16. **City Manager’s Comments.**

17. **Executive Session to discuss labor relations matters.**

18. **Return to Open Session.**

19. **Adjournment.**

* Item changed, added or deleted.
The Jackson City Council met in special session for a goal setting session in the 10th floor conference room in City Hall. Mayor Ludwig convened the meeting at 6:06 p.m.

Also Present: City Manager William R. Ross, City Attorney Julius A. Giglio and City Clerk Lynn Fessel.

The Following Objectives/Goals from the Special City Council Meeting of August 13, 2008 were Discussed.

1. Objective/goal: Have the City police take over the enforcement for parking within all of the City.
   ♦ Leave parking enforcement in the downtown area with the City Engineer.
   ♦ Enforcement of front yard parking remains important. Police Department continue enforcement.
   ♦ Consider increasing fines.
   ♦ Look at the East Lansing model.

   Councilmember Greer entered the meeting at 6:22 p.m.

2. Objective/goal: Establish a mosquito control program by Spring 2009.
   ♦ Glenn Chinavare, Director of Public Services, will prepare a preliminary report on the cost of implementing a mosquito abatement program.

3. Objective/goal: Ensure enforcement of the City curfew in all sections of the City and to amend the curfew to align with the neighboring townships.
   ♦ It was the consensus of the Council that the curfew does not need to be changed at this time.

4. Objective/goal: Develop and implement a plan to create a corridor authority for Cooper Street north and implement the plan as directed by the City Council.

5. Objective/goal: Prepare plans and implement additional corridor authorities on N. West Avenue and E. Michigan Avenue as appropriate.
Items 4 and 5 above were discussed together. The Council wishes to stress code enforcement at every major corridor coming into the City, with an emphasis on Cooper Street and look for ways to put available funds into improvement.

6. Objective/goal: Beautify the neighborhoods.

7. Objective/goal: Establish a fee based annual inspection program for all rental units in addition an inspection will be required upon change of occupants.

Items 6 and 7 above were discussed together. Carol Konieczki, Community Development Director, will look into what other communities are doing regarding a rental registry and point of sale inspections, and report back to the Council.

The dangerous building situation was discussed, including the fact that some properties have appeared on the dangerous buildings report for years. Three categories were noted: Uninhabitable, dangerous and condemned. It was mentioned that “thinning out” structures can be positive, as some of our neighborhoods are quite dense.

Find a more efficient way of controlling overgrowth of grass/weeds.

Keep the Acme building on the forefront. Be the “squeaky wheel” and keep searching for ways to deal with it.

8. Objective/goal: Consider providing an annual incentive payment increase for those City employees who reside with their families inside the City limit.

Survey employees who are living outside to see what incentives they would need to move into the City. Refer completed surveys to the Rules & Personnel Committee.

The Following Councilmember Goals were discussed.

Councilmember Gaiser: Instead of spending 80% from the General Fund on human resources and 20% on “bricks and mortar,” get the spending to 60%/40% or 50%/50%. Look at attrition and technology to reach this goal.

Councilmember Greer: Would like to see North Street west of Cooper and Cooper Street to the railroad tracks improved. Inquired if some recommendations from the Metro Fire Study could be considered. Also remarked that the City should continue to exhaust every avenue necessary to continue to ensure the financial stability of the City.

Councilmember Frounfelker: Emphasized the importance of road repair/maintenance. He would also like to see CDBG funds prioritized.

Mayor Ludwig: Would like to see concrete considered for road improvements instead of asphalt. He would also like to see a resurgence of the Thoroughfare Plan.

Councilmember Polaczyk: Would like to see a pit bull ordinance considered.

ADJOURNMENT.

No further business being presented, Mayor Ludwig adjourned the meeting at 8:36 p.m.

Lynn Fessel, City Clerk
CALL TO ORDER.

The Jackson City Council met in regular session in City Hall and was called to order at 7:05 p.m. by Mayor Jerry F. Ludwig.

PLEDGE OF ALLEGIANCE – INVOCATION.

The Council joined in the pledge of allegiance. Councilmember Gaiser gave the invocation.

ROLL CALL.

Also Present: City Manager William R. Ross, City Attorney Julius A. Giglio and City Clerk Lynn Fessel.

AGENDA.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Frounfelker to adopt the agenda. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

PRESENTATIONS/PROCLAMATIONS.

A. PRESENTATION BY VIC COOPERWASSER, TETRA TECH, REGARDING FEDERAL AND STATE REQUIREMENTS FOR STORM WATER MANAGEMENT AND PERMITTING, AND COMMENTS FROM GLENN CHINAVARE, DEPARTMENT OF PUBLIC SERVICES DIRECTOR.

Stephen Pennington and Victor Cooperwasser from Tetra Tech gave a presentation on storm water utilities. They explained rate methods, impervious and pervious areas, factors affecting rate method selection and the fact that there are eight operating in Michigan. They also highlighted the Bolt decision, the December, 1998 Michigan Supreme Court decision and Michigan Senate Bill #1249. Mr. Chinavare highlighted the storm water permit process.
CITIZEN COMMENTS.

John Wilson, 1045 S. Durand Street, commended Bruce Inosencio for his efforts regarding the renovation of the Hotel Hayes building and remarked that the building at 212 W. Michigan Avenue should be demolished.

Mike Sharp, Hotel Hayes Redevelopment, LLC, expressed his excitement to have an opportunity to bring the development agreement for 228 W. Michigan to a close. They intend to close as soon as possible and an anchor tenant should be made public by the first of the year.

Jim Schweikert, 2600 Lansing Avenue, stated that Northwest Refuse supports relocating the recycling center to the Goodwill Industries site.

James Tuttle, 701 Edgewood, stated that the closing of the Nomad Bookhouse is a great loss to the City.

Mary Ball, 1737 Maunta Lane, invited everyone to participate in the “Making Strides Against Breast Cancer Walk” and noted there is a slight change in the route.

Scott TenBrink, 225 N. Jackson Street, spoke in support of the Grand River ArtsWalk and asked the City and all parties involved to work together so that it can go forward.

Robert Bartkus, 1003 W. Washington Avenue, discussed a mental health court program he recently heard about. Regarding the housing aspect of this program, he believes restrictions need to be put into place and specially zoned areas considered.

Eileen Rawlins, 509 Hibbard Avenue, thanked the City for their help in the removal of the group home at 1001 W. Ganson Street.

Brad Essex, 1518 Kensington Drive, stated he would like to discuss a potential development proposal for the redevelopment of 212 W. Michigan Avenue.

Jason Kurpinski, 1401 E. Morrell Street, offered his facility as an alternative to the Goodwill Industries site for the recycling center.

Gregory Walker, 792 Bloomfield Boulevard, expressed his support for the redevelopment of 212 and 228 W. Michigan Avenue. He also stated that as tenants move in they should be taxed at the full rate for their improvements and if they get breaks, existing businesses should also get breaks.

Ted Wilson, President of the Immanuel Lutheran Church Council, explained that the electronic sign they are requesting will help them with community outreach and asked Council to consider the proposal from Mary Garcia.

Mary Garcia, 1505 W. Michigan Avenue, asked the Council to consider carving out a piece of property on the corner of Michigan and Brown Streets and rezone it so that an electronic sign could be placed there. She noted that the Church is open to other options and asked Council not to take action tonight that would hinder them.
CONSENT CALENDAR.

Councilmember Breeding requested Item A be removed for separate consideration. Councilmember Greer requested Item C be removed for separate consideration. Motion was made by Councilmember Frounfelker and seconded by Councilmember Greer to approve the following Consent Calendar, with Items A and C removed for separate consideration. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

Manager to obtain costs to be incurred by the City and agreements needed, so that the entire
matter can be brought back before the Council for consideration. The motion was adopted by the
following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer and Frounfelker—4.
Nays: Councilmembers Breeding, Gaiser and Polaczyk—3. Absent: 0.

NEW BUSINESS.

A. CONSIDERATION AND APPROVAL OF UPDATED BY-LAWS FOR:

1. THE BROWNFIELD REDEVELOPMENT AUTHORITY.
Motion was made by Councilmember Greer and seconded by Councilmember Howe to approve the Brownfield Redevelopment Authority by-laws. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: Councilmember Breeding—1. Absent: 0.

2. THE LOCAL DEVELOPMENT FINANCE AUTHORITY.

Motion was made by Councilmember Greer and seconded by Councilmember Frounfelker to approve the Local Development Finance Authority by-laws. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Howe, Greer, Gaiser, Frounfelker and Polaczyk—6. Nays: Councilmember Breeding—1. Absent: 0.

B. CONSIDERATION OF THE REQUEST TO PURCHASE FOUR PATROL VEHICLES, UTILIZING THE MACOMB COUNTY PURCHASING CONTRACT, FROM SIGNATURE FORD, PERRY AND OWOSSO, MICHIGAN, WITH A TOTAL PURCHASE PRICE OF $81,444.00, IN ACCORDANCE WITH THE RECOMMENDATION OF THE CHIEF OF POLICE.

Motion was made by Councilmember Howe and seconded by Councilmember Polaczyk to approve the request. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Frounfelker and Polaczyk—6. Nays: Councilmember Gaiser—1. Absent: 0.

C. CONSIDERATION OF THE REQUEST TO APPROVE THE SECOND ADDENDUM TO THE PURCHASE AGREEMENT FOR 212 WEST MICHIGAN AVENUE, AND AUTHORIZATION FOR THE MAYOR AND CITY CLERK TO EXECUTE THE APPROPRIATE DOCUMENT(S), AND AUTHORIZATION FOR STAFF TO MAKE MINOR MODIFICATIONS IF NEEDED, IN ACCORDANCE WITH THE RECOMMENDATION OF THE CITY ATTORNEY.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Frounfelker to approve the request. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Gaiser, Frounfelker and Polaczyk—6. Nays: Councilmember Greer—1. Absent: 0.

D. CONSIDERATION OF THE DEVELOPMENT AGREEMENT BETWEEN THE CITY OF JACKSON AND HOTEL HAYES DEVELOPMENT, LLC, FOR REDEVELOPMENT OF THE FORMER HAYES HOTEL BUILDING, 228 W. MICHIGAN AVENUE.

Motion was made by Councilmember Frounfelker and seconded by Councilmember Polaczyk to approve the development agreement for the 228 W. Michigan Avenue property, allow staff to make minor modifications and authorize a closing date of February 20, 2009. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

RECONSIDERATION OF ITEM 14. C.

CONSIDERATION OF THE REQUEST TO APPROVE THE SECOND ADDENDUM TO THE PURCHASE AGREEMENT FOR 212 WEST MICHIGAN AVENUE, AND AUTHORIZATION
FOR THE MAYOR AND CITY CLERK TO EXECUTE THE APPROPRIATE DOCUMENT(S), AND AUTHORIZATION FOR STAFF TO MAKE MINOR MODIFICATIONS IF NEEDED, IN ACCORDANCE WITH THE RECOMMENDATION OF THE CITY ATTORNEY.

Motion was made by Councilmember Howe and seconded by Councilmember Frounfelker to reconsider the vote on Item 14.C. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

Motion was made by Councilmember Polaczyk and seconded by Councilmember Frounfelker to approve the request. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

CITY COUNCILMEMBERS’ COMMENTS.

Councilmember Breeding stated that the Chamber’s audio/visual system is supposed to be state of the art, but viewers watching the meetings on television can’t see the faces of the people at the podium. He also inquired why the thermostat at the Resource Center, 1015 Francis Street, now has a locked box around it.

Councilmember Polaczyk remarked that he has received positive comments on the chip sealing and people want to see more of it done.

Councilmember Greer noted that he has received comments regarding the audio in the Council Chambers and reminded everyone that they need to speak into their microphones.

Councilmember Frounfelker offered his congratulations on the Hotel Hayes redevelopment, which is a huge undertaking, and he looks forward to its completion.

CITY MANAGER’S COMMENTS.

City Manager Ross noted that a light was burned out above the podium, it has been replaced and that may have been the reason peoples’ faces were not visible when they were at the podium. He has had a request to meet with AT&T regarding a proposal to bring their cable communications and possible internet system to the City. He is moving ahead to address some of the issues raised in the goals setting session. He also mentioned that he and Councilmembers Greer and Gaiser will attend the Michigan Municipal League conference and present the Armory Arts project.

EXECUTIVE SESSION TO DISCUSS LEGAL OPINION.

Motion was made by Councilmember Howe and seconded by Councilmember Greer to go into closed executive session. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.

RETURN TO OPEN SESSION.

Motion was made by Councilmember Howe and seconded by Councilmember Greer to return to open session. The motion was adopted by the following vote. Yeas: Mayor Ludwig and Councilmembers Breeding, Howe, Greer, Gaiser, Frounfelker and Polaczyk—7. Nays: 0. Absent: 0.
CONSIDERATION OF DIRECTION TO CITY STAFF REGARDING LOCATIONS OF ELECTRONIC SIGNS WITHIN THE CITY OF JACKSON.

No action taken.

ADJOURNMENT.

No further business being presented, a motion was made by Councilmember Howe and seconded by Councilmember Gaiser to adjourn the meeting. The motion was adopted by unanimous voice vote and the meeting adjourned at 9:18 p.m.

TO:         William R. Ross, City Manager
FROM:       Jon H. Dowling, P.E., City Engineer
DATE:       September 30, 2008
SUBJECT:    Bowen and Norfolk TCO 1988

At the request of Councilmember Gaiser, the Department of Engineering reviewed the traffic control at the intersection of Bowen and Norfolk. The existing control is yield signs on Norfolk with Bowen being the through street. A review of the accident reports back to 2003, show only one accident occurred. On March 15, 2004 an east bound motorist on Norfolk ran the yield sign and was hit by a north bound motorist on Bowen. The Department also obtained traffic counts with speed data on Bowen and the west leg of Norfolk. Several attempts were made to gather the data on the east leg without success. The traffic counts on Bowen are about 550 vehicles per day north of Norfolk and about 400 vehicles per day south of Norfolk. The average speeds on Bowen are about 20 miles per hour (mph) approaching the intersection and about 10 mph departing the intersection. On the west leg of Norfolk the traffic volume is about 150 vehicles per day with the average speed about 15 mph. We also surveyed the sight obstructions in the field and plotted the conditions on the safe approach speed chart based on the AAA methods. The safe approach speed for yield control on Norfolk based on the chart is 14 mph.

From all of the data and calculations, the yield signs are right at the border of safe conditions. Norfolk also has stop control one block east at Webster Street. Therefore, it is the recommendation of the Department that stop signs be placed on Norfolk at Bowen in place of the yield signs.

With your concurrence, I recommend that Traffic Control Order 1988 be sent to City Council for their approval and that they repeal Traffic Control Order 791.

If you have any questions regarding this issue, please feel free to contact me.

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Daniel P. Greer, Chairman
   City Affairs Committee

DATE: September 30, 2008

SUBJECT: Crankshaft Machine Group IFEC Application

The City Affairs Committee, at their meeting on September 23, 2008, considered the application of Crankshaft Machine Group for an Industrial Facilities Exemption Certificate (IFEC) to allow for the purchase for a new piece of personal property to be utilized in the manufacturing process. It was noted that the applicant intends to retain four jobs and to create one additional new job. The Committee discussed the application with Deputy City Assessor Dave Taylor, who recommended approval for a 12 year period of time based upon the City’s IFEC formula. Deputy City Assessor Dave Taylor noted that Crankshaft Machine has had previous IFEC’s and has performed in accordance with the City’s standards. A copy of previous IFEC’s that have been issued to Crankshaft Machine is attached to this memorandum for your reference.

The Committee, following discussion, voted unanimously to recommend to the Council the approval of the IFEC as submitted.

This matter is scheduled for public hearing before the City Council at the October 7th meeting at which time a resolution will be considered. This memorandum will be included as part of the public hearing documents.

RE: Public Hearing and Resolution on the Application filed by Crankshaft Machine Group, 314 N. Jackson Street, for an Industrial Facilities Exemption Certificate

Attached please find a resolution, along with supporting documentation on the application filed by Crankshaft Machine Group for an Industrial Facilities Exemption Certificate for their facility located at 314 N. Jackson Street. If the Council adopts the resolution, it will be forwarded to the State Tax Commission for their consideration.

Please place the attached resolution on the October 7th agenda for the City Council to consider after the public hearing is held.

Thank you.

Attachments
RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, Act No. 198 of the State of Michigan Public Acts of 1974, as amended, was enacted for the purpose of stimulating economic development in the State by providing tax benefits through the establishment of Plant Rehabilitation Districts and Industrial Development Districts; and

WHEREAS, the Jackson City Council, acting under the authority of said Act, did on June 28, 1977, create by resolution Industrial Development District No. 8, which includes property encompassing 314 N. Jackson Street, Jackson, Michigan, and more particularly described in said resolution; and

WHEREAS, pursuant to the provisions of said Act, Crankshaft Machine Group filed on August 21, 2008 an application for an Industrial Facilities Exemption Certificate for a facility located within said district for 12 years; and

WHEREAS, the applicant has complied with the applicable requirements contained in Section 5 and 9 of the Act; and

WHEREAS, the applicant and the City have executed a Letter of Agreement regarding Act 334 of 1993 and an affidavit in accordance with State Tax Commission Bulletin No. 3 dated January 16, 1998; and

WHEREAS, notice of receipt of the application has been given in writing to the Assessor of the City of Jackson and to the legislative body of each taxing unit which levies ad valorem property taxes in the City of Jackson; and

WHEREAS, a public hearing on said application was held on October 7, 2008; and

WHEREAS, the Jackson City Council has determined that the granting of an Industrial Facilities Exemption Certificate, considered with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, shall not have the effect of substantially impeding the operation of the local government unit or impairing the financial soundness of the taxing unit which levies an ad valorem property tax in the City of Jackson;

WHEREAS, in accordance with a resolution adopted by the Jackson City Council on July 21, 1998, which adopted an Industrial Facility Exemption Certificate Policy, it is determined that Crankshaft Machine Group, is eligible for an abatement for a period of twelve (12) years.

NOW, THEREFORE, BE IT RESOLVED that the Jackson City Council hereby approves this application for twelve (12) years and directs the City Clerk to so certify and to forward a copy to the State Tax Commission for consideration by that body.

Note: All prices are in US dollars

Grand Total: $494,325.00

* The UTG-1200 is designed for 460/480 volt, 3 phase, 60 Hertz; optional transformer can be quoted for an additional cost.

** Special application systems from Hoffman & Transor can be quoted for an additional cost.

**Warranty**

Note: This warranty supersedes the warranty on the "Standard Terms and Conditions" page of this quote. We warrant to the original purchaser that all new machines and tooling manufactured by Star SU shall be free from defects in material and workmanship for a period of twenty four (24) months from the date the machine is installed and set-up in the customer's facility; a maximum of four (4) weeks allowed for installation from ship date. This warranty applies only if the equipment has been installed and operated under normal conditions and serviced in accordance with recommended maintenance procedures, as outlined in the Operator's Manual. In the event of supplier's breach of warranty with respect to the quality of any goods, the sole and exclusive remedies, therefore, shall be at supplier's option of either one (1) repair; or two (2) replacement of the faulty or damaged goods upon return of the nonconforming goods. Obviously, supplier must recognize first liability.

**Important Note**

Use of sulfur- or chlorinated-based oils will void the manufacturers' warranty. Using a water-soluble grinding coolant will limit the manufacturer's warranty for certain mechanical components (linear slides, ball screw, B-axis Rotary Pivot, etc.) for three (3) months. It is strongly suggest for the longevity of the machine, using a good grade of engine oil. The warranty does not cover damage to the machine as a result of rust or corrosion. Consult with Star Cutter's Sales Managers for recommended specifications.

Standard Terms and Conditions

All goods and services furnished by any of the affiliated companies, partnerships, and representative offices of Star-SU, LLC ("Sellers"), under any quotations, order acceptance, or sales by such Sellers, shall be conditioned on acceptance of these Standard Terms and Conditions, which cannot be varied or waived except by express written agreement signed by an officer or authorized person of the Seller.

1. EXPORT LICENSES AND EXPORT CONTROL. If an export clearance or license is required for any part of the goods or services to be furnished by Seller, a contract between Seller and Buyer will not enter into force until all such export clearances and/or licenses have been granted. If export clearances or licenses are revoked or expire before completion of performance under a contract between Seller and Buyer, the Seller shall not be held accountable for failure to perform the remainder of the contract, and Buyer shall have the right to terminate the remainder of the contract for any unfulfilled performance. If Buyer intends to export (or re-export), directly or indirectly, the products or technical information relating thereto supplied hereunder or any portion thereof, it is the responsibility of the Buyer to assure compliance with U.S. export control regulations and, if appropriate, to secure any required export licenses in its own name. At Seller's request, Buyer shall provide to Seller a Letter of Assurance and/or End-User Statement in form reasonably satisfactory to Seller.

2. FORMATION OF CONTRACT. Upon Buyer's acceptance in writing of a quotation from Seller, within any time period stated in the quotation, a contract subject to these Standard Terms and Conditions shall be formed. Purchase orders offered by Buyer shall be accepted by Seller subject to these same Standard Terms and Conditions.

3. PRICES. Prices shall be as specified in accompanying documents and are not subject to adjustment except as provided for in a valid quotation or purchase order, or as mutually agreed to in writing by Seller and Buyer. Prices reflect shipping DDP (INCOTERMS 2000), Port of Arrival, including insurance, import clearance duty, taxes and fees (USA only), and documentation. Prices also include packing, marking, and loading from Seller's shipping facility. Star SU, LLC does not pay for unloading at pier, inland freight or any other costs associated with moving the equipment from the US, Canadian or Mexican port of arrival to Buyer's final destination. Star SU, LLC will arrange for unloading at the pier and inland transportation to Buyer's facility at Buyer's request and expense.

4. DELIVERY. Delivery dates are approximate only and assume timely receipt of all necessary information, financial arrangements, and assistance that Buyer is required to provide. Shared activities of Buyer must be met on time to assure delivery dates. Seller may make partial shipment and invoice for same at Seller's reasonable discretion.

5. RISK OF LOSS. Risk of loss shall pass to Buyer on delivery to the first carrier. All shipping, loading, and storage costs subsequent to such delivery shall be Buyer's responsibility.

6. PASSAGE OF TITLE. Title to goods shall pass to Buyer upon initial delivery of the goods FCA (INCOTERMS 2000) Manufacturer's facility.

7. PAYMENT. Payment terms shall be as agreed by Seller and Buyer, provided however, payment for all delivered goods and services shall be net 30 days from date of Seller's invoices. Late payment charges are 2% per month of overdue amounts.

8. LIMITED WARRANTY. Seller warrants that all new and unused goods furnished pursuant to this contract will be free from defective material and workmanship for a period of one year measured from the date all new and unused goods are shipped from the Seller's Factory. Additional warranty periods can be provided as an option to the contract. All warranties are contingent upon (a) normal and proper usage in applications for which the goods were intended, (b) installation, use, and maintenance of the goods according to Seller's instructions, and (c) the goods still being in the possession of the original Buyer with no changes having been made in the design or function of the goods without prior authorization by Seller. SELLER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Specifically, but not in limitation of the above, Seller makes no warranty with respect to machinery, equipment, or other goods or components, if persons other than Seller have performed any repair or rework or have made any alterations thereto. Performance and production specifications with respect to all machinery or equipment are estimates only and are not warranted.

9. LIMITED REMEDIES. In the case of any claim based on Seller's breach of warranty or breach of any other duty with respect to the quality or performance of any goods supplied hereunder, Buyer's sole and exclusive remedy, upon return of goods freight prepaid to point of manufacture, shall be, at Seller's option, repair or replacement, Ex-Works point of manufacture, of any part or parts that Seller determines to be of defective material or workmanship. Warranty claims must be made in writing within the warranty period. SELLER SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OF ANY KIND OR UNDER ANY CIRCUMSTANCES WHATSOEVER, including, but not limited to, loss of production, lost profits, or loss of goodwill.

10. SAFETY FEATURES. Although Seller does not and shall not assume liability for any governmental or local safety and health standards that apply to Buyer's use of machinery, equipment, or tooling purchased hereunder, Seller does assure that due care will be taken that goods of Seller's own design or manufacture shall not create unreasonable hazards to safety or health if operated in a proper manner by trained personnel with all furnished safety features maintained in a functional condition.

11. CANCELLATION. This contract shall not be canceled by Buyer without written consent of Seller. No consent shall be given where the design and manufacture of goods ordered hereunder are 90% completed or scheduled for completion within 30 days. In all other cases, consent will be granted, if at all, only on the condition that Seller is fully compensated for all costs for work completed and for commitments that have been made to suppliers and contractors.

12. DESIGN CHANGES. Because of its policy of constant product improvement, Seller may make changes from time to time in machinery, equipment, and tooling of the type included in this contract. Seller is not obligated to make similar changes to products which have already been delivered or for which Seller has received orders prior to the date such changes are made effective.

13. FORCE MAJEURE. Seller shall not be liable for failure to perform under this contract if such failure is caused by impediments to performance, which are beyond the control of Seller. Such impediments include, but are not limited to, fire, flood, natural disaster, war, national emergencies, governmental action, strikes or other labor disputes, or any other circumstance beyond the control of the Seller. Buyer shall not be entitled to collect damages for any delay in delivery resulting from force majeure. In the event Seller is required to terminate the contract because of force majeure, any advance payments made by Buyer shall be reimbursed to Buyer by Seller with no additional payment of interest or fees of any kind.

Agreement to Lease Equipment

THIS AGREEMENT TO LEASE EQUIPMENT ("Lease") is made and effective ____________ [Date], by and between Avis Industrial Corporation, ("Lessor") and Crankshaft Machine Company ("Lessee").

Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, certain tangible personal property.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, the parties hereto agree as follows:

1. **Lease**. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the following described equipment (the "Equipment"): Star Spirex Tool grinder, Model UTG-1200.

2. **Term**. The term of this Lease shall commence on ________________ [Start Date] and shall expire fifty-nine (59) months thereafter.

3. **Shipping**. Lessee shall be responsible for shipping the Equipment to Lessee's premises.

4. **Rent and Deposit**. The monthly rent for the Equipment shall be paid in advance in installments of $9,460.62 each month, beginning on _____________ [Date of First Payment] and on the first day of each succeeding month throughout the term hereof, at PO Box 548, 1909 South Main Street, Upland, IN 46989, or at such other place as Lessor may designate from time to time. Any installment payment not made by the tenth (10th) day of the month shall be considered overdue and in addition to Lessor's other remedies, Lessor may levy a late payment charge equal to one percent (1%) per month on any overdue amount. Rent for any partial month shall be prorated.

5. **Use**. Lessee shall use the Equipment in a careful and proper manner and shall comply with and conform to all national, state, municipal, police and other laws, ordinances and regulations in any way relating to the possession, use or maintenance of the Equipment.

6. **Right to Lease**. LESSOR WARRANTS THAT LESSOR HAS THE RIGHT TO LEASE THE EQUIPMENT, AS PROVIDED IN THIS LEASE.

7. **Repairs**. Lessee, at its own cost and expense, shall keep the Equipment in good repair, condition and working order and shall furnish any and all parts,
mechanisms and devices required to keep the Equipment in good mechanical working order.

8. **Loss and Damage.**

A. Lessee hereby assumes and shall bear the entire risk of loss and damage to the Equipment from any and every cause whatsoever. No loss or damage to the Equipment or any part thereof shall impair any obligation of Lessee under this Lease which shall continue in full force and effect through the term of the Lease.

B. In the event of loss or damage of any kind whatsoever to the Equipment, Lessee shall, at Lessor's option:

(i) Place the same in good repair, condition and working order; or

(ii) Replace the same with like equipment in good repair, condition and working order; or

(iii) Pay to Lessor the replacement cost of the Equipment.

9. **Surrender.** Upon the expiration or earlier termination of this Lease, Lessee shall return the Equipment to Lessor in good repair, condition and working order, ordinary wear and tear resulting from proper use thereof, by delivering the Equipment at Lessee's cost and expense to such place as Lessor shall specify within the city or county in which the same was delivered to Lessee.

10. **Insurance.** Lessee shall procure and continuously maintain and pay for:

A. All risk insurance against loss of and damage to the Equipment for not less than the full replacement value of the Equipment, naming Lessor as loss payee, and;

B. Combined public liability and property damage insurance with limits as approved by Lessor, naming Lessor as additionally named insured and a loss payee.

The insurance shall be in such form and with such company or companies as shall be reasonably acceptable to Lessor, shall provide at least thirty (30) days advance written notice to Lessor of any cancellation, change or modification, and shall provide primary coverage for the protection of Lessee and Lessor without regard to any other coverage carried by Lessee or Lessor protecting against similar risks. Lessee shall provide Lessor with an original policy or certificate evidencing such insurance. Lessee hereby appoints Lessor as Lessee's attorney in fact with power and authority to do all things, including, but not limited to, making claims, receiving payments and endorsing documents, checks or drafts necessary or
advisable to secure payments due under any policy of insurance required under this Agreement.

11. **Taxes.** Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances. Lessee, or Lessor at Lessee's expense, shall report, pay and discharge when due all license and registration fees, assessments, sales, use and property taxes, gross receipts, taxes arising out of receipts from use or operation of the Equipment, and other taxes, fees and governmental charges similar or dissimilar to the foregoing, together with any penalties or interest thereon, imposed by any state, federal or local government or any agency, or department thereof, upon the Equipment or the purchase, use, operation or leasing of the Equipment or otherwise in any manner with respect thereto and whether or not the same shall be assessed against or in the name of Lessor or Lessee. However, Lessee shall not be required to pay or discharge any such tax or assessment so long as it shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of Lessor to the Equipment; provided, Lessee shall reimburse Lessor for any damages or expenses resulting from such failure to pay or discharge.

12. **Lessor's Payment.** In case of failure of Lessee to procure or maintain said insurance or to pay fees, assessments, charges and taxes, all as specified in this Lease, Lessor shall have the right, but shall not be obligated, to effect such insurance, or pay said fees, assignments, charges and taxes, as the case may be. In that event, the cost thereof shall be repayable to Lessor with the next installment of rent, and failure to repay the same shall carry with it the same consequences, including interest at ten percent (10%) per annum, as failure to pay any installment of rent.

13. **Indemnity.** Lessee shall indemnify Lessor against, and hold Lessor harmless from, any and all claims, actions, suits, proceedings, costs, expenses, damages and liabilities, including reasonable attorney's fees and costs, arising out of, connected with, or resulting from Lessee's use of the Equipment, including without limitation the manufacture, selection, delivery, possession, use, operation, or return of the Equipment.

14. **Default.** If Lessee fails to pay any rent or other amount herein provided within ten (10) days after the same is due and payable, or if Lessee fails to observe, keep or perform any other provision of this Lease required to be observed, kept or performed by Lessee, Lessor shall have the right to exercise any one or more of the following remedies:
A. To declare the entire amount of rent hereunder immediately due and payable without notice or demand to Lessee.

B. To sue for and recover all rents, and other payments, then accrued or thereafter accruing.

C. To take possession of the Equipment, without demand or notice, wherever same may be located, without any court order or other process of law. Lessee hereby waives any and all damages occasioned by such taking of possession.

D. To terminate this Lease.

E. To pursue any other remedy at law or in equity.

Notwithstanding any repossession or any other action which Lessor may take, Lessee shall be and remain liable for the full performance of all obligations on the part of the Lessee to be performed under this Lease. All of Lessor's remedies are cumulative, and may be exercised concurrently or separately.

15. **Bankruptcy.** Neither this Lease nor any interest therein is assignable or transferable by operation of law. If any proceeding under the Bankruptcy Act, as amended, is commenced by or against the Lessee, or if the Lessee is adjudged insolvent, or if Lessee makes any assignment for the benefit of his creditors, or if a writ of attachment or execution is levied on the Equipment and is not released or satisfied within ten (10) days thereafter, or if a receiver is appointed in any proceeding or action to which the Lessee is a party with authority to take possession or control of the Equipment, Lessor shall have and may exercise any one or more of the remedies set forth in Section 14 hereof; and this Lease shall, at the option of the Lessor, without notice, immediately terminate and shall not be treated as an asset of Lessee after the exercise of said option.

16. **Ownership.** The Equipment is, and shall at all times be and remain, the sole and exclusive property of Lessor; and the Lessee shall have no right, title or interest therein or thereto except as expressly set forth in this Lease.

17. **Additional Documents.** If Lessor shall so request, Lessee shall execute and deliver to Lessor such documents as Lessor shall deem necessary or desirable for purposes of recording or filing to protect the interest of Lessor in the Equipment including, but not limited to, a UCC financing statement.
18. **Entire Agreement.** This instrument constitutes the entire agreement between the parties on the subject matter hereof and it shall not be amended, altered or changed except by a further writing signed by the parties hereto.

19. **Notices.** Service of all notices under this Agreement shall be sufficient if given personally or mailed certified, return receipt requested, postage prepaid, at the address hereinafter set forth, or to such address as such party may provide in writing from time to time.

If to Lessor:
Avis Industrial Corporation
1909 S. Main St., PO Box 548
Upland, IN 46989

If to Lessee:
Crankshaft Machine Company
314 N. Jackson St., PO Box 1127
Jackson, MI 49201

20. **Assignment.** Lessee shall not assign this Lease or its interest in the Equipment without the prior written consent of Lessor.

21. **Headings.** Headings used in this Lease are provided for convenience only and shall not be used to construe meaning or intent.

22. **Governing Law.** This Lease shall be construed and enforced according to laws of the State of Indiana.

Acting in the County of Jackson
INDUSTRIAL FACILITIES TAX EXEMPTION AGREEMENT

AGREEMENT made this ___ day of ____________, 200__, by and between the CITY OF JACKSON, a Michigan municipal corporation, with office at 161 West Michigan Avenue, Jackson, Michigan 49201 (hereinafter “City”); and Crankshaft Machine Group a Michigan corporation, with offices located at 314 N. Jackson, City of Jackson, Jackson County, Michigan (hereinafter “Applicant”).

WHEREAS, the City has received an application from Applicant for the issuance of an Act 198 Tax Exemption Certificate for its Machinery expansion (describe project) (the “Project”) that was established as an Industrial Development District (the “District”) by the City of Jackson on June 28, 1977; and

WHEREAS, Public Act 334 of 1993 requires a written agreement between the City and the Applicant before an Industrial Facilities Exemption Certificate can be approved by the Michigan Department of Treasury;

NOW, THEREFORE, in consideration of the approval of the Industrial Facilities Exemption Certificate, it is hereby agreed by and between the parties hereto as follows:

1. The Applicant, as a result of said improvements, shall use its best efforts to create not less than ___ new full time equivalent jobs and relocate and retain not less than ___ full time equivalent existing jobs from its current location within two years after the completion of its Project.

2. Applicant expects that the costs of the improvements proposed to be constructed on the basis of which the Industrial Facilities Exemption Certificate is issued, shall be within 10 percent (10%) of the estimated amount stated in the Applicant’s application for the certificate.
3. The Applicant will not cease its operations within the District prior to the termination of the Industrial Facilities Exemption Certificate without a transfer of the certificate being approved by the City to a third party that continues adequate operations within the District or elsewhere in the City with the City’s approval. Applicant will not become delinquent in payment of taxes owing under this certificate.

4. The parties agree that the City, in approving the tax abatement, has relied on the good faith of Applicant’s estimates and expectations described in its application. The parties agree that exclusive jurisdiction to resolve any disputes in this Agreement shall be in Jackson County, Michigan. The City’s exclusive remedy for a default shall be the right to request that the State Tax Commission either reduce the term of, or revoke, the abatement prospectively except that for a default in section 3, the Applicant shall repay the City all abated taxes which previously benefited the Applicant for disbursement proportionately to all taxing units having taxing jurisdiction over the improvements, plus all accrued interest, penalties and administration fees applicable to this exemption in the same amount as would be collected if this tax were considered delinquent and the City may, at its option, seek repayment of the taxes as allowed under section 21(2) of the tax abatement statute, MCLA 207.571(2).

The City shall not seek any remedy under this section 4 until after all of the following have occurred:

a. The City shall have given written notice to the Applicant declaring a default and specifying the manner in which the Applicant is in default. Before a default is declared, the City and the Applicant shall meet informally with appropriate representatives to discuss the claimed default and how it may be cured.
b. The Applicant has not cured that default within thirty (30) days after receiving the notice, except that if the Applicant is diligently pursuing a cure, this thirty (30) day period shall automatically be extended for an additional thirty (30) days, and further extensions of this time period may be made only upon mutual agreement of the parties.

The parties acknowledge that certain conditions beyond Applicant’s control may prevent Applicant from being able to make the capital investment, create or retain jobs or comply with other conditions in this Agreement. Therefore, Applicant shall not be in default to the extent the Applicant clearly shows, to the satisfaction of the City, that the failure was caused by unfavorable economic or other business conditions, loss of business, or some other reason beyond the actual or foreseeable control of Applicant.

5. Any payments due under Paragraph 4 above may be collected by either court proceedings or by adding to the next taxes due against the Applicant’s property on the next tax roll of the City.

6. It is understood that the City of Jackson encourages the Applicant to review job applications of city residents, prior to filling new jobs in its facilities. Applicant will use its best efforts to employ City residents.

7. The Applicant further agrees that it shall submit annual reports to the City and the City Assessor setting forth the progress in attaining and maintaining the requirements of this Agreement and the provisions of the application for the Industrial Facilities Exemption Certificate.

8. The Applicant further agrees that during the term of the certificate, the Applicant shall not discriminate against any person on the basis of race, creed, color, sex, religious orientation, age, or other criteria not reasonably related to any jobs created as part of the grant of this tax abatement.

9. The Applicant further agrees that if Applicant ceases its use of the Project, and another entity asks the City for a transfer of the abatement, the Applicant will cooperate with the City
regarding the transfer by advising the transferee or new owner of the terms and conditions of this Agreement and by assisting the City to obtain the signature of the authorized agent of the transferee or new owner on this Agreement or one substantively the same.

10. This Agreement contains all of the terms of the agreement between the parties with respect to its subject matter and may be amended only in writing signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year first above written.

Signed in the presence of:

CITY OF JACKSON

MEMORANDUM

TO: William Ross
City Manager

FROM: Matthew R. Heins
Chief of Police

SUBJECT: Selective Traffic Enforcement Program

September 29, 2008

The Jackson Police Department’s 2008/2009 Selective Traffic Enforcement Program (STEP) funding request of $15,550 has been approved by the Jackson Traffic Safety Commission.

We will use this grant money to continue augmenting regular patrols with an officer assigned solely to traffic enforcement. The specific objectives of the project will be: decrease the number of public property crashes; increase safety restraint usage; and increase compliance with traffic signals/traffic control devices; and maintain established ongoing cooperative efforts with related traffic enforcement agencies to reduce crashes.

The Police Department is now requesting the City Council adopt the attached resolution amending the 2008/2009 fiscal year budget. Local match funds, in the amount of $5,183, were approved in the current fiscal year budget in anticipation of this grant award.

Please place this as an item on the City Council agenda for October 7, 2008. I or a representative will be present to answer any questions.

MRH/AP/ap/c:Stepmmo
cc: S. Maga
RESOLUTION

WHEREAS, the City Council desires to amend the 2008/2009 budget in order to provide for a continuation of the Selective Traffic Enforcement Program (STEP) through the Jackson Traffic Safety Program.

NOW, THEREFORE, BE IT RESOLVED, that the 2008/2009 Budget be amended as follows:

I, Lynn Fessel, Clerk in and for the City of Jackson, County and State aforesaid, do hereby certify that the foregoing is a true and complete copy of a Resolution adopted by the Jackson City Council on October 7, 2008.

IN WITNESS WHEREOF, I have hereunto affixed my signature and the seal of the City of Jackson, on this 8th day of October 2008.

______________________________  City Clerk
September 29, 2008

TO: William Ross
   City Manager

FROM: Matthew R. Heins
       Chief of Police

SUBJECT: Byrne Justice Assistance Grant (JAG) Program

The Jackson Police Department has been awarded a grant in the amount of $11,689 by the Department of Justice, Office of Justice Programs. Matching funds are not required for this grant. The funds from the Byrne JAG Program will be used to purchase Mobile Data Computers (MDCs) for the Police Department and the Jackson County Sheriff Office.

These computers will be compatible with computers used by the Michigan State Police and will improve communication among the agencies. The MDCs are expected to increase the safety and efficiency of officers and improve service to the communities. JAG funding will be sufficient to purchase one new unit for each agency and the police department will use the balance of funds toward the purchase of an additional unit.

The police department is now requesting the City Council adopt the attached resolution amending the 2008/2009 fiscal year budget.

Please place this as an agenda item on the City Council agenda for October 7, 2008. I or a representative will be present to answer any questions.

MRH/AP/ap:C:ByrneJAGmm
cc: S. Maga
RESOLUTION

WHEREAS, the City has entered into the federal government's Edward Byrne Memorial 2007/2011 Justice Assistance Grant (JAG) Program, through the Department of Justice, Office of Justice Programs, Bureau of Justice Assistance.

WHEREAS the purpose of this grant is to upgrade technology and increase officer safety by purchasing new Mobile Data Computers.

WHEREAS, this grant requires the activity relating to this project to be kept in a separate account to facilitate reporting and compliance under the terms of the grant.

NOW, THEREFORE, BE IT RESOLVED, that the 2008/2009 budget be amended as follows

City Clerk
October 1, 2008

TO: William R. Ross, City Manager

FROM: Carol L. Konieczki, Community Development Director

RE: Resolution to Amend the 2006/2007 (Year 32) and 2008/2009 (Year 34) HOME Budgets

The Greater Jackson Habitat for Humanity (GJHFH) recently requested support from the City of Jackson for their current Youth Build project at 117 E. Biddle (see attached request). They have experienced increased lumber costs of $3,300 to build walls for the project and do not have funds available to cover this additional cost. They have requested assistance for these costs so they will be able to complete the project.

The request from GJHFH is an eligible activity under HOME program guidelines. Community Development staff recommends providing assistance to GJHFH with HOME funds by allocating $3,300 of excess HOME program income to the Youth Build project.

Attached is a resolution to amend the fiscal years 2006/2007 (Year 32) and 2008/2009 (Year 34) HOME budgets to allocate $3,300 of excess HOME program income in Year 32 to the Youth Build project in Year 34.

Please place this item on the October 7, 2008 City Council agenda for consideration.

Cc: Heather Soat, Financial Analyst
    Michelle Pultz, Project Coordinator
Whereas, the U.S. Department of Housing and Urban Development approved the HOME program budgets for fiscal years 2006/2007 (Year 32) and 2008/2009 (Year 34); and

Whereas, in Year 32 receipts from program income in excess of budgeted expenses was received; and

Whereas, the City Council desires to appropriate program income from Year 32, to be made available for use in Year 34 for the Greater Jackson Habitat for Humanity; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Jackson hereby amends the subject budgets as follows:

I, Lynn Fessel, City Clerk in and for the City of Jackson, County and State aforesaid, do hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Jackson City Council on the 7th day of October 2008.

IN WITNESS WHEREOF, I have hereto affixed my signature and the Seal of the City of Jackson, Michigan, on this 8th day of October 2008.

Lynn Fessel
City Clerk
Dear Council Members:

Please accept this request for funding on behalf of Greater Jackson Habitat for Humanity (GJHFH). We have been blessed with the support of the City of Jackson many times in the past and believe we have invested these community dollars wisely!

GJHFH has an immediate need for build funds—specifically lumber costs to build walls for our Youth Build Project at 117 E Biddle. This is the second project in this two year collaborative grant with Community Action Agency (CAA). This year, CAA stipulated the desire to have the youth build the walls themselves. Since HFH typically uses Prison Build walls at a cost of $200.00, this additional cost of $3300.00 is not something we had in our budget. In these tough economic times, we simply do not have the finances needed. We are looking at needing these funds by October 14.

Since its inception in 1989, GJHFH has provided simple, decent and affordable housing to 46 families; 170 men, women and children now enjoy the blessings of home ownership. Each family has unique story, but all were selected based on three basic criteria: Need (safety, accessibility, proper maintenance, etc.), Ability to Pay (31-50% state median income) and Will to partner. Habitat families are partners—they provide volunteerism toward their home, other Habitat homes and for the organization in any capacity needed. We don’t build for them- we build with them.

Thank you in advance for considering this request and again for all the support the City of Jackson has provided in the past. Together, we can change lives—one family, one home, one neighborhood, one community—at a time.

Respectfully,

Karen M Belair,
Executive Director

RE: Change order number 1 for 3 S Construction Company for $24,544.65

On 1-8-2008 3 S Construction Inc. was awarded work at the Wastewater Treatment Plant (Contract 2-replace various pipes on the plant grounds). The work is essentially complete. The contractor performed extra work or supplied extra items. A listing of the work and cost for the work is attached.

The original contract amount was $369,000. The change order amount is $24,544.65. The change order brings the total contract amount to $393,544.65. Money is available from the Wastewater Equipment Replacement Fund to pay for this change order.

If you concur, will you place this change order request on the next City Council agenda for their review and approval?
September 24, 2008

Mr. Paul Vermaaten, Superintendent
Jackson Wastewater Treatment Plant
2995 Lansing Avenue
Jackson, MI 49202

RE: Change Order No. 1, 3-S Construction Co.
Contract No. 2 – WWTP Improvements Project

Dear Mr. Vermaaten:

Earth Tech recommends approving Change Order No. 1 to the contract between the City of Jackson and 3-S Construction in the amount of $24,544.65. This change order represents extra work that was required during construction. In most cases, the extra work was due to needing additional pipe fittings that were required to avoid existing piping that was not in the locations as identified on the plant’s as-built drawings. Also, additional replacement piping was deemed necessary in several locations by plant personnel and Earth Tech based on the poor condition of the pipe when it was uncovered.

The change order items were priced in accordance with unit prices provided by 3-S Construction in their original proposal. Earth Tech verified the additional quantities of pipe fittings and extra work during construction.

Attached is a change order form that includes a description of each of the change order items. The Contractor has completed all work on this project.

If you require anything additional, please do not hesitate to contact me.

Sincerely,

Daniel J. Starkey, PE, BCE
Senior Project Manager

Encl.

File
CHANGE ORDER NO. 1

Owner: City of Jackson
Project: Wastewater Treatment Plant – Contract No. 2, Yard Piping Improvements
Owner’s Contract No.: 98534
Date of Contract Start: February 20, 2008
Contractor: 3-S Construction, Inc.
Original Contract Amount: $369,000

Date: August 22, 2008

You are directed to make the following changes in the Contract Documents. Description:

1. MJ 45 6” at 3B 4 @ $165 $660.00
2. MJ 45 6” at 4B 4 @ $165 $660.00
3. MJ Solid Sleeve 6” at C2-9B 1 @ $165 $165.00
4. MJ 45 6” at 23B 4 @ $165 $660.00
   MJ Solid Sleeve 6” Oversized at 23B 2 @ $165 $330.00
   MJ Solid Sleeve 10” at 23B 1 @ $300 $300.00
5. MJ 45 4” at 19B 6 @ $135 $810.00
6. MJ Tee 6” at Bridge 2 @ $275 $550.00
   MJ Plug at Bridge 1 @ $50 $50.00
   MJ Solid Sleeve 6” at Bridge 2 @ $165 $330.00
   MJ 22½ 6” at Bridge 4 @ $165 $660.00
7. 10” Cross Repair 1 @ $150 $1,139.65
8. 8” Sludge Repair #1 1 @ $175 $140.00
9. 8” Sludge Repair #2 1 @ $175 $420.00
10. Add Pipe across road 1 @ $1,200 $12,800.00
11. Explore primary 1 @ $375 $375.00
12. Concrete & sleeve primary 6 @ $600 $3,600.00
13. MJ 45 4” at 32 2 @ $135 $270.00
14. Motor actuator voltage change 1 @ $625 $625.00

TOTAL $24,544.65

Reason for Change Order:

Note: Pricing for change order items is based on unit pricing that is included in the contract documents.

1. Four (4) additional 6” 45 degree bends (MJ) were required on the service water piping at location 3B to avoid existing piping.
2. Four (4) additional 6” 45 degree bends (MJ) were required on the service water piping at location 4B to avoid existing piping.
3. One (1) MJ Solid Sleeve 6” was required on the primary scum piping at location C2-9B to avoid scum piping.
4. Location 23B (Dilution/service water). Four (4) additional 6” 45 degree bends (MJ) were required at location 23B to avoid existing piping; One (1) MJ oversized 6” Solid Sleeve 6” and one (1) MJ 10” Solid Sleeve 10” were required to facilitate connection to the existing piping.
5. Six (6) additional 6” 45 degree bends (MJ) were required on the service water piping at location 19B to avoid existing piping.
6. Two (2) 6” MJ Tees, one (1) 10” MJ Plug. Two (2) 6” MJ Solid Sleeves and four (4) 6” MJ 22½ degree bends were required on the service water piping at the west side of the Bridge to avoid existing piping.
7. One (1) 10” Cross Repair was required on the dilution water piping near the chlorine building.
8. Existing service water piping was found to be deteriorated and in need of repair (referenced as Repair No. 1). One (1) 8” sludge pipe repair was required.

City of Jackson WWTP Improvements
Change Order No. 1
9. Existing service water piping was found to be deteriorated and in need of repair (referenced as Repair No. 2). One (1) 8" sludge pipe repair was required.

10. Based on the poor condition of old and brittle cast iron piping found and also discussions with plant staff, it was decided existing cast iron piping should be replaced across the road between the chlorine building and the ferrous chloride building.

11. Additional effort was required to determine the existing sludge shoe configuration at the primary clarifiers Nos. 1-6.

12. The Contractor was required to place new concrete in the bottoms of each of the six (6) pits in the primary clarifiers Nos. 1-6 due to the presence of unforeseen concrete that had been installed in the past. This also required new piping sleeves to adjust the height of the sludge withdrawal piping.

13. Four (4) additional 4" 45 degree bends (MJ) were required on the sludge piping between the east and north primary clarifiers to avoid existing piping.

14. A modification was necessary to convert the voltage of the six motor actuators from 480V to 120V. This cost reflects only the labor required for the change as the travel cost and materials were covered by the supplier.

RE: Replacement of a Bar Screen Part for our Raw Influent

We have two U. S. Filter, Envirex half-inch bar screens at the treatment plant. They were furnished to us in 1996. One bar screen needs to be replaced or have major repairs. The firm we will order the parts or the replacement screen from is the original equipment manufacturer.

The cost for main part is $27,766.50 and it will take about five to seven weeks to receive. Our Maintenance Supervisor thinks we should be able to remove the unit and reinstall the repaired unit in about two weeks time.

The company that builds the bar screen is now called WSG & Solutions, 160 Commerce Drive, Suite 100, Montgomeryville, PA 18936.

The quote price for this replacement main frame is $27,766.50. We have the money to pay for this equipment in the Wastewater Equipment Replacement Fund (406-548-982). I request that WSG & Solutions be awarded a purchase order for $27,766.50.

If you concur with this purchase, will you place it on the City Council agenda for their Review and Approval?

STANDARD TERMS OF SALE

1. **Applicable Terms.** These terms govern the purchase and sale of the equipment and related services, if any (collectively, "Equipment"), referred to in Seller's purchase order, quotation, proposal or acknowledgment, as the case may be ("Seller's Documentation"). Whether these terms are included in an offer or an acceptance by Seller, such offer or acceptance is conditioned on Buyer's assent to these terms. Seller rejects all additional or different terms in any of Buyer's forms or documents.

2. **Payment.** Buyer shall pay Seller the full purchase price as set forth in Seller's Documentation. Unless Seller's Documentation provides otherwise, freight, storage, insurance and all taxes, duties or other governmental charges relating to the Equipment shall be paid by Buyer. If Seller is required to pay any such charges, Buyer shall immediately reimburse Seller. All payments are due within 30 days after receipt of invoice. Partial shipments and invoices will be allowed unless otherwise agreed by the parties. Buyer shall be charged the lower of 1 1/2% interest per month or the maximum legal rate on all amounts not received by the due date and shall pay all of Seller's reasonable costs (including attorneys' fees) of collecting amounts due but unpaid. All orders are subject to credit approval. These terms are completely independent from, and in no way contingent upon, when you receive payment, from the Owner and/or prime contractor.

3. **Delivery.** Delivery of the Equipment shall be in material compliance with the schedule in Seller's Documentation. Unless Seller's Documentation provides otherwise, Delivery terms are F.O.B. Seller's facility.

4. **Ownership of Materials.** All devices, designs (including drawings, plans and specifications), estimates, prices, notes, electronic data and other documents or information prepared or disclosed by Seller, and all related intellectual property rights, shall remain Seller's property. Seller grants Buyer a non-exclusive, non-transferable license to use any such material solely for Buyer's use of the Equipment. Buyer shall not disclose any such material to third parties without Seller's prior written consent.

5. **Changes.** Seller shall not implement any changes in the scope of work described in Seller's Documentation unless Buyer and Seller agree in writing to the details of the change and any resulting price, schedule or other contractual modifications. This includes any changes necessitated by a change in applicable law occurring after the effective date of any contract including these terms.

6. **Warranty.** Subject to the following sentence, Seller warrants to Buyer that the Equipment shall materially conform to the description in Seller’s Documentation and shall be free from defects in material and workmanship. The foregoing warranty shall not apply to any Equipment that is specified or otherwise demanded by Buyer and is not manufactured or selected by Seller, as to which (i) Seller hereby assigns to Buyer, to the extent assignable, any warranties made to Seller and (ii) Seller shall have no other liability to Buyer under warranty, tort or any other legal theory. If Buyer gives Seller prompt written notice of breach of this warranty within 12 months from shipment (the "Warranty Period"), Seller shall, at its sole option and as Buyer's sole remedy, repair or replace the subject parts or refund the purchase price therefore. If Seller determines that any claimed breach is not, in fact, covered by this warranty, Buyer shall pay Seller its then customary charges for any repair or replacement made by Seller. Seller's warranty is conditioned on Buyer's (a) operating and maintaining the Equipment in accordance with Seller's instructions, (b) not making any unauthorized repairs or alterations, and (c) not being in default of any payment obligation to Seller. Seller's warranty does not cover damage caused by chemical action or abrasive material, misuse or improper installation (unless installed by Seller). THE WARRANTIES SET FORTH IN THIS SECTION ARE SELLER'S SOLE AND EXCLUSIVE WARRANTIES AND ARE SUBJECT TO SECTION 10 BELOW. SELLER MAKES NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE.

7. **Indemnity.** Seller shall indemnify, defend and hold Buyer harmless from any claim, cause of action or liability incurred by Buyer as a result of third party claims for personal injury, death or damage to tangible property, to the extent caused by Seller's negligence. Seller shall have the sole authority to direct the defense of and settle any indemnified claim. Seller's indemnification is conditioned on Buyer's (a) promptly, within the Warranty Period, notifying Seller of any claim, and (b) providing reasonable cooperation in the defense of any claim.

8. **Force Majeure.** Neither Seller nor Buyer shall have any liability for any breach (except for breach of payment obligations) caused by extreme weather or other act of God, strike or other labor shortage or disturbance, fire, accident, war or civil disturbance, delay of carriers, failure of normal sources of supply, act of government or any other cause beyond such party's reasonable control.

9. **Cancellation.** If Buyer cancels or suspends its order for any reason other than Seller's breach, Buyer shall promptly pay Seller for work performed prior to cancellation or suspension and any other direct costs incurred by Seller as a result of such cancellation or suspension.

In the event Buyer wishes to return material for credit - A return material authorization (R. M. A.) must be issued from the Seller before any return. Equipment to be returned must be in new condition, suitable for restocking and resale. Non-stock items are not returnable. Items invoiced over 12 months prior are not returnable. Restocking fee of 25% of item value applies. Returns freight and associated costs are for the account of the Buyer.
10. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING ELSE TO THE CONTRARY, SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE OR OTHER INDIRECT DAMAGES, AND SELLER'S TOTAL LIABILITY ARISING AT ANY TIME FROM THE SALE OR USE OF THE EQUIPMENT SHALL NOT EXCEED THE PURCHASE PRICE PAID FOR THE EQUIPMENT. THESE LIMITATIONS APPLY WHETHER THE LIABILITY IS BASED ON CONTRACT, TORT, STRICT LIABILITY OR ANY OTHER THEORY.

11. Miscellaneous. If these terms are issued in connection with a government contract, they shall be deemed to include those federal acquisition regulations that are required by law to be included. These terms, together with any quotation, purchase order or acknowledgement issued or signed by the Seller, comprise the complete and exclusive statement of the agreement between the parties (the "Agreement") and supersede any terms contained in Buyer's documents, unless separately signed by Seller. No part of the Agreement may be changed or cancelled except by a written document signed by Seller and Buyer. No course of dealing or performance, usage of trade or failure to enforce any term shall be used to modify the Agreement. If any of these terms is unenforceable, such term shall be limited only to the extent necessary to make it enforceable, and all other terms shall remain in full force and effect. Buyer may not assign or permit any other transfer of the Agreement without Seller's prior written consent. The Agreement shall be governed by the laws of the Commonwealth of Pennsylvania without regard to its conflict of laws provisions.

12. RESERVATION CLAUSE (International ONLY-including Canada and Mexico). Buyer acknowledges that Seller is required to comply with applicable export laws and regulations relating to the sale, exportation, transfer, assignment, disposal and usage of the (Work/Equipment/Services) provided under the contract, including any export license requirements. Buyer agrees that such (Work/Equipment/Services) shall not at any time directly or indirectly be used, exported, sold, transferred, assigned or otherwise disposed of in a manner which will result in non-compliance with such applicable export laws and regulations. It shall be a condition of the continuing performance by Seller of its obligations hereunder that compliance with such export laws and regulations be maintained at all time. BUYER AGREES TO INDEMNIFY AND HOLD SELLER HARMLESS FROM ANY AND ALL COSTS, LIABILITIES, PENALTIES, SANCTIONS AND FINES RELATED TO NON-COMPLIANCE WITH APPLICABLE EXPORT LAWS AND REGULATIONS.

RE: Arcadis G&M of Michigan LLC Revocable License

Arcadis G&M of Michigan LLC is the environmental consultant working with Consumers Energy to clean up the site at the northwest corner of Franklin and Water Street. Arcadis has placed a number of ground water extraction wells in this area and now need to install two (2) more in the paved surface area of Franklin Street.

The City Attorney and Department of Engineering have been working with Arcadis to develop specifications to install these monitoring wells and how they will access them in the roadway. A Revocable License for the maintenance of these wells in the road surface is attached. A Certificate of Liability Insurance for Arcadis has been received and approved by the City Attorney.

With your concurrence, please submit this Revocable License to City Council for their approval so we can allow Arcadis to install these ground water extraction wells for Consumers Energy in the roadway.

If you have any questions, please feel free to contact me.

   Randy McMunn, Assistant City Engineer
REVOCABLE LICENSE

THE CITY OF JACKSON, a Michigan municipal corporation, with offices located at 161 West Michigan Avenue, Jackson, Michigan 49201 ("Licensor"), in consideration of the terms, conditions and covenants hereinafter set forth, does hereby grant to ARCADIS G&M OF MICHIGAN, LLC, a Michigan Limited Liability Company, with offices at 28550 Cabot Drive, Suite 500, Novi, Michigan 48377, and CONSUMERS ENERGY COMPANY, a Michigan corporation, with offices at One Energy Plaza, Jackson, Michigan 49201 (collectively "Licensee"), this REVOCABLE LICENSE, RIGHT and PRIVILEGE to construct and maintain upon the City's Franklin Street right-of-way, extraction wells ("wells"). The design, configuration and location of said wells is more precisely described upon EXHIBIT A, attached hereto and incorporated by reference, to be occupied and used by Licensee on the Licensor's Street right-of-way described above, on the terms, conditions, and covenants hereinafter mentioned.

As consideration for this License, Licensee agrees to the following terms, conditions and covenants:

1. Licensee shall pay Licensor the sum of Twenty Five Dollars ($25.00).

2. Licensee agrees that in the design, construction, installation and maintenance of the wells, and throughout the term of this License, it will comply with the restrictions set forth herein. Licensee further agrees that all activities relating to the wells shall comply with all ordinances, statutes, laws, regulations, and requirements of all authorities having jurisdiction, which shall include, but not necessarily be limited to, the City of Jackson, the Michigan Department of Environmental Quality, and the United States Environmental Protection Agency. Licensee shall keep the wells in good condition and repair at all times.

3. The design, configuration, location and specifications for installation of the wells shall be approved in writing by the Jackson City Engineer in advance of installation of the wells, and, upon installation of the wells, shall not be altered without the express written consent of the City Engineer.

4. The Licensee agrees to defend, indemnify, and hold harmless the Licensor, its agents, representatives, employees or officials ("City"), from any and all losses, damages, claims, demands, suits, actions, payments, judgments including any and all expenses, legal or
otherwise, and any and all liability for property damage, bodily injury, death, or any other injury or damage, of whatever nature, which arises out of or pertains to installation and maintenance of the wells and/or any of the work or services performed by the Licensee under this Revocable License and regardless of whether the liability of the City would be based upon allegations of passive negligence involving vicarious liability or liability imposed by operation of law or involves liability predicated upon allegations of active negligence, involving acts or omissions of alleged negligence or wrongdoing by the City itself. Provided, however, in the event it were determined that Act 165 of the Public Acts of Michigan 1966, as amended, were applicable and would otherwise make void this provision, it is the intent of the parties that the Licensee would defend the City, but then, and only then, would the Licensee not be required to indemnify the City for the City’s liability predicated upon the City’s sole negligence or wrongdoing. (The obligation to defend and indemnify Licensor shall survive the termination or revocation of this License.)

5. Licensor shall not be liable and/or responsible for any damage to the wells caused by Licensor or its agents, contractors, employees, or representatives. Additionally, if Licensor, in its sole discretion, determines that the Franklin Street right-of-way requires maintenance or reconstruction, Licensee shall be solely responsible for all costs and expenses associated with the protection, care, and adjustments of the wells.

6. This License is granted subject to any lease, easement, license, or other interest in land heretofore granted or reserved, or which may be granted in the future by Licensor with respect to said Licensee’s street right-of-way.

7. During the period the wells are in operation and until the Licensee properly abandons and closes said wells,
   (a) Licensee Consumers Energy Company shall maintain Excess Liability Insurance, in amounts of at least $1,000,000 per occurrence and $2,000,000 aggregate. The insurance shall name the City as an additional insured. Such insurance may contain deductible levels or self-insured retention amounts in accordance with practices of similarly situated companies. The Company shall provide the City with a certificate of insurance evidencing such insurance coverage. Additionally, the Licensee shall require that its contractors, operators, and consultants involved in wells installation, operation or maintenance shall list the Licensor as an additional insured on their respective commercial general liability insurance policies. Said insurance coverage shall protect the Licensor from claims for bodily injury, death, property damage, and environmental contamination which may arise or occur from the installation, operation or maintenance of said wells. Said general liability insurance shall be in amounts of at least the limits established above for the Licensee; provided, however, the environmental contamination limits shall be for at least $1,000,000 per claim. All certificates of insurance shall be provided to the Licensor for approval prior to commencement of the well installation. The Licensor may review the policies from time to time to assure itself of its terms, and that the insurer is financially responsible.
   (b) Licensee ARCADIS G&M of Michigan, LLC shall maintain general liability insurance in amounts of at least $1,000,000 per occurrence and $2,000,000 aggregate. The insurance shall list the Licensor as an additional insured, as its interest may appear. The Licensor shall provide the Licensor with a certificate of insurance evidencing such insurance coverage as provided for herein. Additionally, the Licensee shall require that its contractors, operators and consultants involved in the wells installation, operation or maintenance shall list the Licensor as an additional insured on their respective commercial general liability insurance policies. Said insurance coverage shall protect the Licensor from claims for bodily injury, death, property damage, and environmental contamination which may arise or occur from the installation, operation or maintenance of said wells. Said general liability insurance shall be in amounts of at least the limits established above for the Licensee; provided, however, the environmental contamination limits shall be for at least $1,000,000 per claim. All certificates of insurance
shall be provided to the Licensor for approval prior to commencement of the well installation. The Licensor may review the policies from time to time to assure itself of its terms, and that the insurer is financially responsible.

8. This License may be revoked at any time, with or without cause, by Licensor, upon thirty (30) days written notice to the Licensee. Licensee may terminate this License by providing thirty (30) days written notice to Licensor.

9. Licensee, upon termination or revocation of this License, shall, at its sole cost and expense, fully remove and abandon the wells and all materials, improvements, structures, or appurtenances pertaining thereto. Removal and abandonment of wells shall be completed within thirty (30) days of the date of mailing of a notice of revocation or termination.

10. If Licensee fails to comply with a Notice of Revocation, Licensor shall take any and all action necessary to remove the wells, which shall be deemed to constitute a nuisance. Licensee shall be invoiced for all removal costs incurred by Licensor. If Licensee fails to satisfy the invoice within the time prescribed on the invoice, the Jackson City Council may cause such removal costs to be levied and assessed as a special assessment upon Licensee’s property as provided by the City Charter and the Jackson City Code of Ordinances, and/or Licensor may bring suit against Licensee to recover such costs. Venue for any such suit shall be in Jackson County, Michigan.

11. All notices given pursuant to this License shall be considered mailed when placed in the United States mail, certified mail, return receipt requested, properly addressed to the parties at the addresses herein set forth, with postage thereon fully paid.

12. This Revocable License is a personal license, and shall not be assigned by Licensee.

The parties hereby have executed or caused this instrument to be executed by their duly authorized representatives, as of the _____ day of ____________, 2008.

City Manager  
City of Jackson, Michigan  

AGENDA ITEM  

Subject: Request authorization to award low bid to Johnny's Tree Service of Jackson, Michigan at their lump sum bid price of $78,000 for Tree Pruning and Emergency Services Contract.  

We have contracted for tree trimming services for the past several years and have found this to be an efficient means by which to carry out a significant portion of our annual tree trimming needs. Additionally, the Emergency Services portion of our contract insures assistance with storm cleanup needs.  

On Wednesday, September 17, 2008 at 9:00 am a pre bid meeting was held in the purchasing department to review the service contract specifications. Four contractors were in attendance.  

On Wednesday, September 24, 2008 at 9:00 am sealed bids were opened in the Purchasing Manager’s office. Two bids were received. A bid tabulation is attached for your review.  

The funding for this work is accounted for in the Contractual Services line item in the Forestry budget (101-690-818).  

Therefore, I, along with Margaret Cunningham, Purchasing Manager, request authorization to award contract to Johnny’s Tree Service of Jackson, Michigan. Furthermore, I am requesting the Mayor and City Clerk be authorized to sign the appropriate contract documents.  

Respectfully submitted,

RE: 2007 Water Fluoridation Quality Award

I would like to recognize the Water Treatment Plant for their achievement in receiving the 2007 Water Fluoridation Quality Award, presented by the Michigan Department of Community Health.

This award is given to water systems that have consistently obtained an optimal level of fluoride content for 12 consecutive months. This recognition speaks well of plant supervisors, Paul Hudson, Bob Koehn and assigned staff, in striving to provide high quality drinking water to the community.
September 10, 2008

Glenn Chinavare
Superintendent- City of Jackson
515 Water Street
Jackson, MI 49203

Dear Glenn Chinavare,

The Michigan Department of Community Health is pleased to present you with the 2007 Water Fluoridation Quality Award. The Centers for Disease Control identifies community water fluoridation as one of the 10 great public health achievements of the 20th century.

In Michigan, statistics demonstrate that children, as well as adults, receiving the benefits of community water fluoridation have less dental cavities. The benefits of optimal community water fluoridation last throughout the life span. The Oral Health Program commends you on maintaining optimal levels of fluoride in your water system.

Sincerely,

Sheila Vandenbush, Ph.D

Dr. Sheila Vandenbush (Semler)
Oral Health Director
517-335-8388/oralhealth@michigan.gov

Susan Deming, RDH, BS
Fluoridation Coordinator
517/373-3624/demings@michigan.gov

CC: Brenda Fink, Division Chair, Family and Community Health
The Centers for Disease Control and Prevention commends this water system for its consistent and professional adjustment of the water fluoride content to the optimum level for oral health for 12 consistent months. Consistent, high-quality water fluoridation practice, as demonstrated by this water system, is a safe and effective method to prevent tooth decay, improving the oral health of community residents of all ages.

Presented by the
Centers for Disease Control and Prevention
United States Department of Health & Human Services

National Fluoridation Engineer, Division of Oral Health
