed and The EG was selected to develop a comprehensive plan to serve as a guide for future economic growth. The Plan sets forth an economic development strategy and target market analysis which will be used to guide future economic growth of the County. The complete plan can be reviewed by visiting http://www.co.jackson.mi.us/StrategicPlan.asp.

Realizing the critical value for both funding opportunities and collaboration, The EG President & CEO maintains regional partnerships in all directions, including the Lansing Regional Chamber, Ann Arbor SPARK, South Central Michigan Works!, Prima Civitas (PCF), and the Michigan Economic Development Association, the last two of which he serves as a Board Member. These regional collaborations have provided attraction leads and other initiatives, such as pursuit of a Foreign Trade Zone (FTZ), interaction between SmartZones in Lansing /Ann Arbor, and pursuit of incubator funding.

In addition, the EG is currently participating in the development of a Comprehensive Economic Development Strategy (CEDS) encompassing the three-county region consisting of Hillsdale, Jackson and Lenawee Counties. The initiative is led by the Region 2 Planning Commission to petition grant funding for regional economic development initiatives from the Economic Development Agency of the U.S. Department of Commerce. A CEDS Committee was appointed and projects have been prioritized to meet the EDA investment criteria that could eventually attract EDA funding. A Mission Statement was developed and goals were adopted to advance global competitiveness, create jobs, leverage public and private resources, and demonstrate readiness and measure outcomes to align the strategy within the parameters of the competitive grant process for the region. If EDA funding is secured, proceeds will be used to fund public works and economic development programs to support the construction or rehabilitation of essential public infrastructure and facilities necessary to reach the stated goals and achieve the Mission Statement. The EG’s participation in this initiative is ongoing.

A cornerstone of The EG’s mission to build and sustain the local economy is its County-wide Business Success Retention / Expansion program. Local businesses are visited on a routine basis to provide available resources to assist with business growth. The EG includes City Economic Development (“ED”) personnel when visits are scheduled with businesses located within the City. The EG shares information gathered during these visits, and includes City ED staff on follow-up information provided by The EG. The EG maintains a database of information that includes the date, location, and all information gathered during the retention visit. This database contains information on 81 city employers that The EG currently serves. The EG provides individual retention visit follow-up via e-mail, which normally includes information on business incentives, manufacturing or resource partner referrals, and collaboration and/or follow-up with City staff. City staff receives copies of all EG follow-up
communication with city employers. The EG conducted 93 retention visits during the period covering August 1, 2009 to August 1, 2010, 30 of which were conducted with city employers (32%). A report highlighting positive Retention Visit comments is attached for your reference [Report: Business Projects By Type]. Recently, The EG referred two business expansion projects to City staff, and two companies secured city tax abatements. The EG also refers thriving businesses to the Jackson Citizen Patriot.

As the local partner of the Michigan Economic Development Corporation ("MEDC"), EG staff is accompanied by the MEDC on retention visits and they bring various state resources and information to local companies. EDD staff works closely with Ed Reed, the MEDC’s Business Development Manager for this region, and Deborah Stuart, the MEDC’s Community Assistance Team (“CATeam”) specialist. During the past year, the MEDC has partnered with The EG on the following initiatives:

- Assisted seven companies located in the City with MMTC Diversification Training
- Awarded two MEGA grants to Jackson County companies.
- Hosted the MEDC’s CATeam Conference in Downtown Jackson in November 2009, which also featured presentations by the Michigan Municipal League’s Center for 21st Century Communities (21c3) and included a map of downtown restaurants for attendees.

The EG has supported other city initiatives, as follows:

- Assisted in promoting the Gillespie project meetings
- Helped promote the DDA Discover Downtown Again event
- Assisted in promoting the Michigan by Rail forum at the Michigan Theatre.
- Maintains a database of available properties on The EG Web site which lists 102 city properties (http://www.enterprisegroup.org/available-properties). A copy of one listing is attached for reference (228 West Michigan, the Hotel Hayes).
- Submitted three appropriation requests for redevelopment of the Riverwalk Plaza hotel in Downtown Jackson.

The EG and the City continue to partner on the redevelopment of the Armory Arts Village Project with the recent successful demolition of the ACME building, the construction of the Grand River ArtsWalk and the proposed Phase II development. The EG obtained funding for the ACME demolition through an appropriation from Congressman Mark Schauer, allowing the $375,000 in city NSP funds, originally reserved for the demolition, to be reallocated for other City projects. In addition, The EG prepared the response letter and case study to secure State Historic Preservation Office approval on the City’s behalf. The EG held a media event acknowledging the support of the various entities that collaborated on the project, including recognition for the City. The EG also highlighted the City’s collaborative role on JTV. The EG continues to work with the City towards development of Phase II of the project and potential development of the footprint of the former ACME building as the entrance to the Armory Arts Village neighborhood.

The EG has also made progress over the past year in marketing the Armory Arts Village project, as follows:

- The EG acquired funding through the Convention & Visitors Bureau to construct a new AAV Web site to feature the development and market the property to potential residents. Residency of the facility currently stands at 100% with 48 units rented to artists of various disciplines (77%) and 14 units occupied by non-artists.
City of Jackson
Attn: Warren Renando, City Manager
Page 5

- The EG collaborated with Art 634 and Jackson School of the Arts to submit the property for the MetLife Innovative Space for Change Award, a national database for live/work properties for artists. The property was not chosen for an award, but the property is featured on their website at http://www.lincnet.net/artist-space/search.
- Mayor Dunigan was presented an award for continued support of the Cool Cities project during the MSHDA Emerging Cities event held in Lansing on August 26, 2010; and the project has won the City of Jackson numerous awards and recognition over the years.
- The EG submitted three appropriation requests to redevelop the Armory Arts Mess Hall into the Armory Arts Community Theater project.

In summary, The EG works on a broad-based level to benefit the entire community and on a more specific level with municipalities and companies, all with one purpose; to retain and create jobs and investment. We wish to highlight the following community accomplishments; achieved through The EG and local collaborations through 8/31/10, as compared to 2009:

Although we pursue grants, secure financial partnerships, provide contractual staffing and sustain memberships through JAMA, we depend on local support through our Capital Campaign to sustain the work we do and ensure economic development success.

We respectfully request the City Council’s authorization to provide the second annual installment of $100,000 from the pledged EG Capital Campaign commitment, and are available to respond to any questions you or Council Members may have regarding our services. Please place this request on the October 12, 2010 City Council agenda for consideration.

Respectfully submitted,

K. Scott Fleming

Ongoing and upcoming projects:
EG Capital Campaign: As of August 31, 2010, campaign contribution pledges total $1,322,800, of which $843,466 has been received. Note: The EG has raised 66% of our $2,000,000 goal.

Jackson County Economic Development Strategic Plan: The final draft was approved by the Jackson County Commissioners on March 16, 2010. The Plan is available to the public on both the County and The EG Web sites. Other initiatives The EG is working on include:

A. Cooper Street: Corridor Development
B. I-94 Corridor Improvements
C. Riverwalk Park Redevelopment

*The EG reports jobs lost based upon WARN notices filed by individual companies regarding the closing. Lay-offs/business buy-outs are not reported due to the temporary nature of the financial disposition of each individual company, and the assumption that many will return to work.

228 W. Michigan Avenue

Opening as the Hayes Hotel on November 29, 1926 with 203 rooms, this development was considered the most elaborate and largest hotel project ever undertaken in Jackson. Operating for over 40 years as a hotel, the building’s most recent use was an office space for Consumers Energy. In 2004, the Hayes Hotel was purchased by the City of Jackson for redevelopment while Consumers Energy consolidated in a new headquarters within downtown Jackson. The Hayes is located between the Historic Carnegie Library and the 1927 Consumers Energy Building in the center of downtown. The T-plan building fronts on W. Michigan, with the real leg extending to the north. Many of the features of the original hotel still remain on most floors and are clearly visible on the exterior of the building.

Re: Kuhl’s Bell Tower

Dear Mayor Dunigan and Members of the Jackson City Council:

John and Mary Kuhl request that the Council reconsider and rescind its previous decision to not renew the Kuhl’s Lease for the Bell Tower Farmer’s Market.

Apparently, the Kuhls missed a renewal obligation under the September 11, 2003 Lease. The 2000 Lease, executed in 2003, was exchanged several times during discussions and negotiations and a final copy of the fully executed Lease was not returned to the Kuhls. Thus, through no fault of their own and through excusable neglect, the option was not apparently properly dated and timely sent even though a renewal letter was mailed to the City Attorney on July 27, 2010.

For this and the other reasons to be outlined at the City Council Meeting on October 12, 2010, the Kuhls respectfully request the City Council reconsider and rescind its previous option to not renew the Farmer’s Market Lease with John and Mary Kuhl.

Very truly yours,

Memorandum

Date: August 25, 2010
To: Interim City Manager Warren Renando
From: Jonathan Greene, Executive Director
RE: Farmers Market

On July 6, 2010 you requested I lead a meeting of concerned citizens, farmers, and vendors the for the possibility for a new farmers market in downtown Jackson subsequent to the non renewal of the operating lease between the Kuhl Investment Company LLC and the City of Jackson.

Such a meeting was held on August 17, 2010 at City Hall and was attended by approximately 25 people. The meeting was spirited, yet focused. It addressed the issues of what makes a successful farmer market. At this time the DDA is officially requesting the City of Jackson partner with the City of Jackson Downtown Development Authority for the operation of a Farmers Market on City property, specifically the Pavilion and Parking lot #5.

The DDA’s vision for the Farmers Market is to capitalize on existing events and attractions within the downtown as well as a significant increase in advertising/promotion to create a customer friendly farmer driven market in Downtown Jackson. To accomplish this, the DDA intends to continue meeting with farmers and interested parties to develop guidelines, establish an advisory board, and otherwise lay the groundwork for a new market in 2011. A copy of the first draft of guidelines is attached as well as a preliminary budget. Both documents will change as future meetings take place and an advisory board is assembled.

We recommend the partnership be agreed via a lease similar to the one between the City and Kuhl Investment LLC, an Interlocal Agreement, or other mutually agreeable method.
Notes from August 17, 2010 Farmers Market Meeting

The purpose of the meeting was to address the question “What elements make a successful farmers market.” A significant portion of the meeting was dedicated to gathering information across all aspects of farmers markets. Time allotted at the end of the meeting attempted to combine and/or focus all suggestions into logical groupings. Those groupings and suggestions are below.

Downtown Jackson Farmers Market DRAFT Guidelines

Mission

To be written by Market Advisory Committee

Market Day, Time, and Site

1. The Market is held every Thursday (May - August) from 3pm until 8pm in conjunction with a live music concert series in the vicinity of Bucky Harris Park and every Saturday (May through October from 7am to 1pm in Parking Lot 5.

2. Set-up must be completed 30 minutes prior to Market opening for safety and for Market operations. If a vendor wishes to bring additional items to their stall during Market hours, the vendor must carry those items from their parked vehicle.

3. No vehicles are permitted in the Market area during open hours.

4. All vendors must park their vehicles in the municipal parking lot on the South side of Parking Lot 5 after unloading. Exception: If the vendor has a handicapped tag, parking in the municipal lot where the Market is held is allowed.

5. Vendors are not permitted to dismantle their stall before the Market ends unless they have sold out.

6. Vendor items must be carried to their parked vehicle; no loading in the Market area is allowed until the Market officially closes.

Products

The Downtown Jackson Farmers Market is not liable for any non-compliance with USDA, Michigan Department of Agriculture (MDA), or Jackson County Health Department regulations. All items sold must fall within the following categories.

1. Michigan-Grown Produce
   
a) Fresh Michigan or Regional fruits, vegetables and herbs. Produce must be fresh and of high quality. Produce must be sold in its harvested raw form, without slicing.

b) Samples of food products given to the public must be handled as outlined by State and/or County regulations.

c) Produce should be grown by the vendor or, if not produced by the vendor, then the farm and city of origin must be displayed.

d) Produce labeled “organic” must have been grown on farms with organic certification. Otherwise, produce may be labeled “naturally grown” if using organic methods.

2) Vendors are responsible for keeping records regarding purchased produce (origin and, if applicable, organic certification).

f) Licenses required: Business License, Organic Certification (if applicable)

2. Michigan-Grown Flowers, Plants and Trees
a) Plants and cut flowers must have been grown by the vendor.

b) Licenses required: Business License; Michigan Sales Tax License; Nursery stock or Growers License (for perennials, shrubs, etc)

3. Michigan-Processed Foods and Baked Goods

a) Processed food is any food product not sold in its natural raw state. Examples: jelly and jams, sauces, salsa, processed honey, cheese, vinegars, cider, maple syrup.

b) All processed foods and baked goods must be made in accordance to state law.

c) Samples of food products given to the public must be handled as outlined by State and/or County regulations.

d) License required: Business License; Food Establishment License

4. Michigan-Raised Meat, Poultry and Eggs

a) Products must be of high quality, properly refrigerated/frozen and properly labeled. Only products raised by the vendor can be sold.

b) Meat must have been processed at a USDA inspected facility.

c) Poultry must have been processed at a USDA inspected facility or MDA inspected facility.

d) Vendors selling eggs must comply with USDA rules if applicable to the vendor.

e) Product labeled “organic” must have been raised on farms with organic certification. Otherwise, product may be labeled “naturally raised” if using organic methods.

f) License required: Business License, Organic Certification (if applicable)

5. Artisans/Crafters

a) Michigan vendors only. All art and crafts must be hand-crafted and/or hand-assembled by the vendor; vendors cannot sell for other artisans.

b) License Required: Business License; Michigan Sales Tax License

Stall Fees

1. Only one vendor per stall is permitted.

2. Vendors can purchase a full-season pass for one stall for a fee of $400 to be submitted with their application. The fee for an additional adjacent stall is $200. Full-season passes must be paid no later than April 1 for the upcoming season.

3. A $20 late fee will be assessed for applications submitted after the deadline.

4. Full-season vendors are assigned a permanent stall for the season.

5. Daily vendors can purchase space at a rate of $25 per stall. Daily vendors should call the Market Coordinator to determine if space is available and to reserve that space.
Stall Space

1. The size of each stall is approximately 9 feet wide by 9 feet deep (if space provides).
2. Designated walkways must be kept clear.
3. Vendors requiring electrical service should see the Market Coordinator to determine availability.
4. Vendors are responsible for cleaning all trash and waste within and around their stall.
5. Vendors are not allowed to smoke in their stalls.
6. No political solicitation is permitted.
7. Vendors must not engage in disruptive conduct. Any disagreement between a vendor and the Market Coordinator must be handled in a respectful and professional manner, and away from stalls and customers. Disagreements between a vendor and customer must also be handled professionally so as not to harm the image of the Market.

Signage and Labeling

1. The following information must be displayed on a product label, on a small sign by the product, or on a larger display board.
   a) Vendors must clearly display the name of their business. In lieu of a sign, the name can be displayed on apparel worn by all vendor personnel, such as hats or shirts.
   b) Product names and prices must be posted for all items being sold.
   c) If not produced by the vendor, then the producer and city of origin must be displayed.
2. Vendors are responsible for having licenses available on Market days.

Applications

1. All new and returning vendors must complete an annual application and submit it before the deadline.
2. Products, which the vendor plans to sell must be listed on the application and approved by the Market Coordinator. Additional products brought to the Market, which were not listed on the application, must be approved by the Market Coordinator.
3. All vendors must provide copies of appropriate business licensing with their application, i.e., certificate of assumed name (also known as your “DBA” or “doing business as” name), articles of incorporation, and/or sales tax license.

Other Vendors

Each week one local for profit business, who is not a market vendor, can participate as a Market sponsor for $30 (display only) or $60 if selling a product. The Market will provide signage indicating that the business is that day’s Market sponsor and must be displayed by the business.

Each week one local non profit business/organization, who is not a market vendor, can participate as a Market sponsor for $25 (display only). They may not sell products.
Market Regulations

1. Vendors are responsible for cleaning all trash and waste within and around their stall. Garbage bins on the street may be used.

2. Vendors are not allowed to smoke in Market stalls.

3. No political solicitation is permitted.

4. Solicitation and the distribution of literature unrelated to Market products or the Mission of the Market are not permitted without specific non-profit or business vendor application and approval; an exception to this rule is allowed for the non-profit vendor or local business vendor.

5. Vendors must not engage in disruptive conduct. Any disagreement between a vendor and the Market Coordinator must be handled in a respectful and professional manner, and away from stalls and customers. Disagreements between a vendor and customer must also be handled professionally so as not to harm the image of the Market.

6. No vendor shall refuse to comply with a direction of the Market Coordinator, nor interfere with the administration of the Operating Guidelines as interpreted by the Market Coordinator.

Market Management and Non-compliance

The Market shall be managed by the Market Coordinator, DDA Executive Director, and Market Advisory Committee.

1. The Market Coordinator and DDA Director are employees of the DDA.

2. The Market Committee is a group of Farmers/vendors and DDA Board Members along with the Market Coordinator who, by their commitment to the Market and their experience, have exhibited a commitment, interest and skill in keeping the Market viable and active. The Market Committee shall be a 5 person committee.

3. The Market Committee members are appointed by the DDA as recommended by the DDA Executive Director.

4. The Market Coordinator handles all administrative responsibilities of the Market including but not limited to: obtaining City approval, organizing Market Committee meetings, communicating with vendors, organizing special events, providing publicity for Market (banners, newspapers, website), distributing and approving applications, organizing volunteers, collecting fees, accepting complaints from customers or vendors, resolving disputes, approving payments, etc.

5. The Downtown Jackson Farmers Market reserves the right to refuse acceptance of any vendor or item that is not in keeping with its Mission or Operating Guidelines.

6. The Market Committee will investigate all complaints and handle non-compliance issues should they not be resolved by the Market Coordinator.

7. For non-compliance with these Operating Guidelines or the Mission of the Market, a vendor may be asked to leave and will not be permitted to return until permission is granted by the Market Coordinator.

8. The Market Committee reserves the right to investigate any allegations of non-compliance with these Operating Guidelines or the Mission of the Market.

RE: Lease Expiration

Dear Members of the Kuhl Family:

On June 30, 2010, the Lease between Kuhl Investment Company, L.L.C., and the City of Jackson regarding the Grand River Market Pavilion and Farmer's Market expired and was not renewed.

With your lease's expiration, the City has begun the task of trying to continue offering a farm/community market for the Jackson area. City staff has started the process, by contacting Michigan State University for assistance in creating a new model for the continuation of a farmers market in our community. We are encouraging farmers to attend who want to participate in this start-up meeting. We also would like to encourage you to be involved with the planning and developing of this new Market.

Jonathan Greene, DDA Director, will coordinate the planning of this event. If you wish to be involved, please let Jonathan know. He can be reached at 768-6408, and he will keep you informed of dates and times.

Thank you for your efforts in the past to bring farmers to downtown. We look forward to your support as the City moves forward.

Sincerely,

SUBJECT:  Property Split at 432 N. West Avenue

Attached please find documentation regarding a property split at 432 N. West Avenue. The property is on the west side of West Avenue at the south side of the railroad tracks near Ganson Street. Attached are copies of documents from the State as well as maps showing the location of the property.

The property division is taking place as part of the bridge reconstruction on West Avenue at the railroad tracks. The Michigan Department of Transportation has obtained approximately 20 feet of the property at 432 N. West Avenue for right of way for the reconstruction project.

Under P.A. 591 of 1996 (The Land Division Act), owners of unplatted property are required to obtain permission from the local municipality before a property is divided. The deed for this split has already been effected but we do want to provide the State with formal approval of the split in the form of a motion.

ACTION REQUESTED: Approval, in the form of a motion, of the land division for property at 432 N. West Avenue according to the deed recorded by the State of Michigan at Liber 1949 Page 0858.

Please feel free to contact this office if you have questions regarding the split.

A. Pursuant to the Urban Cooperation Act and the Intergovernmental Transfers of Functions and Responsibilities Act, being Public Act No. 7 and No. 8, respectively, of the Public Acts of 1967, as amended, MCL 125.501 et seq., the parties may make intergovernmental agreements to provide for municipal services including the transfer of functions or responsibilities to one another upon consent of each of the political subdivisions involved; and

B. The parties desire to enter into the Agreement for the purpose of outlining the terms and conditions under which certain services will be provided to one another.

TERMS AND CONDITIONS

NOW, THEREFORE, in exchange for consideration referred to in the Agreement, the parties agree as follows:

1. **Services.** The following services and/or transfers of functions and responsibilities shall be provided:

   a. The County of Jackson Department of Human Resources will provide the City with services in; labor contract negotiations and implementation, benefits management, hiring of staff, and other human resource functions as requested by the City.
b. The County will provide a Director of Human Resources, Deputy Director of Human Resources and appropriate support staff for the administration of the above-mentioned services. Both City and County must mutually agree on the hiring of the Director of Human Resources.

c. The County will be responsible for providing offices, maintenance, supply and overhead costs, and it’s equipment for all staff of the Human Resources Department.

d. The City will provide one Personnel & Labor Relations Technician who will continue to be a City employee.

e. The City will be responsible for any costs related to the maintenance of computer programs or computers unique to the City.

2. **Costs.** All of the costs, including, but not limited to, compensation, federal and state payroll taxes, retirement plan contributions, health insurance, worker’s compensation, life insurance, unemployment, shall be borne by the County except that the City shall reimburse the County $81,369 annually (payments shall be made quarterly). The City shall commence payments to the County upon the Director of Human Resources starting employment with the County. Thereafter, the City shall be responsible for one half of the amount of increase (if any) to the annual salary of the Director of Human Resources.

3. **Effective Date.** The effective date (the “Effective Date”) of the Agreement shall be November 1, 2010 unless otherwise mutually agrees by the parties in writing.

4. **Term of the Agreement.** The term of the Agreement shall commence on the Effective Date and shall continue for thirty-six (36) months thereafter, unless sooner terminated as hereinafter provided.

5. **Conditions Precedent.** The validity of the Agreement shall be conditioned upon the following:

   a. The Agreement being approved by concurrent resolution of the governing body of the County and the City prior to the Effective Date.
   
   b. The terms and conditions of the Agreement being entered in the respective minutes of the governing bodies for the meeting approving the Agreement.
   
   c. A fully executed copy of the Agreement is filed with the Secretary of State for the State of Michigan, the County Clerk, and the City Clerk prior to the Effective Date.

6. **Termination of Agreement.** Anything contained herein to the contrary notwithstanding, the Agreement may be terminated by either party, for any reason, upon sixty (60) days written notice to the other party following formal action of the governing body of the terminating party authorizing the termination of the Agreement. Upon termination of the Agreement, the terms and conditions of the Agreement shall be null and void with the exception of the insurance provisions of paragraph 7 which shall survive the termination of the Agreement. Upon termination of the Agreement by other than the expiration of the thirty-six month term, written notice of the termination shall be provided to the County Clerk and the City Clerk.
7. **Insurance.** To the extent not otherwise prohibited by law, each party shall list the other party as an additional insured on their respective commercial general liability insurance policies. Said insurance coverage shall insure against causes of action, claims, damages, accidents, injuries, or liabilities that may arise as a result of the transfer of services, functions, or responsibilities as contemplated in this Agreement. A certificate of insurance shall be provided by each party evidencing this coverage.

8. **Remedies.** The parties reserve all rights to pursue any matter that may be subject to dispute by the parties in any court of competent jurisdiction or by other available legal means.

9. **Entire Agreement.** This is the entire agreement between the parties regarding its subject matter and it supersedes and replaces all prior and contemporaneous agreements. It may not be amended except in writing signed by both of the parties hereto. The headings in the Agreement are for convenience only, and shall not be considered as a part of the Agreement but the Recitals are an integral part of the Agreement.

10. **Governing Law.** The terms and conditions of the Agreement shall be governed by the laws of the State of Michigan.

11. **Notices.** Any written notice required or permitted in the Agreement shall be given by first class mail addressed to County Administrator, on behalf of the County, and the City Manager, on behalf of the City, at the address of that party first written above.

12. **Governmental Immunity.** Nothing in the Agreement shall be construed as a waiver of governmental immunity or other defenses to liability of either party or any officer or employee of either party.

13. **No Creation of Legal Entity.** The Agreement does not create a separate legal entity, a public body corporate, or a joint venture.

14. **Federal, State or Other Grants.** Any grants from Federal, State, or other public or private sources to either the County or the City in conjunction with the services, functions or responsibilities contemplated in the Agreement shall be retained by the party receiving the grant free of any claim by the other party.

**IN WITNESS WHEREOF,** each of the parties has caused the Agreement to be executed as of the date first written above, pursuant to a resolution of its governing body.

INFORMATIONAL ITEM

TO: Warren D. Renando, City Manager

DATE: October 4, 2010

FROM: Carol L. Konieczki, Community Development Director

SUBJECT: Award of Rehab Contract at 105 N. Higby

Rehab Specialist Kurt Fritz requested bids through the Purchasing Department for an owner-occupied Rehabilitation project at 105 N. Higby. The Community Development Department has analyzed the bids submitted and arrived at a recommendation on bid award.

Five contractors attended the mandatory pre-bid walk through with two submitting completed bids. The resulting Bid Tabulations are attached for your review. The lowest acceptable bid is as follows:

<table>
<thead>
<tr>
<th>Project</th>
<th>Awardable Contractor</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>105 N. Higby</td>
<td>Alpha &amp; Omega Construction</td>
<td>$19,646</td>
</tr>
</tbody>
</table>

The homeowner has been prequalified to receive full funding through either a CDBG or HOME rehab loan ($10,550 Code and $9,096 Lead). The contractor awarded this project is required to obtain a current installation floater on their general liability insurance policy.

In concurrent with the recommendation of the Department, we are prepared to award the contract as outlined above. Since this rehabilitation contract does not exceed the $20,000 maximum, formal City Council action is not required to approve the award.

With your approval, please place this item in the Councilmembers packets as an informational item for the October 12, 2010 meeting.

cc: Shelly Allard, Purchasing Coordinator
    Dennis M. Diffenderfer, Rehab Coordinator
