16. **City Manager’s Comments.**

17. **Executive Session to discuss labor matters and pending litigation.**
18. Return to Open Session.

19. Adjournment.
CALL TO ORDER.

The Jackson City Council met in regular session in City Hall and was called to order at 7:01 p.m. by Mayor Jerry F. Ludwig.

PLEDGE OF ALLEGIANCE – INVOCATION.

The Council joined in the pledge of allegiance. Councilmember Frounfelker gave the invocation.

ROLL CALL.

Also Present: Acting City Manager Jim Parrott, City Attorney Julius A. Giglio and City Clerk Lynn Fessel.

AGENDA.

Mayor Ludwig noted that Item 7.F. was deleted. Motion was made by Councilmember Polaczyk and seconded by Councilmember Greer to adopt the agenda, as amended. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: 0. Absent: Councilmember Breeding—1.

PRESENTATIONS/PROCLAMATIONS.

A. PRESENTATION BY MARCE O. WANDELL, DEPUTY DIRECTOR, JACKSON COUNTY DEPARTMENT ON AGING, GIVING THE JACKSON COUNTY DEPARTMENT ON AGING 2007 ANNUAL REPORT.

Ms. Wandell discussed the Senior Millage funding and the types of services available to older citizens through the Department on Aging. Services include Tai Chi classes, dances, trips, Meals on Wheels, completion of tax and Medicare forms, home care, light housekeeping and
depression/memory screening. She also noted that in the City of Jackson the “over 60” population is approximately 20.5%.

**CITIZEN COMMENTS.**

Jeannette Woodard, 1408 First Street, asked the Council to support her request to extend the progress and completion dates in her Development Agreement for 313 and 315 W. Wesley Street.

John Wilson, 1045 S. Durand Street, spoke about the violent criminal behavior after the July 3 Fireworks at the Cascades and asked the City Council, as well as the County Commission, to allocate additional funding to increase police protection for future fireworks.

Lee Coffey, 1004 Greenwood Avenue, expressed his frustration with violence in his neighborhood and asked that his City Councilmember and the Mayor work with the Police Department to improve this situation.

**CONSENT CALENDAR.**

The City Attorney stated that the easement in Item N will be executed, but has not been received at this time.

Motion was made by Councilmember Greer and seconded by Councilmember Gaiser to remove Item N (Acceptance of the Permanent Easement between the City and EG-EXCEL, LLC, for location, construction and maintenance of a pedestrian public walkway located along the front of the former prison wall abutting the Armory Arts Village, and for staff to take all action necessary to record the same with the Jackson County Register of Deeds, in accordance with the recommendation of the Deputy City Attorney.) from the Consent Calendar and postpone action on this item until the August 12, 2008, City Council meeting. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: 0. Absent: Councilmember Breeding—1.

Motion was made by Councilmember Frounfelker and seconded by Councilmember Polaczyk to approve the following Consent Calendar, with Item N removed and postponed until August 12, 2008. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: 0. Absent: Councilmember Breeding—1.

CITY COUNCILMEMBERS’ COMMENTS.

Councilmember Polaczyk thanked Jim Parrott and his staff for their cooperation and quick action on work that needed to be done on Garfield Street. He also thanked the Police Chief for keeping him informed on what has been happening in the Lawrence Street area since the fireworks. It is something that is not being ignored by the Police Department or the City Council.

Councilmember Frounfelker reminded everyone of his 5th Ward Neighborhood meeting, which will be held on Thursday, July 31 at 7:00 p.m. in the Council Chambers. He remarked on the Dangerous Building Report, noting that 605 Williams Street was condemned in 2003. He asked staff to make it a priority to move on these properties.

Councilmember Gaiser announced that he will hold a concerned citizens informal meeting on July 16 at 7:00 p.m. at the Dunkin Donuts on West Avenue. Discussion will center on group homes. He also asked Councilmembers to help the City Manager’s secretary arrive at a date for a goal setting session.

CITY MANAGER’S COMMENTS.

None.

EXECUTIVE SESSION TO DISCUSS LABOR MATTERS.

Motion was made by Councilmember Greer and seconded by Councilmember Frounfelker to go into closed executive session. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: 0. Absent: Councilmember Breeding—1.
RETURN TO OPEN SESSION.

Motion was made by Councilmember Howe and seconded by Councilmember Polaczyk to return to open session. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: 0. Absent: Councilmember Breeding—1.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Greer and seconded by Councilmember Frounfelker to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 8:12 p.m.

July 28, 2008

Lynn Fessel
City Clerk
161 W. Michigan Ave.
Jackson, MI 49201

Dear Lynn:

I am requesting permission from the City of Jackson to hold events surrounding the Allegiance Race to Health (formerly Foote Race) on Saturday, September 6, 2008 from 8 a.m. until approximately 9:45 a.m. The road courses will require the brief closure of some intersections (primarily along Ganson Street) during the peak of the event as runners cross the street.

The courses are the same as previous years and a map is enclosed. Also enclosed is the required insurance certificate adding the City of Jackson as an additional insured for the event. We will also be notifying the City of Jackson Police Department for runners’ assistance crossing Ganson Street for safety purposes.

Knowing there is a great deal of construction activity in the area, I wanted to make certain someone from Engineering does a careful review of our course with that in mind. We can alter the course to avoid major construction activity. However, as much advance notice as possible would be helpful.

If you have any questions, please feel free to contact me directly at 841-7842.

Thank you for your help with our event each year, your efforts are always greatly appreciated.

Sincerely,

Robin Kirkpatrick
Director,
Marketing and Community Relations
ENTERTAINMENT: Are there any entertainment features related to this event? YES NO
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule.

RE: Anesthesia Business Consultants – Employee/Family Summer Event

Anesthesia Business Consultants is requesting closure of Cortland Street from Jackson Street to Blackstone Street, beginning at 12:00 noon on Saturday, August 23, 2008, to conduct a summer event for their employees and families.

Recommended approvals have been received from the Police, Fire, Traffic Engineering, and Public Services Departments and the Downtown Development Authority. Proper insurance coverage has been received.

Because this is a for-profit company and a private, employees only event, the Engineering Department will be requesting reimbursement of expenses for this event.

Please place this request on the Council’s August 12th consent calendar for their consideration.

CITY OF JACKSON
SPECIAL EVENT APPLICATION, Page 2
City Clerk's Office • 161 W. Michigan Avenue • Jackson, MI 49201
(517) 796-4325

ENTERTAINMENT: Are there any entertainment features related to this event? YES NO
If yes, provide an attachment listing all bands/performers, type of entertainment, and performance schedule.

ATTENDANCE: What is the expected (estimated) attendance for this event? 360

AMUSEMENT: Do you plan to have any amusement or carnival rides? YES NO
If yes, you are required to obtain a permit through the City Clerk’s Office.

REST ROOMS: Are you planning to provide portable rest rooms at the event? YES NO
If yes, how many? (Answer to the right)
As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

OTHER REQUESTS: (i.e., Police Department assistance, Fire Dept., street closures, electrical, etc.)

INSURANCE: All sponsors of special events must carry liability insurance with coverage of at least $500,000. An event sponsor must provide a valid certificate of insurance naming the City of Jackson as an additional insured party on the policy. A sponsor of a Low Hazard event may request that City Council waive the insurance requirement and execute a Hold Harmless and Indemnification Agreement. This event qualifies consideration for Low Hazard because:

CERTIFICATION AND SIGNATURE: I understand and agree on behalf of the sponsoring organization that:
A Certificate of Insurance must be provided which names the City of Jackson as an additional named insured party on the policy or
I am requesting that City Council waive the insurance requirement for this Low Hazard Event as identified in paragraph above
related to insurance, and I have executed the Hold Harmless and Indemnification Agreement on behalf of the event sponsor.
All food vendors must be approved by the Jackson County Health Department, and each food or other vendor must provide the City of Jackson with a Certificate of Insurance which names the City of Jackson as an additional named insured party on the policy.
The approval of this special event may include additional requirements or limitations, based on the City’s review of this application.
Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.
As the duly authorized agent of the sponsoring organization, I am applying for approval of this Special Event, affirm the above understandings, and agree that my sponsoring organization will comply with the terms of the written confirmation of approval, and all other City requirements, ordinances and other laws, which apply to this Special Event. By signing this Special Event Application, I declare I am 21 years of age or older.

Over (Under) for July 31, 2008: $(14,407.94)
August 4, 2008

TO: William R. Ross, City Manager
FROM: Margaret Cunningham, Purchasing Agent
RE: Prequalification Requirements

Since the adoption of the Jackson City Charter on November 4, 1997, the Charter requires establishment of contract procedures for all purchases and shall be established by resolution as identified in the City’s Purchasing Manual. Section 12.0 of the Purchasing Manual contains a prequalification policy stating that construction projects, including construction, maintenance or repair to public streets or right-of-ways, with an estimated cost of $100,000 or more, shall have obtained City of Jackson prequalification prior to bidding upon such projects (see attached complete policy).

Under the current Purchasing Policy, a bidder’s prequalification is based on information and review of financial resources, construction equipment available, facilities, holdings, and work experience, of both the corporation and its key personnel. After a prospective bidder was reluctant to release financial information to the City because it may be subject to the Freedom of Information Act, Mr. Ross asked me to review the City’s prequalification requirements. Contact was made to the City of Adrian, Kalamazoo and Ann Arbor. All cities contacted do not require prequalification. In review of the Michigan Department of Transportation (MDOT)’s prequalification requirements, their website states that anyone seeking to be on and/or perform work on MDOT projects must be prequalified.

Jon Dowling, Randy McMunn, Glenn Chinavare, Paul Vermaaten, Jules Giglio, Jim Parrott and I met to discuss the current policy. The group agreed that current bonding requirements provide sufficient assurance of a bidder’s financial status and that City review of financial information is not necessary. However, a bidder’s ability to obtain the required bonds does not necessarily assure that the bidder has the specific equipment and experience required to actually perform work under a contract. Rather than delete the prequalification process entirely, departments still wanted the flexibility to preview the contractor’s ability to perform the contract prior to bidding certain construction projects, focusing on experience, equipment available and key personnel, but eliminate the need for financial information from the process. They wanted to make sure contractors are prequalified for specific work as required for that contract, and didn’t want to review the company after bids were opened then discover they are not qualified in that particular area of construction, therefore not recommending them for award. Bonding companies look at qualifications from a different point of view because they are providing insurance, but are not construction specific. Bonding is an insurance to protect the City from uncompleted projects, failing to pay employees and/or materials or failing to maintain the quality of their work, as required.
In concurrence with Engineering, Public Services, Wastewater, Attorney, Parks and the City Manager, we would like to revise the current prequalification requirement, which would allow more privacy to the prospective contractor, but still allow the Department Head the option of prequalification prior to bidding on construction projects (see attached revised policy).
12.1 POLICY

Construction projects, including construction, maintenance or repair to public streets or right-of-ways, with an estimated cost of $100,000 or more, shall have obtained a Michigan Department of Transportation (MDOT) or City of Jackson prequalification prior to bidding upon such projects. For all other projects, prequalification shall be optional at the discretion of the Purchasing Agent and the Department Head involved in the project.

A bidder's prequalification shall be based upon information regarding financial resources, construction equipment available, facilities, holdings, and work experience, of both the corporation and its key personnel.

The Purchasing Agent shall have the right to adjust the prequalification list of bidders as he or she becomes aware of substantial changes in the information and circumstances of a bidder or if other reasonable cause exists such as unsatisfactory contract performance or failure to pay bills and/or claims. Should an applicant for prequalification disagree with the determination of City staff with regard to same, the City Manager shall within ten days of the receipt of a written request review the original information and/or such additional information as the applicant may choose to submit, and confirm in writing either the original determination of the staff or revise same as appropriate.

The Purchasing Agent shall maintain a list of prequalified bidders who are eligible to bid upon public work projects for the City of Jackson. Application for prequalification shall be made annually and a list shall be published and updated as required.
12.0  PREQUALIFICATION PROCEDURE

12.1  POLICY

At the discretion of the Department Head responsible for a public works construction project, bidders may be required to become prequalified prior to bidding such projects. When required, bidders shall demonstrate their ability to successfully complete the proposed work as provided below. The City is not required to consider a prequalification application if it submitted less than 10 days before the date for opening bids for a project on which the bidder desires to bid.

Equipment, experience, and key personnel - The bidder shall submit evidence of all of the following:

(a) The availability of equipment required to perform work in the classifications for which the bidder seeks approval.
(b) Experience of its key qualified personnel who will provide field supervision of the work in the classifications for which the bidder seeks approval.
(c) Experience of the company or principals of the company, or both, in the work classifications requested.

Work classifications - The bidder shall identify the work classification or classifications for which it is requesting prequalification when submitting a prequalification application. A bidder will be classified for types of work on the basis of its experience and resources at the time of filing the prequalification application. When additional experience or resources have been obtained, the bidder may submit information for consideration by the Purchasing Agent to add work classifications.

Evidence of current prequalification with the Michigan Department of Transportation (MDOT) for the classifications of work involved in the contract will be sufficient evidence of qualification.

The Purchasing Agent shall have the right to adjust the prequalification list of bidders as he or she becomes aware of substantial changes in the information and circumstances of a bidder or if other reasonable cause exits such as unsatisfactory contract performance or failure to pay bills and/or claims. Should an applicant for prequalification disagree with the determination of the Purchasing Agent with regard to same, the City Manager shall within ten days of the receipt of a written request review the original information and/or such additional information as the applicant may choose to submit, and confirm in writing either the original determination of the Purchasing Agent or revise same as appropriate.

The Purchasing Agent shall maintain a list of prequalified bidders who are eligible to bid upon public works construction projects for the City of Jackson. The Purchasing Agent shall maintain and update the list as deemed necessary and shall notify bidders of changes in qualification status. Prequalification will expire after five (5) years.

Bidding procedure - The Department Head will identify the required work classification or classifications of the prime bidder for the construction project. The work classification(s) will be included in the advertisement for the project. To bid on a contract, a bidder must be prequalified in the required prime work classification(s).
July 17, 2008

TO: William R. Ross, City Manager

FROM: Margaret Cunningham, Purchasing Agent

RE: Prequalification Procedure

Attached for your consideration is a newly revised prequalification procedure. At the Staff meeting on Monday, we had further discussion about eliminating the prequalification requirement altogether, but rather revising it to a policy that we could still obtain pertinent information about a contractor wishing to bid on certain public works construction projects. It was decided the policy needed further consideration, so it was pulled from the agenda of July 15.

Jon Dowling, Randy McMunn, Glenn Chinavare, Paul Vermaaten, Jules Giglio, Jim Parrott and I met to discuss the needs of a prequalification procedure that could be used by departments to obtain information about a contractor’s experience before bidding on a project. The policy was revised to eliminate the requirement of financial information and focused on equipment available, experience and key personnel of a company. Bonding requirements will satisfy the financial portion of a prequalification requirement and the information submitted to the City will give the user departments a clearer view of the contractor’s ability to perform a contract.

If you approve of this revised policy, I will place this on the agenda of August 12 for Council’s consideration.

12.0 PREQUALIFICATION PROCEDURE

12.1 POLICY

At the discretion of the Department Head responsible for a public works construction project, bidders may be required to become prequalified prior to bidding such projects. When required, bidders shall demonstrate their ability to successfully complete the proposed work as provided below. The City is not required to consider a prequalification application if it submitted less than 10 days before the date for opening bids for a project on which the bidder desires to bid.

Equipment, experience, and key personnel - The bidder shall submit evidence of all of the following:
(a) The availability of equipment required to perform work in the classifications for which the bidder seeks approval.
(b) Experience of its key qualified personnel who will provide field supervision of the work in the classifications for which the bidder seeks approval.
(c) Experience of the company or principals of the company, or both, in the work classifications requested.

Work classifications - The bidder shall identify the work classification or classifications for which it is requesting prequalification when submitting a prequalification application. A bidder will be classified for types of work on the basis of its experience and resources at the time of filing the prequalification application. When additional experience or resources have been obtained, the bidder may submit information for consideration by the Purchasing Agent to add work classifications.

Evidence of current prequalification with the Michigan Department of Transportation (MDOT) for the classifications of work involved in the contract will be sufficient evidence of qualification.

The Purchasing Agent shall have the right to adjust the prequalification list of bidders as he or she becomes aware of substantial changes in the information and circumstances of a bidder or if other reasonable cause exists such as unsatisfactory contract performance or failure to pay bills and/or claims. Should an applicant for prequalification disagree with the determination of the Purchasing Agent with regard to same, the City Manager shall within ten days of the receipt of a written request review the original information and/or such additional information as the applicant may choose to submit, and confirm in writing either the original determination of the Purchasing Agent or revise same as appropriate.

The Purchasing Agent shall maintain a list of prequalified bidders who are eligible to bid upon public works construction projects for the City of Jackson. The Purchasing Agent shall maintain and update the list as deemed necessary and shall notify bidders of changes in qualification status. Prequalification will expire after five (5) years.

Bidding procedure - The Department Head will identify the required work classification or classifications of the prime bidder for the construction project. The work classification(s) will be included in the advertisement for the project. To bid on a contract, a bidder must be prequalified in the required prime work classification(s).
August 5, 2008

TO: William R. Ross, City Manager

FROM: Carol L. Konieczki, Community Development Director

RE: Sale of Vacant Lot at 322 W. Biddle, Assessor’s Stencil 4-0550

David Herrera of the Brentwood Group Int’l, LLC has approached this office with an offer to purchase City-owned property commonly known as 322 West Biddle Street for $510.00. The lot size is .15 acre. The Brentwood Group Int’l, LLC currently owns 326 West Biddle, which is the adjacent lot west of 322, and would like to purchase this property to add greenspace and a fence around the two properties.

In reviewing information from the Assessor’s office, the parcel currently does not have a State Equalized Value. This property is rated a “Class B,” which our current “Disposition of City-Owned Property Policy” defines as:

- **Class B**: (Vacant lots with development potential). Minimum offer will be set at current market value (generally defined as 2 times the assessed value) as established by the City Assessor.
- **Class B Residential Properties**: Preference will be given to offers for the purpose of residential development. A Development Agreement will be a condition of the sale of Class B properties sold for development.
- **Class B Commercial Properties**: Preference will be given to offers for the purpose of commercial development, with emphasis on job creation and retention as well as overall property investment. A Development Agreement will be a condition of the sale of Class B Commercial Properties.

Action requested is to accept the offer at the purchase price of $510.00, waive a development agreement conditioned upon the property owner combining this parcel with their current property, and authorize the Mayor to sign the Purchase Agreement, and the Mayor and City Clerk to sign the deed and any other documents required to close the sale of the property, subject to minor modifications and approval by the City Attorney.

Please place this item on the August 12, 2008 City Council Agenda.
Offer to Purchase City Owed Property

Department of Community Development
161 W Michigan Avenue
Jackson, Michigan 49201

Date: July 25, 2006

(BRENTWOOD GROUP INT'L, LLC)
3920 NELSON DRIVE JACkson, Mich 49203

Address, City State

I am submitting an offer to purchase City-owned property located at:

382 W. BIDDLE - 384
(Address) (Assessor's Stencil Number)

for the sum of $51,000 cash.

If purchased, I would use the Property for the following purpose: I would add to

326 W. Biddle and put a fence around them.

Disclaimers and Limitations. Notwithstanding anything to the contrary herein contained, Purchaser expressly understands, acknowledges and agrees that the conveyance of the Property shall be made by Seller to Purchaser on an "as is, where is" basis, and with all faults, including fire damage, environmental condition of the Property, and Purchaser acknowledges that Purchaser has agreed to buy the Property in its present condition and that Purchaser is relying solely on its own examination and inspections of the Property and not on any statements or representations made by Seller or any agents or representatives of Seller. Additionally, Purchaser hereby acknowledges that Seller makes no warranty or representation, express or implied, or arising by operation of law, including, but not limited to, any warranty of condition, habitability, merchantability, or fitness for a particular purpose of the Property or any portion thereof, or with respect to the economical, functional, environmental or physical condition, or any other aspect, of the Property, including Seller's title to the Property. Seller hereby specifically disclaims any warranty, guaranty or representation, oral or written, past, present or future, of as to, or concerning: (i) the nature and condition of the Property or any part thereof, including, but not limited to, its water, soil, or geology, or the suitability thereof for any and all activities and uses which Purchaser may elect to conduct thereon, or any improvements Purchaser may elect to construct thereon, or any income to be derived therefrom, or any expenses to be incurred with respect thereto, or any obligations or any other matter or thing relating to or affecting the same; (ii) the absence of asbestos or any environmentally hazardous substances on, in or under the Property or on, in or under any property adjacent to or abutting the Property; (iii) the matior of construction, condition or state of repair or lack of repair of any improvements; (iv) the nature or extent of any easement, restrictive covenant, right-of-way, lease, possession, lien, encumbrance, license, reservation, condition or other similar matter pertaining to the Property, or portion thereof; and (v) the compliance of the Property or the operation of the Property or portion thereof with any laws, rules, ordinances or regulations of any government or other body. Purchaser hereby absolutely waives any right, claim or cause of action which Purchaser may have against Seller with respect to the environmental conditions existing at the Property on the date of closing. By way of example only and not by way of limitation of the foregoing, Seller does not warrant either clear title to the Property, or that Purchaser will be able to obtain title insurance to the Property. Not shall Purchaser be allowed to return Property because of defect in title. Purchaser shall indemnify, defend and save Seller harmless from and against any and all claims, liability, costs, damages or losses from personal injury, including death, or property damage of any nature, resulting or arising from the sale of the Property. The provisions of this paragraph shall survive the execution and delivery of the deed by Seller and the closing of the transaction contemplated by this agreement.

RE: Request to Amend Consolidated Plan 2008-2009 CDBG/HOME Allocation Timetable and Establish the CAPER Public Hearing on September 23, 2008

On November 27, 2007, City Council adopted the attached 2008-2009 CDBG/HOME Allocation Timetable, amended on February 26, 2008 changing the CDBG Preliminary Allocation Decision from February 12, 2008 to February 26, 2008, to coincide with Council action taken on February 12, 2008. In reviewing HUD regulations concerning timing for citizen comments, it was discovered a 15-day comment period is required, not 30 days as indicated on the August 15, 2008 line “Ad to Citizen Patriot for CAPER Hearing and 30-day comment period.”

To allow staff additional time to provide a well rounded draft of the Consolidated Action Plan Evaluation Report (CAPER), which is being completely rewritten from prior years submissions, we request the following amendments be adopted:

- Ad to Citizen Patriot for CAPER Hearing and 15-day comment......................August 25, 2008
- CAC CAPER Meeting................................................................................. September 18, 2008

No objections were received from Citizen Advisory Council members when polled requesting their September 4 meeting be moved to September 18. The CAPER Public Hearing will still be held at the September 23, 2008 City Council meeting and the CAPER will be mailed to HUD on September 29, 2008 (HUD requires the CAPER to be submitted within 90 days of the close of the Consolidated Plan year, which ended June 30, 2008). The CAPER will be made available to City Council members, Citizen Advisory Commission (CAC) members, and the general public by providing copies for review at the Community Development Department, City Clerk’s Office, Jackson District Library main branch, Neighborhood Resource Center, and Habitat for Humanity office on or before September 10, 2008. This will provide at least 19 days for comment before submitting to HUD.

Requested action is for City Council to adopt the requested amendments to the Consolidated Plan 2008-2009 CDBG/HOME Allocation Timetable as outlined above, and to establish the September 23, 2008 City Council meeting as the time and place to hold a public hearing to receive citizen comments on the CAPER.

Please place this item on the August 12, 2008 City Council agenda for consideration.

RE: Approval to Amend Subrecipient Agreements

The following CDBG and HOME subrecipients were unable to fully expend their allocated funds from Year 33 (2007-2008) and have requested additional time within which to complete projects. I have outlined each request separately below:

**American Red Cross**
The American Red Cross was allocated $3,000 for Year 33 and has spent 67.77% of its funds. They are requesting the balance of $967 be carried over to Year 34 (2008-2009) to allow them to continue to assist families in need of emergency assistance after a disaster, such as a fire. The American Red Cross received a $2,000 allocation for Year 34.

**Downtown Development Authority (DDA)**
The DDA was allocated $15,000 for Year 33 and has not had the opportunity to spend these funds due to prior year’s funding still available to spend down. In fact, the DDA still has $2,180 from Year 32 (2006-2007) which needs to be carried-over and spent. However, the DDA has committed $15,000 to a façade project that is currently underway at 110 First Street. The DDA is also working with four property owners who may be eligible for a façade loan. The DDA received an $18,000 allocation for Year 34.

**Human Relations Commission (HRC)**
Due to submission of ineligible reimbursement requests, the HRC was unable to spend down its Year 33 funding and is requesting the balance of $3,261 be carried over to Year 34, for which they received an additional $1,000 allocation. City staff is working closely with Frank Weathers and other HRC members to plan activities for the Youth Council that would result in eligible activities that could be reimbursed.

**Jackson Affordable Housing Corp. (JAHC)**
JAHC has both unspent CDBG and HOME funds, which it is requesting be carried over to Year 34, as follows:

- **CDBG** – JAHC has $4,781 in its Foreclosure Prevention allocation to be carried over to Year 34. In addition, they received a $27,273 Year 34 allocation. With the on-going foreclosure problems the City is experiencing, these funds should be spent down in a relatively short period of time.

- **HOME** – JAHC received a $40,000 allocation in Year 33 to provide Down Payment Assistance to low- and moderate-income homebuyers. As of June 30, 2008, $13,387 remained unspent which JAHC has requested be carried-over to Year 34. JAHC received an additional $40,000 allocation in Year 34 for Down Payment Assistance.

- **HOME** - JAHC is the City’s designated Community Housing and Development Organization (CHDO) and, as such, is mandated by HUD to receive a minimum 15% set-aside of HOME...
funds. With the downturn in the real estate market, JAHC has not been able to turn over housing units identified in their applications for HOME funding during the past two years. They currently have $143,636 in unspent HOME funds from prior years that needs to be carried-over, plus the new $60,000 allocation for Year 34, for a total of $203,636. Staff will be monitoring JAHC’s performance very closely and will be ardently encouraging JAHC to take on projects and spend the funds. Additional or alternate CHDOs may need to be considered in the future to ensure the City is meeting HUD’s performance measurement requirements. JAHC is currently negotiating the purchase of a home on Hamlin Place to rehabilitate.

**Legal Services of South Central Michigan**
Legal Services is also requesting an extension of time to spend its unexpended Year 33 allocation as it also had prior year funding used to reimburse their expenses. Legal Services currently has a balance of $1,372 from Year 33 and did not receive an allocation in Year 34. This extension will allow Legal Services to continue to pay service of process fees for Personal Protection Orders in the coming year.

**The Salvation Army**
On December 11, 2007, City Council reallocated $8,108 in CDBG funds to The Salvation Army to use in its utility assistance program. It was recently discovered by Community Development staff that The Salvation Army was unaware of the reallocation and did not know it had those extra funds available. With the current economic and employment decline in the City and statewide, it is quite reasonable The Salvation Army will have the opportunity to spend the $8,108 plus the additional $63,000 allocated for Year 34 in the coming fiscal year.

It is recommended each request for an extension of time be granted. Staff plans to work diligently with each subrecipient with current and past CDBG and HOME funding to aid in its performance and utilization of funds. Requested action from City Council is to authorize the Mayor and City Clerk execute Amended Subrecipient Agreements to allow the above entities additional time to expend its CDBG or HOME funding. Please place this item on the August 12, 2008 City Council agenda for consideration.

Dear Michelle,

Enclosed is a CDBG payment request for $19,820 for a Façade Loan for the Jackson Symphony Orchestra, 215 W. Michigan, dated June 30, 2008.

The Downtown Development Authority (DDA) would like to request an extension of our current funding period for the remaining $17,180 CDBG grant for our Façade Program to be used by June 30, 2009. The DDA has closed on the project for Tax Season Widows, LLC, 110 First St. on May 21, 2008. The property owner is waiting for permits, requested June 6, 2008 and anticipates completion of the work by August 31, 2008. Please see attached memo from Jon A. Nowinski. Jon indicated it was for 401/403 W. Michigan, however, it is the same project. $15,000 is dedicated to this project.

This leaves a remaining $2,180 that was allocated to 105 E. Michigan. The property owner has chosen to reconsider the façade work after securing new bids for the cleaning process recommended by SHPO in January 2008. The cleaning process was more expensive. At this point, we will have the property owner resubmit their application and the Façade Review Panel would consider the project competitively along with new applications. If approved for carryover, I would propose to use the balance of $2,180 in addition to the new allocation. I have interest from the four (4) property owners for the new round of funding and look forward to begin the approval process late July, so construction can begin in the fall.

I appreciate your time and consideration on this request. Please feel free to contact me if you need additional information or details on these projects. The best way to reach me is by my cell phone (517) 474-8899.

Sincerely,

The Jackson Area Youth Council would like to request to carry over our 2007-2008 funding to the 2008-2009 fiscal year. We are learning the appropriate manner to spend our budget funding and would appreciate the opportunity to do so. We are thankful for the opportunity to receive such funding and look forward to using it toward the betterment of youth in our community.

Thank you,

Aimee -

I will be presenting City Council with a request to extend the time period for spending funds for certain subrecipients who have so requested. If you wish to carry over your 2007-2008 funding to the 2008-2009 fiscal year, please send me a written request by no later than Tuesday, August 5. I have to have my agenda item ready to go by Wednesday, August 6 at noon - a copy of the letter requesting the extension needs to be submitted with the agenda item.

Thanks for your attention in this matter!

Michelle Pultz
Community Development
City of Jackson
161 W. Michigan Avenue
Jackson, MI 49201

Dear Ms. Pultz:

Jackson Affordable Housing Corporation currently has $10,287 funds remaining in the 2007/2008 HOME grant allocation for Down Payment Assistance. There is also $4,781 remaining in the 2007/2008 CDBG grant allocation for Foreclosure Prevention.

In line with our mission of assisting people to become homeowners in Jackson county, along with our vision of all residents having the opportunity to own safe, affordable housing, JAHC continues to provide services to meet these goals. As house prices continue to drop our low to moderate-income families are finding homes that are now affordable to them. We continue to ensure that their loans are not predatory and are, in fact, a sound investment for them. We anticipate the remaining funds will assist 3-4 families.

As the foreclosure crisis continues, JAHC continues its effort to assist families within Jackson city limits financially, as well as through counseling. We anticipate the remaining funds will assist 1-2 families.

We are therefore requesting that the contracts for these funds be extended to December 31, 2008.

Thank you for your consideration.

Sincerely,

Karen A. Jackson
Executive Director

Dear Ms. Pultz:

I am writing to let you know that we have finished the grant year with a balance of $754.35 remaining. In the past, your office has requested that we write to you and find out if we may continue to use that balance into a new grant year. Would you please let us know what you wish us to do with the balance? Thank you.

Dear Ms. Pultz,

Thank your for re-allocating $8,108.00 to The Salvation Army for our utility assistance to the residents in the city of Jackson.

We are requesting that these funds be extended into the 2008-2009 funding year. Due to the high number of requests we are confident that these funds will be expended by the end of June 2009.

Thank you for your consideration of our request.

Sincerely,

MEMORANDUM

TO: Hon. Mayor and City Council Members

FROM: Susan G. Murphy, Deputy City Attorney

RE: EG-EXCEL Easement

DATE: August 5, 2008

Attached is an Easement from EG-EXCEL granting the City a five-foot easement to construct a pedestrian public walkway along the front of the former prison wall. This easement is to the east of EG-EXCEL’s property -- abutting what we now refer to as the Armory Arts Village.

During your June 24, 2008 meeting, you took action to accept an easement from DEM Investments. These two easements combine to grant the City a ten-foot easement to construct the pedestrian public walkway.

This item was on your July 15, 2008 City Council Agenda for acceptance of the easement, but was delayed pending receipt of a signed copy. A signed copy is now provided.

Please place this item on your August 12, 2008 agenda for acceptance allowing for staff to make minor changes as and if necessary.

cc: Julius A. Giglio, City Attorney
    William R. Ross, City Manager
PERMANENT EASEMENT

EG-EXCEL, LLC, a Michigan limited liability company, with offices located at One Jackson Square, Suite 1100, Jackson, Michigan 49201, GRANTOR, for less than One Hundred ($100.00) Dollars, conveys to the CITY OF JACKSON, a Michigan municipal corporation, with offices located at 161 West Michigan Avenue, Jackson, Michigan, GRANTEE, a Permanent Easement for location, construction and maintenance of a pedestrian public walkway only over, across, and upon property situated in the City of Jackson, County of Jackson, State of Michigan, generally described as follows:

A parcel of land in the Northeast ¼ of Section 34, T2S, R1W, City of Jackson, Jackson County, Michigan, and more particularly described as commencing at the Northeast corner of said Section 34; thence S 00°09’38” W 1141.31 feet, on the East line of said Section 34; thence N 89°50’22” W 33.00 feet, to intersection of the South line of North Street and the West line of Cooper Street; thence N 89°36’04” W 129.71 feet, on the South line of North Street, to the Point of Beginning of this description; thence S 00°10’48” W 660.53 feet; thence N 89°55’37” W 332.65 feet; thence North 78.60 feet; thence West 27.23 feet; thence North 33.22 feet; thence West 263.01 feet; thence North 42°56’11” W 10.40 feet; thence North 128.27 feet; thence West 149.09 feet to the East line of the Jackson, Lansing & Saginaw Railroad right of way; thence 56.03 feet, on the arc of curve to the left with a central angle of 01°12’36”, a radius of 2469.76 feet, and a long chord bearing and distance of N 03°19’57” W 55.96 feet, on said railroad right of way; thence N 04°19’58” W 363.22 feet, on said railroad right of way to the South line of North Street; thence S 89°36’04” E 812.00 feet, on the South line of North Street, to the Point of Beginning, containing 10.43 acres. (Parcel B)

The Permanent Easement is limited to and is more particularly described as:

Commencing at the Northeast corner of Parcel “B”; said point also being the Point of Beginning of this description; thence S 00°10’48” along the East line of Parcel “B” a distance of 660.53 feet; thence N 89°55’37” W a distance of 5.00 feet to the East side of a 5 foot wide block wall; thence N 00°10’48” E along the East side of said wall a distance of 660.55 feet; thence S 89°36’04” E a distance of 5.00 feet back to the Point of Beginning of this description. Containing 3302.70 square feet or .076 acres.

IT IS UNDERSTOOD that no other buildings, construction, or any other improvements of any kind or nature will be placed upon the Permanent Easement without consent of Grantee. Grantee
covenants and agrees that upon completion of any work pursuant to, and permitted under, this Permanent Easement, Grantee shall leave the subject property in a reasonably neat and orderly condition; provided, however, that in the event Grantor paves, landscapes, or makes other improvements upon the Permanent Easement, Grantee shall not be responsible for restoring same.

The benefit and access to the Permanent Easement by the public shall be limited to existing and connecting Riverwalk easements, if any, or such access points that constitute public property. No other use of the easement shall be permitted. Access is not permitted over any other portion of Parcel B.

IT IS FURTHER UNDERSTOOD that the pedestrian public walkway be designed for walking along the future Riverwalk trail as a means to enjoy the historical nature of the former prison wall. The Grantee will develop the pedestrian public walkway in a manner that will allow pedestrians, wheelchairs, and bicycles to use the walkway,

IT IS FURTHER UNDERSTOOD that while pedestrian traffic may include the walking of leashed dogs, Grantee will take steps to prohibit the use of the pedestrian public walkway by persons walking or riding larger animals, such as horses, and will also prohibit its use by those implements that may destroy the walkway including but not limited to such as roller skates, rollerblades, scooters, and skateboards.

This grant of Permanent Easement shall supersede all previous easements with respect to the sidewalk installation, use, maintenance, and repair thereof. All such costs shall be the responsibility of the Grantee without charge or assessment to Grantor, its successors, and assigns. Except for negligence and omissions of Grantor, or its agents, Grantee shall assume liability for personal injury, property damage, and the cost of installation, use, maintenance, and repair of the Permanent Easement, and the improvements thereon. Grantee shall list Grantor as an additional insured on its general liability insurance policy.

This grant of Permanent Easement and the mutual covenants herein contained shall be deemed to run with the land and be binding on and enforceable by the parties hereto and their respective representatives, successors and assigns forever.

Grantee, by acceptance of this Grant of Permanent Easement, agrees to the foregoing conditions.

This instrument is exempt from real estate transfer tax under MCL 207.526(a), MSA 7.456(26) and MCL 207.505, MSA 7.456(5)(a).

This Permanent Easement is executed on this 4th of August 2008.

EG-EXCEL, LLC, a Michigan limited liability company

By: K. Scott Fleming

Its: Manager
STATE OF MICHIGAN

COUNTY OF JACKSON

On this 4th day of August, 2008, before me, a Notary Public in and for said County, personally appeared K. Scott Fleming, as a Manager of Grantor, to me known to be the person described above and who executed the foregoing instrument, and respectively acknowledged the execution thereof to be his free act and deed on behalf of said limited liability company, and that he is duly authorized to execute this instrument.

Human Relations Commission
City/County of Jackson
City Hall, Jackson, MI

Dear Mayor, fellow Commissioners and staff,

In my pastoral role at Spring Arbor Free Methodist Church, I have been working ¾ time as Pastor of Hospitality and Assimilation for the past 4 years. Prior to that I was Children’s Pastor for 6 years.

Our Children’s Pastor for the last 4 years resigned effective April 30, and we have been searching for a qualified pastor to take her place. We have not found one we felt had the necessary qualifications to lead this important ministry.

As a result, I will be appointed interim Children’s Pastor for this year (July 1, ’08 – June 30, ’09) in addition to my role in hospitality and assimilation. I presently lead 350-400 volunteers, and this will add about 200 more in addition to the paid staff for children.

As a result of these changes, I need to resign from all my evening responsibilities which cover three evenings a week, and include Human Relations Commission.

It is with regret that I tender my resignation from the Human Relations Commission. I have enjoyed working with each of you, as well as learning how the City government runs. I would like to stay on through the HRC Picnic so that I can live up to my commitments for this great event. Please consider my resignation to be effective beginning August 1, 2008.

Sincerely,

Rev. Dr. Dottie Miller

To: Jackson City Council

From: Ellen White
       City Charter Committee Member

Subject: Resignation

This letter is to regrettably inform you that I can no longer serve as a member of the
Jackson City Charter Committee. I have recently accepted a position with the Michigan
Department of Transportation. My job assignment will keep me away from home for
months at a time and I would not be able to perform my obligation to the City Charter
Committee.

I would like to thank-you for having appointed me to be on the committee and serving in
that capacity has certainly been and honor.

Yours truly,

City of Jackson
Notes to Revenue & Expenditure Summaries
As of and For the 12 Months Ended June 30, 2008 (Pre-Audit)

**Note 1:** Revenues do not include budgeted appropriations from fund balance. These appropriations, together with budgeted revenues, are sufficient to fund budgeted expenditures, in accordance with State law.

**Note 2:** These financial statements are the first preliminary statements for June 30, 2008. The Finance Department will review each fund and make the necessary year-end adjustments and corrections and a second year end run of these financial statement will then be processed. This second run will be used by the auditors to perform their annual audit. Any adjusting journal entries that result from the audit will then be entered to generate the final year-end financial statements, from which the audit report (CAFR) will be based.
August 5, 2008

TO: William R. Ross, City Manager

FROM: Carol L. Konieczki, Community Development Director

RE: CDBG Financial Summary through June 2008

Attached is a Financial Summary for the CDBG funds through June 2008.

Please place this item for consideration on the August 12, 2008 City Council agenda.

TO: Honorable Mayor and City Councilmembers

SUBJECT: Complaint Filed by Brian Surgener in Reference to the City’s Meterless Parking System

Following is the subject complaint filed in the Court of Appeals. Requested action is for City Council to receive this complaint and refer it to the City Attorney for appropriate action.
STATE OF MICHIGAN  
IN THE COURT OF APPEALS  

BRIAN SURGENER,  
Plaintiff,  

v.  

CITY OF JACKSON,  
a municipal corporation,  

Defendant.  

Case No.: 08___________ CZ

E-mail: jah@ConsumerPractice.com  

RECEIVED  
CITY OF JACKSON  
AUG 6 1 2008  
ATTORNEY'S OFFICE  
By:  

There is no pending or resolved civil action arising out of the same transaction or occurrence as alleged in the complaint.  

Jeffrey A. Hank (P71152)  
Attorneys for Plaintiff  

ORAL ARGUMENT REQUESTED  

Plaintiff requests that this Honorable Court grant a hearing for Oral Argument.
Now comes the Plaintiff, BRIAN SURGENER (hereinafter also referred to as the “Plaintiff”), individually and on behalf of all others similarly situated, by his attorneys CONSUMER LAW CENTER, PLLC, and for their Complaint, state as follows:

I. INTRODUCTION

1. This is an action under the “Headlee Amendment” to the 1963 State of Michigan Constitution (1963 State of Michigan Constitution, more specifically the “Headlee Amendment”, Const. 1963, art 9, §§ 25-34 et seq. (“Headlee”)) for injunctive relief, compensatory damages, and for the attorneys’ fees and costs incurred in bringing this action against Defendant for its unlawful imposition of a tax for parking services in a manner that is illegal under state law, and otherwise substantially increasing an onerous and unlawful financial burden on Plaintiff.

2. The Headlee Amendment §31 protects Michigan taxpayers against state and local taxation by requiring voter approval of any new taxes.

3. Furthermore, §32 of the amendment provides that taxpayers may bring a lawsuit to enforce its provisions in the Court of Appeals and recover their costs for doing so.

4. This case involves Defendant’s wrongful collection and imposition of “parking fees” from downtown property owners, including Plaintiff.

5. Plaintiff has been charged a parking “fee” by the Defendant to provide “free” parking spaces for use by the public.

6. The revenue collected by the Defendant from parking “fees” is used to maintain public parking lots and is raised solely for the purpose of public benefit.
7. The tax is supposedly a parking "fee", which is payment for the use of said service by the general public and is supposed to be used to cover operating costs and maintenance of City parking lots and is used so that the general public may park downtown for free.

8. The revenue collected from the parking "fees" is directly used to provide the general public with "free parking".

9. The fees charged range from a mandatory $125.00 up to at least $4,832.46.

10. The revenue collected is documented in public records published by the Defendant.

11. The 2007-2008 annual budget report of Defendant reveals that for the last collection period, $66,833.34 was unlawfully charged by Defendant to taxpayers without voter approval.

12. Defendant’s parking “fees” are in fact taxes that are disguised to escape the Constitutional requirements for levying new taxes under the Headlee Amendment.

13. Defendant has imposed and collected an illegal and disguised tax on its citizens and property owners in the form of parking "fees" in violation of their Constitutional Rights and contrary to the requirements of the Headlee Amendment.

II. JURISDICTION AND VENUE

14. Plaintiff incorporates by reference each and every allegation set forth in the above paragraphs as though the same were set forth herein word for word in paragraph by paragraph.
15. Plaintiff, Brian Surgener (hereinafter referred to as “Plaintiff” or “Surgener”) owns real property in the City of Jackson, County of Jackson, which is located at 201 South Merchant, Jackson, MI, 49201.

16. Defendant, City of Jackson, located in the County of Jackson (hereinafter referred to as “Defendant” or “City”) is a municipality organized under the laws and Constitution of the State of Michigan.

17. Venue and Jurisdiction are appropriate pursuant to Const 1963, art 9, § 32.

III. PARTIES AND STANDING

18. The Plaintiff is Brian Surgener, a downtown property owner who pays the Meterless Parking Fees as a taxpayer in the City of Jackson.

19. The Defendant is the City of Jackson, located in the County of Jackson, a State of Michigan municipal entity organized under the laws and Constitution of the State of Michigan.

IV. FACTUAL ALLEGATIONS

20. Plaintiff incorporates by reference each and every allegation set forth in the preceding paragraphs as though the same were fully set forth herein.

21. Plaintiff is the owner of real property located at 201 South Mechanic Street, which is located within the downtown business district of Jackson, Michigan.

22. In 2007, the City Council of Jackson voted to assess a parking “fee” on properties located within 300 feet of certain parking lots owned by the City of Jackson.

23. This fee is commonly referred to as the “Meterless Parking Fee”.
24. The Meterless Parking fee is charged to property owners so the public can park in the downtown business district at no charge.

25. The funds generated by the Meterless Parking fee are used to maintain the public parking lots.

26. The public parking lots are solely owned by the City of Jackson.

27. Every property owner in the downtown area is charged a minimum fee, even if they have their own parking lot and have adequate parking to meet the needs of the property and the business contained therein.

28. The annual fee charged to Plaintiff's property for 2007-2008 was $1,730.14.

29. Fees charged to property owners range from the minimum $125.00 fee, to a maximum of $4,832.36, which is charged to Ostego Office Space & Apartments.

30. The total revenue raised during the last period by the City of Jackson according to the 2007-2008 Meterless Parking report was $66,833.34.

31. The City of Jackson does not spend the total amount collected to maintain the public lots it owns and operates.

32. As a result, the City of Jackson has accumulated over $330,000.00 in surplus funds.

33. Despite paying $1,730.14 last year as a Meterless Parking fee, Plaintiff is not given rights to park in the public parking lots.

34. If Plaintiff, or its tenant, wish to park in the public parking lots, he must purchase monthly parking permits from the City of Jackson at a cost of $35.00 per month, or $420.00 annually (for each individual permit).
35. The Meterless Parking fee is mandatory and no property owner can opt out of the system.

36. The public which uses the parking lots are not charged any fee to park or maintain the lots.

37. It is only the surrounding property owners that are charged a fee, which allows the public to park for free.

38. The County of Jackson owns property next to the public parking lots.

39. The County of Jackson is supposed to pay a parking fee of $1,789.80, but is considered “exempt” from paying the fee because it is a governmental entity.

40. Not charging the County of Jackson their parking fee, on its face, makes the Meterless Parking fee a tax and not an assessment.

41. The City of Jackson arbitrarily and capriciously bases the fee charged each property owner on the square footage of the building, not on actual use or burden on the overall parking system.

42. The extent to which a business or property owner burdens the parking system, or how much parking it causes the public to use, is not a factor for determining the fee charged.

43. Plaintiff’s property is leased to a small coffee house, which is required to pay for 30 parking spots.

44. The property owner that houses the State of Michigan Secretary of State is required to pay for only 6 spots.
45. The property owner that houses the United States Post Office, which receives hundreds or thousands of customers per day, many more than the Plaintiff’s property, is required to pay for only 30 spots.

46. Consumers Energy, a private corporation, is located in downtown Jackson. It is required to have at least 1,451 parking spaces but has no parking of its own. The City of Jackson built two parking structures and allows Consumers Energy to receive credit for these public spots, which allows Consumer’s Energy to pay only $125.00 as a Meterless Parking fee, despite being one of the largest employers in downtown Jackson and placing much more of a burden on the system than Plaintiff.

47. Not considering the burden that the particular property places on the parking system creates an unfair and disproportionate financial burden on certain property owners.

48. Many properties charged a fee have been vacant for years, but still pay thousands of dollars per year as a Meterless Parking fee.

49. The City of Jackson has 324 public parking spots in the Meterless Parking system.

50. Despite having at least 2,600 public parking spots, the City of Jackson assesses property owners for 324 spots, and claims that it is in need of an additional 1,177 public parking spots.

51. The reason for the large disparity is because the parking spots are calculated on square footage of the properties and not on the basis of actual use by the public.
52. Defendant did not have legal authority to impose the Meterless Parking fees prior to or at the time the Headlee Amendment was enacted.

53. The Meterless Parking System fees are assessed by the City Assessor’s Office, as are taxes levied by the City, and as is commonly a characteristic of a tax.

54. If the Parking fees are not paid, the amount outstanding becomes a lien on the property, as is commonly a characteristic of a tax.

55. If the Parking fees are not paid, the City treats the unpaid amounts as an unpaid tax and can foreclose upon the particular property, as is commonly a characteristic of a tax.

56. The City of Jackson’s Meterless Parking fees are a disguised tax and violate the State of Michigan’s Constitutional Headlee provisions.

**V. COUNT I- VIOLATION OF THE HEADLEE AMENDMENT**

57. Plaintiff incorporates by reference each and every allegation set forth in the preceding paragraphs as though the same were fully set forth herein.

58. The Headlee Amendment was enacted in 1978, to put limits on state and local government spending and to ease the burden on taxpayers.

59. Section 31 of the Headlee Amendment specifically prohibits units of local governments from levying any tax not authorized by law or charter without the approval of a majority of the qualified electors of that unit of local government voting.

60. In 1999, the Michigan Supreme Court issued its decision in *Bolt v. City of Lansing*, 459 Mich 152; NW2d 264 (1999), setting forth the simple criteria to distinguish between a “user fee” and a “tax”.
61. Defendant's imposition and collection of "parking fees" falls directly within the definition and criteria of a "tax" and not a "user fee", specifically, Defendant's collection of "parking fees" from downtown business owners: 1) does not serve a regulatory purpose, but instead a revenue generating purpose, and/or 2) is disproportionate to the costs of providing parking services to its residents, and/or 3) the parking "fees" are not voluntary.

62. As a tax, Defendant was required to obtain voter approval pursuant to the Michigan Constitution's Headlee Amendment, Bolt v. City of Lansing, and other current Michigan case law.

63. Defendant did not obtain voter approval, and thus the "parking fee" is an illegal tax unconstitutionally levied against certain downtown business owners.

64. Defendant's Meterless Parking system does not serve a regulatory purpose, but rather a revenue generating purpose, as evidenced by the excess money collected and how the revenue collected is spent for maintaining public parking lots.

65. Defendant's Meterless Parking system fees are disproportionate to the costs of providing parking services to its residents, because it unreasonably and arbitrarily assesses costs on different businesses in a manner that does not account for how the particular property burdens the overall system and therefore does not reflect the actual cost of providing parking services.

66. The Meterless Parking fees are also not proportionate to the costs of providing actual parking because Plaintiff already pays general property taxes and extra special assessments due to being in the Downtown Development Authority (DDA), and in essence is paying a double tax.
67. The parking fees are mandatory, and there is no element of volition or choice for the property owners to partake in or abstain from using the services.

68. Defendant has knowingly been collecting illegal taxes from its property owners through the use of “parking fees” assessed on Plaintiff and other property owners for many years.

69. Plaintiff has repeatedly given notice to Defendant that such taxation is illegal.

70. The Meterless Parking fees are a disguised tax not authorized by law or charter and violate the State of Michigan Constitution’s Headlee provisions.

**PRAYER FOR RELIEF**

71. WHEREFORE, Plaintiff respectfully requests that this Court enter judgment in favor of Plaintiff and all others similarly situated, as follows:

72. Finding that Defendant has violated the Michigan Constitution, specifically the Headlee Amendment, by declaring the parking “fee” to be a disguised tax that violates the 1963 State of Michigan Constitution, art. 9, § 31, having not been approved by a majority of the qualified electors of the City of Jackson prior to its implementation.

73. Order the refund of all amounts paid to date by Plaintiff and all property owners for the years 2006 and 2007.

74. Enjoin Defendant from continuing to collect the parking fee from downtown property owners.
75. Award of attorney fees and costs, including interest, as allowed by statute and/or from a common fund created through this action.

76. Award such other and further relief as this court deems just and proper.

Respectfully submitted,

CONSUMER LAW CENTER, PLLC

Jackson City Council

Attention Lynn Fessel City Clerk

Our purpose in writing to you is the cultivation of a nonprofit organization based in Jackson and the conferring of a local civic organization. Our club “Jackson Basketball Club” is a grassroots effort designed to encourage and develop a traveling basketball team to represent the Jackson area. By drawing upon the talent pool of the Jackson area we hope to compete on the highest levels in the state and nation. We will be able to supply the best and brightest local youth to represent our city.

However we are aware that not every potential candidate will possess the resources to afford participation in this program. To help offset these costs we are proposing a number of fundraising efforts including but not limited to car washing, pizza sales, raffles, and State sanctioned Millionaire Party Texas Hold Em events. We look to your support and consideration of our status as we move in this direction.

Sincerely,

Monoletoe McDonald- President

Michael Wallace-Vice President
Preamble

Serve as a group to organize local youth basketball players from the greater Jackson area.

Create opportunities for the local youth to compete and represent the Jackson area at the highest levels of competition on the state and on the national level.

Encourage and develop leadership skills of local youth athletes.

Promote positive relationships between local athletes.

Assist in the implementation of a strong basketball program in the Jackson area.

Article I
This organization shall be known as the Jackson Basketball Club.

Article II
The club shall consist of a President, a Vice President, and a Secretary/Treasurer. These positions shall act as the Club Leadership.

A majority vote of the leadership shall be used to make club decisions.

The President shall preside over all Club meetings.

The Vice President shall act in the absence of the president.

The Secretary/Treasurer shall be responsible for the accounting of all club monies.

Article III
A regular meeting shall be held monthly.

Meetings of the leadership shall consist of the President, Vice President, and the Secretary/Treasurer.
Article IV
Fund-Raising shall consist of but not be limited to team car washing, pizza sales, raffles, State sanctioned Millionaire Party Texas Hold Em events.

No Expenditures shall be made without the vote of the leadership.

Article V
In the event that the Jackson Basketball Club is to dissolve all monies shall be donated to the Jackson Community College Athletic Scholarship Fund.

Monoletoe McDonald  
President

Michael Wallace  
Vice President
August 5, 2008

Mr. William R. Ross
City Manager
City of Jackson

SUBJECT: ORDERING HAZARDOUS SIDEWALK RESTORATION

Dear Mr. Ross:

In continuation of the City-wide Sidewalk Program, which began in June of 1992 to remove hazardous sidewalk from the City of Jackson, a sidewalk inspection was conducted and a notice mailed to the property owners listed in the resolution June 19th, 2008. This notice allowed the property owner 45 days to arrange for sidewalk construction through the City, through his or her own efforts or by private contractor. Based on the original letter’s date, this would have given the homeowners a date of August 4th, 2008 to comply. On August 5th, 2008 an inspection was performed by a Department of Public Works representative who found there was still deteriorated and hazardous sidewalk servicing those properties.

The City Ordinance Section 23-105 and 23-106 regarding sidewalk replacement provides that, upon order by City Council, property owners have 20 additional days to arrange for sidewalk repair. If property owners do not bring their sidewalks into compliance within the 20-day period, the repair work will be accomplished by the City, and the work invoiced to the property owner. Weather permitting, this would be accomplished as soon as practical.

A resolution ordering sidewalk replacement at the locations identified is attached. I hereby request City Council adopt this resolution as necessary for compliance and implementation of the City Sidewalk Restoration Program.

Respectfully submitted,

Glenn M. Chinavare
Director of Public Services

GCskp

pc: Greg Lucas, General Foreman
     Lynn Fessel, City Clerk
RESOLUTION

BY CITY COUNCIL:

WHEREAS, the City Council on June 20 of 1992 adopted a program for restoration of hazardous sidewalks in the City of Jackson; and

WHEREAS, that program in part provides that where property owners fail to repair sidewalks within 45 days of the receipt of notice of hazardous sidewalk, that the City Council will order that sidewalk replacement; and

WHEREAS, notice of hazardous sidewalk conditions have been sent to certain property owners and those property owners have failed to restore sidewalks within the 45-day allotted time;

NOW, THEREFORE, BE IT RESOLVED, that the City Council does hereby order sidewalk replacement as described in the individual notices provided for properties at the following address:

_________________________ City Clerk
August 6, 2008

TO: William R. Ross, City Manager
FROM: Carol L. Konieczki, Community Development Director
RE: Resolution to Amend the 2007/2008 Community Development Block Grant (CDBG) Budget

The John George Home recently experienced emergency sewer repairs and has requested assistance from the Community Development Department. A break in the sewer line in the basement caused a portion of the concrete floor to cave in. John George Home had Kurpinski’s Sanitation scope the sewer line with a camera, which revealed the entire bottom of the old, original sewer line was gone and sewage was potentially seeping into the ground. An inspection by Community Development staff revealed sewer rats had also been tunneling under the flooring for some time due to old lines that had been left open, which added to the cause for the floor to cave in.

Work to repair the hazard has been completed. The John George Home was able to secure the following donations:

- Concrete Cut would have cost $429.50 but the entire amount was donated at no cost.
- John George Home Maintenance Supervisor – 45 hours labor donated
- Local Sheriffs Recovery Court Program – 4 people donated 45 hours labor
- John George Home Volunteers – 2 people donated 45 hours labor

The donated labor consisted of concrete removal, excavation and cleanup. The plumbing contractor charged $6,045 (was estimated at $12,133) and concrete fill cost $2,370.78 (estimated at $2,634.20). The total amount of CDBG funding the John George Home is requesting for this emergency repair is $8,415.78.

It should be noted that the plumbing contractor, Grindall & White, failed to apply for and receive a permit for the work to be performed. It wasn’t until the job was completed and the work was covered that this omission was discovered. The plumbing permit would have cost $73; Grindall & White has requested Council consider waiving the permit fee after the fact as they gave a significant reduction of cost to the project. Also, when Community Development inspectors learn a contractor has begun and/or completed work without the benefit of a permit, normal course of action is to issue a Violation and Notice of Hearing to the Administrative Hearings Bureau (AHB). In light of the fact there was a misunderstanding by the contractor that City-owned properties did not require a permit and this was an emergency-type situation, it is requested that Council also waive the necessity of any AHB action but instead order a letter of warning be issued to the contractor that this is a one-time waiver only and any future non-compliance with permitting laws will result in issuance of a Violation and Notice of Hearing to the AHB.

Community Development staff recommends reallocating $8,416 from CDBG Homeowner Rehabilitation to the John George Home, waive the permit fees after the fact, waive the issuance of a Violation and
Notice of Hearing to the AHB, and a letter of warning as outlined above sent to the plumbing contractor, Grindall and White.

Attached is a resolution to amend the fiscal year 2007/2008 (Year 33) CDBG budget to reallocate $8,416 from CDBG Homeowner Rehabilitation funds to the John George Home for this emergency sewer repair.

Please place this item on the August 12, 2008 City Council agenda for consideration.

cc: Heather L. Soat, Financial Analyst
    Michelle L. Pultz, CD Project Coordinator
Whereas, the U.S. Department of Housing and Urban Development approved the Community Development Block Grant (CDBG) programs for fiscal year 2007/2008 (Year 33); and

Whereas, the City Council previously allocated funds for various CDBG eligible services; and

Whereas, the City Council desires to reallocate funds for use for emergency repairs at the John George Home; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Jackson hereby amends the subject budget as follows:

I, Lynn Fessel, City Clerk in and for the City of Jackson, County and State aforesaid, do hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Jackson City Council on the 12th day of August 2008.

IN WITNESS WHEREOF, I have hereto affixed my signature and the Seal of the City of Jackson, Michigan, on this 13th day of August 2008.

Lynn Fessel
City Clerk
July 22, 2008

City of Jackson
Michelle Pultz
161 W. Michigan Ave
Jackson, MI 49201

Dear Michelle,

The John George Home recently discovered a sewer break in the basement pipes. It became an immediate problem primarily due to a break in the basement floor. A three foot void was found and the floor was no longer stable. After receiving a camera researched sewer assessment, we were informed that the entire bottom half of the sewer lines were missing. We acted immediately on this danger but were very uncertain how we would afford such a repair. We were fortunate to have in-kind donations for much of the labor as well as some of the materials.

I am requesting that the City of Jackson consider a request in the amount of $8,415.78 to assist the Home with this expense. I would also request that you consider waiving the permit fee for the project in order to assist us with the total expense. I have attached a breakdown of the project as well as the bids for service and current bills.

Please let me know if you require additional information on this project. We appreciate the support that the City of Jackson has provided to the gentlemen of the John George Home.

Please don’t hesitate to contact me with any questions.

Sincerely,

Carrie A. Good, MA
Administrator

PROPOSAL

TO John George Home
1501 E. Ganson St.
Jackson, MI 49202

ATTN: Dan Ellenwood

We hereby submit specifications and estimates for:

Quote to provide labor and material to cut concrete, excavate, and replace deteriorated cast iron sanitary piping under the floor in the north end of the basement. All new piping to be PVC. All branches to be tied in from existing sanitary. Concrete to be patched when completed. All work to be done during regular hours as much as possible. Some tie-ins may need to be done at night.

WE BID $12,133.00

We propose hereby to furnish material and labor — complete in accordance with the above specifications, for the sum of:

Twelve Thousand One Hundred Thirty Three and 00/100 dollars ($12,133.00).

Payment to be made as follows:

30 days after invoice

All material is guaranteed to be as specified. All work to be completed in a professional manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon injury, accident or delay beyond our control. Owner to bear all losses, and any necessary insurance. Our workers are fully covered by Worker's Compensation Insurance.

Acceptance of Proposal — The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Authorized Signature __________________________

Acceptance Date: ____________________________

Note: This proposal may be withdrawn by us if not accepted within 30 days.

Re: John George Home

Dear Ms. Konieczki:

We were recently contacted by a John George Board member on an emergency basis to replace a large percentage of the underground sanitary piping in the building which had deteriorated to the point of floors collapsing. We responded quickly and, along with some volunteer help, we were able to replace all the piping within a few days. We donated some of the material, and the rest of the labor and material was invoiced at our cost. Due to the urgency of the job, it did not enter my mind to take out a permit for direct replacement of the pipe.

I take full responsibility for this omission and am asking for relief from permit fees or penalties.

Respectfully,

Thomas A. Zeller
Vice President/Superintendent

TAZ/bs
MEMORANDUM
City Clerk’s Office

August 4, 2008

TO: Honorable Mayor and City Councilmembers

SUBJECT: Final Adoption of Ordinance No. 2008.11

Following is Ordinance No. 2008.11, which is being placed on this agenda for final adoption. Council approved this ordinance prohibiting noxious weeds, grass or other rank vegetation from growing more than 8 inches tall on July 15.
ORDINANCE NO. 2008-___

An Ordinance amending Section 26-66 (a)(1) of Chapter 26 of the Code of Ordinances, City of Jackson Michigan to prohibit noxious weeds, grass, or other rank vegetation from growing more than 8 inches tall.

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. That Section 26-66 (a) (1) of Chapter 26 of the Code of the City of Jackson be, and the same hereby is, amended to read as follows:

Sec. 26-66. Cutting and removing grass, noxious weeds, rank vegetation, and fallen trees.

(a) It is unlawful to permit, allow, or otherwise cause any of the following activities upon property so owned or occupied:

(1) Growth of any noxious weed, grass, or other rank vegetation of a height greater than twelve (12) eight (8) inches on average.

Section 2. This Ordinance takes effect 30 days after its adoption.

RE: Request to Purchase – New Vehicle

The Water Department requests approval to purchase a 2009 International 4300 SBA 4x2 Cab and Chassis truck from the Michigan State Purchasing Program-Proposal #7084-01. Tri County International, 3001 E. High Street, Jackson, Michigan provided the quote for this truck for a total price of $56,824.00.

This vehicle will replace Truck #127, a 1998 Chevy Step Van. The truck is mechanically deteriorated to the point, it is not economically feasible to repair and will be put up for auction in the fall. This vehicle is a replacement and will be configured as a vehicle to provide emergency service as the previous van. After the chassis and cab has been purchased, the remaining components required to build this vehicle up to be a serviceable vehicle will be bid out separate and in accordance to purchasing policies. It will then be brought back to council as appropriate.

The funds for this vehicle purchase have been budgeted and are available in the fiscal year 2008/2009 from the Water Department funds. In conjunction with the Purchasing Agent, I request City Council’s approval to purchase on state contract the 2009 International Truck from Tri-County International, 3001 E. High Street, Jackson, Michigan for the bid price of $56,824.00.

Cc: Margaret Cunningham, Purchasing Agent
Lucinda Schultz, Accounting Manager
Thank you for the opportunity to provide you with the following quotation on a new International truck. I am sure the following detailed specification will meet your operational requirements, and I look forward to serving your business needs.

Proposal: 7084-01
July 31, 2008

TO: William R. Ross, City Manager
FROM: Margaret Cunningham, Purchasing Agent
RE: Award of Janitorial Service

Bids were received on July 23, 2008 in the Purchasing department for janitorial cleaning services for City Hall, Water, Wastewater (WWTP) and Public Works (DPW) departments. A bid tabulation is attached. Myself and representatives from each department conducted an extensive evaluation of the five lowest bids.

Al’s Cleaning of Ypsilanti was the low bidder for all four facilities. About three years ago Al’s Cleaning Service was awarded this contract, and past experience proved not to meet our standard of cleaning. They were not responsive to our cleaning needs and slow to return calls, with little or no communication. They plan on using the same cleaning staff as before and all are local.

Neat N Tidy of Horton was the second low bidder. The owner has one employee, herself, at this time and would have to employ, train and supervise for this contract. In review of the company, she lacks experience in facilities of this size and did not have any references in this area.

Hi-Tec Building Services, Incorporated of Jenison, Michigan was the third lowest bidder. In 2005, we had a brief experience with Hi-Tec servicing the DPW building. At that time they were restructuring their cleaning program and there were a few problems, however, the company was responsive to our concerns. In the committee’s opinion, Hi-Tec is the lowest qualified bidder. This company is very professional, has more trained employees, provides uniforms, and has the most professional experience in the work force. They currently have 10 employees in the Jackson area to service this contract.

In concurrence with representatives from City Hall, Water, Wastewater and Public Works departments, we are recommending Hi-Tec Building Services, Incorporated as the lowest qualified company to perform this contract, at their bid of $50,940.00. This contract offers two, one-year renewal options with a 3% increase, or at the rate of inflation, whichever is lower.

Please place this on the Council agenda of August 12, 2008 for consideration.

C: Ed Yoakam, City Hall
   Cindy Lackey, Water
   Michelle Czolgosz, Water
   Pete Rynas, WWTP
   SanDee Porter, DPW

MEMORANDUM
July 25, 2008

TO: Honorable Mayor and City Council
FROM: Julius A. Giglio, City Attorney
RE: ERA Reardon Realty Revocable License

Attached is a copy of the Revocable License ("License") issued to ERA Reardon Realty (Reardon) by City Council on July 14, 2005. Reardon has failed to comply with the terms and conditions of the License, to-wit:

1) Has not paid the annual license fee of $1,000.00 due on July 14, 2007 and July 14, 2008 (required by Section 2)
2) Failed to pay the real property taxes for 2007 and 2008 (required by Section 12)
3) Failed to resurface the parking lot by September 1, 2005 (required by Section 3)

The License states that failure to comply with the terms, provisions or conditions of the License may result in revocation (Section 15). Accordingly, I request that Council revoke the License. The requisite action is to revoke the License issued to Reardon on July 14, 2005, authorize the Mayor and City Clerk to sign the attached Notice of Revocation, and authorize City staff to take all other action necessary to record the Notice of Revocation with the Jackson County Register of Deeds.

If Council has any questions, please contact me.

JG/CR
cc: William Ross, City Manager, w/enc.
    Rick Reardon, ERA Reardon Realty, w/enc.
REVOCABLE LICENSE

THE CITY OF JACKSON, a Michigan municipal corporation, with offices located at 161 West Michigan Avenue, Jackson, Michigan 49201, hereinafter called "Licensor", in consideration of the terms, conditions and covenants hereinafter set forth, does hereby grant to ERA Reardon Realty, a Michigan sole proprietorship, with offices 910 N. West Avenue, Jackson, Michigan 49202, hereinafter called "Licensee", this REVOCABLE LICENSE, RIGHT and PRIVILEGE to use Licensor's property described on Exhibit 1 (hereinafter the "Property") as a parking lot. The Property is in close proximity to Licensee's property commonly known as 910 N. West Avenue, Jackson, Michigan. Licensee shall be solely responsible for any improvements to the Property, and shall be solely responsible for all maintenance and upkeep of the parking lot on the Property. The Property is to be occupied and used by Licensee as a parking lot for Licensee's employees, on the terms, conditions, and covenants hereinafter mentioned.

As consideration for this License, Licensee agrees to the following terms, conditions and covenants:

1. This License shall be for a term of ten (10) years. Licensee may renew the License for an additional ten (10) year term by providing a notice of intent to renew six (6) months prior to expiration of the original ten (10) year term. In the event Licensee desires to renew the License, the parties shall establish the annual payment for the second ten (10) year term. If the parties cannot agree to an annual payment for the second ten (10) year term, this License shall terminate. Upon expiration of the second term, or at the end of the first term, if not renewed, this License may be revoked at any time, with or without cause, by Licensor, upon thirty (30) days written notice to the Licensee.

2. Licensee shall pay Licensor the annual sum of One Thousand Dollars ($1,000.00), payable upon execution of this License, and thereafter, on the yearly anniversary date of the License, for the first ten (10) year term. If this License is renewed by Licensee pursuant to paragraph 1, parties shall negotiate the annual payment for the second ten (10) year term. Failure of the parties to reach an agreement for the second ten (10) year term shall result in revocation of License by Licensor.

3. Licensee shall resurface the existing parking lot on the Property and commence construction of the parking lot by June 1, 2005, and shall complete resurfacing of said parking lot by September 1, 2005.

4. Licensee agrees that in the design, construction, installation and maintenance of the parking lot on the Property, and throughout the term of this License, it will comply with the restrictions set forth herein and with all statutes, rules, ordinances and regulations pertaining to said parking lot.
5. The design, configuration, location and specifications for construction of the parking lot shall be approved by the City of Jackson Director of Public Services in advance of construction of the parking lot, and, upon completion of the parking lot, shall not alter the parking lot without the express written consent of the Director of Public Services. During the term of this License, Licensor shall repair any damage it causes to the parking lot.

6. Licensee agrees to keep and maintain the parking lot in good repair and condition at all times. Licensor, in its sole discretion, shall determine compliance with this requirement.

7. During the term of this License, Licensor and/or its agents, employees, contractors, and assigns, may use the Property and the parking lot constructed thereon. Additionally, Licensee shall allow adjoining property owners, and their respective costumers, to use the Property and parking lot, on a temporary basis, not to exceed one hour, so long as such use does not interfere with Licensee’s use and enjoyment of the Property.

8. Licensee shall assume all liability for and protect, indemnify, and save Licensor, its officers, employees, agents and contractors, harmless from and against all actions, claims, demands, judgments, losses, expenses of suits or actions, and attorney fees for injury to or death of any person or persons and loss or damage to the Property of any person or persons whomsoever, including the parties hereto, arising in connection with or as a direct or indirect result of Licensee’s use of the Property or its exercise of this License, except Licensee shall not be required to indemnify Licensor for injury to persons or damage to property caused by the sole negligence of Licensor.

9. This License is granted subject to any lease, easement, license, or other interest in land heretofore granted or reserved, or which may be granted in the future by Licensor with respect to the Property.

10. Licensee shall secure and maintain in force during the term of this License a policy of Comprehensive Commercial Liability Insurance, acceptable to Licensor, with a minimum general liability limit of $500,000.00 per occurrence. The policy shall be in the name of Licensee, and shall name the Licensor as additional insured, and shall describe the Property as herein above described. The insurer will not cancel this insurance, or change, restrict, or reduce the insurance provided, or change the name of the insureds, without first giving at least ten (10) days written notice to the City of Jackson, City Attorney, 161 West Michigan Avenue, Jackson, Michigan 49201, as evidenced by receipt of certified mail. Licensee shall provide evidence of the existence of such insurance to the City Attorney prior to Licensor’s execution of this License.

11. Upon the sale, conveyance, lease or transfer of Licensee’s property referenced above, this License shall become null and void and Licensee shall, at its sole cost and expense, fully remove all materials, improvements, structures, or appurtenances on the Property.

12. During the term of this License, Licensee shall be responsible for all ad valorem real property taxes pertaining to the Property.
13. As part of the consideration for granting of this Revocable License, Licensee shall execute the Easement attached as Attachment A. Said Easement will allow Licensee to access its West Avenue water tower for upkeep and maintenance.

14. The granting of this Revocable License is upon the condition that title to all water, sewer, gas, electric, and communication poles, wires, conduits, cables, pipes, lines, and their respective appurtenances and facilities now or hereafter in, under or over said Property are reserved to and shall remain in the respective owners thereof and their successors or assigns, together with an easement and continued right to occupy said Property for public utility purposes, with present and future additional facilities, and to operate, repair, maintain, replace or remove the same to the same effect and in the same manner as if said Revocable License had not been granted.

15. Anything in this License to the contrary notwithstanding, if Licensee fails to comply with any term, provision, or condition of this License, Licensor may, in its sole discretion, revoke this License by issuing a Notice of Revocation.

16. All notices given pursuant to this License shall be considered mailed when placed in the United States mail, certified mail, return receipt requested, properly addressed to the parties at the addresses herein set forth, with postage thereon fully paid.

17. This Revocable License is a personal license, and shall not be assigned by Licensee.

The parties hereby have executed or caused this instrument to be executed by their duly authorized representatives, as of the 14th day of July, 2005.

NOTICE OF REVOCATION OF LICENSE

LICENSOR: City of Jackson, Michigan

LICENSEE: ERA Reardon Realty

On July 14, 2005, City of Jackson, Michigan, Licensor, issued a Revocable License to ERA Reardon Realty, Licensee, in reference to a parking lot, more particularly described on attached Exhibit 1 (the “Property”). Licensee was to occupy and use the Property as a parking lot for its employees, and was to comply with all terms, conditions, and provisions contained in said Revocable License.

Licensee has failed to comply with the following requirements of the Revocable License, to-wit:

1. Licensee failed to pay the annual license fee of $1,000.00 due on July 14, 2007 and July 14, 2008, as required in Section 2;

2. Licensee has not resurfaced the Property as required by Section 3; and

3. Licensee failed to pay the ad valorem real property taxes pertaining to the property. (2007 summer and winter taxes are in arrears, and the 2008 summer taxes have not been paid.)

Based on the foregoing, the City of Jackson hereby revokes the License for the property issued to ERA Reardon Realty on July 14, 2005. This Notice of Revocation shall be recorded with the Jackson County Register of Deeds, with a copy of same supplied to Licensee.

RE: Request from Allegiance Health to obtain the glass art mural located at 212 West Michigan Avenue

The City Manager received the attached request on December 7, 2007 from Foote Health System (now Allegiance Health) to take possession of the glass art mural from 212 West Michigan Avenue. At the time, the City was in negotiations with a developer for the property that had also expressed an interest in keeping the mural on site. Ms. Stuart advised Foote Health System that the request for proposals did not allow for the removal of the piece, but would consider their request if negotiations were not finalized with the developer proposed for the site.

On July 25, 2008, Allegiance Health staff contacted Ms. Stuart for an update on the progress of negotiations for the development. They were notified that the developer had not agreed to the purchase agreement extension request approved by City Council with a deadline of September 9th, for City Council approval of the development agreement and Allegiance Health was encouraged to move forward with their request.

On August 4, 2008, the Community Development Department received the attached letter of request identifying Allegiance Health’s proposed use and their intention to cover all costs associated with the removal of the piece. The potential developer for the site has been notified of the request, and the mural may be removed from future negotiations depending on City Council action.

Requested action for City Council is approval of the request from Allegiance Health to obtain the glass art mural located at 212 West Michigan Avenue and fund all associated removal costs, as recommended by the Community Development Director. Please place this item on the August 12, 2008 City Council Agenda for consideration.

December 7, 2007

William R. Ross  
City Manager  
City Hall, 14th Floor  
Jackson, MI 49201

Dear Mr. Ross,

Foote Health System would like to formally request permission to obtain the glass art mural located in the lobby of City Hall, the former CMS building.

This mural represents an important part of Jackson’s history—particularly in regard to our hospital’s namesake, W.A. Foote. We are proud of his contributions to the development of CMS Energy and our community. Preserving this piece would certainly honor his memory and would demonstrate our ongoing commitment to the local arts community.

It is our intent to display this artwork in the walkway – viewable from Michigan Avenue – that connects our new Emergency Department to Foote Hospital.

It is my understanding that in your conversation with Georgia Fojtasek you mentioned the City of Jackson would be willing to transfer ownership of the art piece to Foote, pending approval from the City Council. Please accept this letter as Foote’s request to recommend approval of this transfer to the City Council. A representative of Foote would be happy to attend the meeting if you would like support in your proposal.

Thank you for your consideration of this request. Please let me know if you have any questions regarding this project.

Sincerely,

Anthony Gardner  
Vice President, Business Development and Marketing  
788-4944

Deborah Stuart  
Community Development Department  
City Hall  
Jackson, MI 49201  

Dear Ms. Stuart,

Allegiance Health would like to formally request permission to obtain the glass art mural located in the lobby of the former CMS building.

This mural represents an important part of Jackson’s history—particularly in regard to our original hospital’s namesake, W.A. Foote. We are proud of his contributions to the development of CMS Energy and our community. Preserving this piece would certainly honor his memory and would demonstrate our ongoing commitment to the local arts community.

It is our intent to display this artwork in our future renovated and expanded lobby. We hope to be able to begin the project within the next two years.

It is my understanding that in your conversation with Georgia Fojtasek you mentioned the City of Jackson would be willing to transfer ownership of the art piece to Allegiance, pending approval from the City Council. Please accept this letter as Allegiance’s request to recommend approval of this transfer to the City Council. Allegiance Health would be responsible for all costs of removal. A representative of Allegiance would be happy to attend the meeting if you would like support in your proposal.

Thank you for your consideration of this request. Please let me know if you have any questions regarding this project.

Sincerely,

RE: Seal Coat Contract 2008

Transmitted herewith is the agreement between the City of Jackson and the Jackson County Road Commission for the seal coating of various City streets. The contract attached is exactly the same, as the approved agreement used in 2006.

The total estimated value of this contract is $88,033.40. The Road Commission has estimated the labor, equipment and materials at the rate of $1.40 per square yard. The estimated square yards for Public Works, is 50,000 square yards, for a total cost of $70,000.00. The Water Department is 12,881 square yards, for a total cost of $18,033.40.

The funds to cover this seal coat project are listed in the requested budget (2008-09) for Public Works (Major & Local Streets) and the Water Department. This project is scheduled to commence in September 2008.

In an intergovernmental cooperative effort, I am requesting approval of the Seal Coat Project for 2008 and permission to enter into an agreement with the Jackson County Road Commission and authorize the City Manager and the Director of Public Services to sign the contract documents.

Please place this intergovernmental cooperative agreement on the next City Council agenda.

Cc: Phil Hones, Finance Director
Jon Dowling, City Engineer
Margaret Cunningham, Purchasing Agent
Lucinda Schultz, Accounting Manager
This agreement, entered into this ____________ day of __________________, 2008, shall set forth the terms, conditions, and cost for certain road maintenance activities performed by the Board of Jackson County Road Commissioners on behalf of, and upon streets owned by the City of Jackson.

SCOPE OF CONTRACT

The Board of Jackson County Road Commissioners, will provide sufficient personnel, equipment, and materials, to seal those city streets enumerated:

(List of streets to be provided)

CITY OF JACKSON RESPONSIBILITIES

It will be the responsibility of the City of Jackson to prepare streets for sealing using normal maintenance procedures including, but not limited to crack sealing, wedging where necessary, sweeping, placement of temporary pavement markers where desired, placement of temporary no parking signs, and follow-up sweeping where determined necessary.

JACKSON COUNTY ROAD COMMISSION RESPONSIBILITIES

The Jackson County Road Commission will give the City of Jackson a minimum 48 hours advance notice of streets scheduled for sealing to allow for proper city notification and placement of temporary no parking signs where required.

METHODS OF MAINTENANCE

The Board of Jackson County Road Commissioners will use normally accepted maintenance methods to accomplish this project similar to those utilized for sealing operations upon county primary and local roadways.

To minimize aggregate loss following seal, the Commission will utilize two rubber tire rollers to aid in embedding aggregate in emulsion.

The Commission will provide, as part of the seal project, work zone traffic control, designed to protect Commission crews, and assist motorists attempting to negotiate through project areas.

APPLICATION RATES

Emulsion - The Board of Jackson County Road Commissioners will use an application rate of .39453 gallon per square yard of HFRS2 emulsion. The Commission shall extend to the City the bid price received from its successful bidder, for all emulsion applied as part of this project.
Aggregate - The Board of Jackson County Road Commissioners will use an application rate of 24 lbs. per square yard of 29A slag in the execution of this program. The Commission will extend to the City the bid price received from its successful bidders, for all aggregate used as part of this project.

LABOR, EQUIPMENT AND MATERIAL RATES

The Board of Jackson County Road Commissioners will utilize Commission employees, equipment and materials during the execution of this project at a rate of $1.40 per square yard on streets sealed with HFRS2 emulsion & 29A slag aggregate.

PAYMENT FOR SERVICES

The Board of Jackson County Road Commissioners will submit to the City of Jackson an invoice for services performed upon completion of the project. Payment shall be made in full within 30 days following receipt of invoice. It is agreed that failure to submit payment within 30 days shall be recognized as a delinquent invoice and will carry a late interest charge of 1 1/2 percent per month on the unpaid balance.

COMMENCEMENT OF PROJECT

It is intended that the project will commence on or about September 2008. The project will be completed in its entirety without planned interruption to perform other sealing projects.

AGREEMENT SEVERABILITY

In the event the City of Jackson or the Board of Jackson County Road Commissioners jointly or individually determine it to be in the best interests of either organization that this agreement should be terminated prior to completion of project scope, this agreement will be considered completed as if the entire project scope had been accomplished and an invoice for services actually performed will be submitted and paid as indicated above.

WARRANTY OF WORK PERFORMED

The Board of Jackson County Road Commissioners does not warrant the sufficiency of the project other than the manner in which the project is carried out. Failures or inadequacies in Commission performed activities will be corrected without additional costs incurred.

WORKERS’ COMPENSATION

The Board of Jackson County Road Commissioners, for employees under its direct control, and the City of Jackson, for employees under its direct control, shall comply with the Michigan Workers’ Compensation Law as to employees performing work as part of this project and agreement.
LIABILITY

It is agreed that in the event the City carries any type of general liability insurance coverage, it will add the County Road Commission and its personnel to same as additional insured for the purpose of any and all activities performed by County Road Commission personnel under this agreement. Written evidence of such insurance shall be provided to the County upon request. It is also agreed that in the event the County Road Commission carries any type of general liability insurance coverage, it will add the City and its personnel to same as additional insured for the purpose of any and all activities performed by County Road Commission personnel under this agreement. Written evidence of such insurance shall be provided to the City upon request.

AGREEMENT TOTALITY

The contents contained herein constitutes the totality of that agreed to by both parties. No promises, conveyed, intended, or otherwise, shall change or amend any part of this agreement.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed.

BOARD OF JACKSON COUNTY
ROAD COMMISSIONERS OF THE
COUNTY OF JACKSON, MICHIGAN CITY OF JACKSON, MICHIGAN

By: ____________________________ By: ____________________________
    Managing Director

By: ____________________________ By: ____________________________
    Director of Finance/Clerk
TO: Honorable Mayor and City Councilmembers  
FROM: William R. Ross, City Manager  
DATE: August 7, 2008  
RE: Request of County Board to Discuss Possible Public Safety Facility  

We previously forwarded to you a copy of the minutes of a County committee that is reviewing the operations of the Sheriff’s office and the needs of the office. The County included Chief Heins and Mayor Ludwig on their original committee.

One area that was discussed by the committee was the possibility of studying the space needs of the Sheriff’s office. The discussion included a possible joint facility with the City. A study was completed on this issue several years ago, which could be used as a basis for further discussions. The committee, after discussion voted to recommend to the County Board that the County request the City to enter into discussions on this subject, and that an additional City Councilmember be added to the committee to both add additional input, and give the City an additional voice on the issue. This recommendation has been adopted by the County Board.

I believe the discussions between the City and the County can be fruitful both in examining the future needs of both law enforcement agencies, and in examining any other needs that might exist in the public safety area. I do not foresee the necessity of expending funds for a lengthy study, because we have in hand the study that was done previously. The committee can concentrate on the needs of both departments and the possibilities of funding such a facility should the final conclusion be that a facility be constructed. I recommend that the Council accept the invitation of the County to participate in further discussions, and that an additional City Councilmember be appointed to the committee. I further recommend that the City Manager be authorized to act as an advisor to the committee serving in the same capacity as the County Administrator serves for the committee.

WRR:skh
PROGRESS REPORT OF AD HOC COMMITTEE
TO REVIEW THE RESOURCES OF THE SHERIFF’S DEPARTMENT

COMMITTEE FORMATION AND CHARGE:

At the January 15, 2008 meeting of the Jackson County Board of Commissioners, this ad hoc committee was formed. It consists of 3 commissioners (Lutchka, Poleski, Way), 1 representative from the Sheriff’s Department, 1 representative township supervisor (Surbrook), and the Administrator/Controller. In addition, a representative from the City of Jackson was invited, and Mayor Ludwig is that representative. The purpose of the committee is to look at the possible consolidation of services under the Sheriff’s Department and to look at all of the resources that department has at this time, as well as cutting costs.

COMMITTEE MEETINGS AND ATTENDEES:

The committee has met three times. In addition to the committee members, the meetings have been attended by Sheriff Heyns, Undersheriff Finco, Chief Heins and Lt. Holda of the Jackson City Police, and by City Manager Bill Ross.

ISSUES IDENTIFIED:

The following issues have been identified by the committee:

1) The location of Central Dispatch
   a) Its exposure to water damage within the Courthouse building.
   b) The depressing working condition of being in a basement.
   c) The close proximity to the secondary site at City Police HQ.
2) The space constraints of the Sheriff’s Wesley Street offices.
3) The location and management of Animal Control.
4) Sheriff’s budget
   a) Can proposed facilities adjustments, and other efforts, result in savings to the County?

During the discussions with command officers of the City Police, the crowded condition of its offices has also been noted.

REPORT ON PROGRESS:

Sheriff’s Budget:

The Committee has discussed, in very general terms, some ideas that may result in savings to the Sheriff’s budget, which is the largest in the County. The gathering of ideas continues.

The Committee is not prepared to make recommendations at this time.

Animal Control management:

The Committee appears satisfied with the current location of Animal Control on Spring Arbor Road. There has been appreciation for the Sheriff’s management of Animal Control during his short time as its steward. The County Commission is expecting a longer-term recommendation by year-end.
The Committee is not prepared to make recommendations concerning the future of Animal Control at this time.

Law Enforcement Facilities:

It is the Committee’s view that appropriate additional space to house Central Dispatch and to relieve crowding at the Sheriff’s Wesley Street offices does not currently exist.

During the Committee’s conversations about the Sheriff’s facilities, an expanded view of local needs was discussed. Given the Sheriff’s need for more and improved space in his facilities, and the crowded condition of the City Police headquarters, the concept of a new and combined “co-location” was considered. Such a co-location would house the Sheriff’s offices, Central Dispatch, and the City Police offices. If desired, other related public safety offices could be included.

This concept could yield significant efficiencies to the respective governments, and improved service to the public. Obviously, the appropriate location, layout, and funding of such a facility have yet to be determined.

Request for approval to continue discussions toward co-location:

The Committee would like to continue discussions toward a co-location, but would only take on such an expanded task if it appears the affected governments agree to the concept.

**We ask that the County Commission act to expand the charge of this Committee to include consideration of a co-location.**

**We ask that the Jackson City Council act to approve the concept of discussion of a co-location and add an additional City Councilman to the Committee.**

Respectfully Submitted,

Ad Hoc Committee to Review Resources of the Sheriff’s Department

RE: 2008 Campaign Incentives

The 2008 United Way campaign will be kicking off in September. I am honored to have the opportunity to spearhead this year’s campaign for the City of Jackson. As you probably know, the United Way depends on contributions to literally help thousands of Jackson residents through various local charities. The present economy has become a “double whammy” for the United Way, which is seeing a decline in donations while the demand for services reaches an all-time high.

Last year the donations from City of Jackson employees decreased by more than one-third. There are a number of reasons for this, including the distractions last year’s coordinator (Chief Portis) was inundated with, leaving the campaign in a state of flux and with no clear leadership. In addition, one of the key incentives offered to employees in the past (the “Fair Share” incentive described below) was inadvertently left out of the memo to City Council. The majority of the employees that I spoke with cited this incentive loss as the reason they did not donate to last year’s campaign. With that in mind, and as we get set to kick off the City of Jackson’s UW campaign I would like City Council approval to offer the following donation incentives:

1. Fair Share Contributors (1 hour salary per month) receives an automatic 8 hours off with pay.
2. Random drawings for time off with pay (1 award for departments of 5 or more. Departments with fewer than 5 employees will be combined for the drawing) for the following donation scenarios:
   a. Regular contributors who increase their contribution by 52 dollars a year ($1.00 per week) are entered in to a drawing for 8 hours off with pay.
   b. Contributors for the 4th year (or more) in a row will be entered in to a drawing for 4 hours off with pay.
   c. New Contributors of $52 a year (or more) will be entered in to a drawing for 8 hours off with pay.

All employees would be limited to a maximum 8 hours off with pay. At a recent United Way training session it was noted that the number one incentive in the majority of the work campaigns is time off. After our experience last year I can attest to that.

I would also request the usual stipend (my understanding is it was approximately $800 in the past) be allotted for the fundraiser kickoff luncheon and any miscellaneous incentive prizes.

I appreciate your consideration of this request and for your continued support of the United Way.

FROM: Catherine Brechtelsbauer, Director of Personnel & Labor Relations
RE: Ratification of Labor Agreement Between City of Jackson and Police Officers Labor Council, Jackson Non-Supervisory Unit

The bargaining teams for the City and the POLC-Non-Supervisory unit reached tentative agreement on a new contract on July 28, 2008. The Union has provided its members with the terms of the settlement to review and has scheduled a ratification vote on August 11, 2008.

In anticipation of a positive vote by Union members, please schedule an executive session of the City Council on August 12, 2008 and a ratification vote immediately thereafter. In the event the Union members do not ratify, I would still like to have an executive session to review the terms of the settlement, but I may wish to pull the vote from the agenda.

I will prepare a separate cover memo and a summary of the terms of the settlement to be provided confidentially to the Mayor and Council members in advance of the meeting.

Thank you.

• Special Response Team training – Vehicle assaults
• Participated in Ordinance Review Committee
August 6, 2008

TO:       City Councilmembers  
FROM:  Jerry F. Ludwig, Mayor  
RE:    Police and Fire Pension Board - Original

Established under City Charter Sec. 22.7(1), the Mayor and City Manager are automatically members. One member is elected from and by members of the Police Department and one from and by members of the Fire Department. These four (4) appoint the fifth member-at-large.

This is to inform you that the Police and Fire Pension Board - Original have reappointed Dennis Rowlison for a three-year term beginning immediately and ending June 30, 2011.

JFL:skh
TO: Honorable Mayor Jerry Ludwig and City Councilmembers

FROM: Maurice Crawford, Chairman City of Jackson Policemen's and Firemen's Pension System

DATE: August 12, 2008

SUBJECT: Re-Appointment of At-Large Member

The term of office for the City of Jackson’s Policemen's and Firemen's Pension System’ member-at-large Dennis Rowlison expired on June 30, 2008.

The City Charter states that the member-at-large shall be chosen by the members of the board and shall serve a term of three years, provided that such member has been a resident of the City for at least two years prior to his appointment and is not an employee or elected officer of the City.

At their June 25, 2008 meeting, the Board of Trustees unanimously chose Dennis Rowlison to continue to serve in this capacity. He was chosen by the board to fulfill the remaining term of Mr. Richard Dirlam upon his resignation. Mr. Rowlison will continue to provide valuable input as a Trustee of the Policemen's and Firemen's Pension System.

Thank you.
